O TOQUE MÁGICO DO PICA-PAU

No tempo dos cavaleiros andantes, muitos guerreiros percorriam os campos à procura de boas ações para praticar.

Um desses galantes cavaleiros era Sir Pica-Pau.

Vamos ver o que está escrito naquela placa!

Quem libertar o príncipe do terrível dragão ganhará Férias de duas semanas em Acapulco!

Que legal!
Eu sempre quis ir
a Acapulco!

Oh, olá,
menestrel
errante!

Pode me dizer
onde encontro o
terrível dragão?

O que posso lhe
contar, se quiser me
escutar. Escutar com
atenção, na caverna
está o dragão!

Mas é bom não
provocar, ele pode se
zangar! Solta fogo
apenas, mas queima
as suas penas!

Nossa, a gente faz
uma perguntinha e ele
responde com uma super
produção!

Mais tarde...

Essa deve
ser a caverna do
dragão!

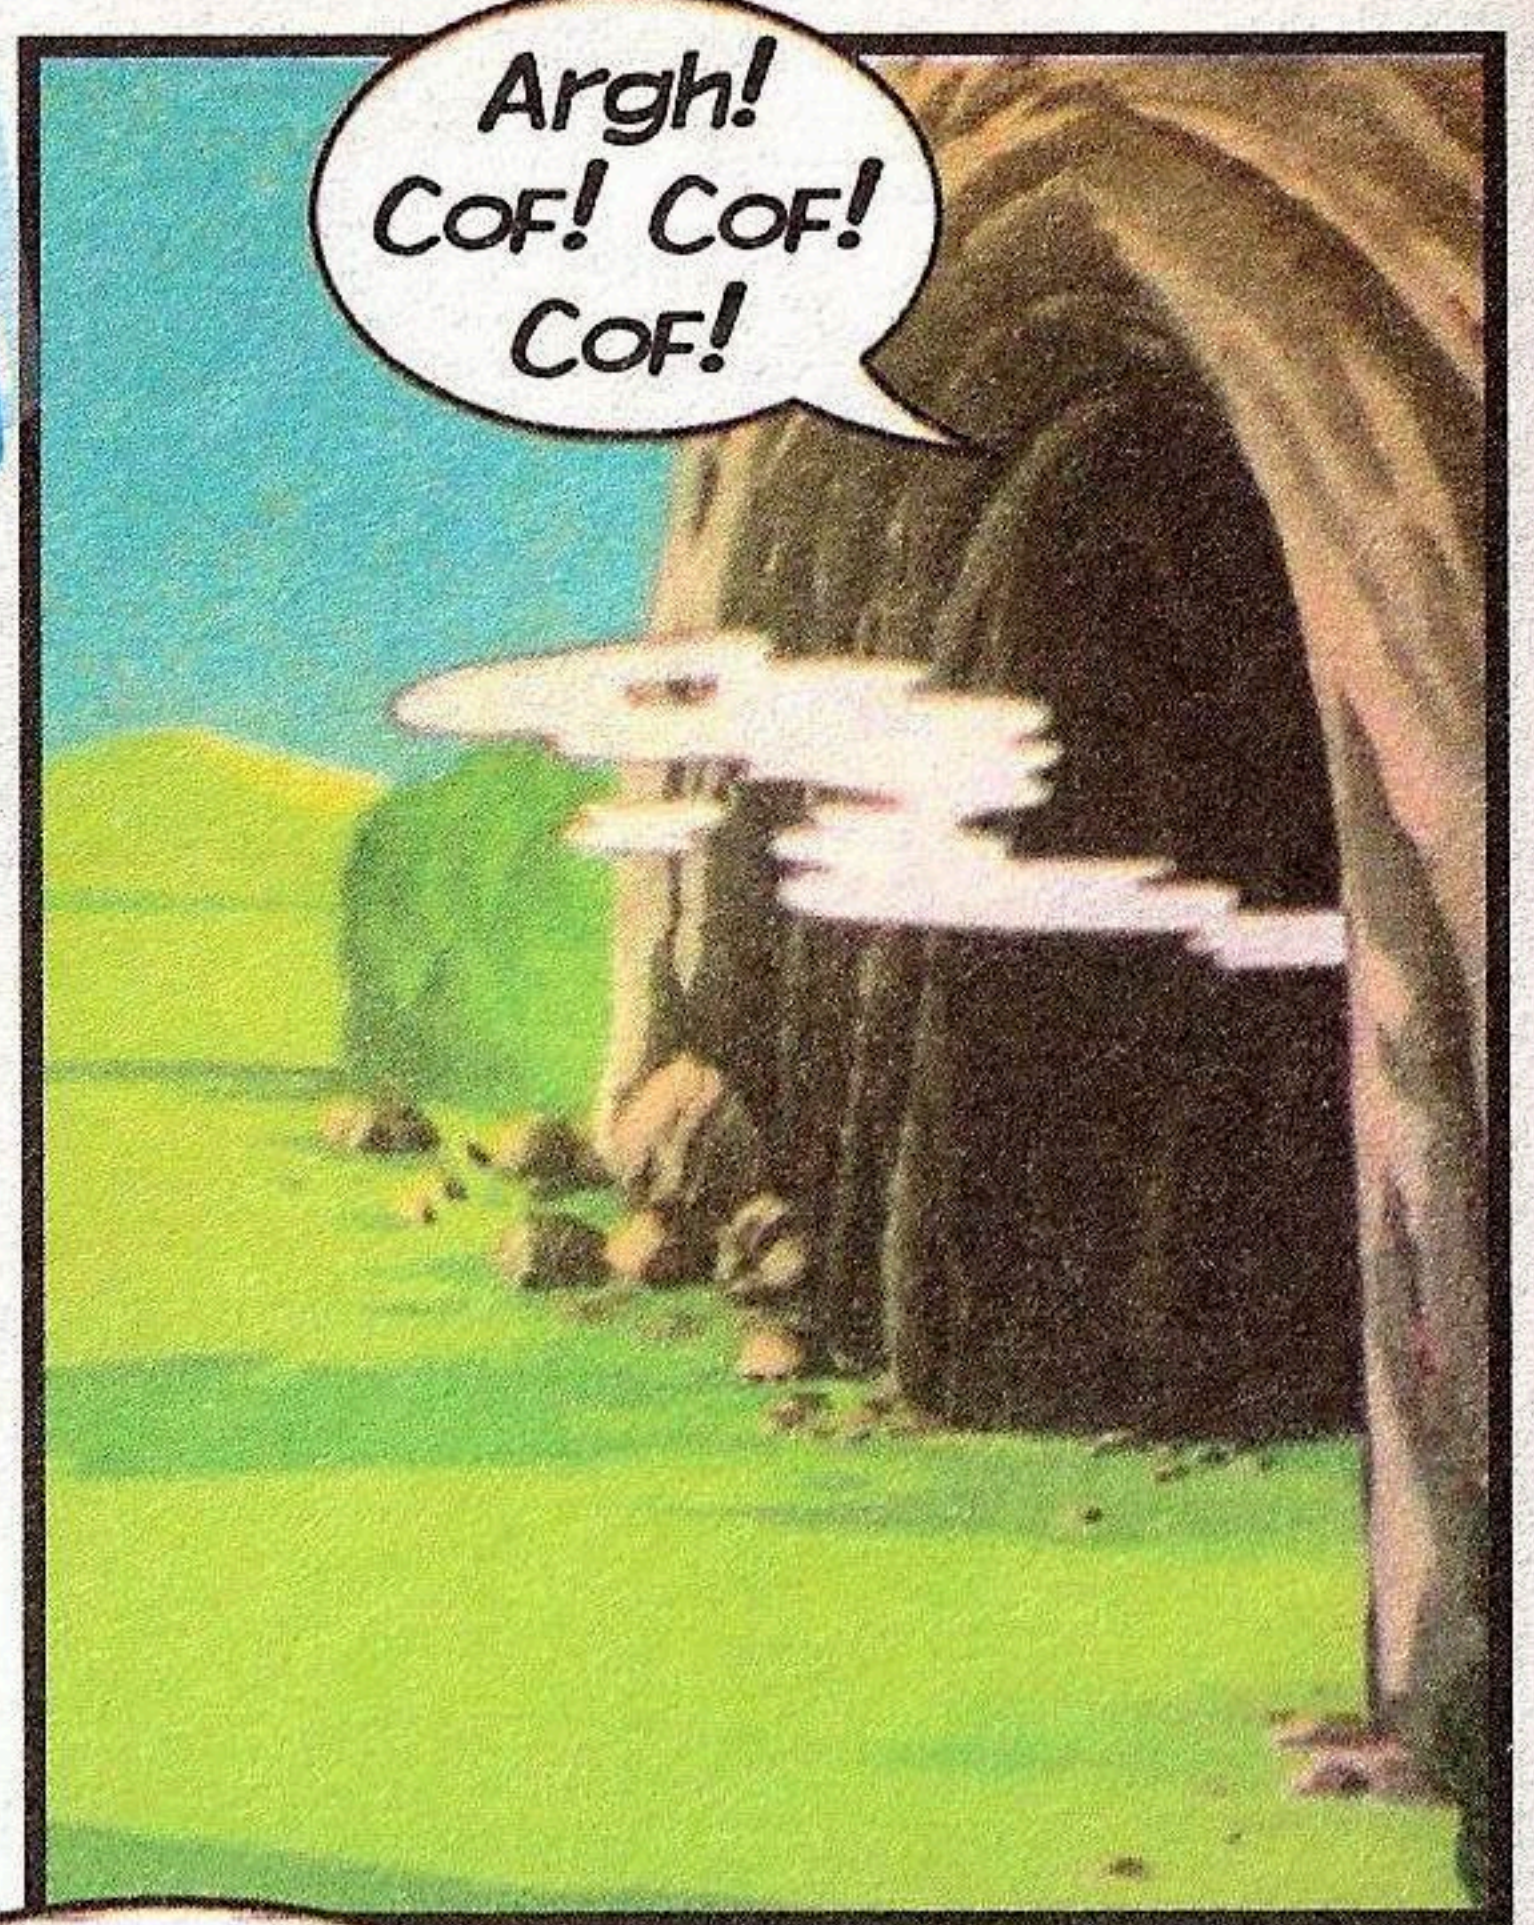

GRAAU

Cocococó!

Calma aí!
Você é um cavalo ou
um franguinho?

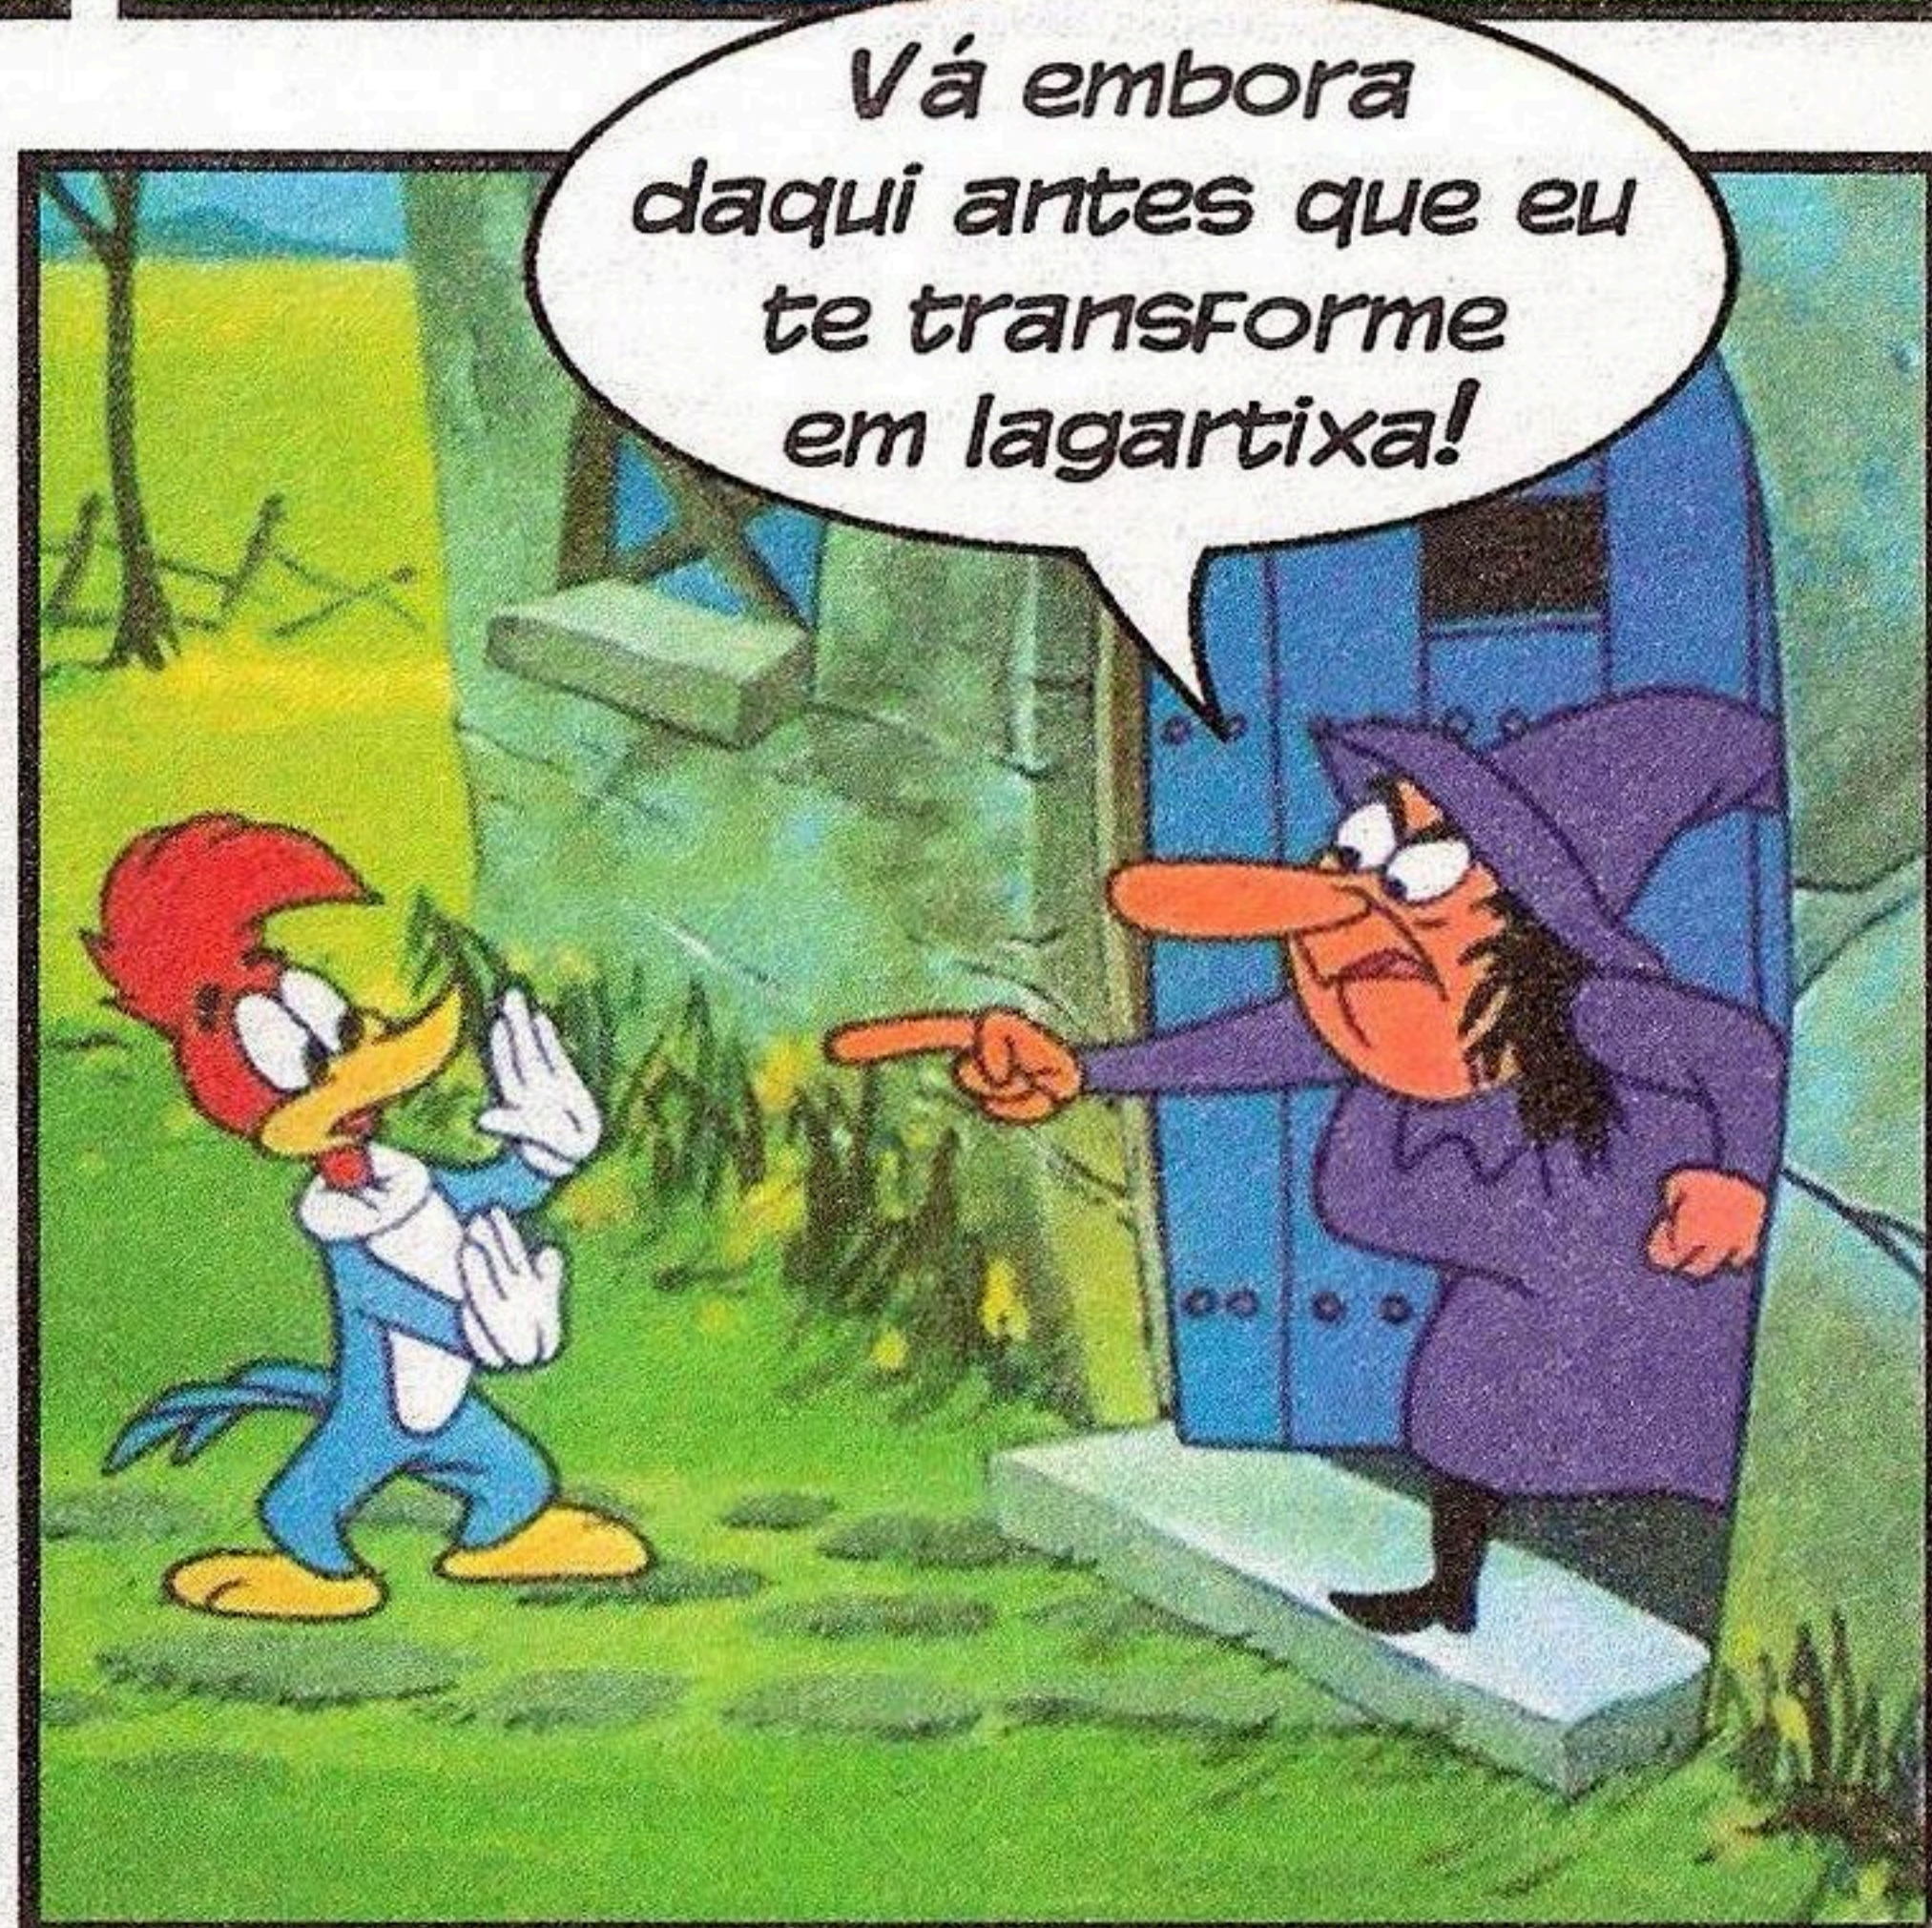

Espera aqui,
cavalo Coração de Frango!
Vou ter uma conversinha
com aquele dragão!

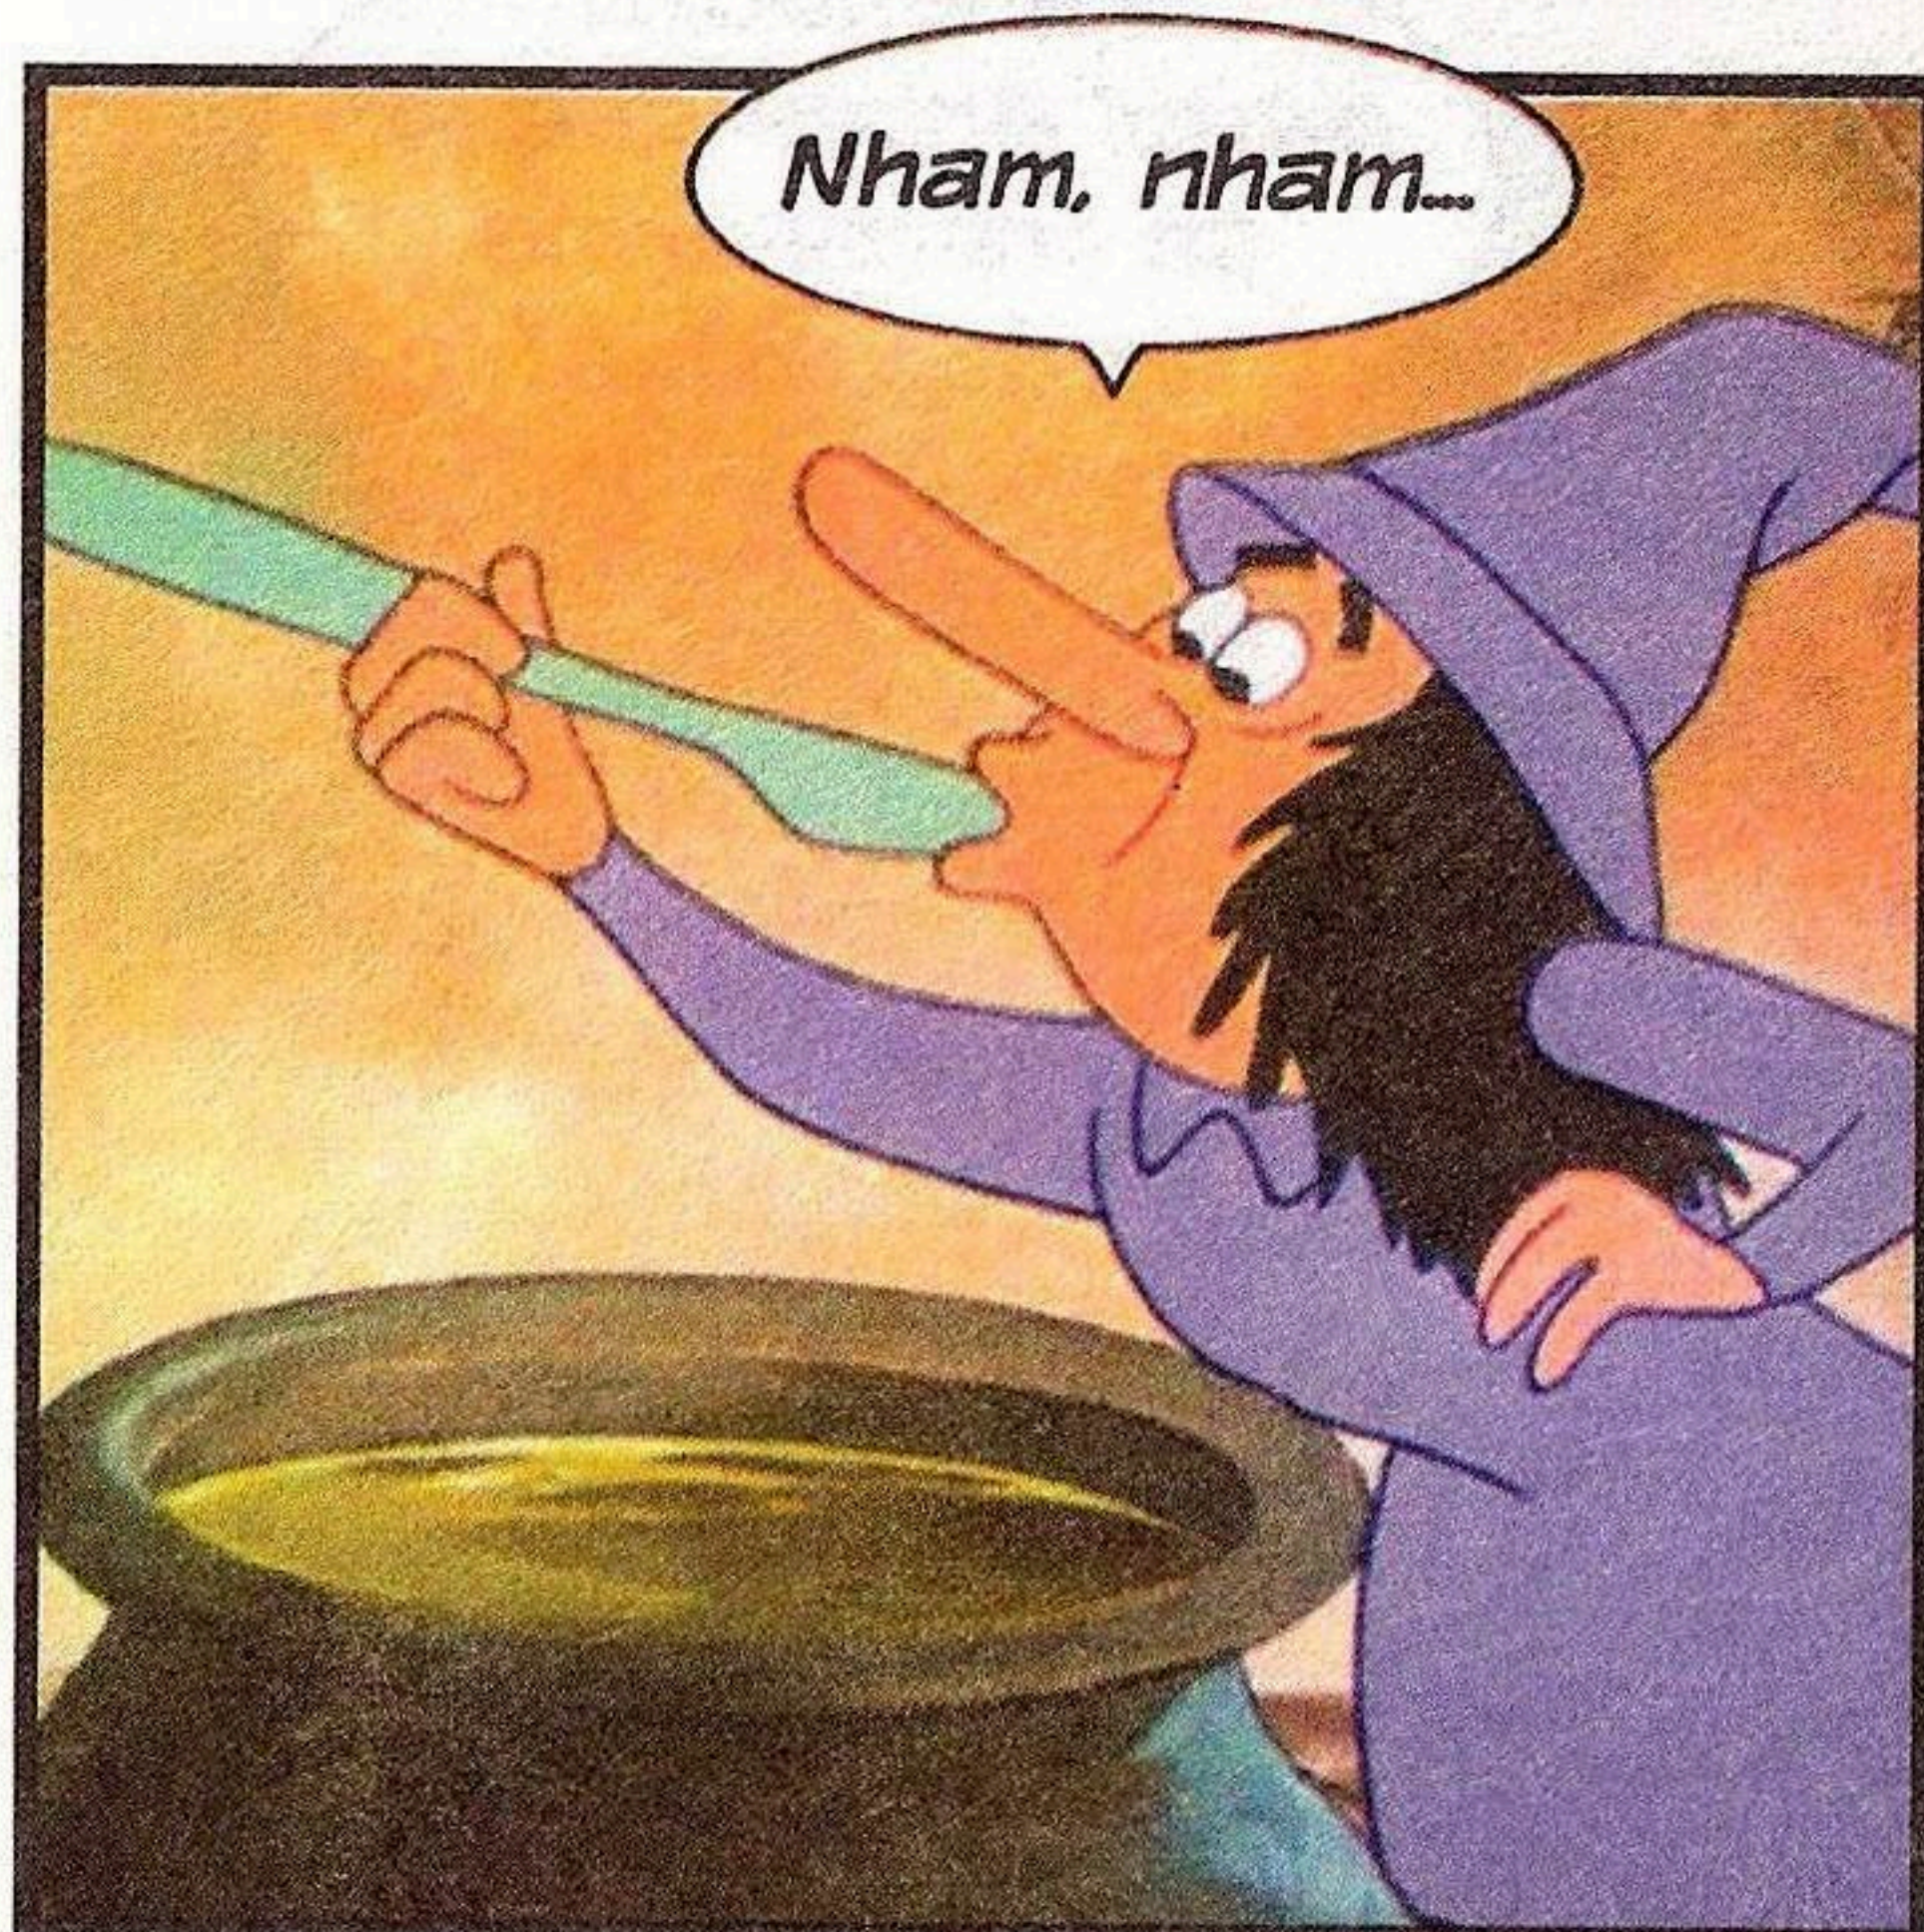

Mas antes vou
pegar um pouco
de água!

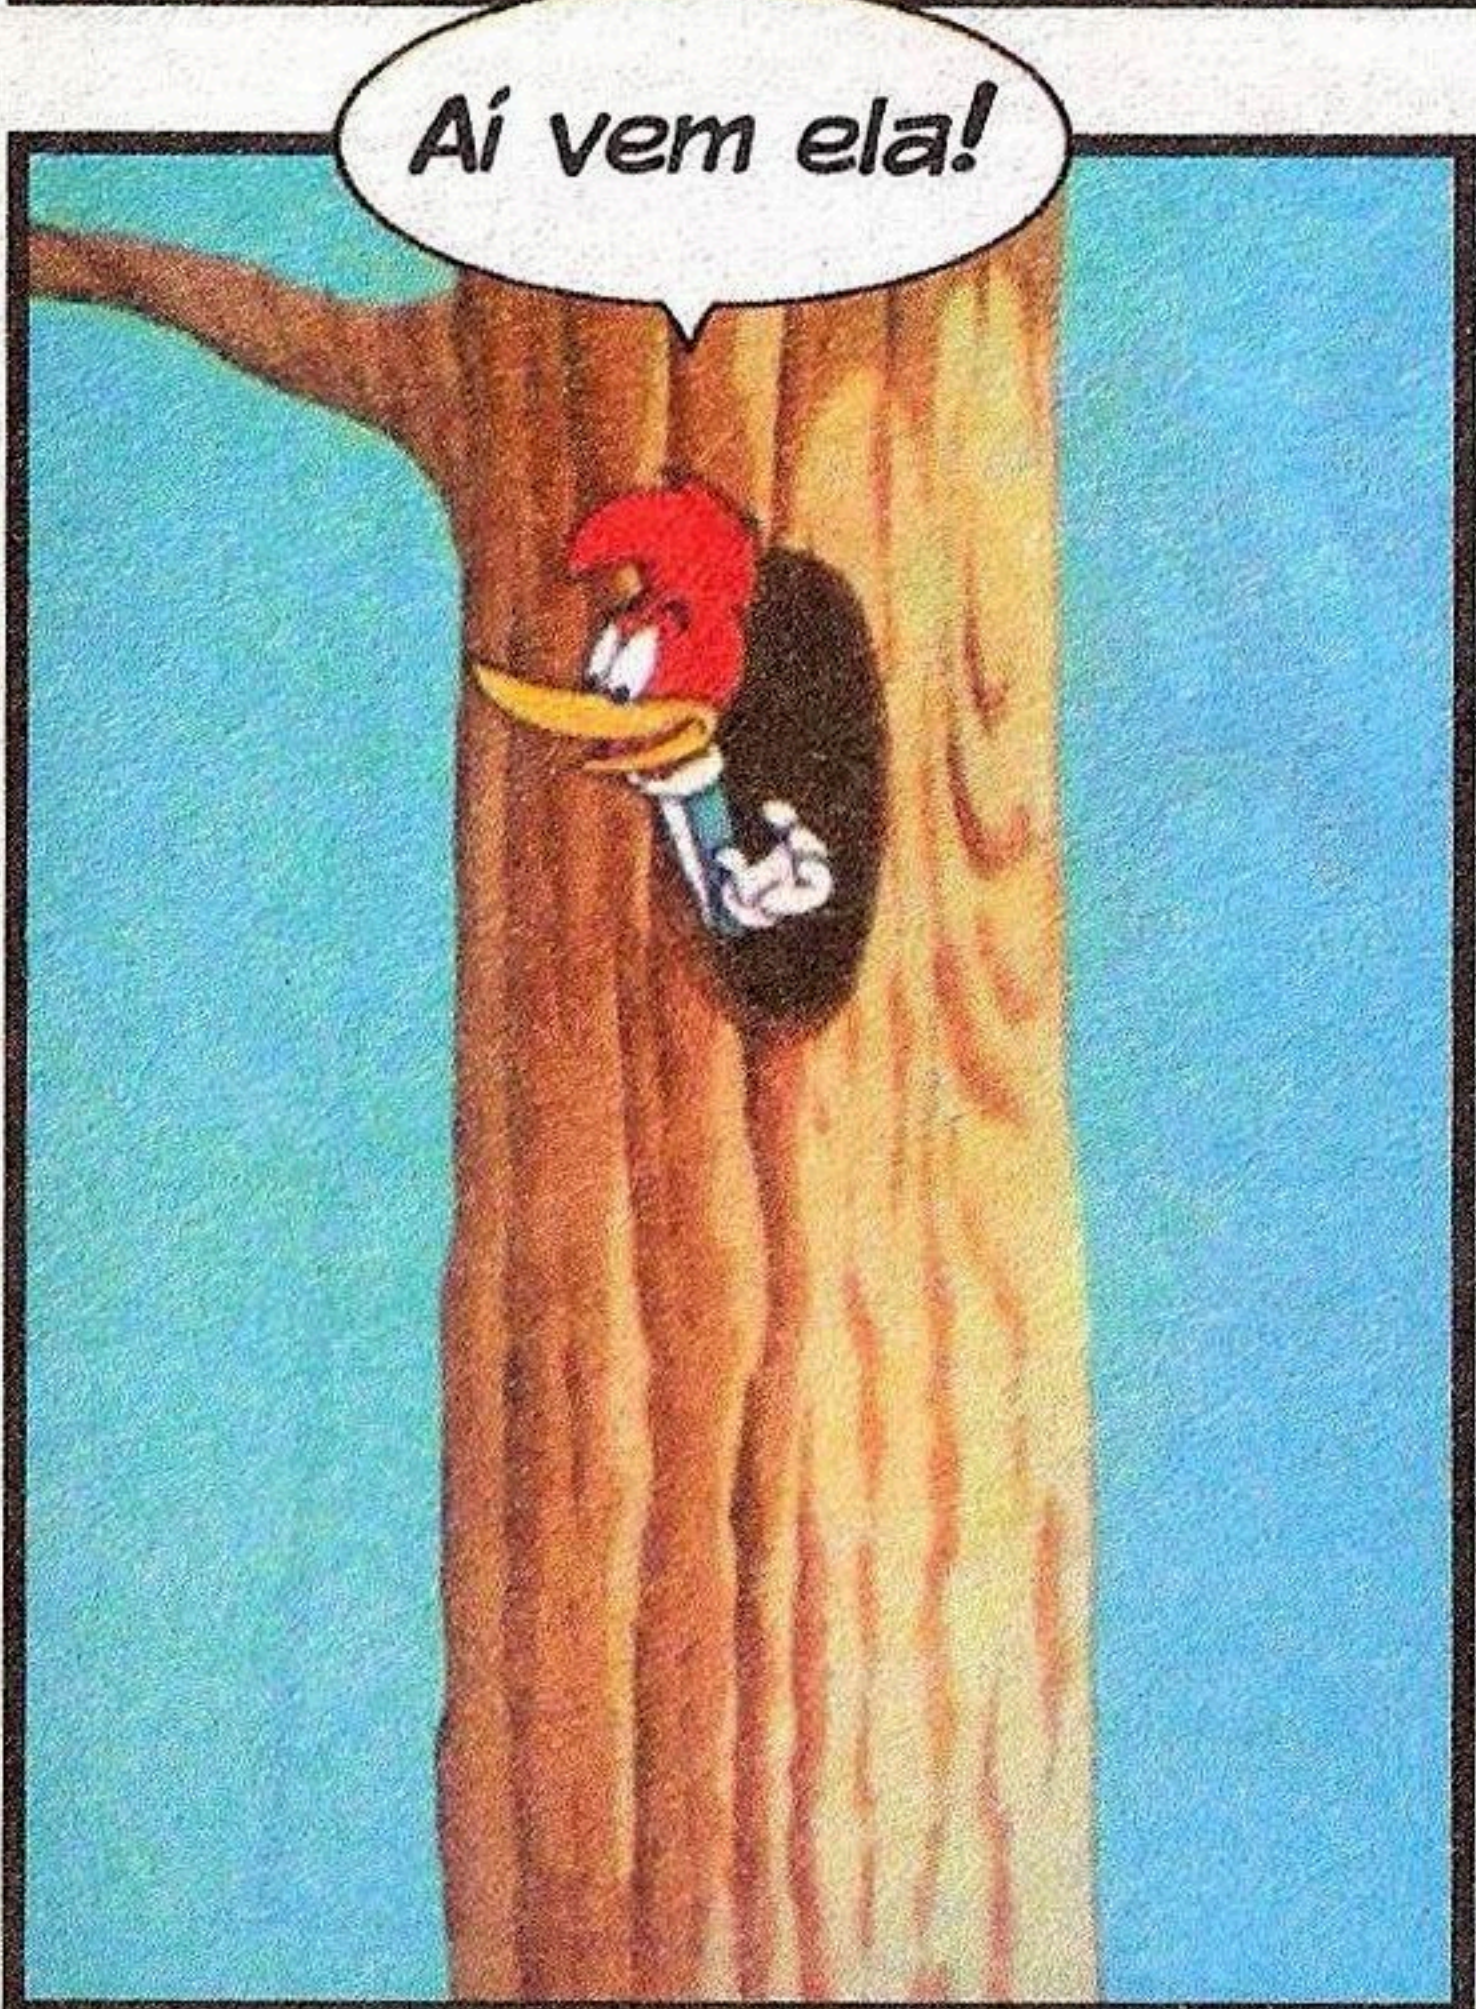

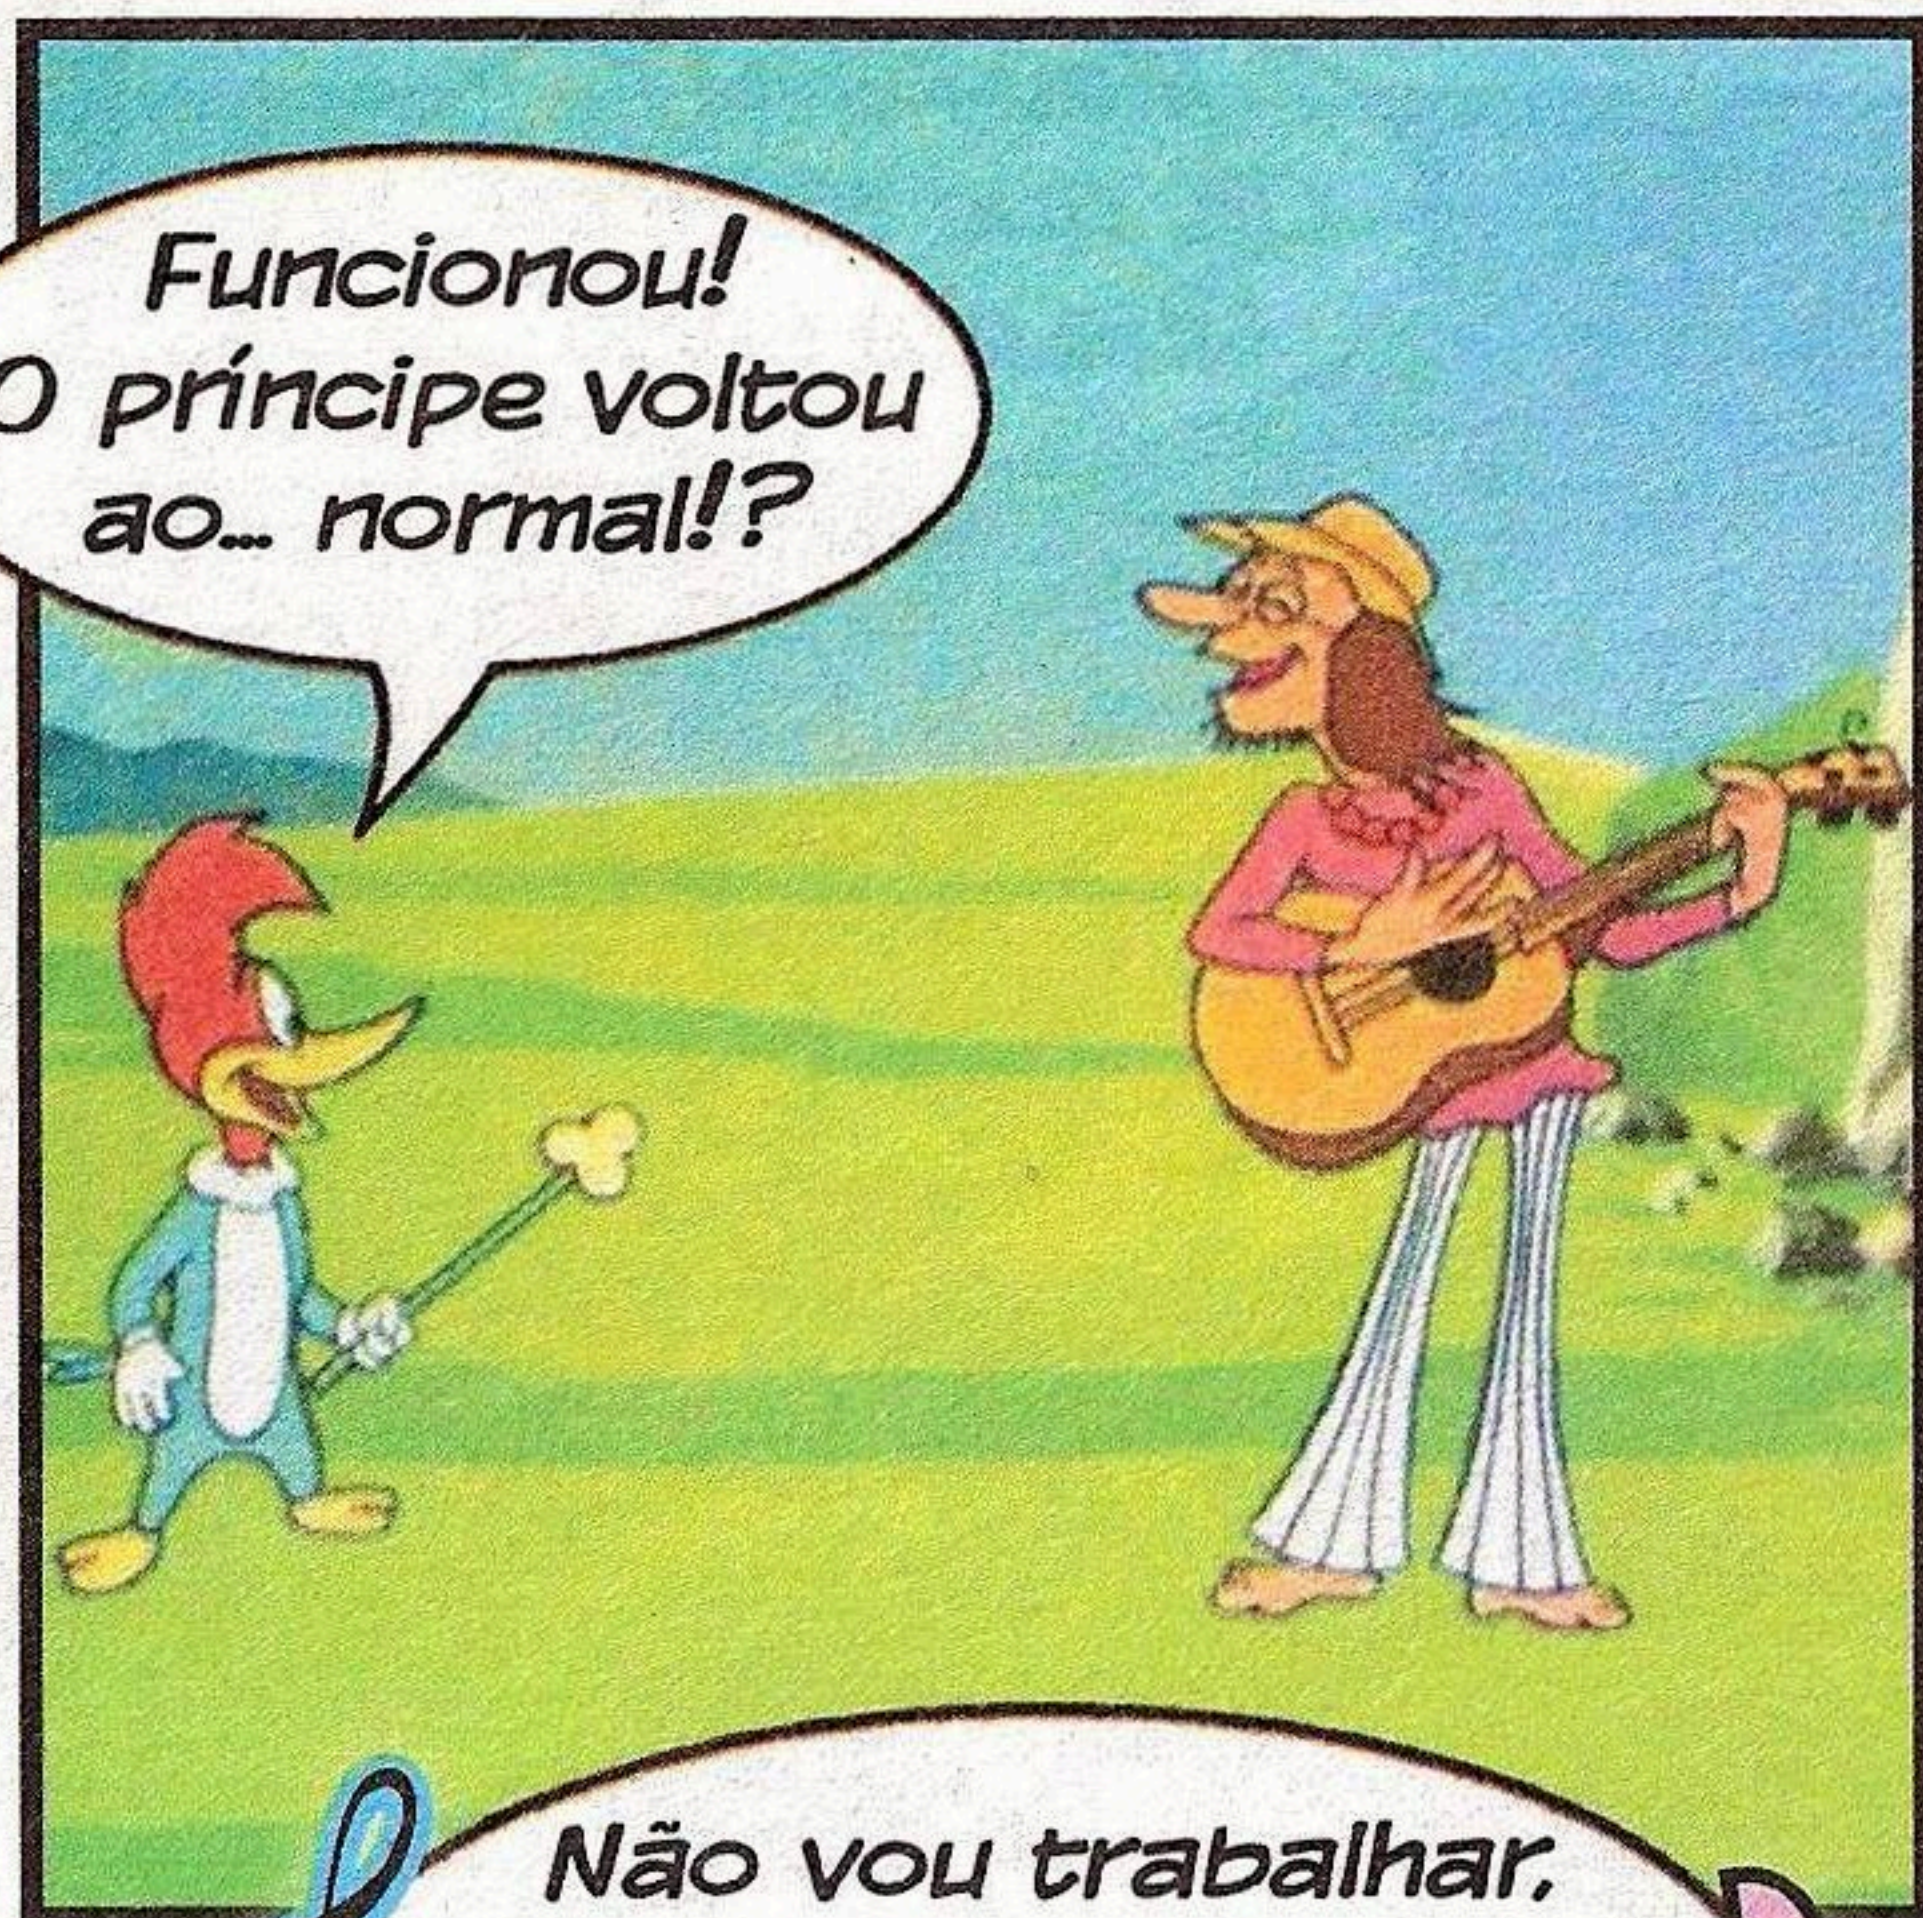

Depois...

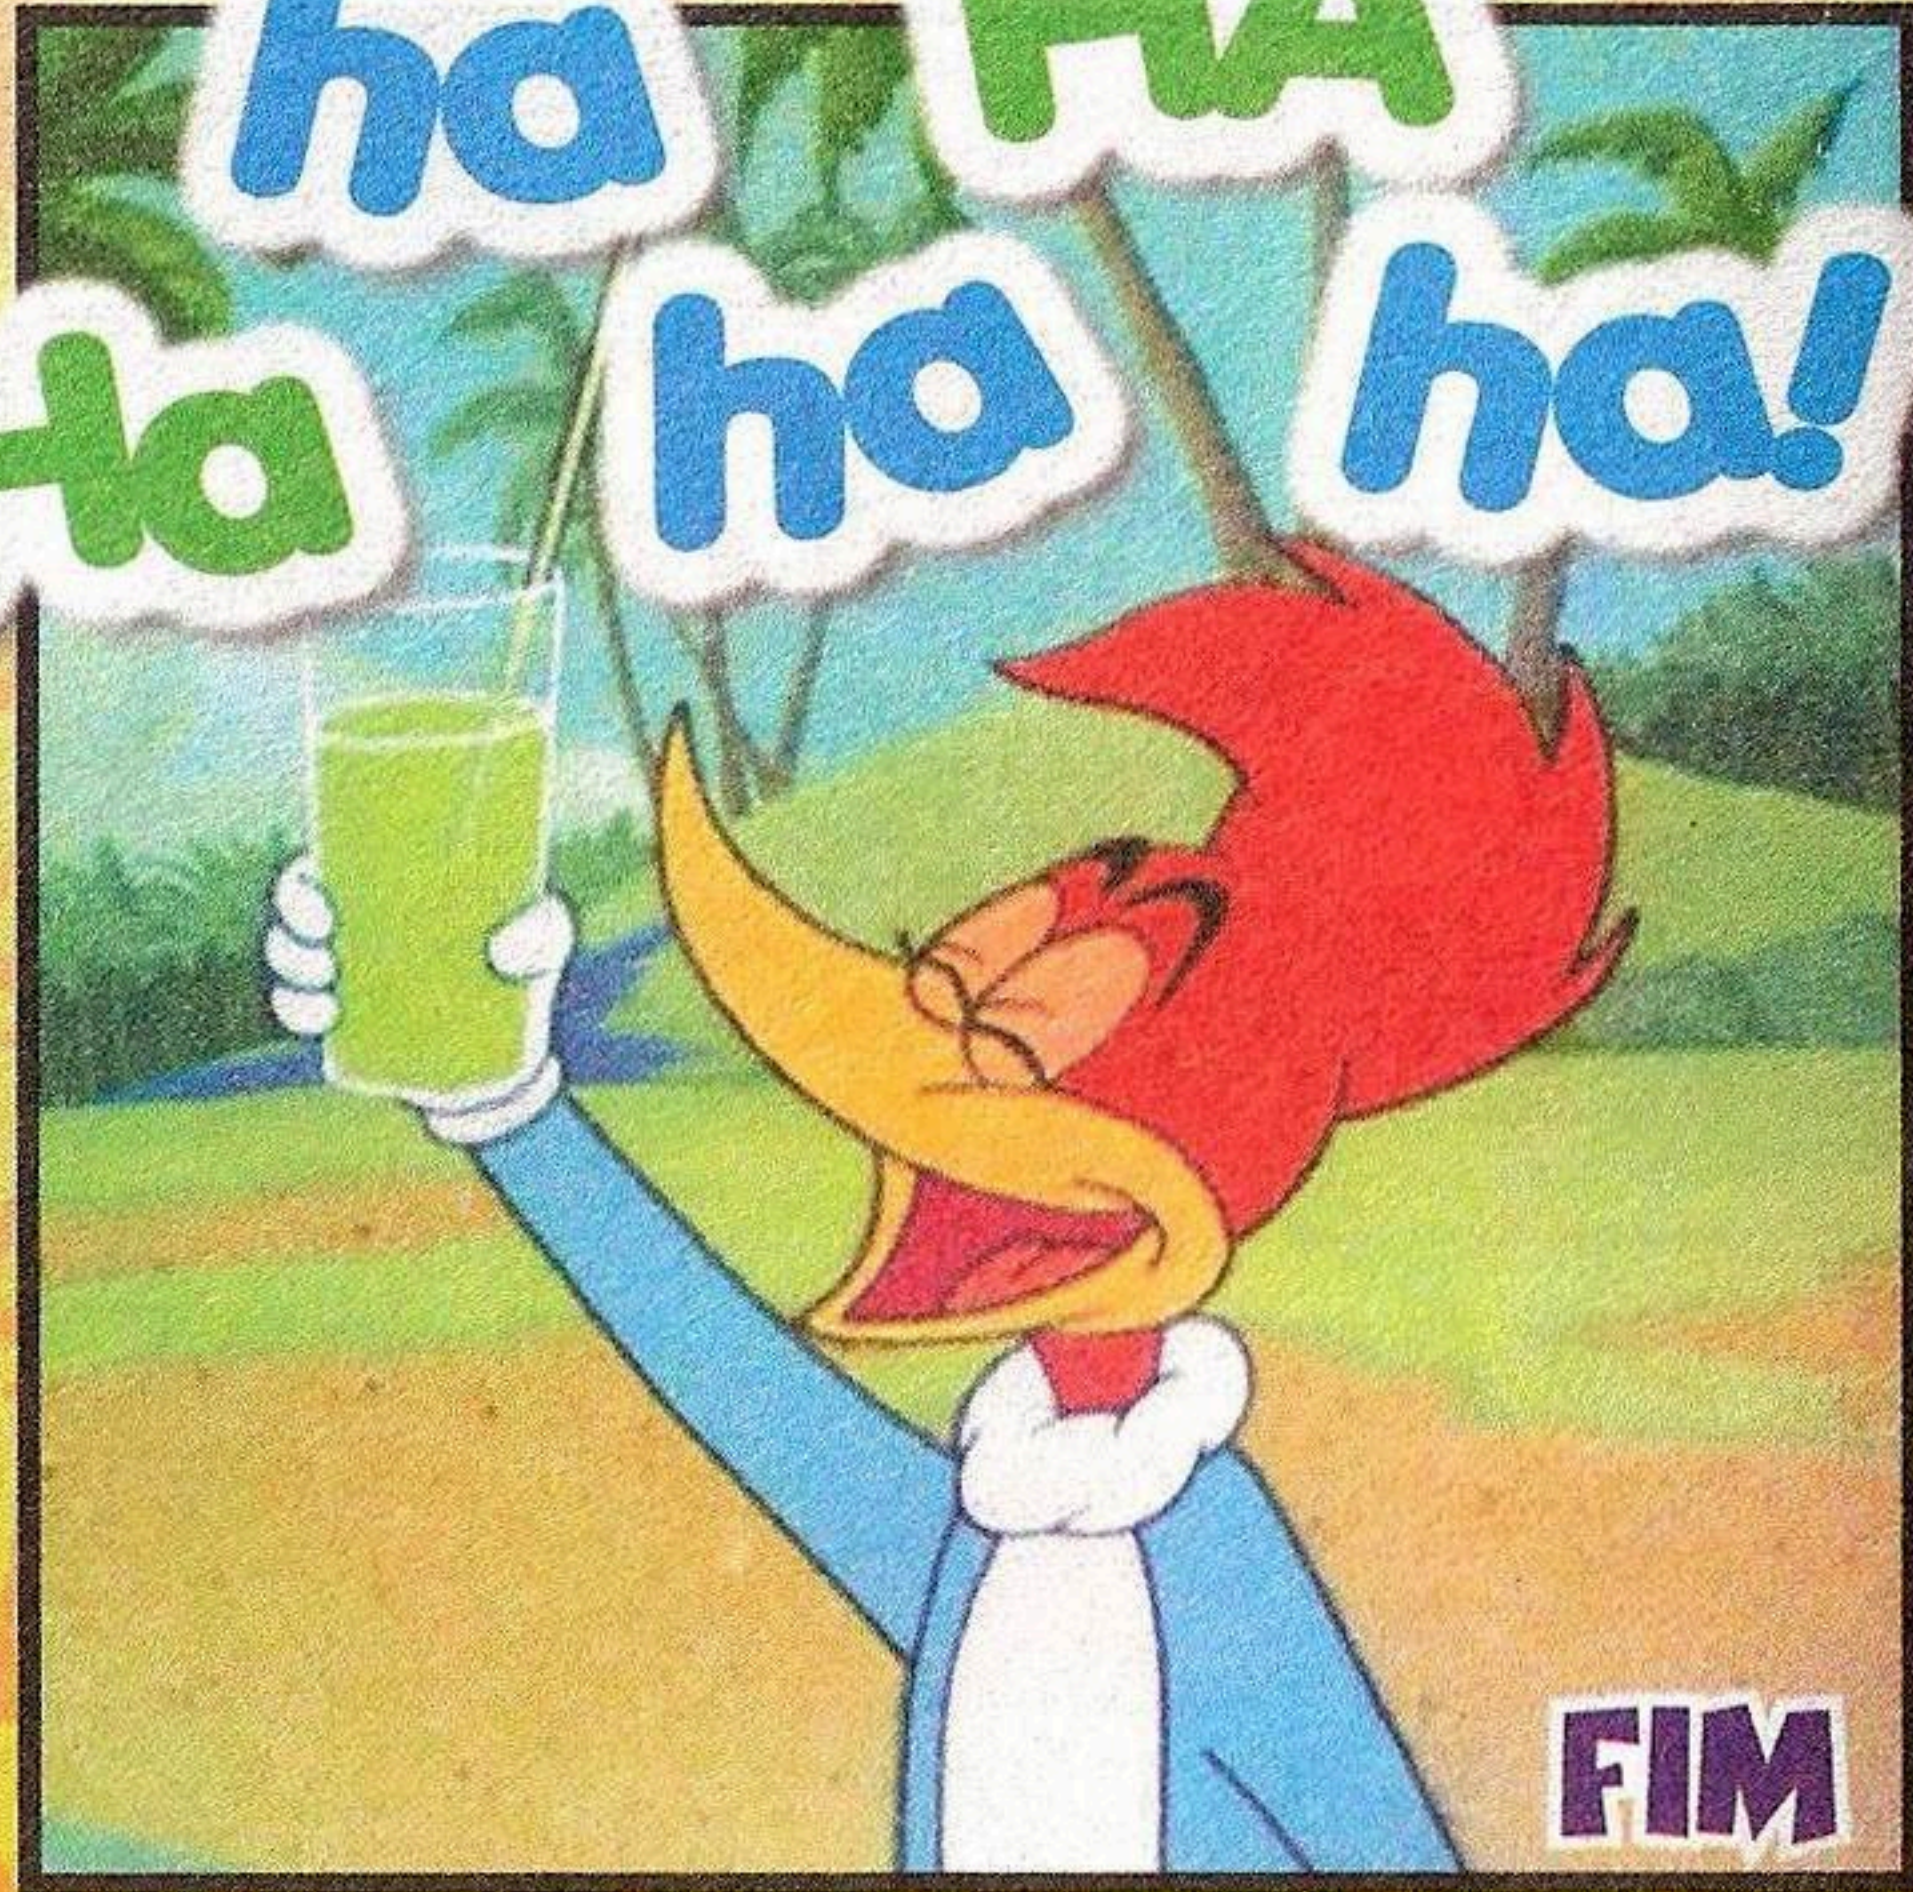

Obrigado!
E aqui está o
seu prêmio!

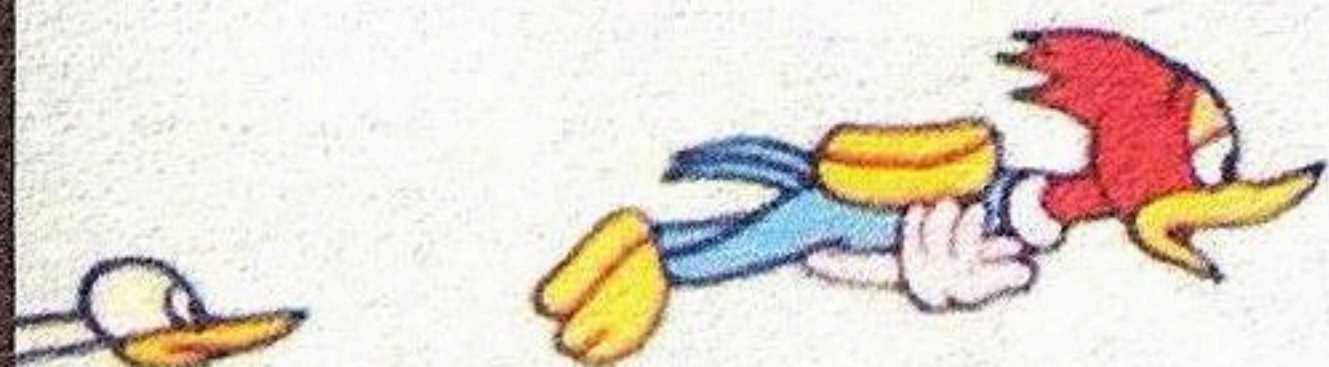

No outro dia...

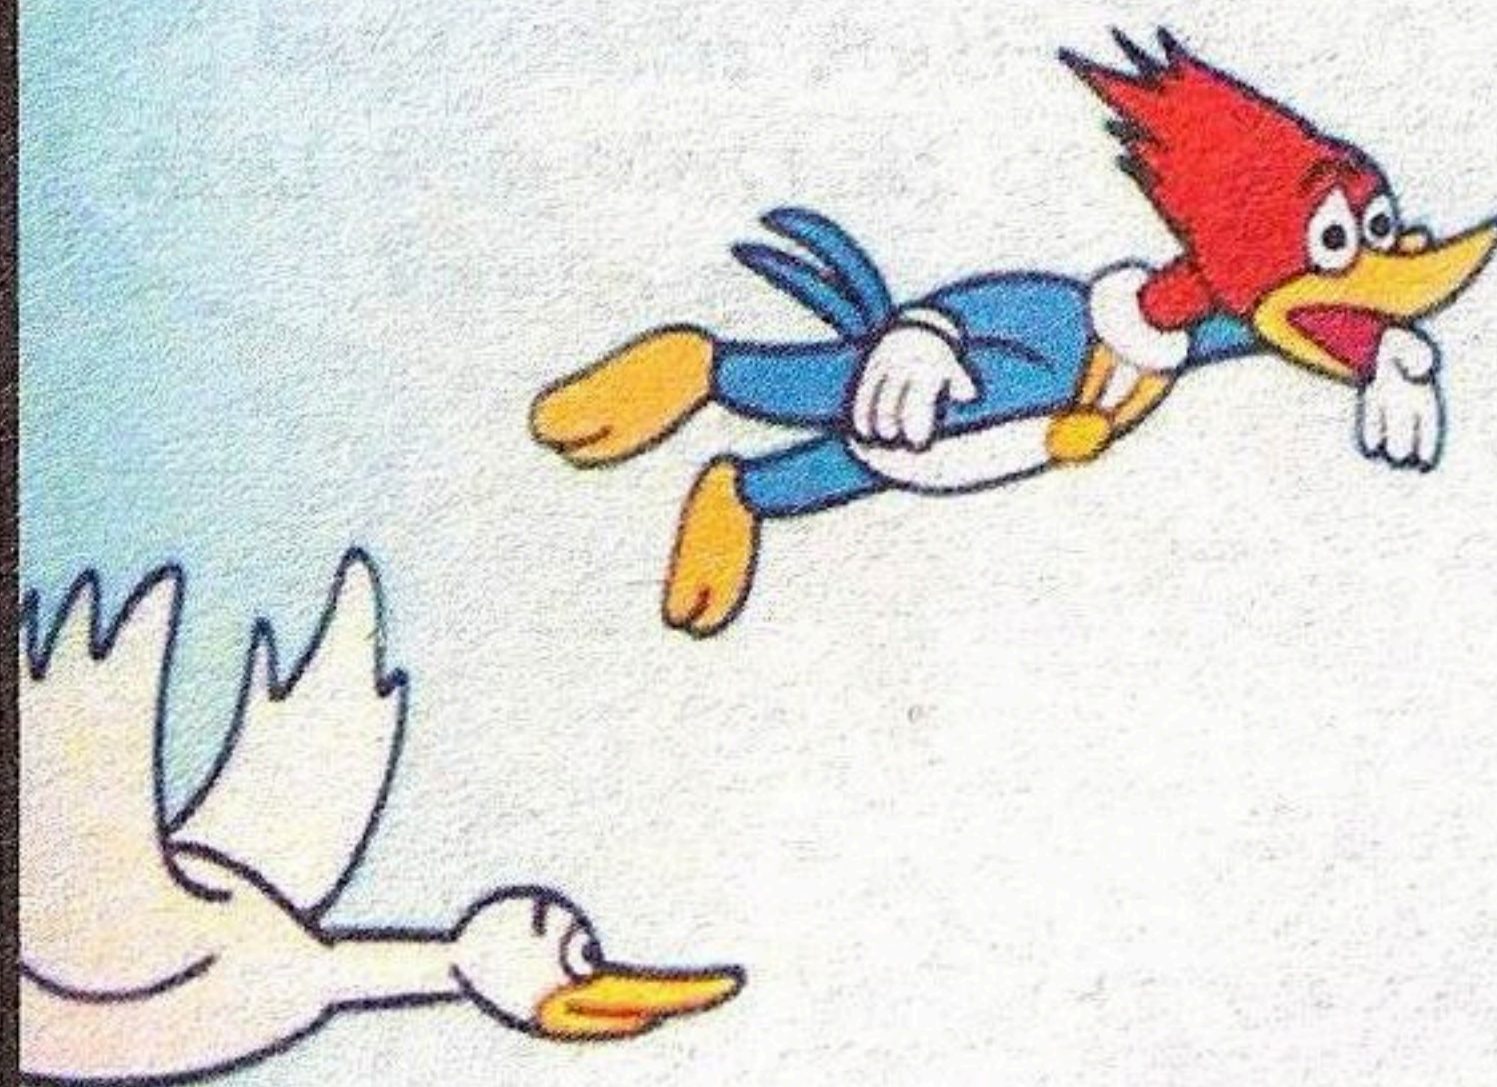

HORA DE DORMIR

Bem, eu sabia que a migração anual que os gansos fazem para o sul era cansativa...

...mas viajar milhares de quilômetros sem parar é demais para mim!

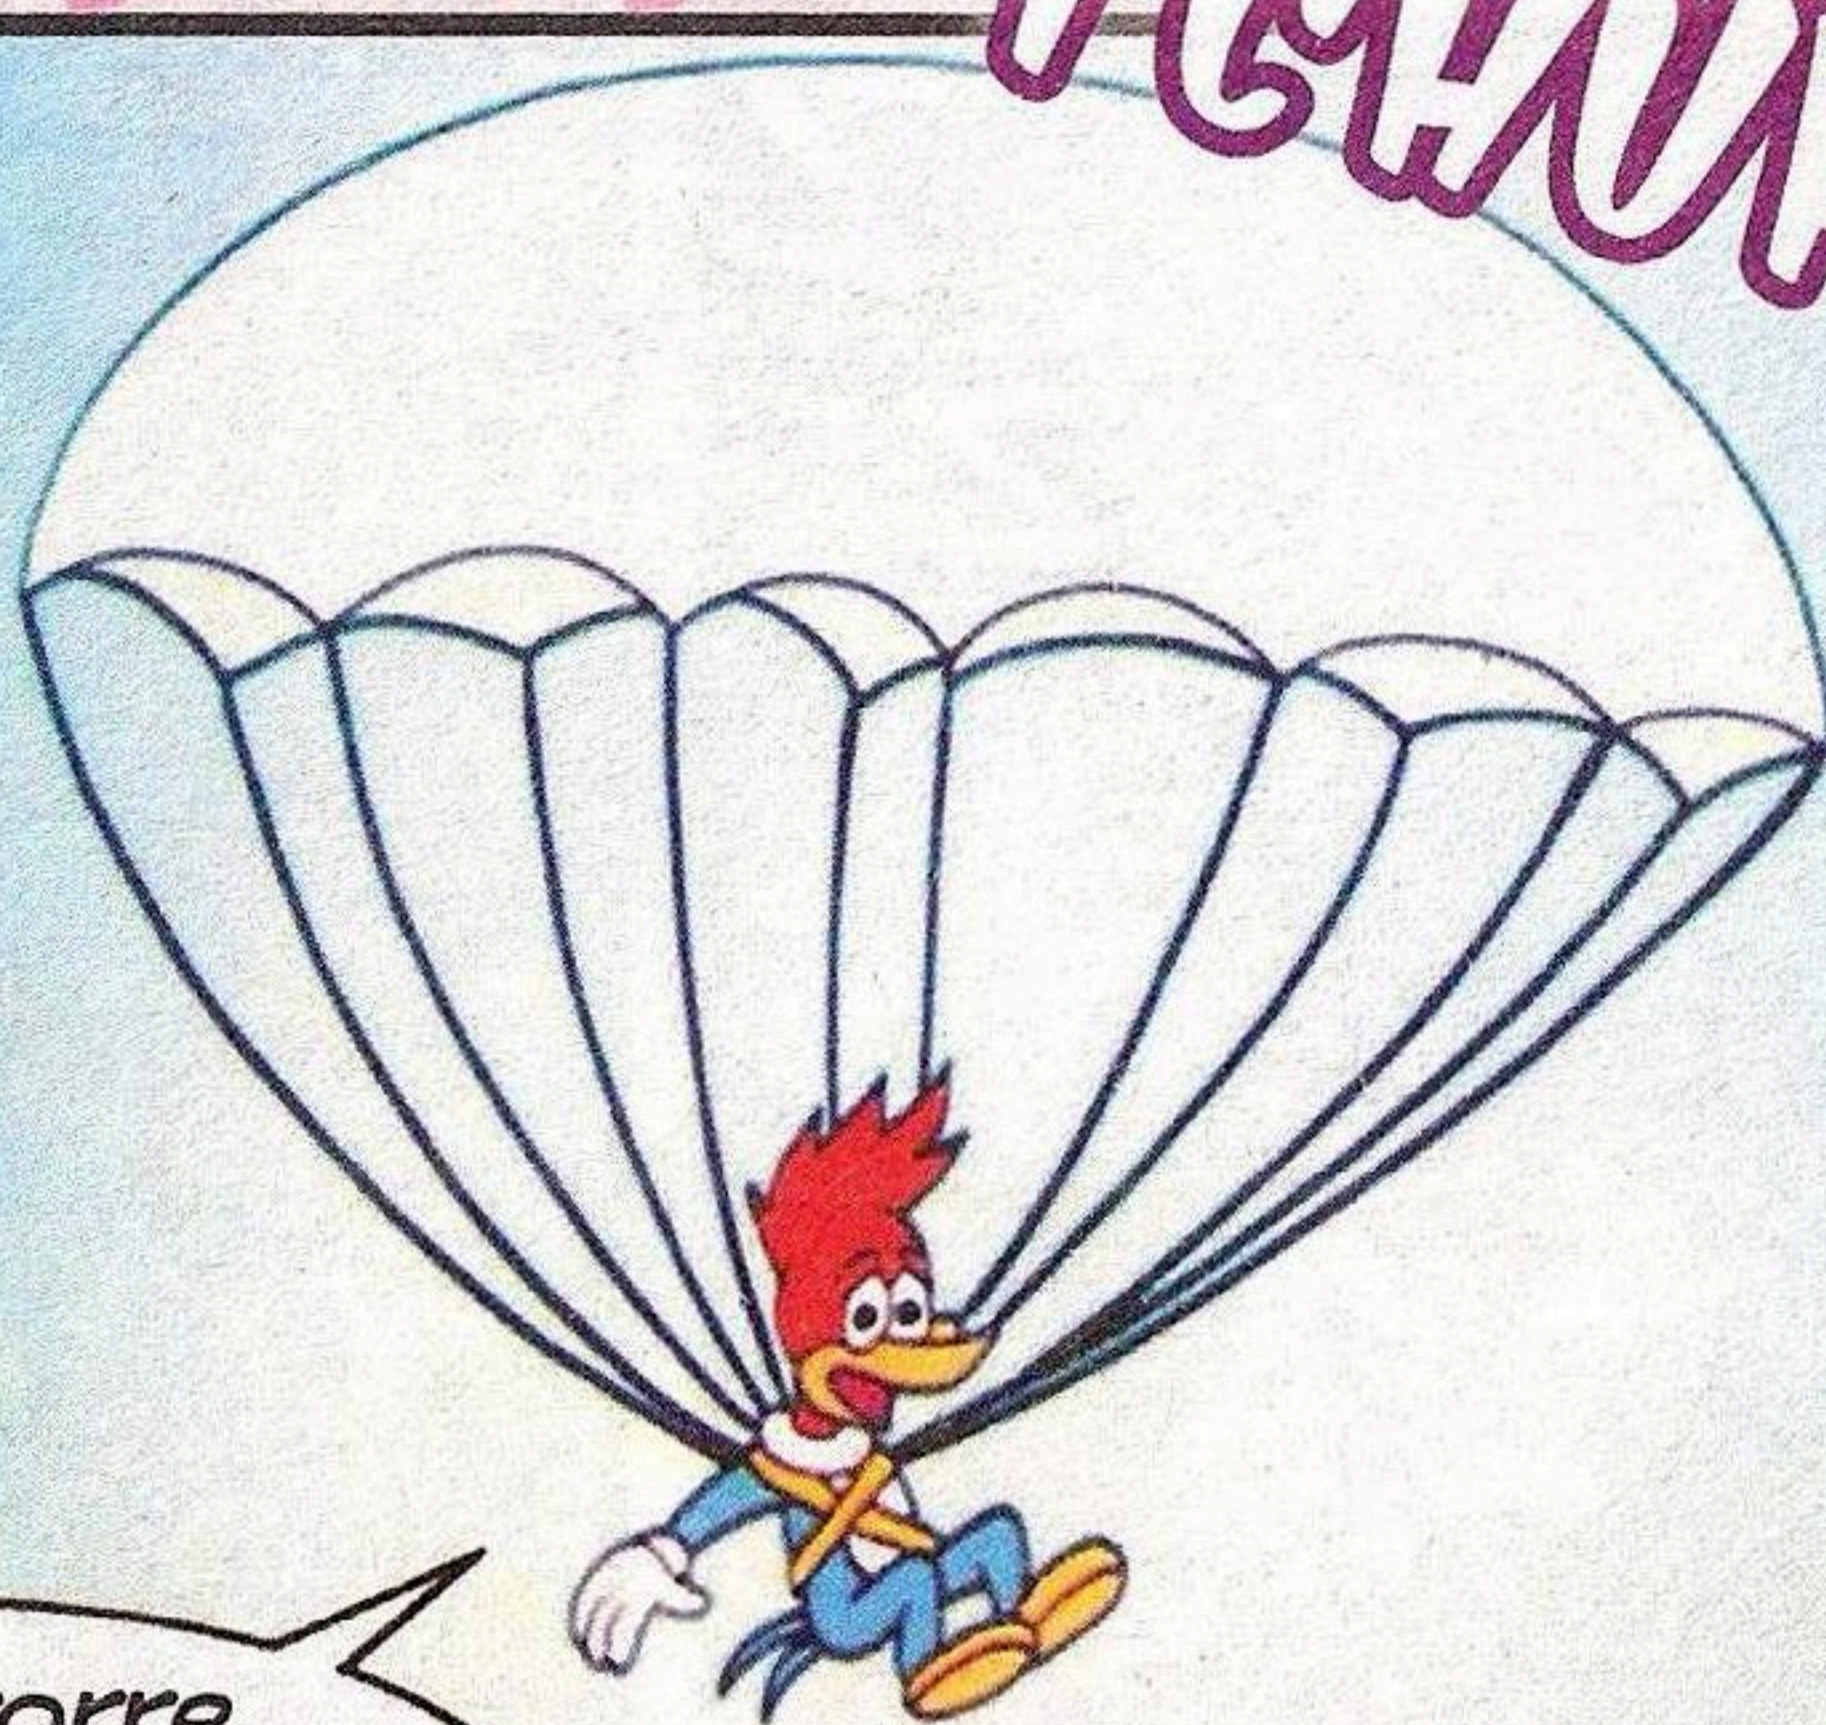

Desculpem, amigos, mas vou ficar por aqui!

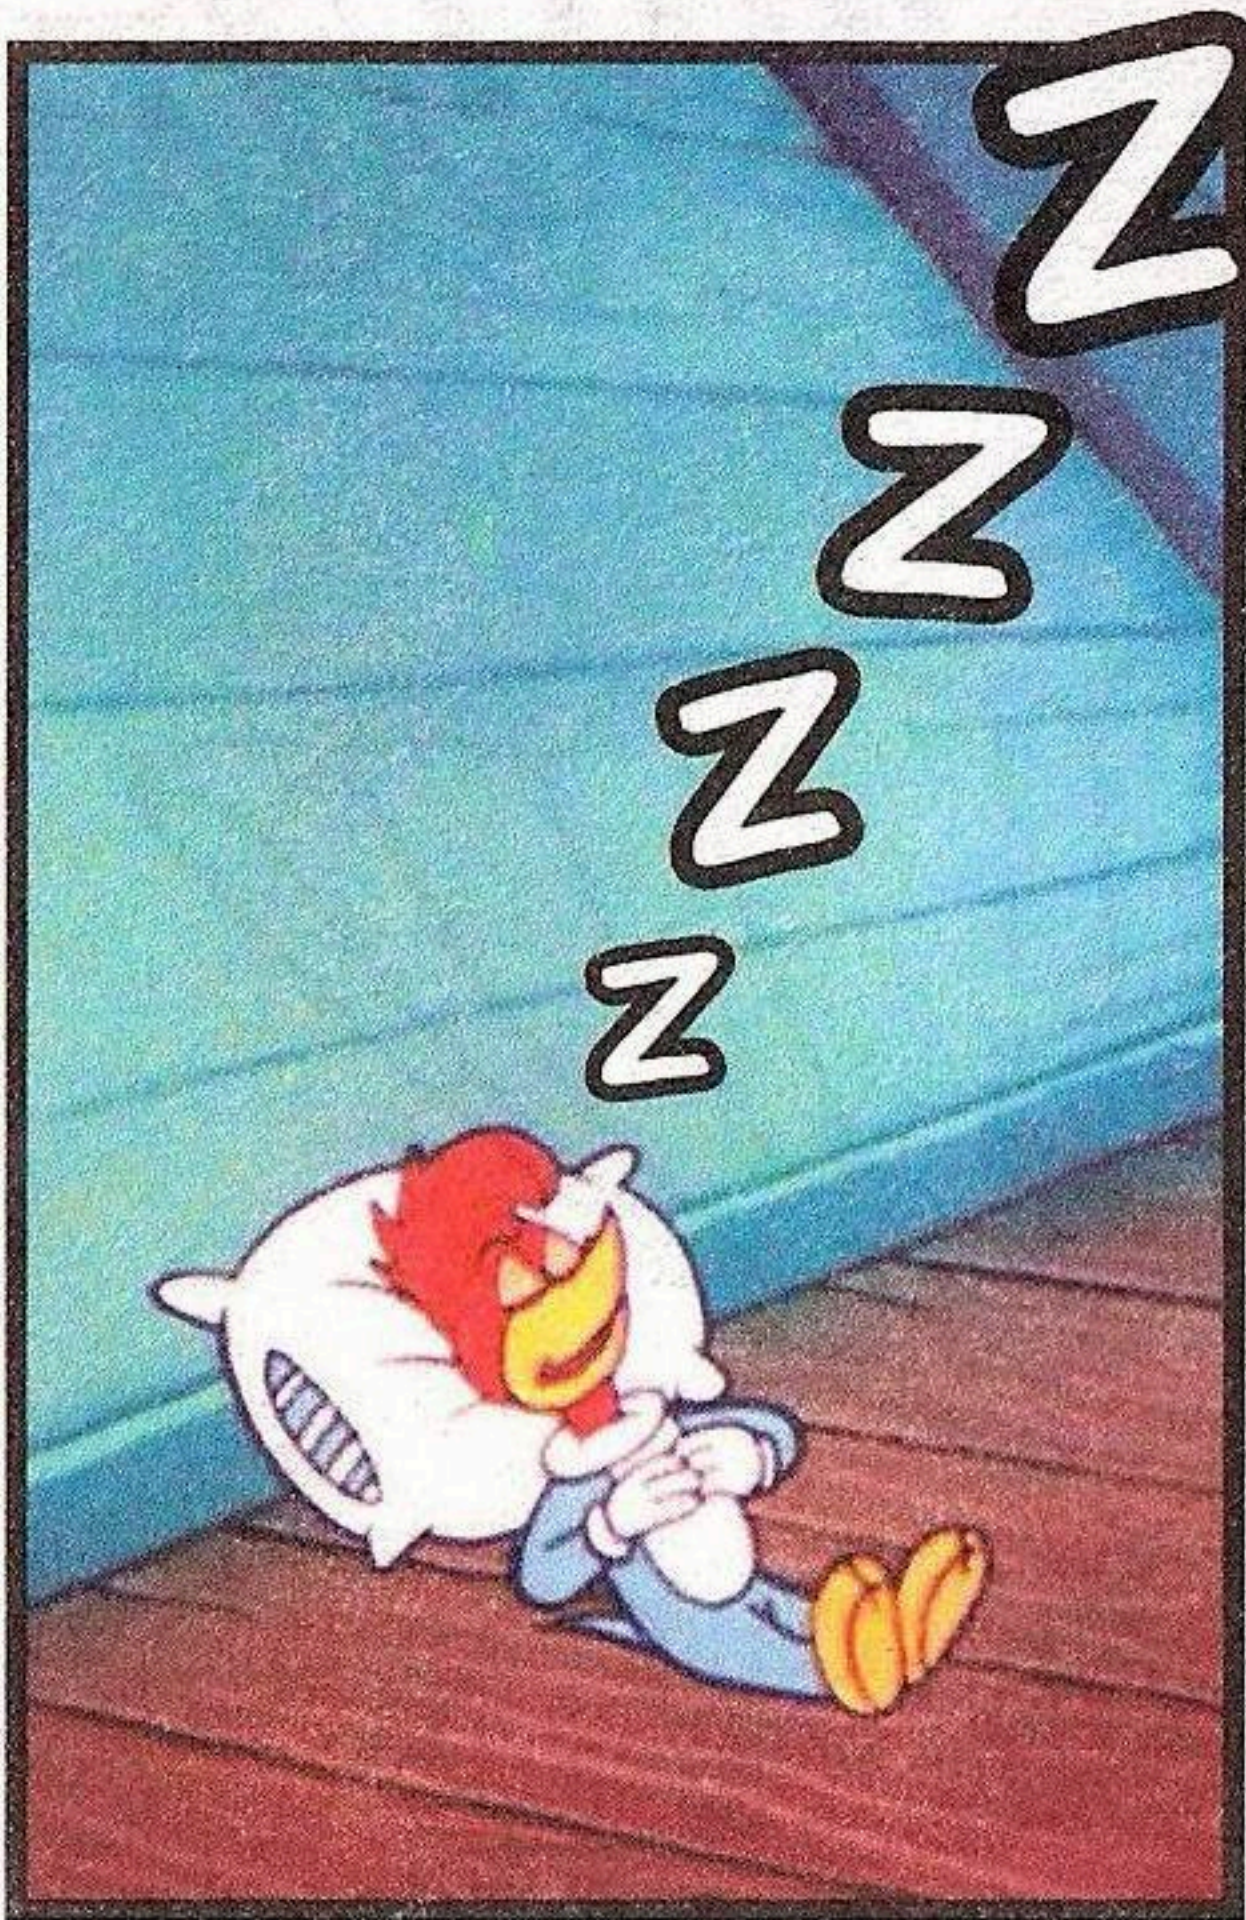

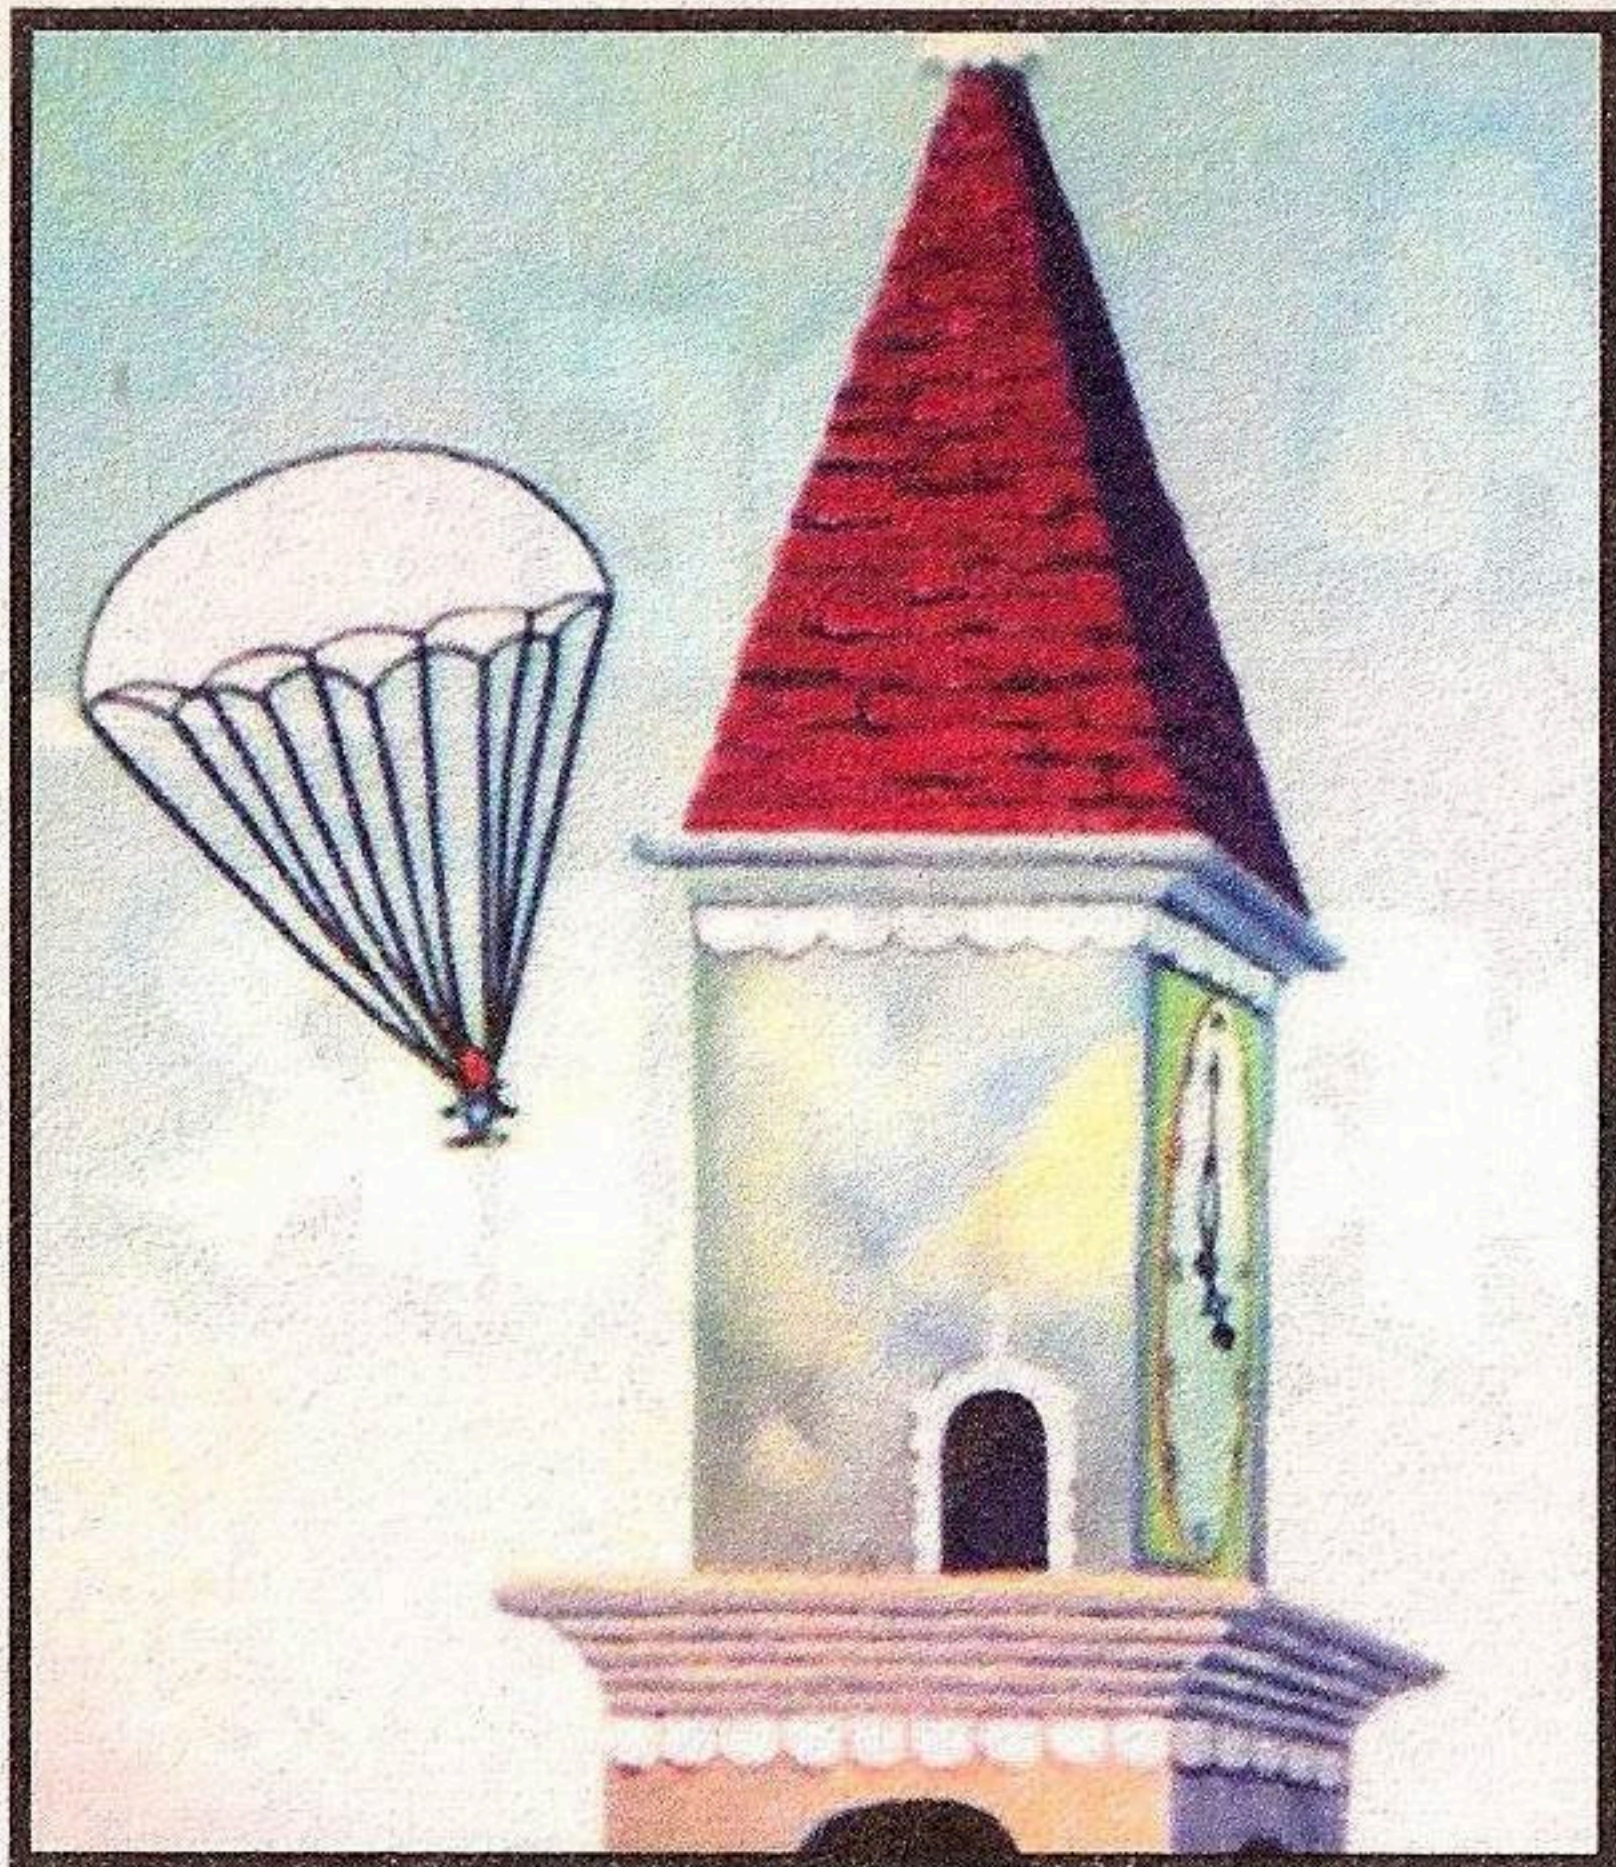

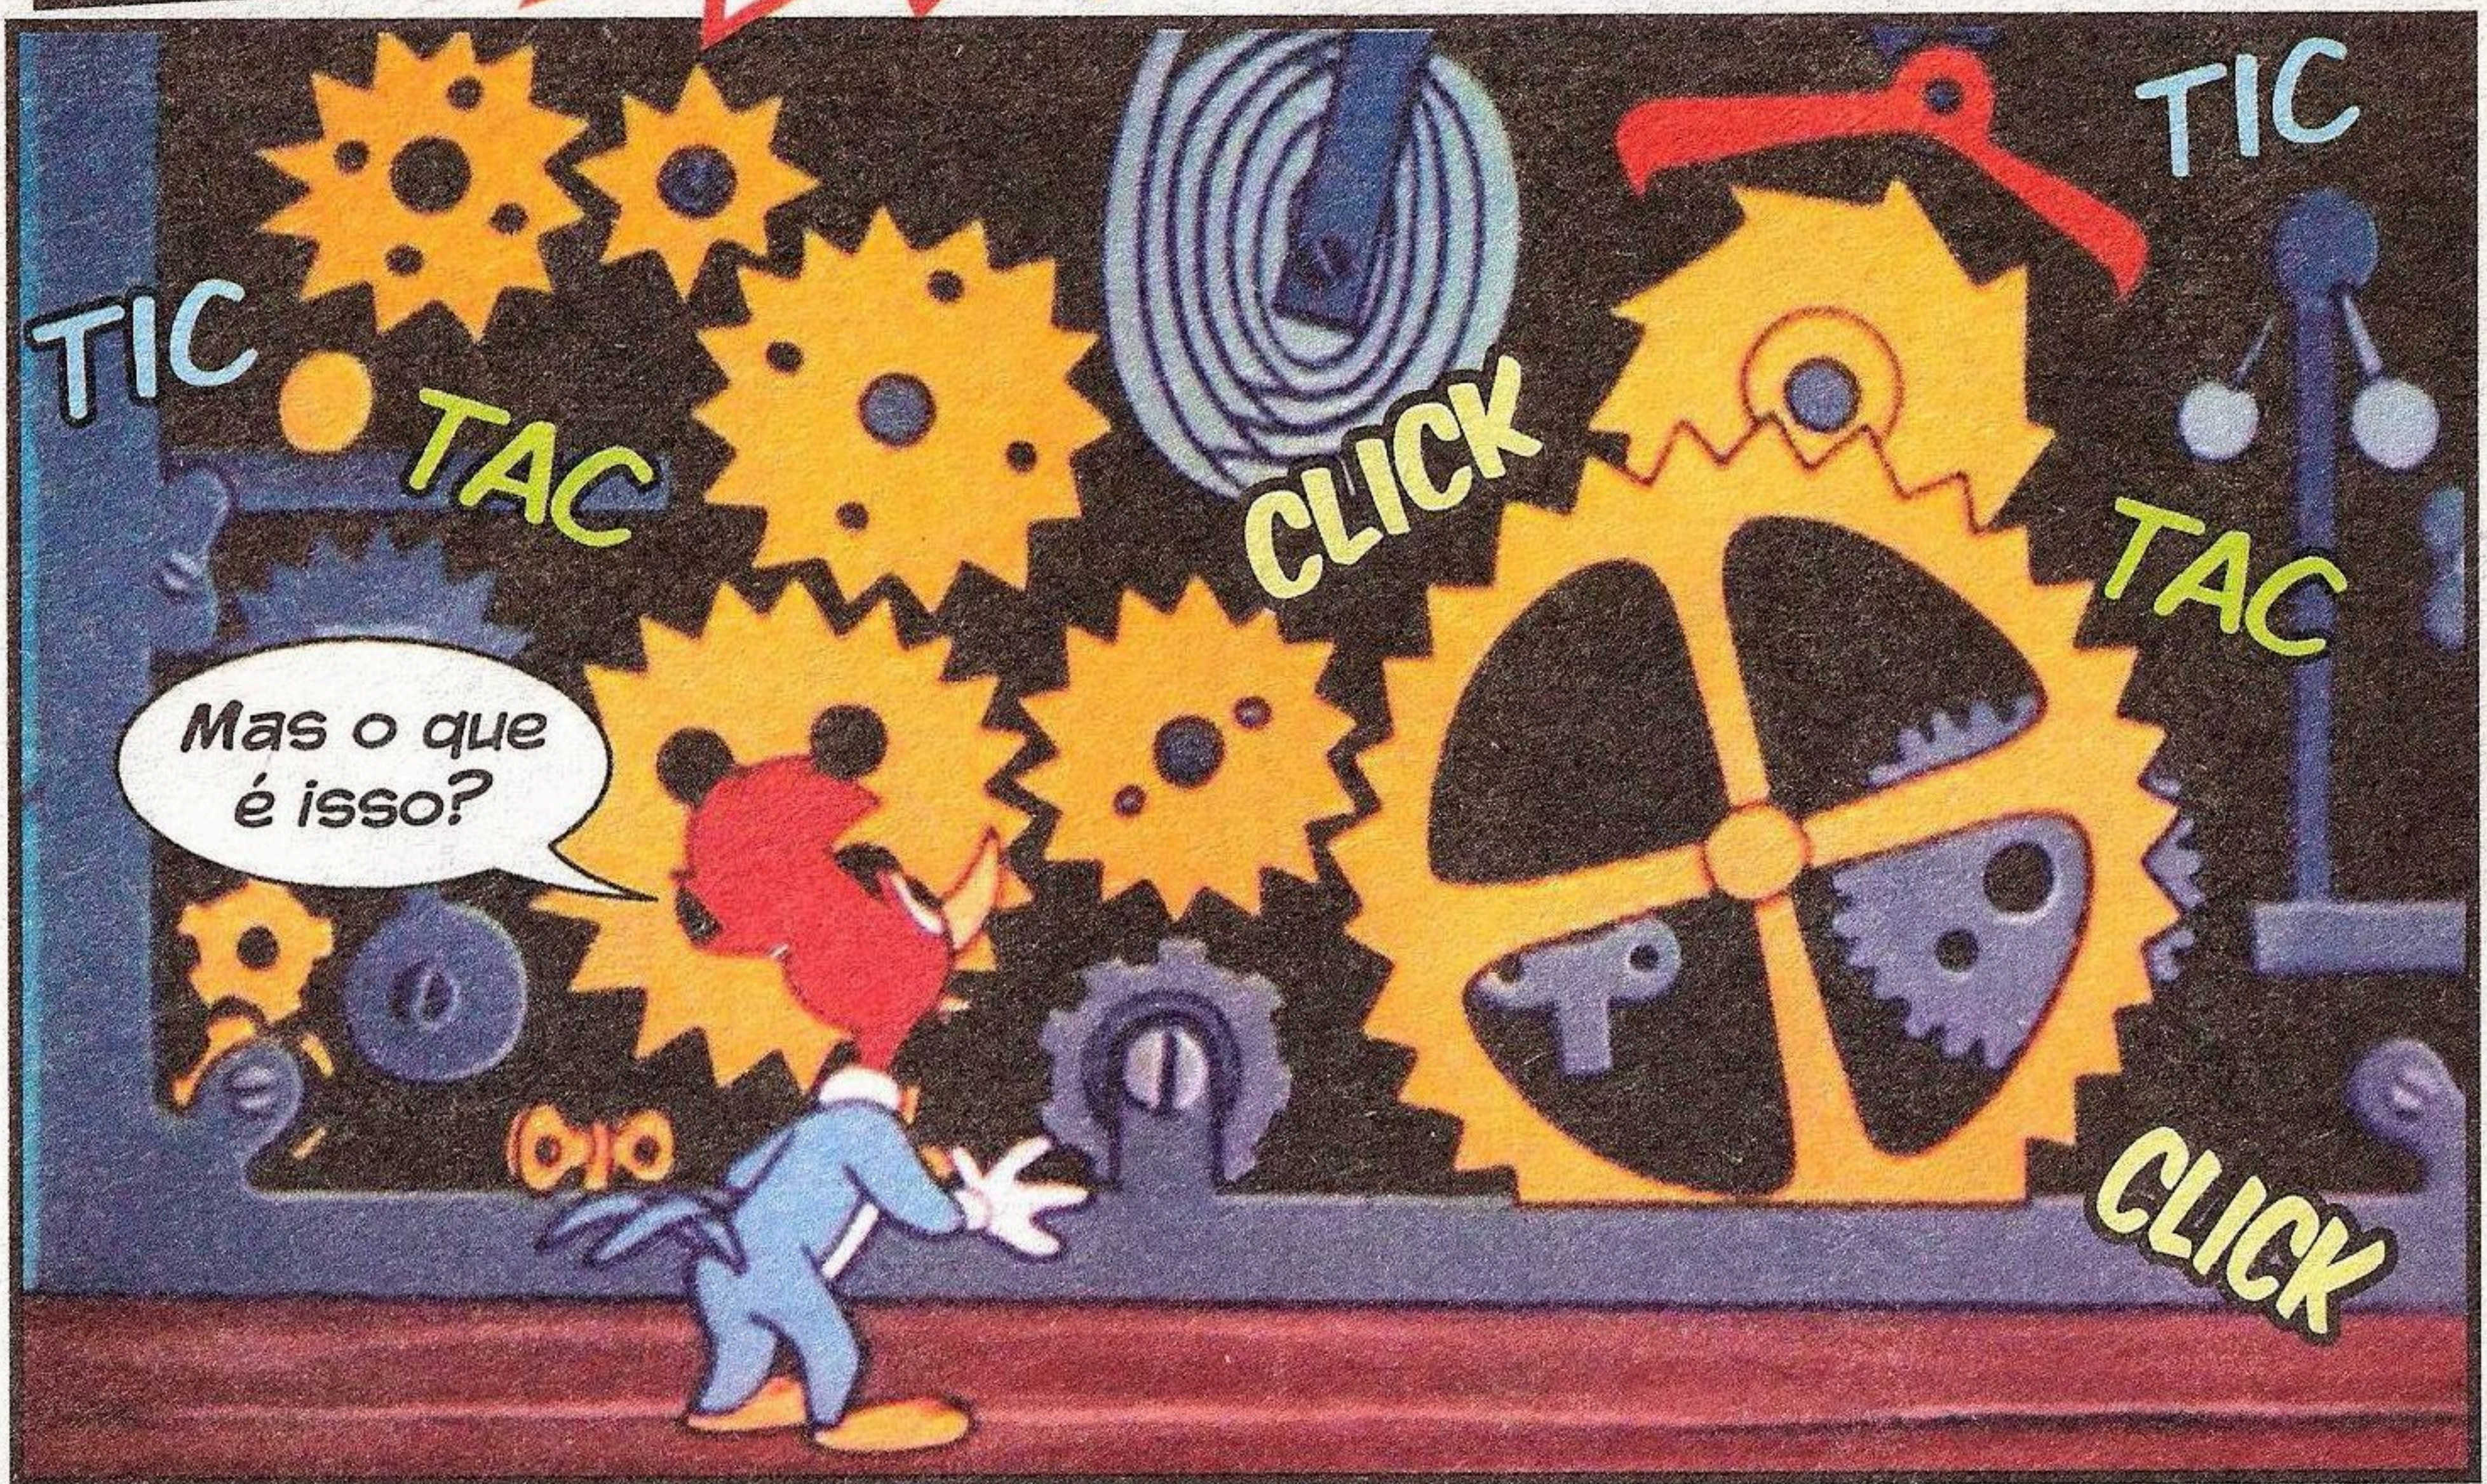

CLICK

Aquela torre parece um bom lugar para pousar!

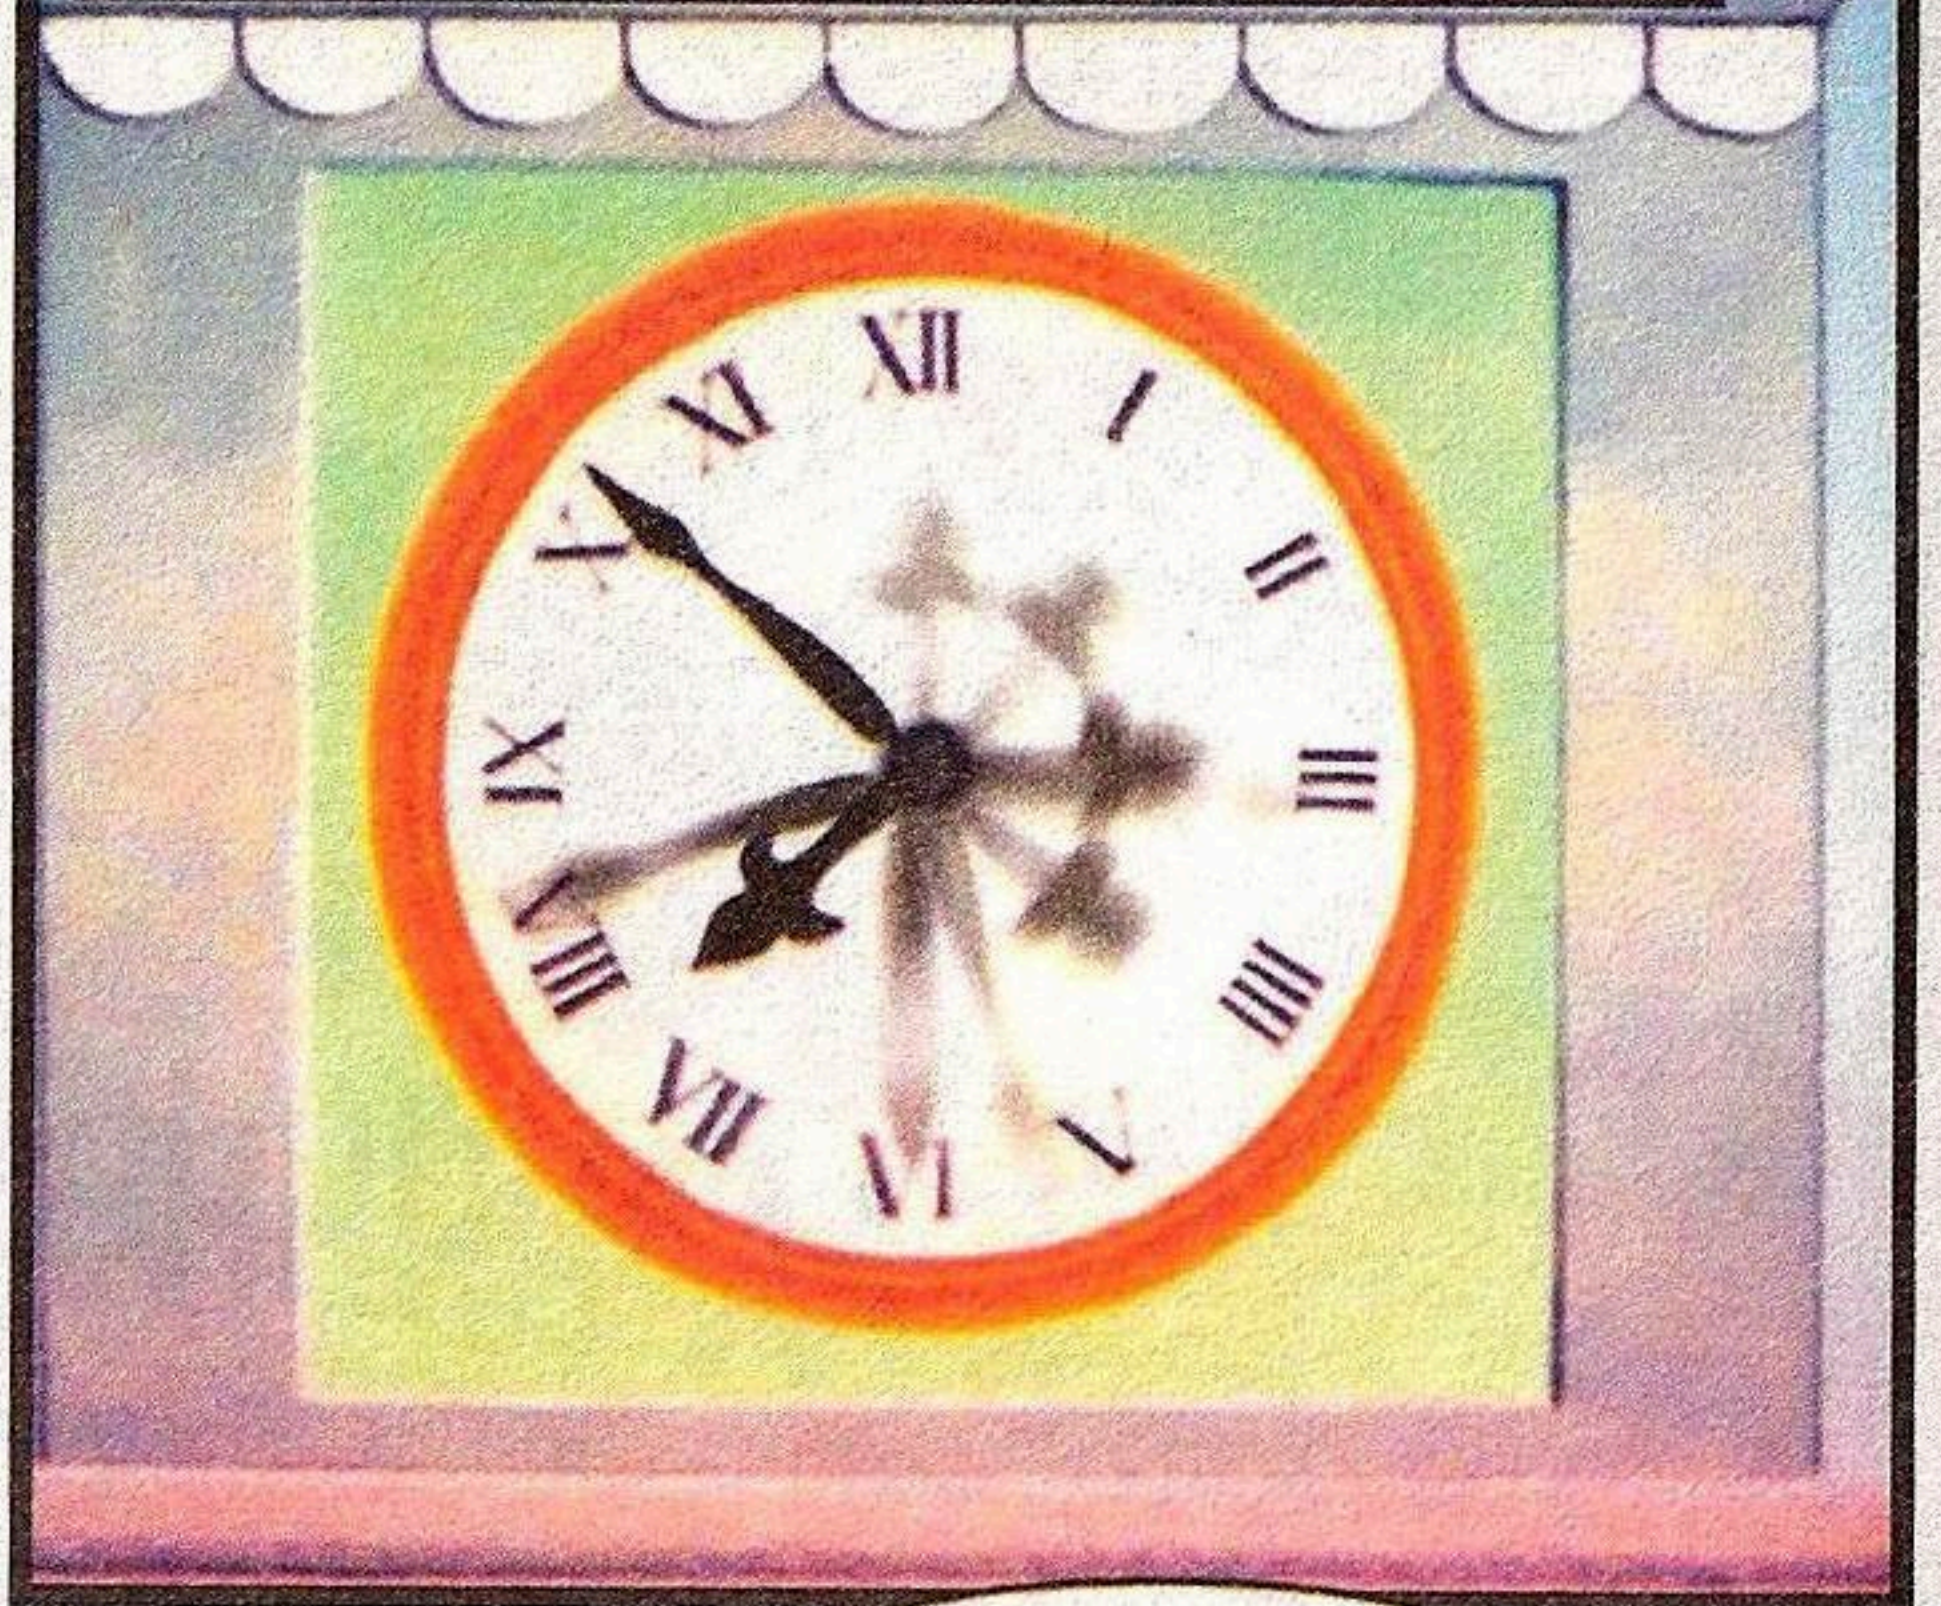

TCHUVE

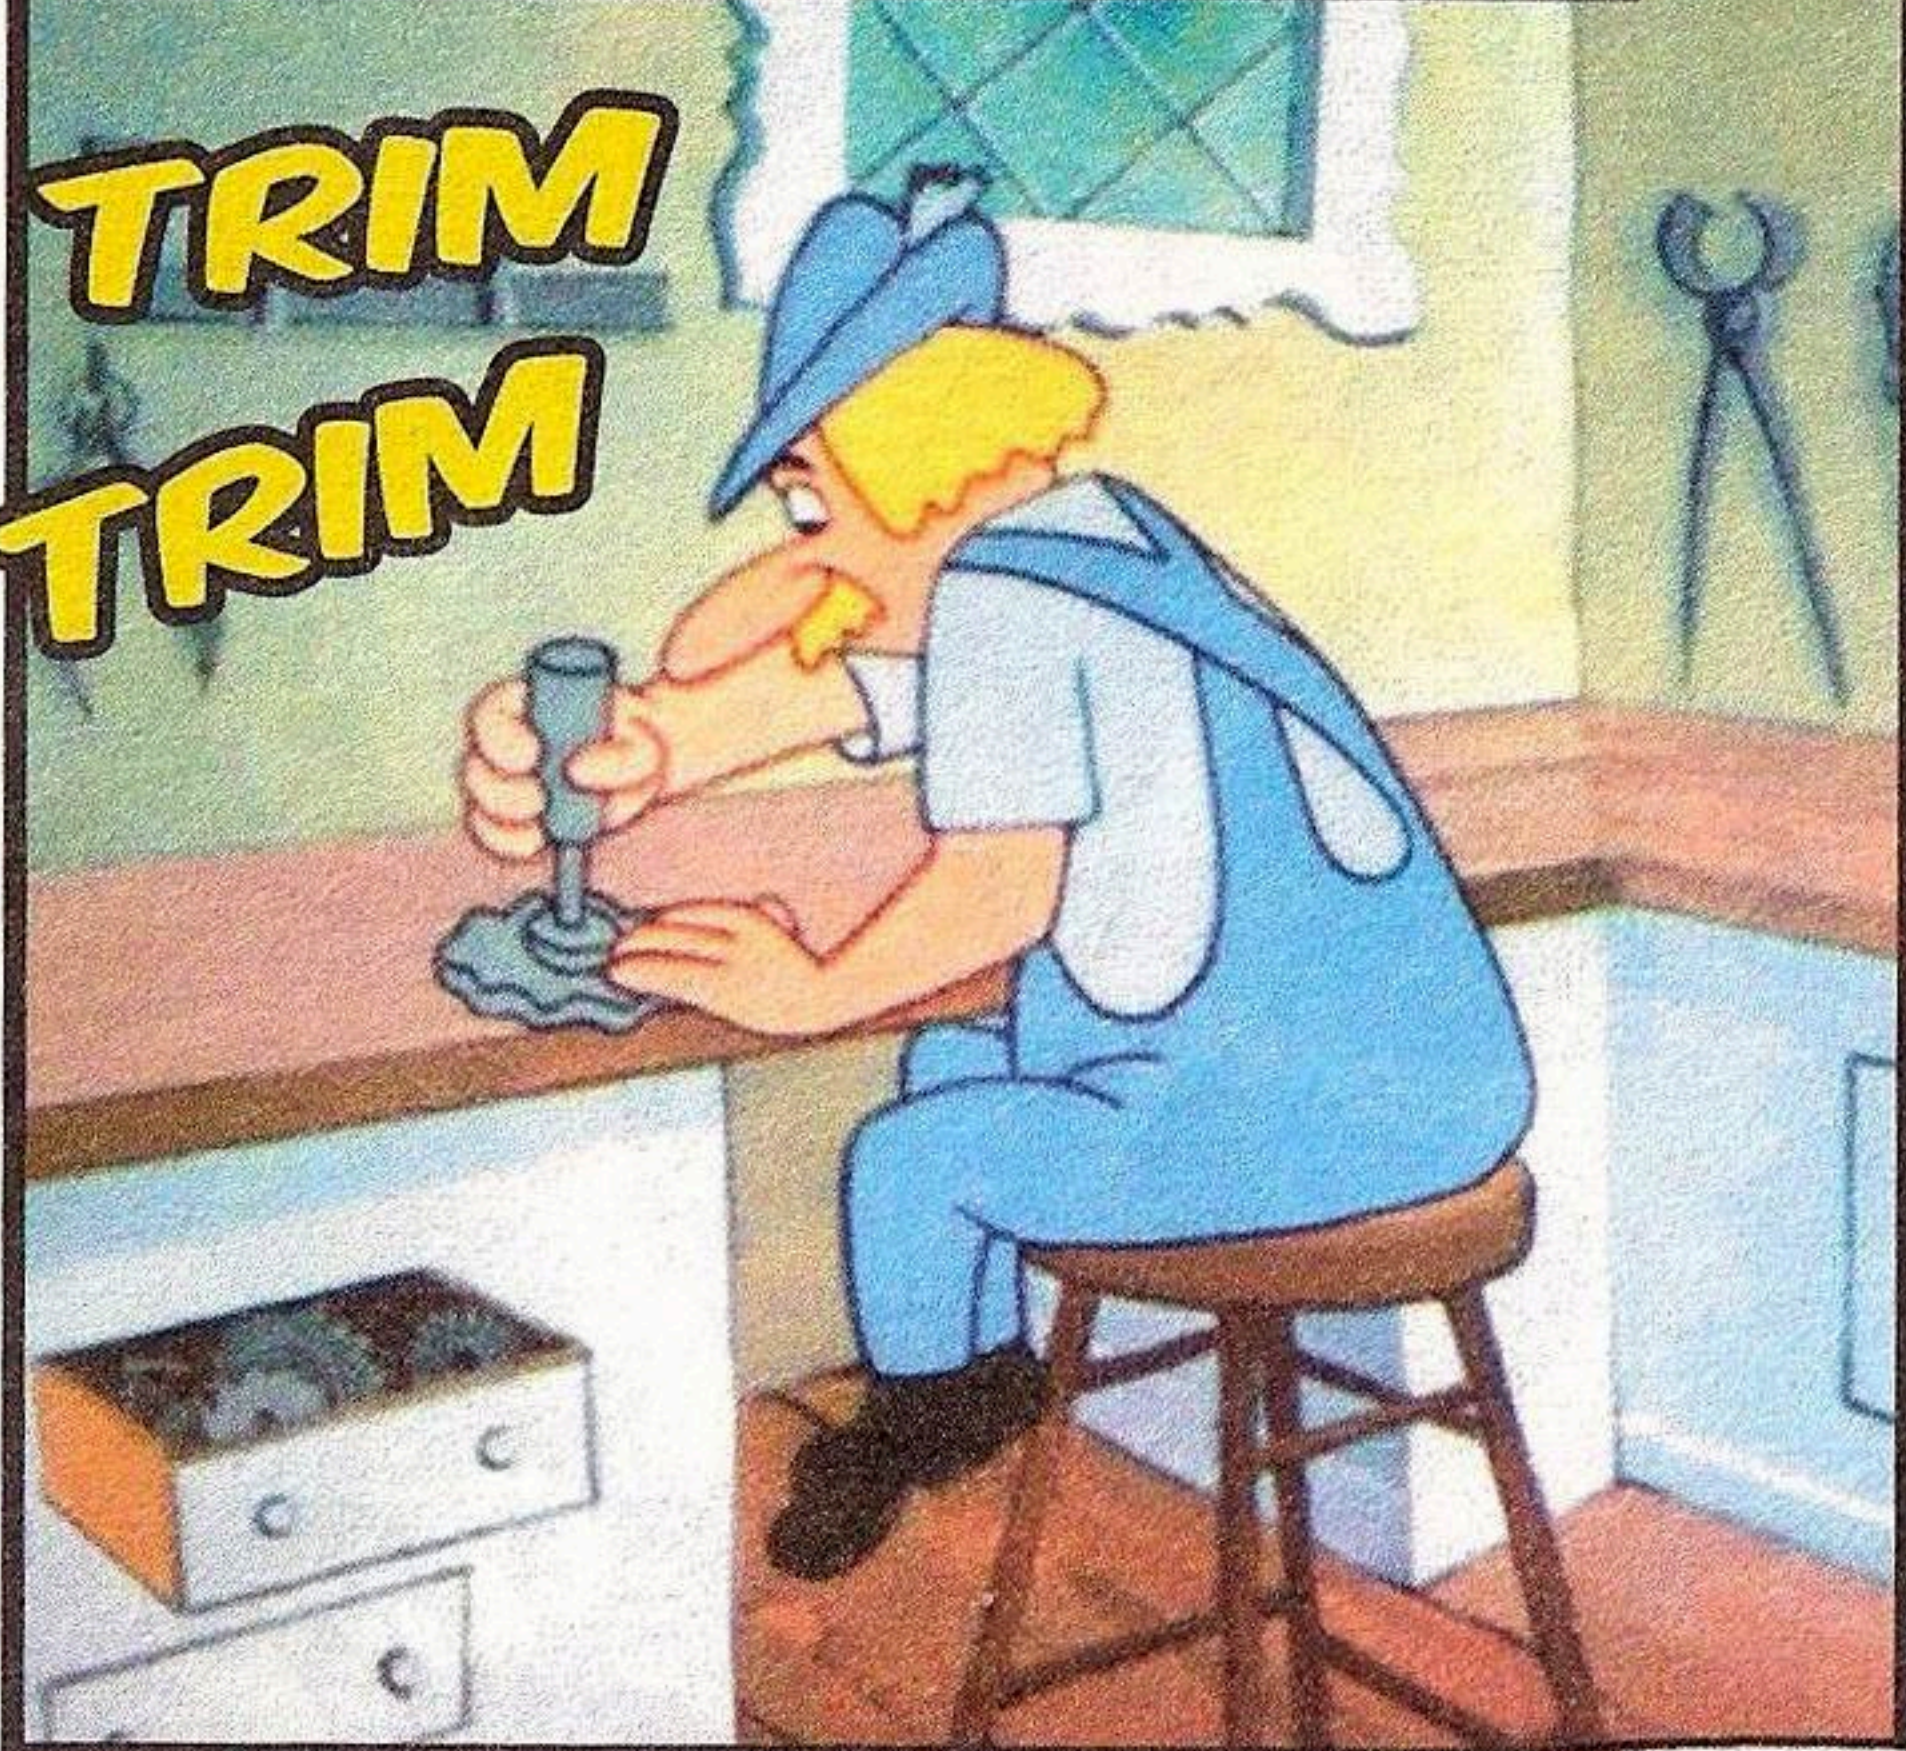

Com a engrenagem travada,
o relógio enlouquece!

Enquanto isso, longe dali...

TRIM
TRIM

Quem será que
está ligando?

O que você está
fazendo? Por que ainda não
consertou o relógio?

Oh, Sr. Prefeito!
De que relógio
está falando?

Do relógio da torre,
é claro! Vá consertá-lo
imediatamente!

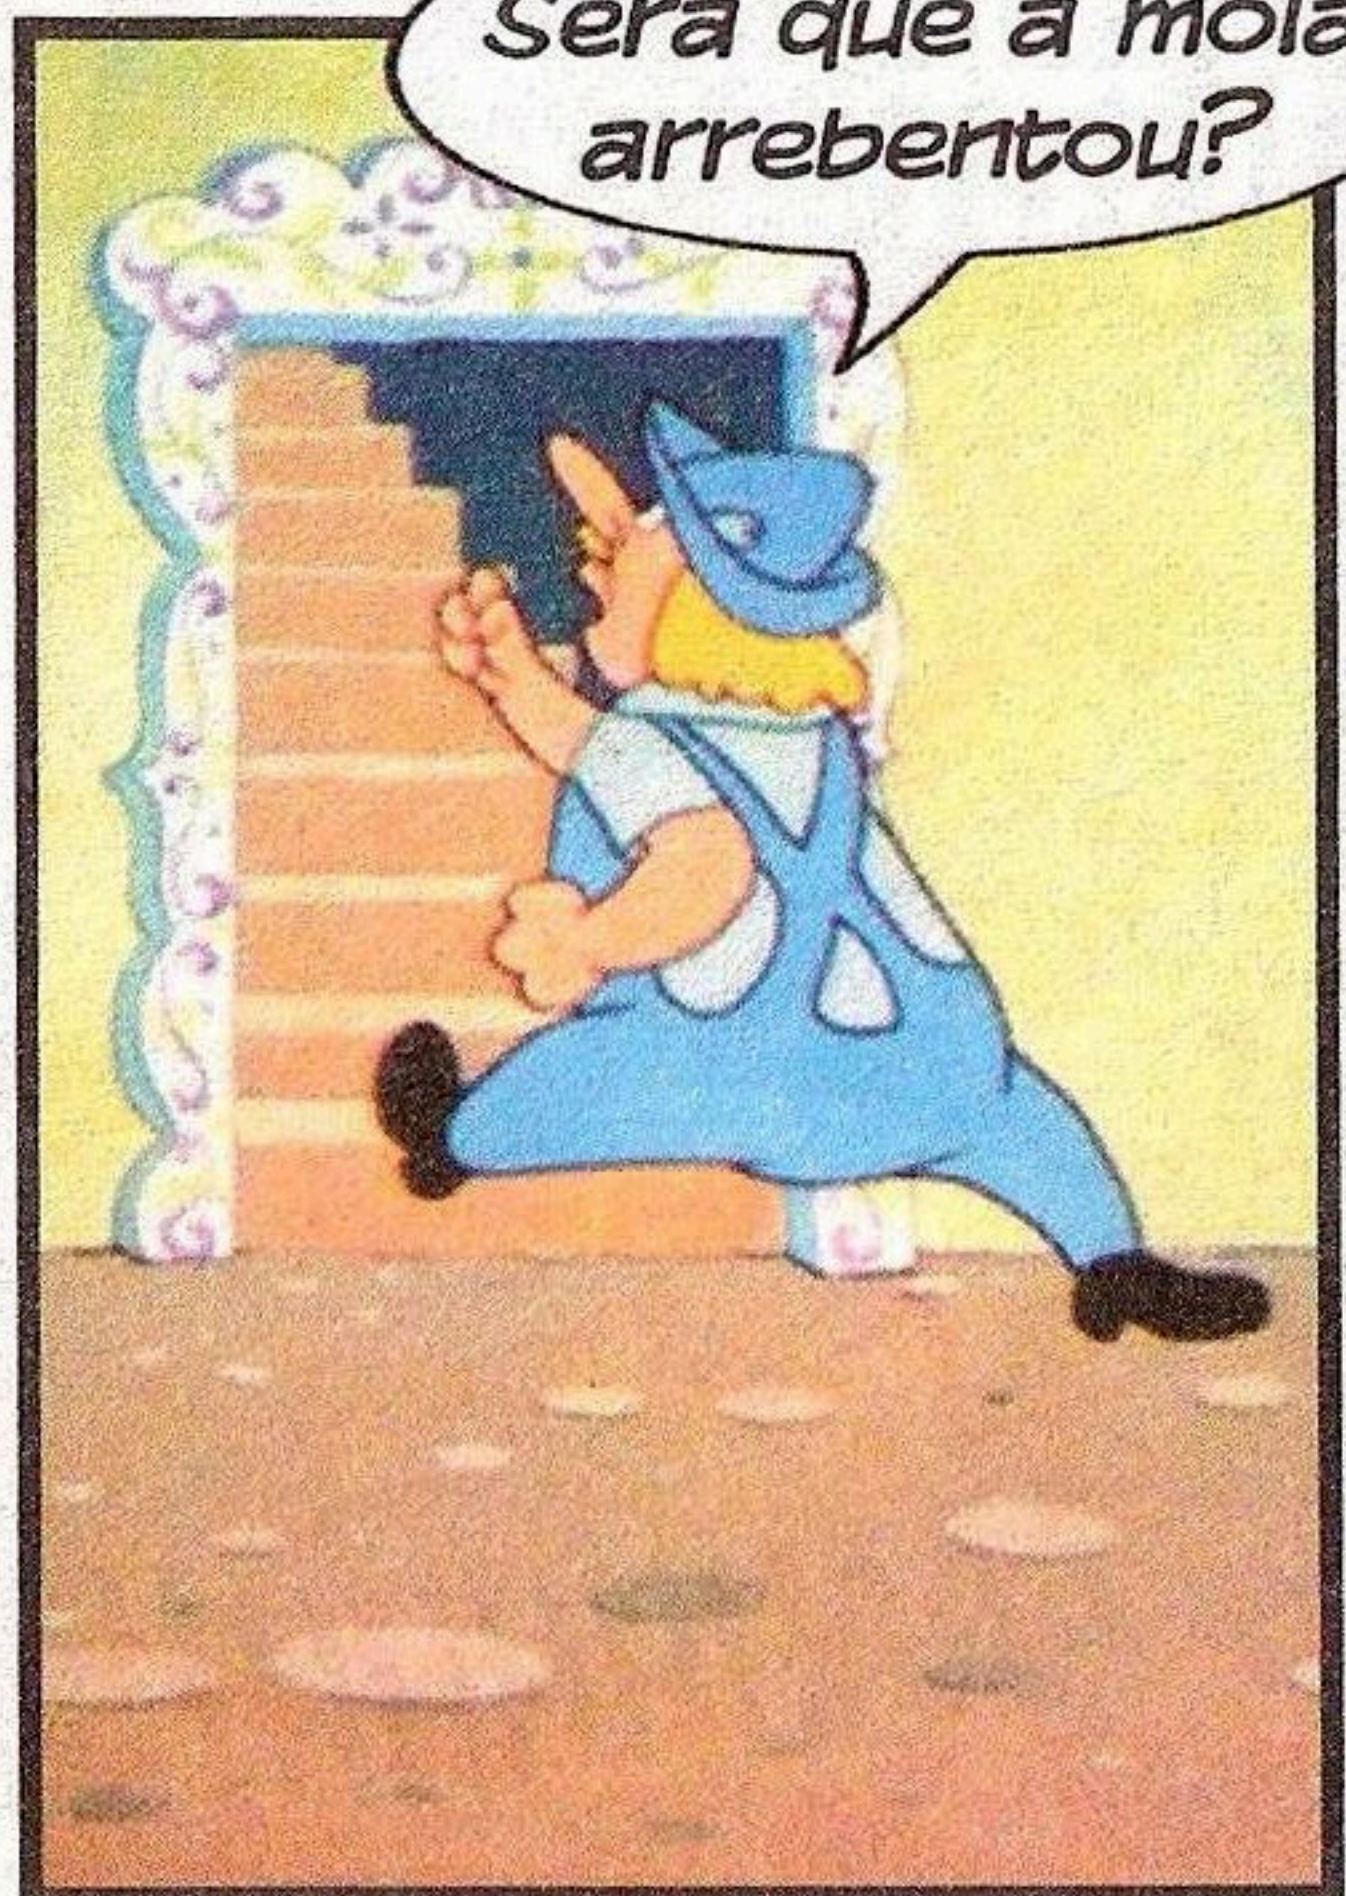

Sim, senhor!
Estou indo agora
mesmo!

Não entendo!
Fiz a manutenção dele
ontem! Como pode?

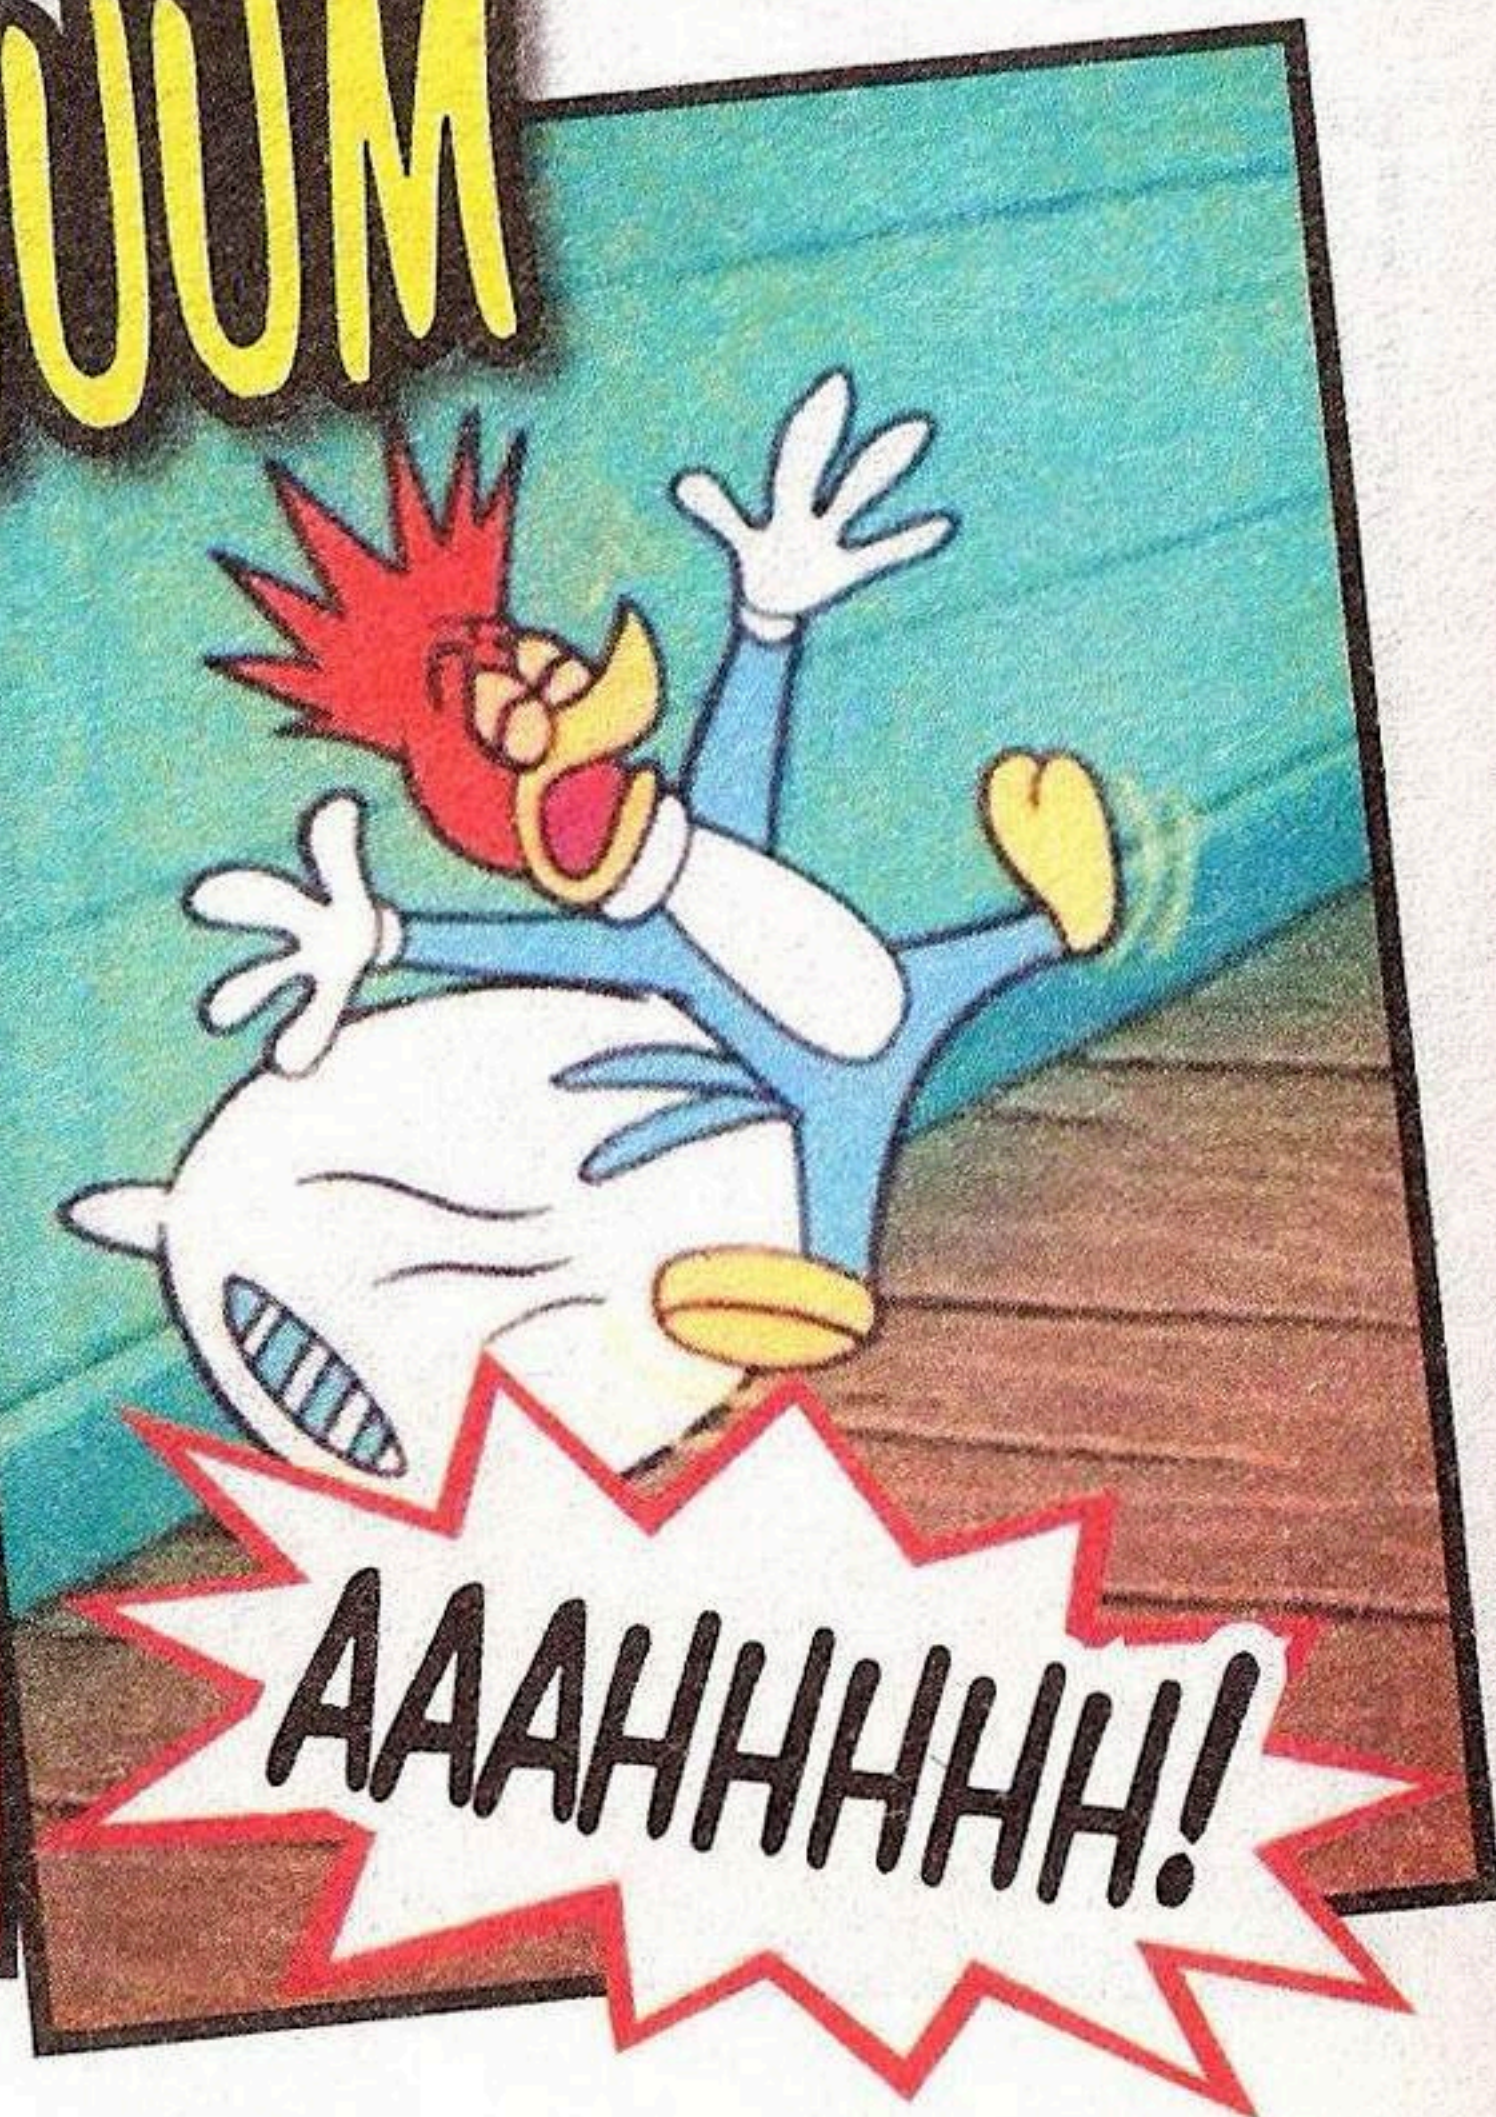

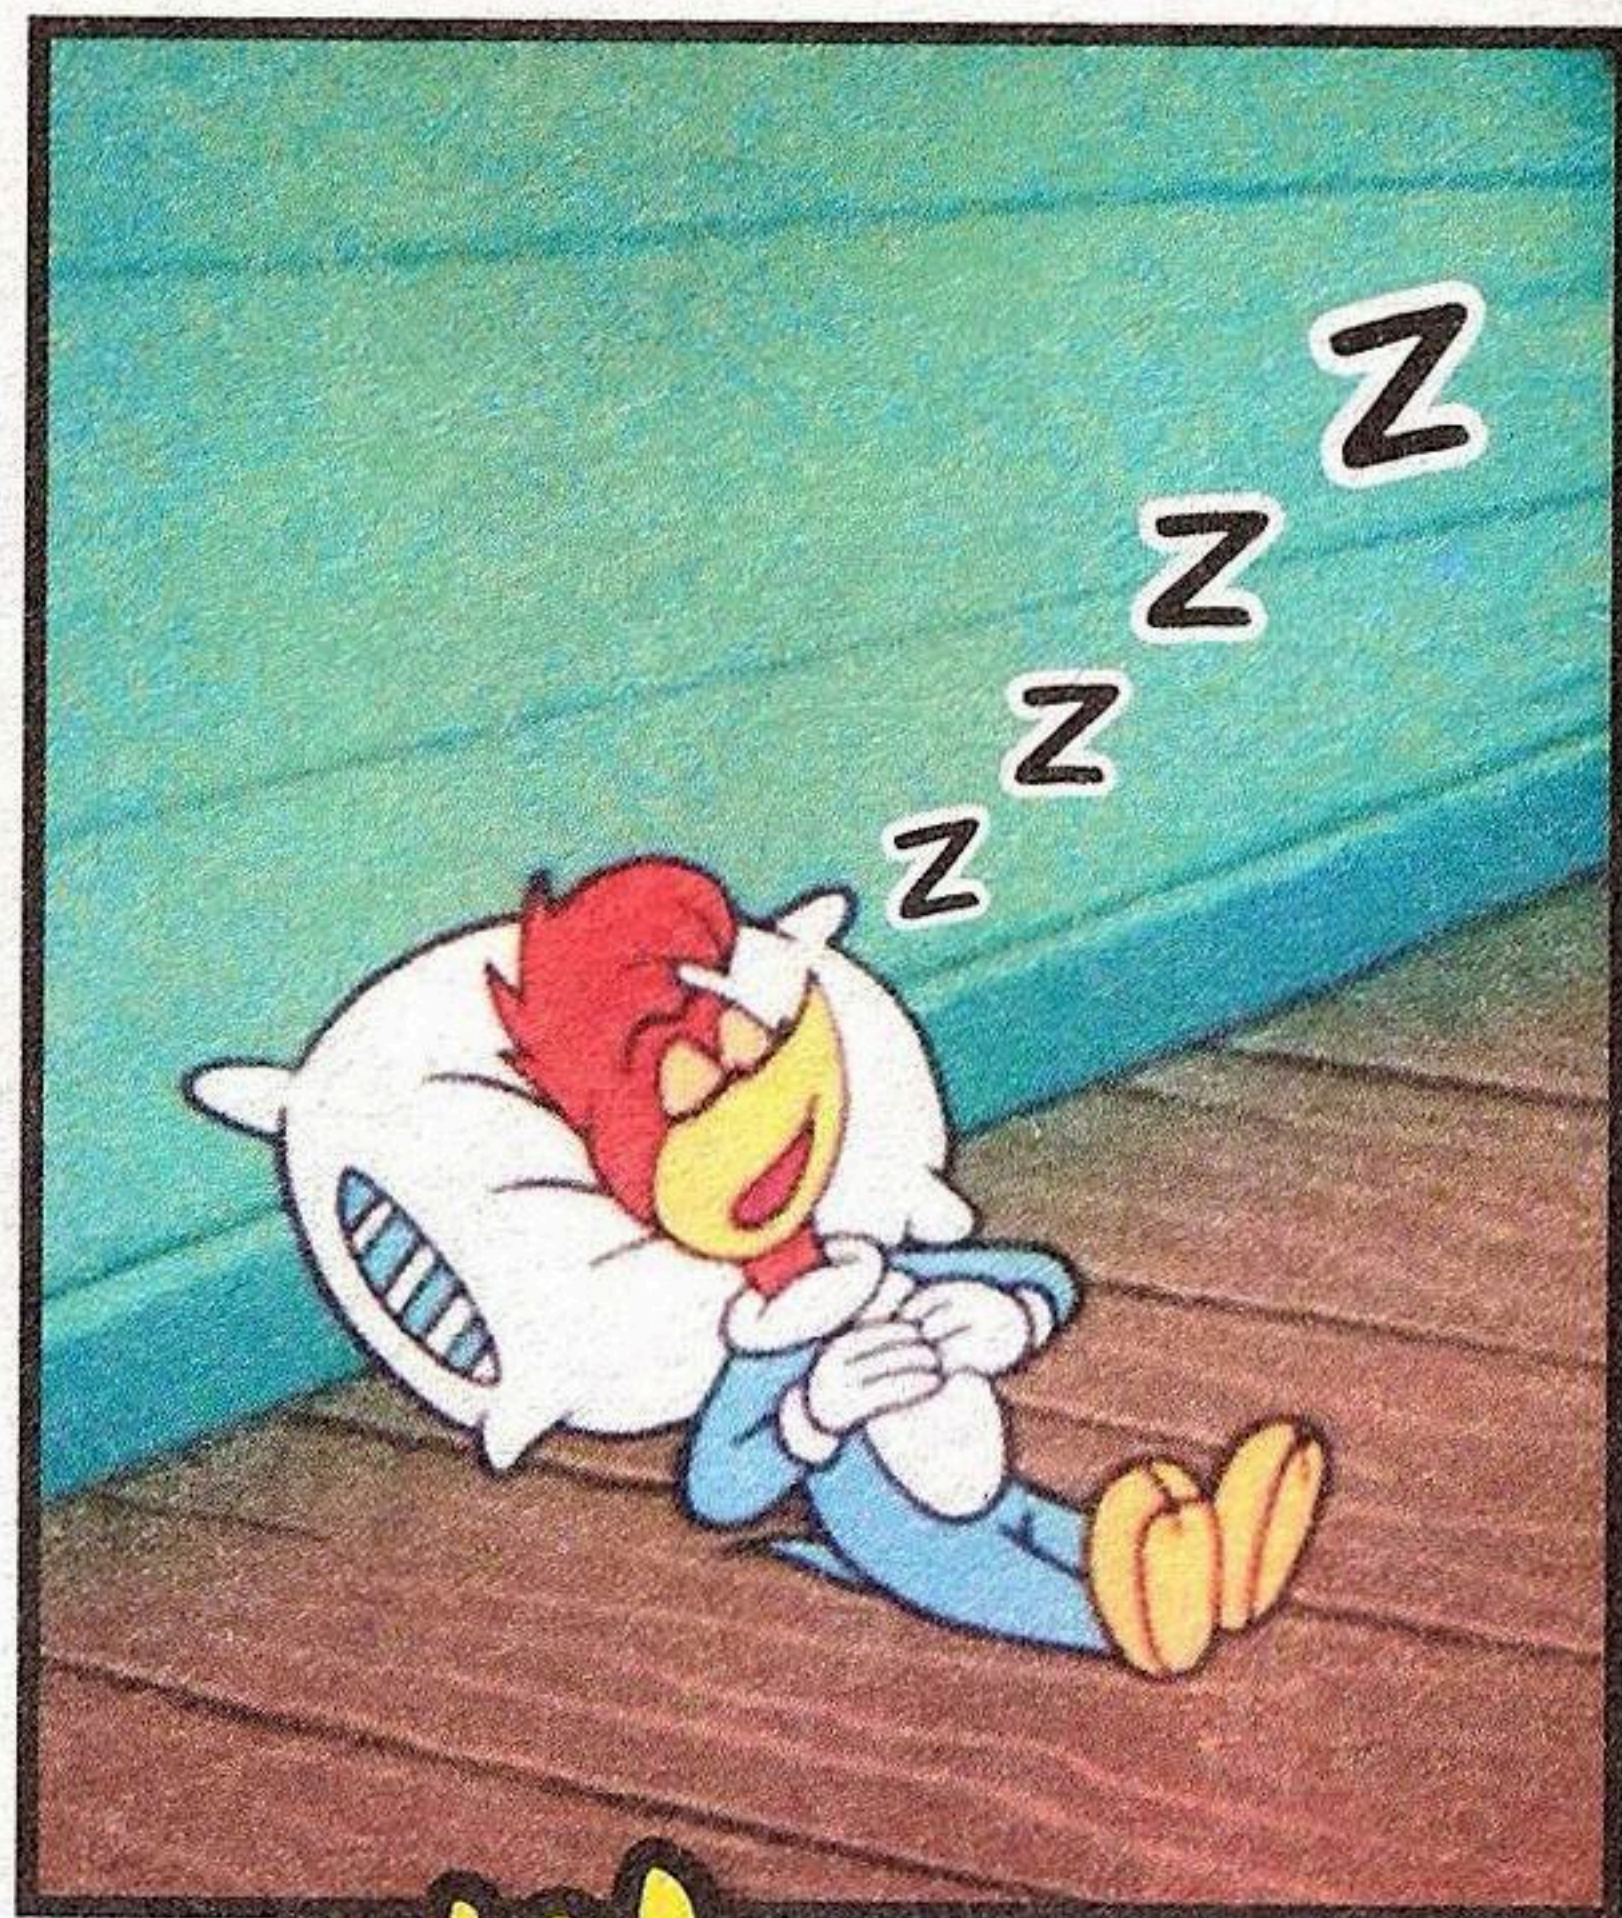

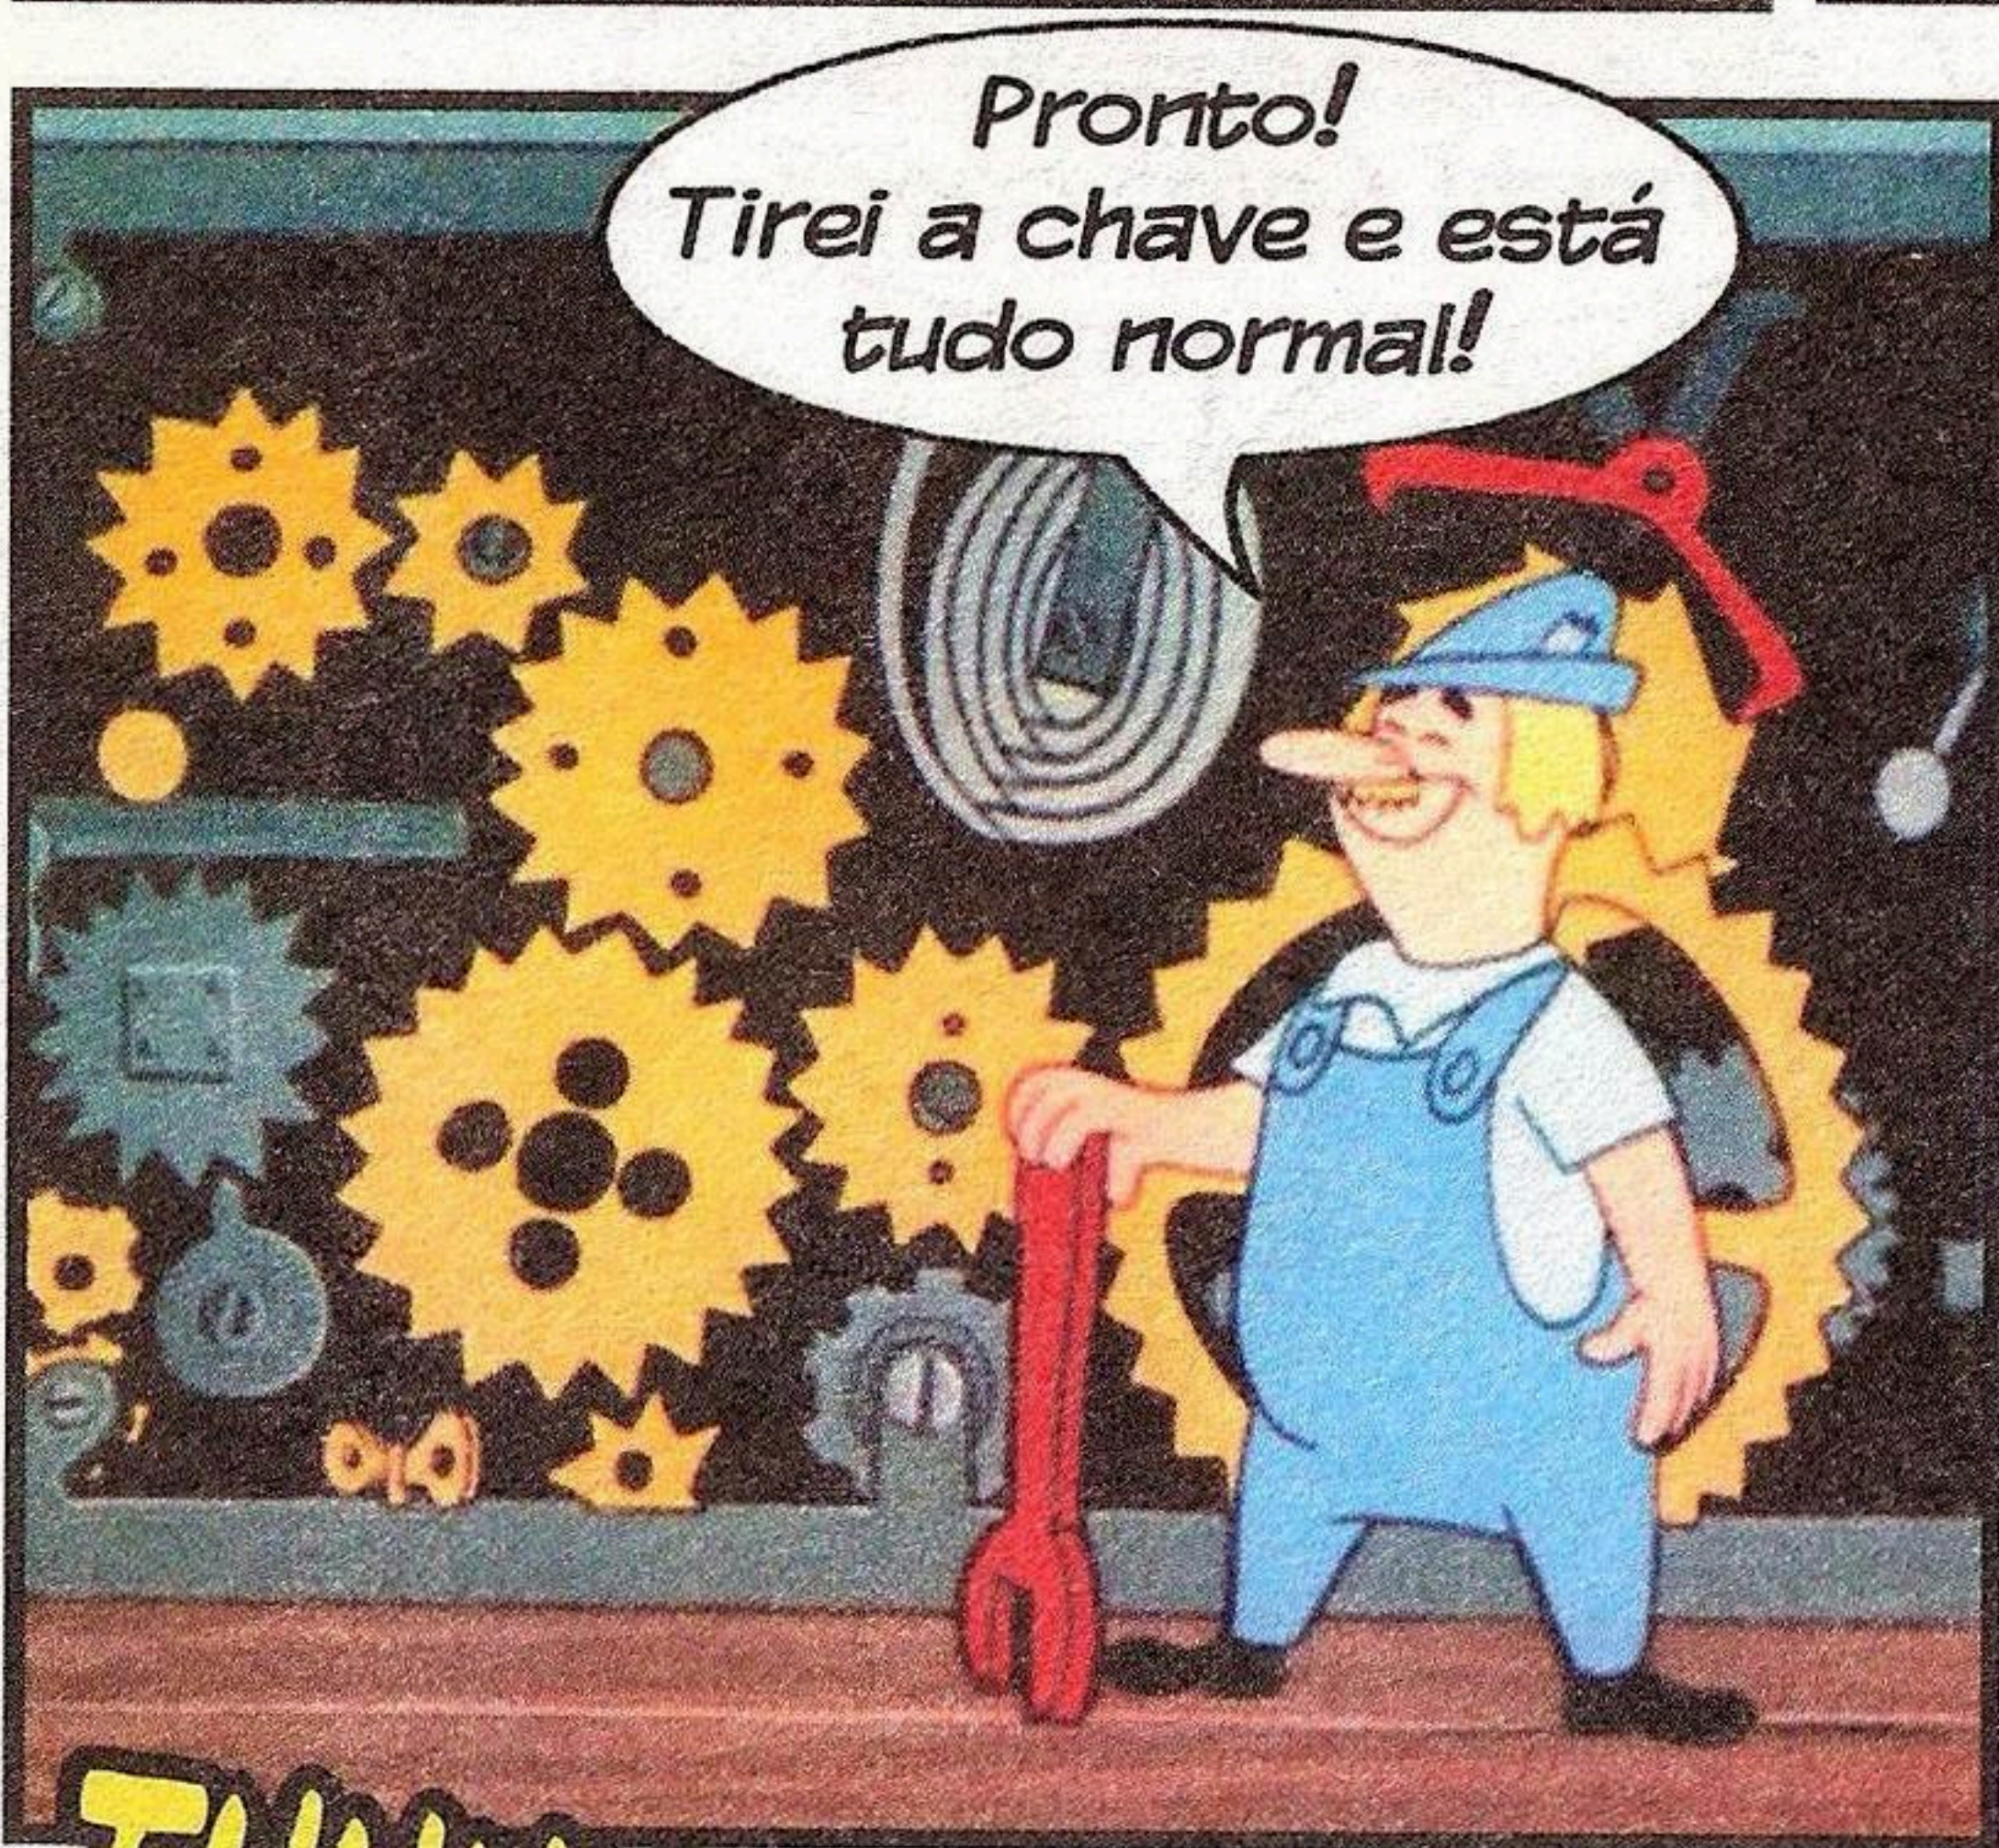

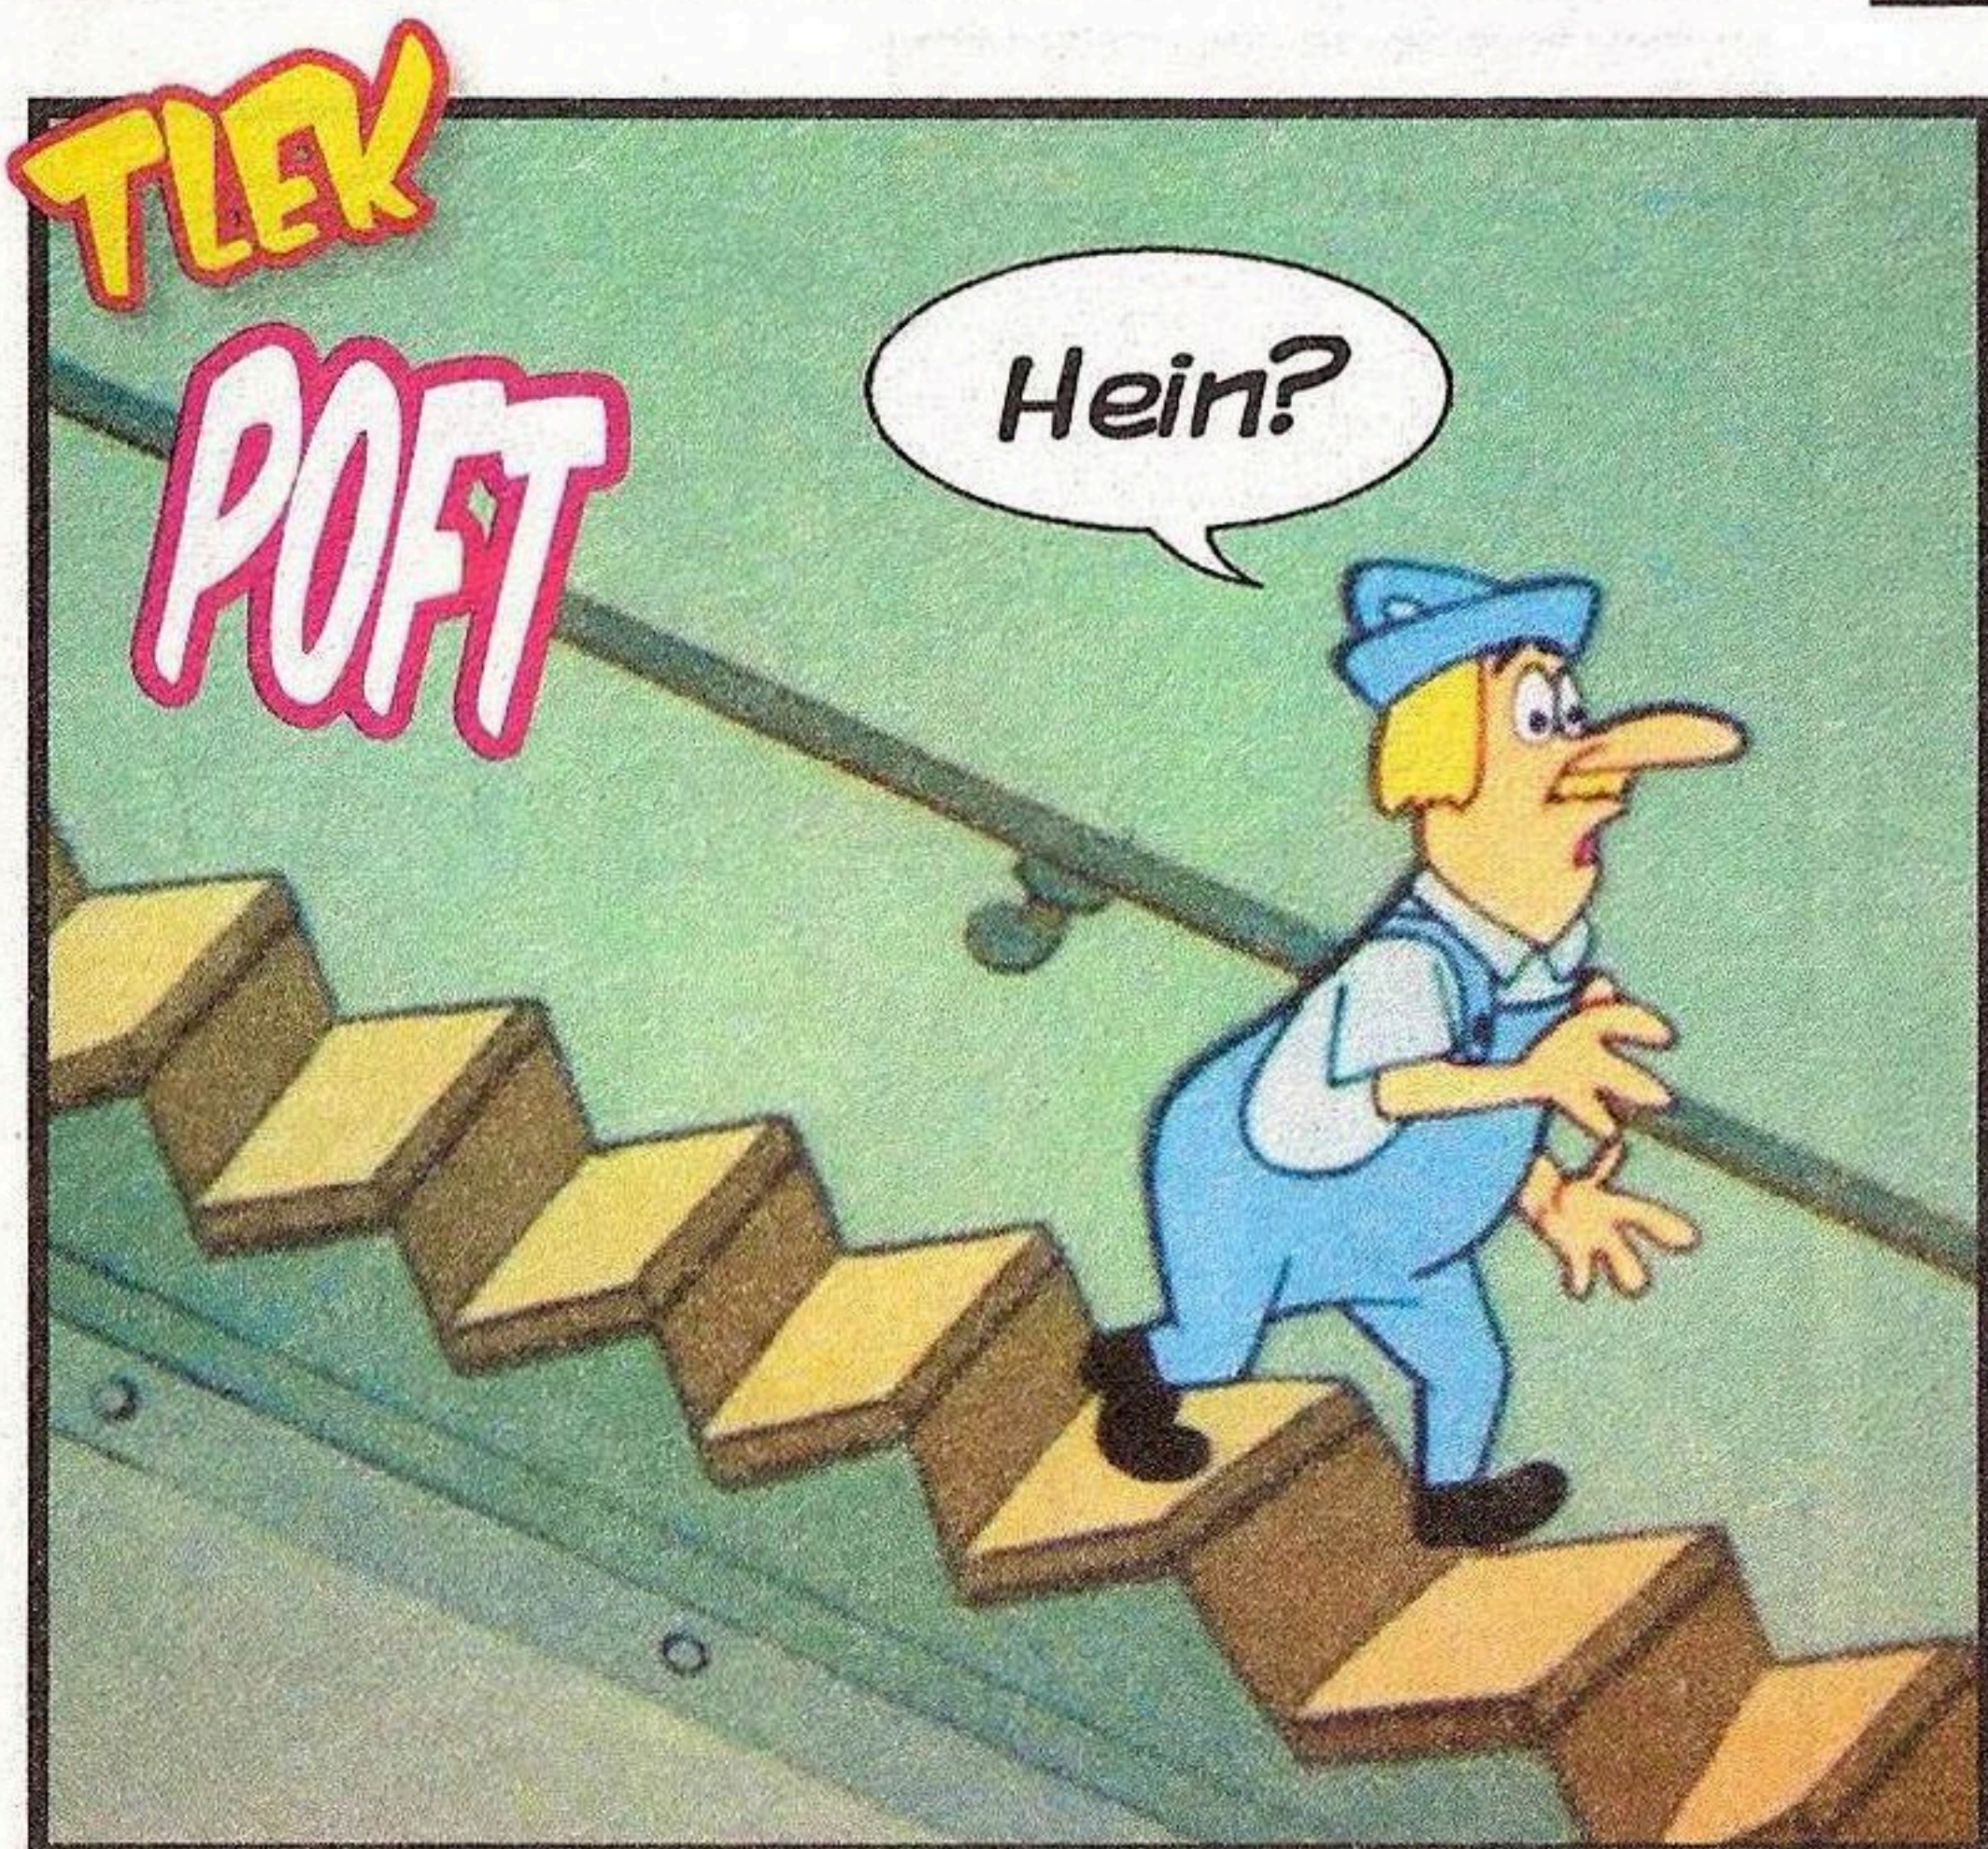

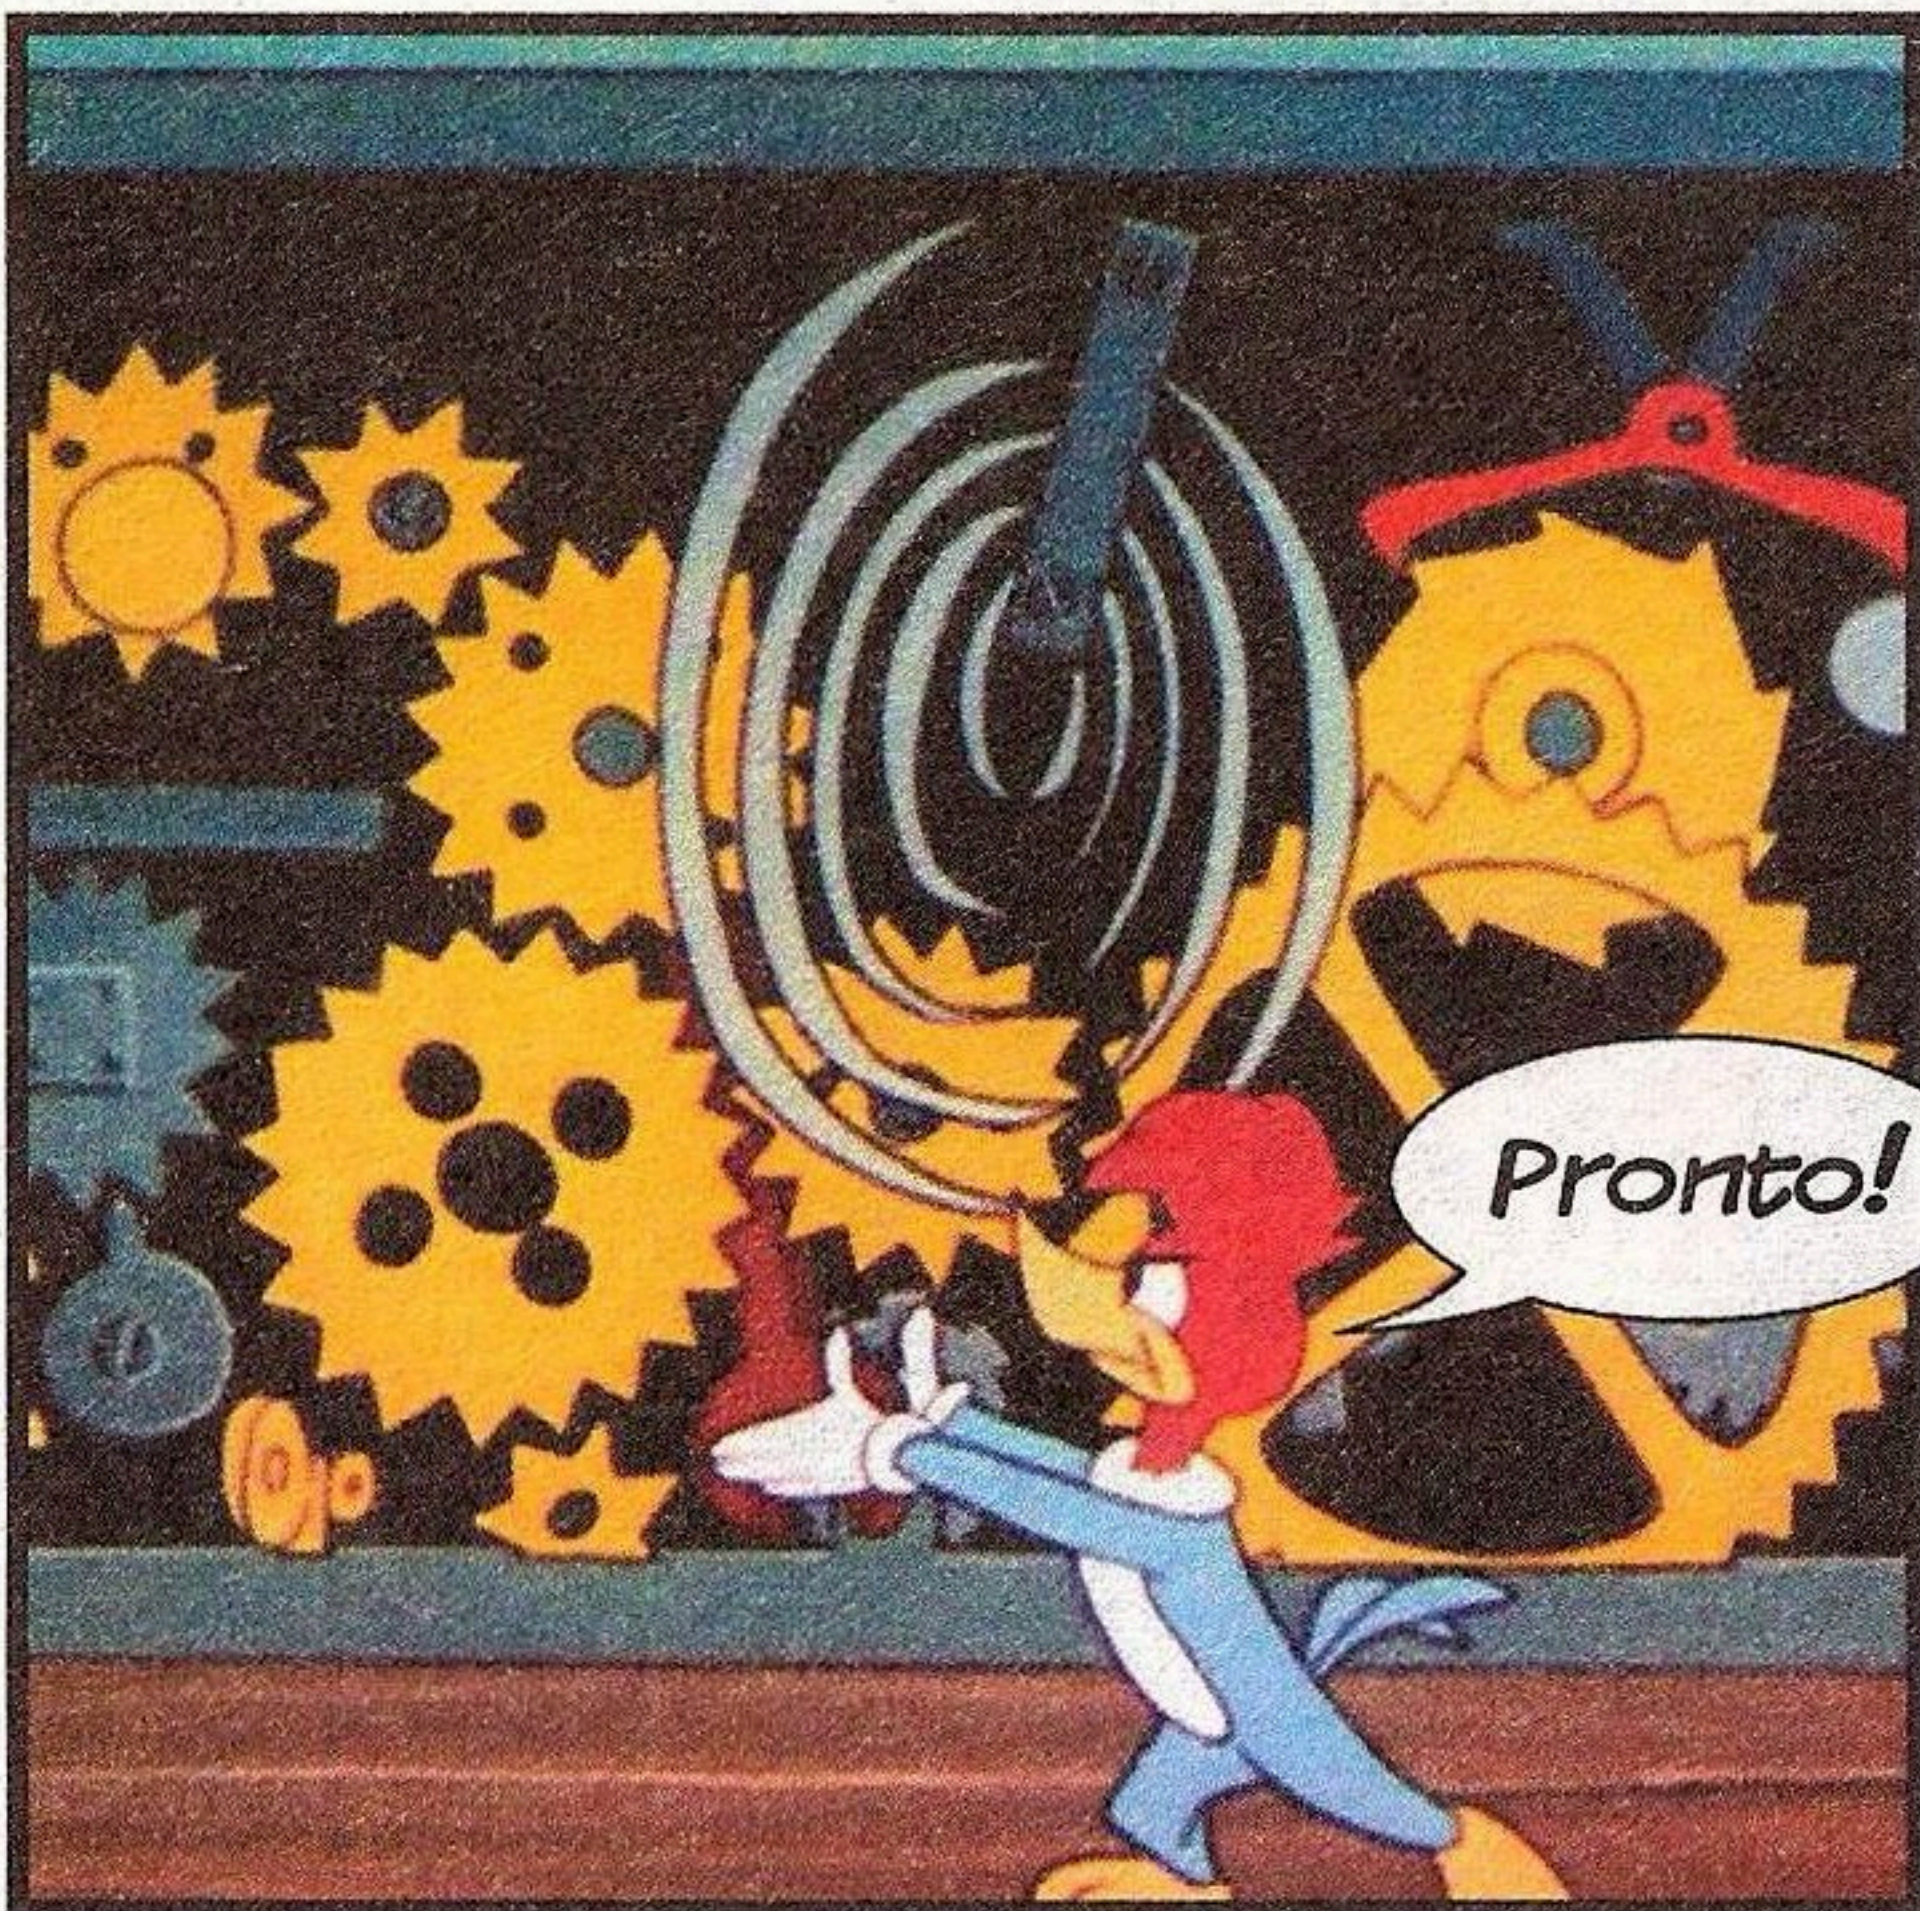

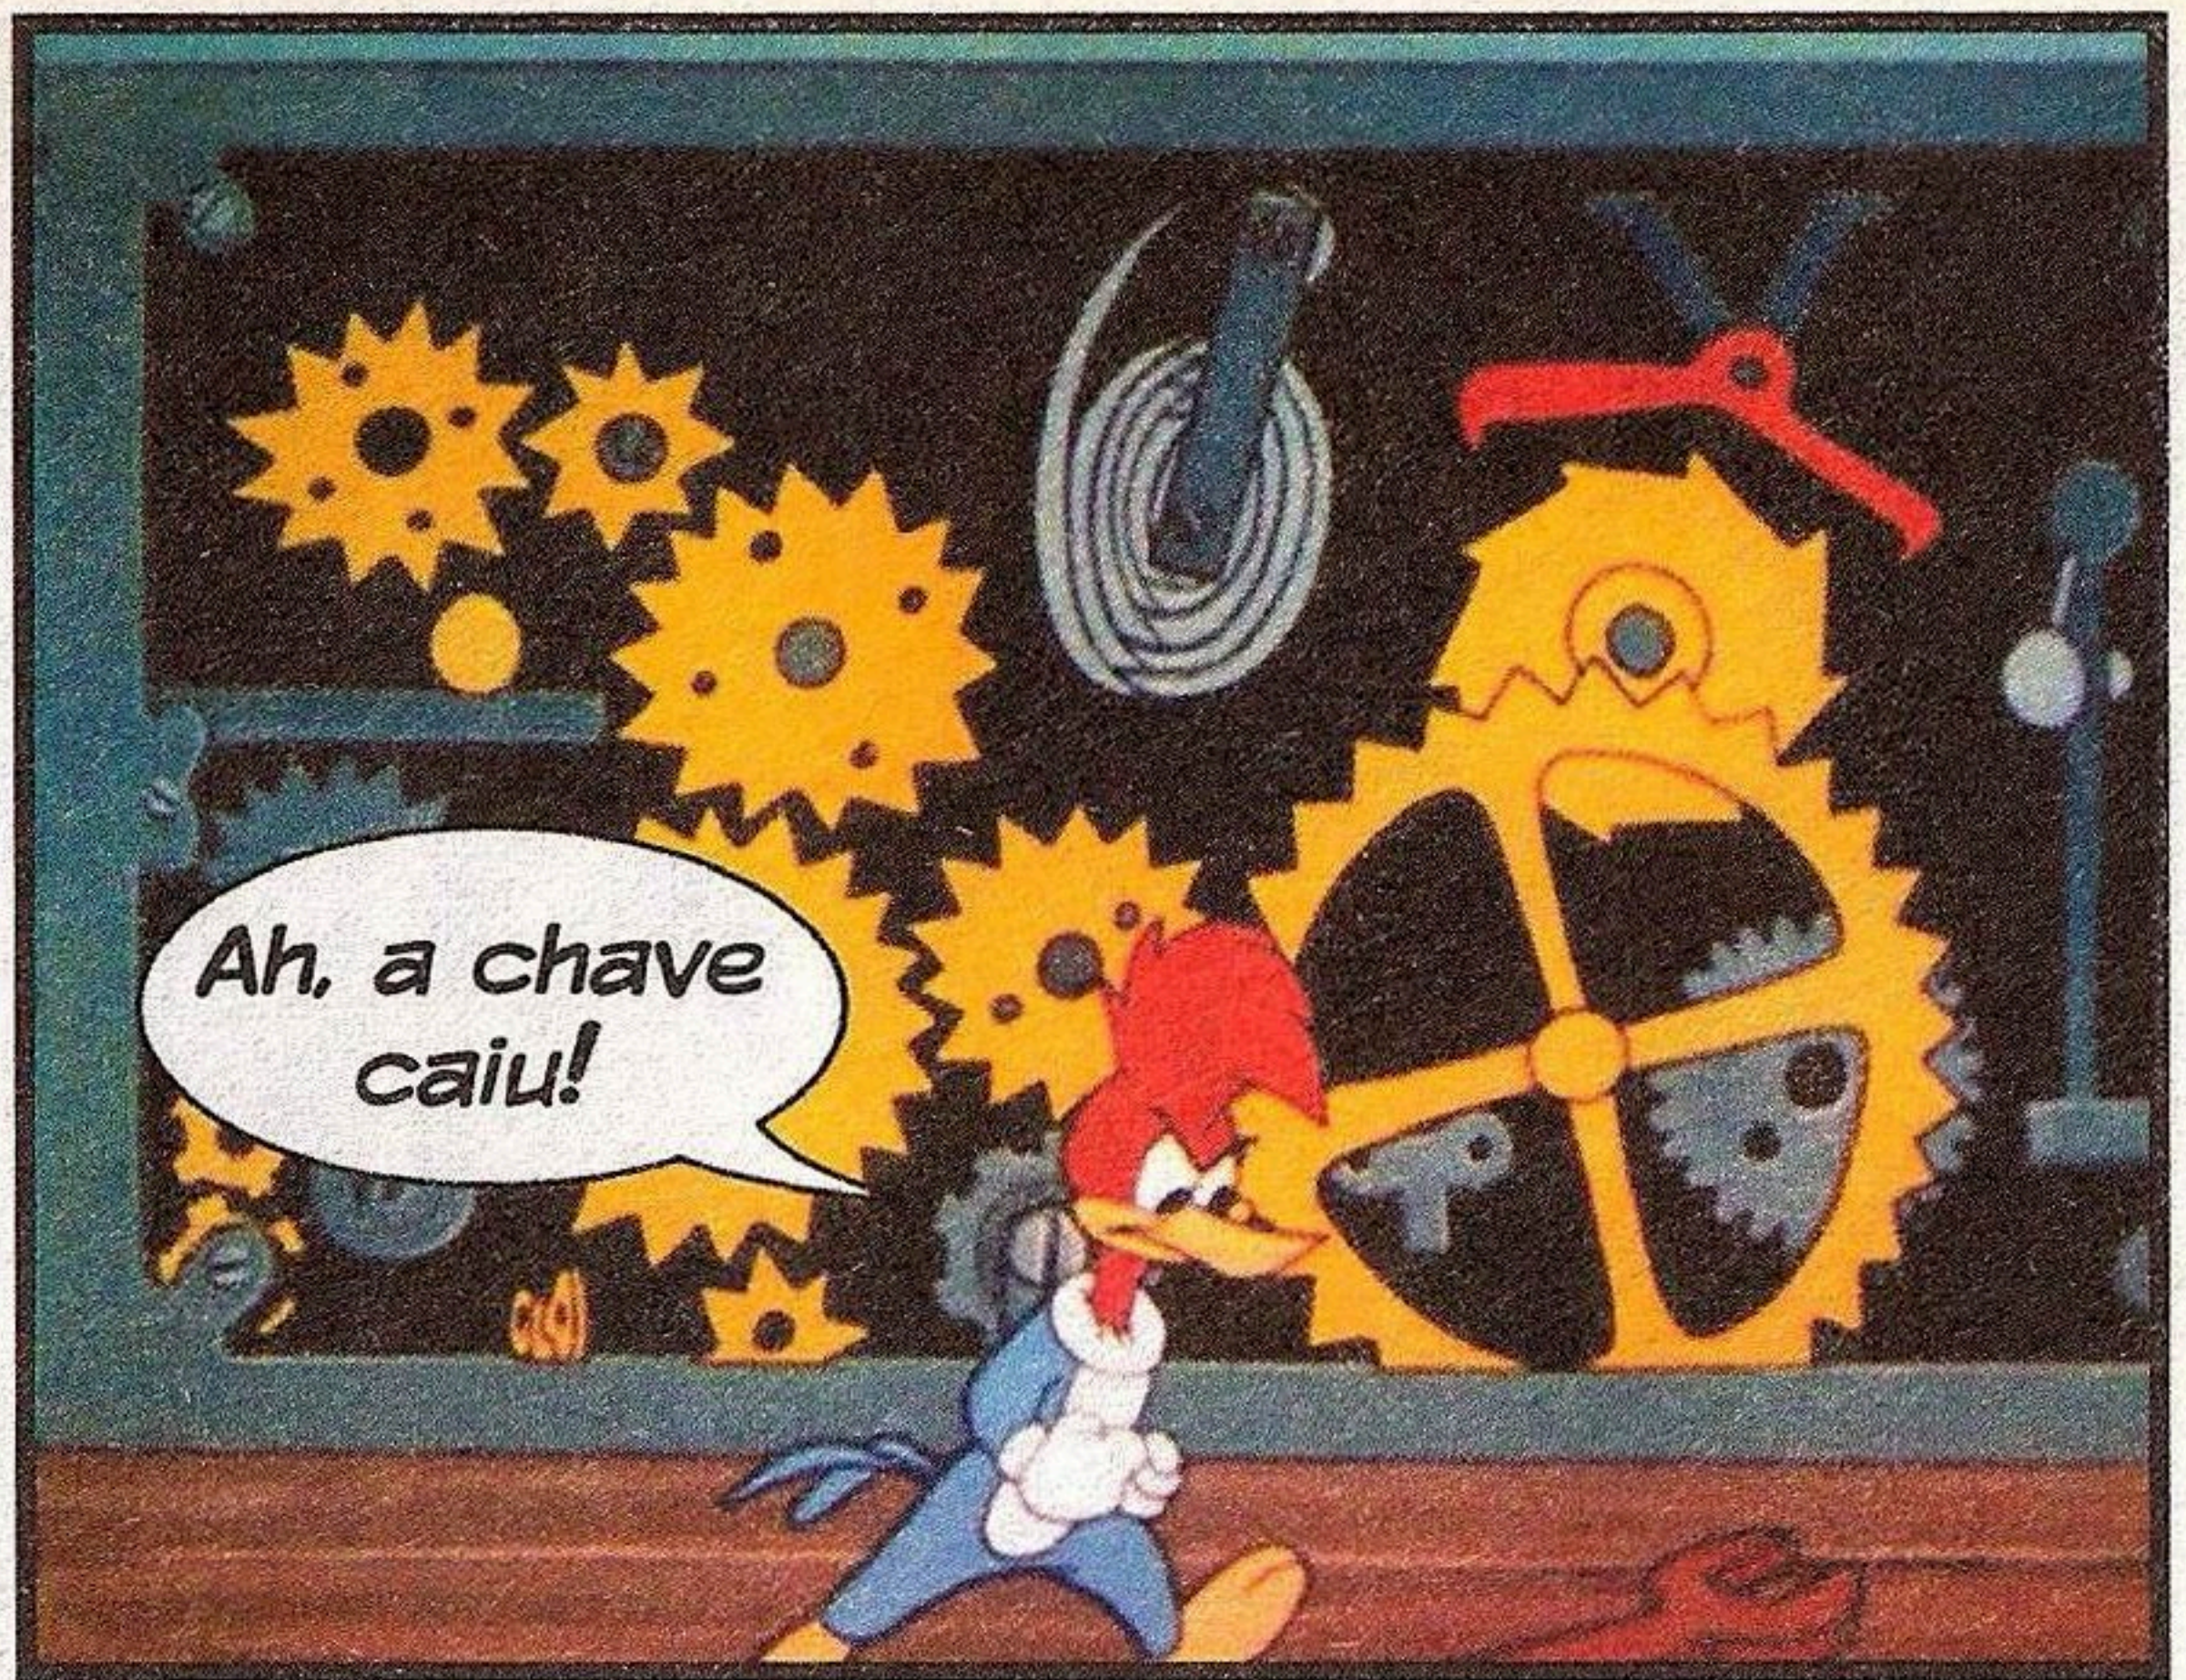

Ou alguma
engrenagem
desalinhou...

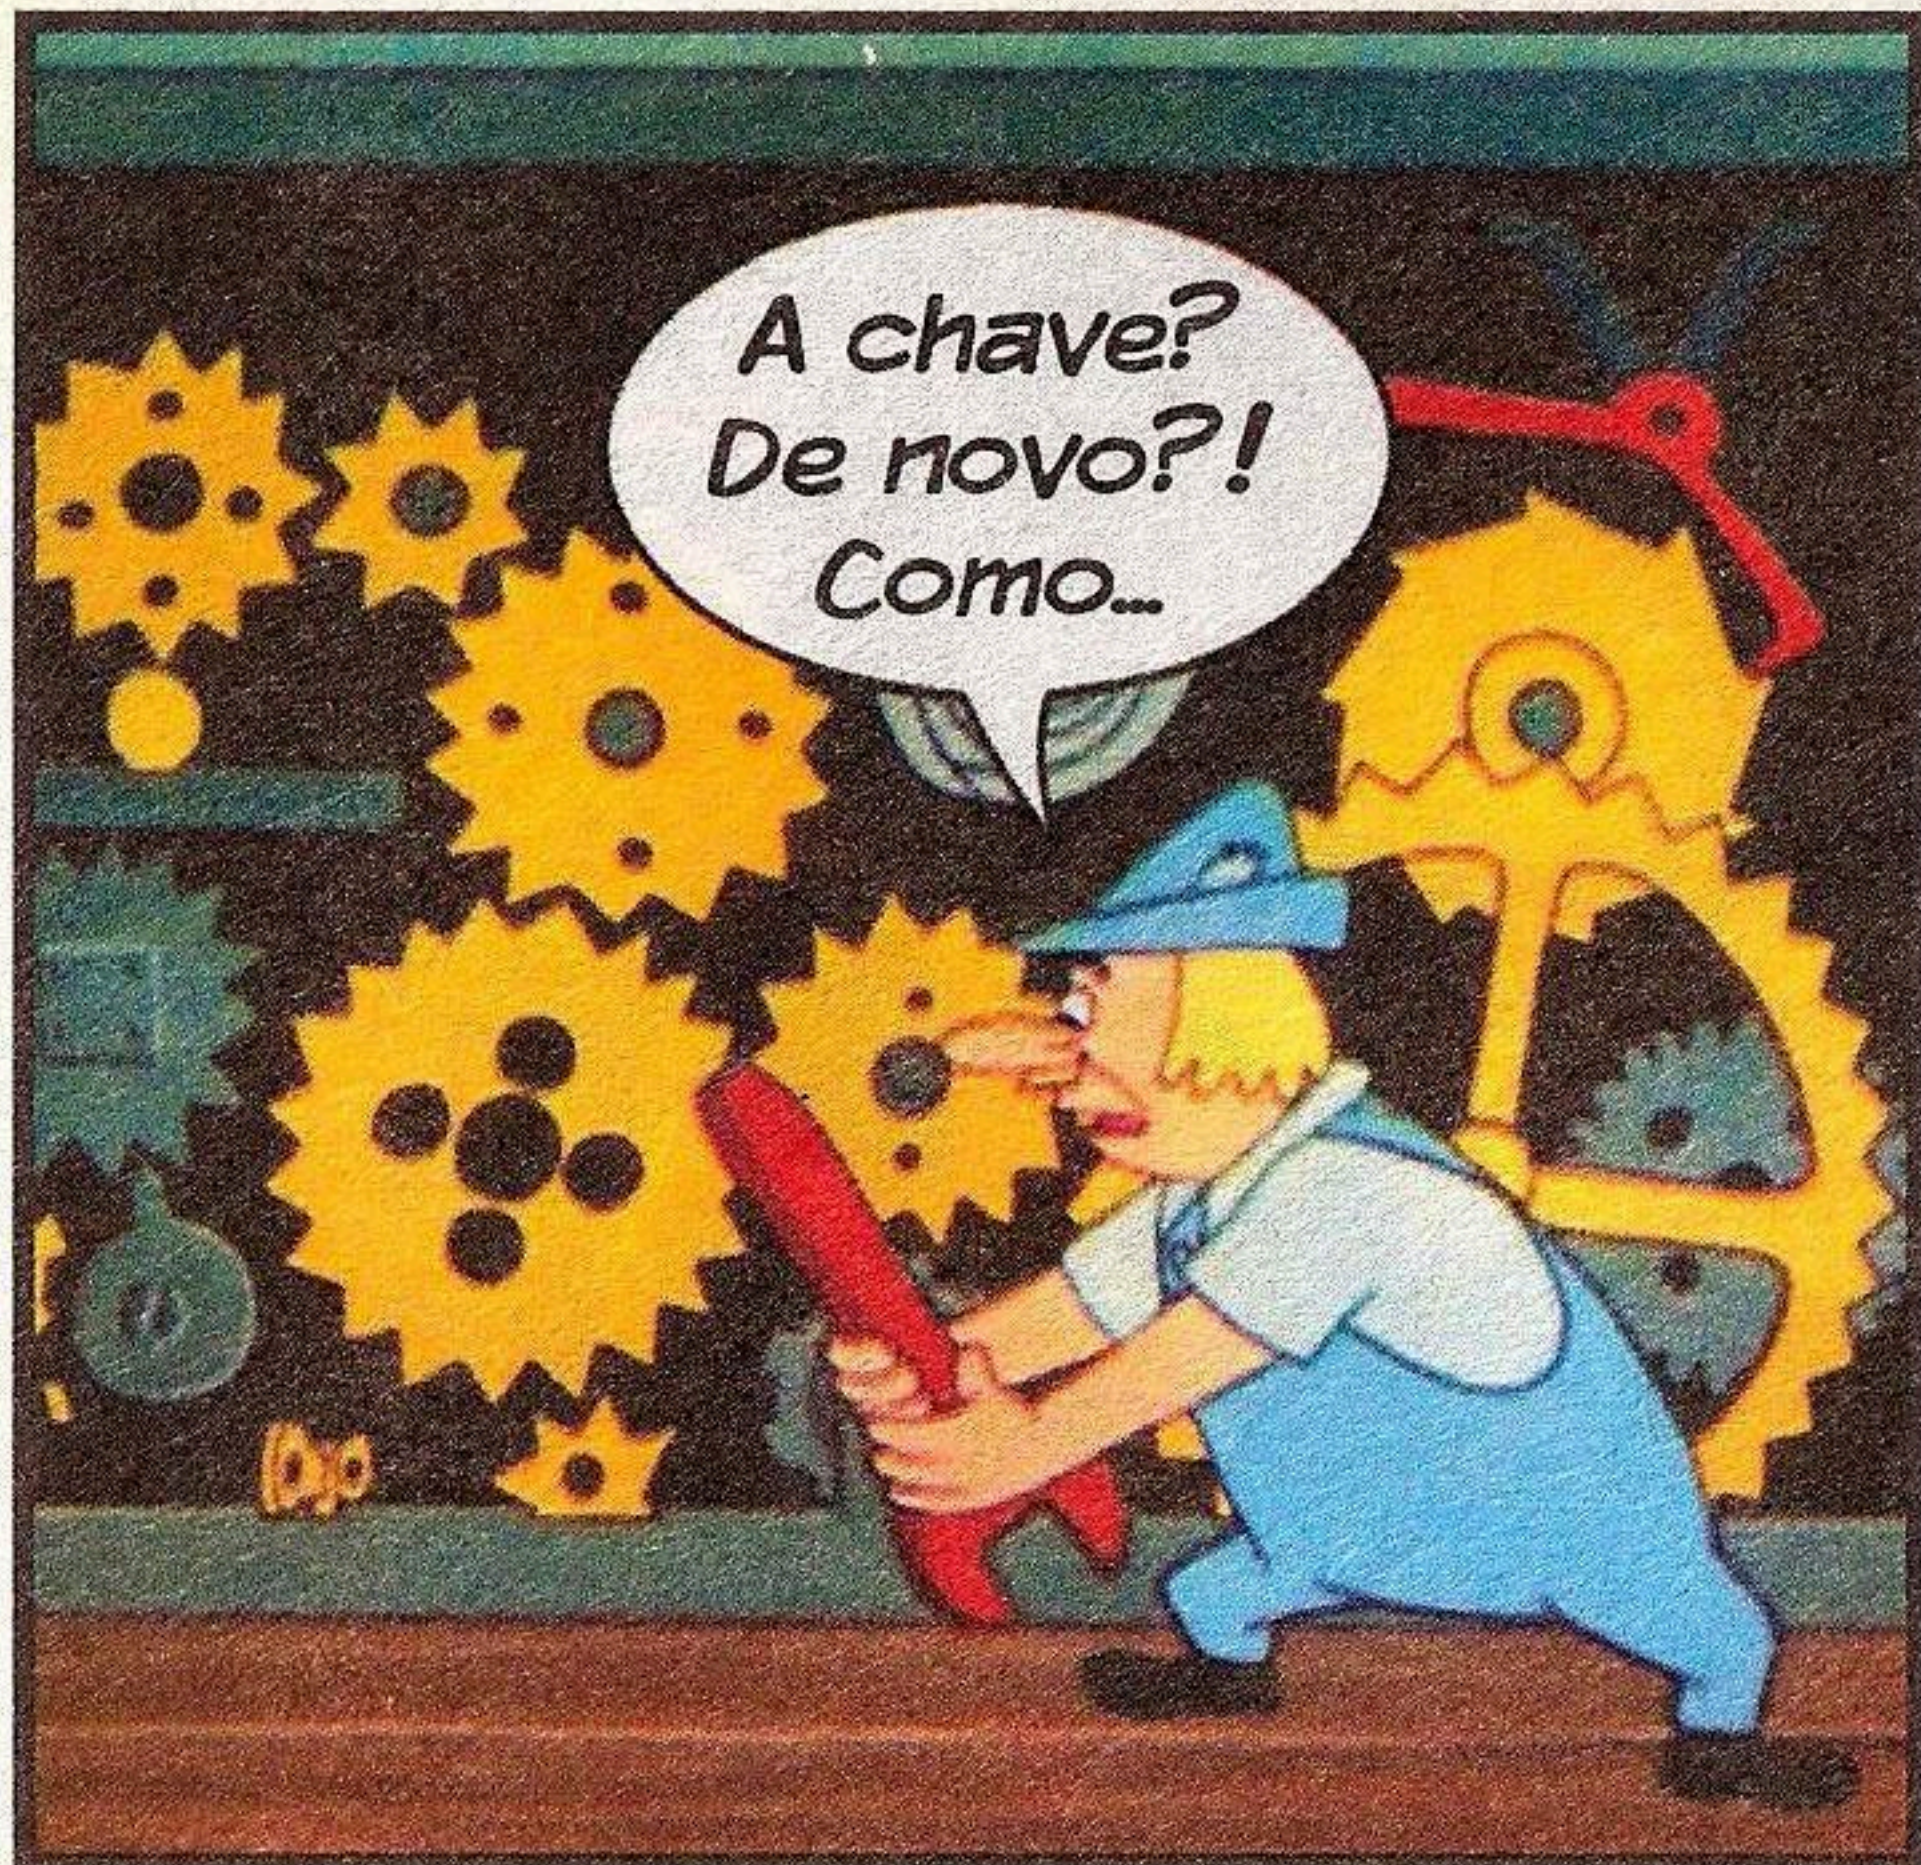

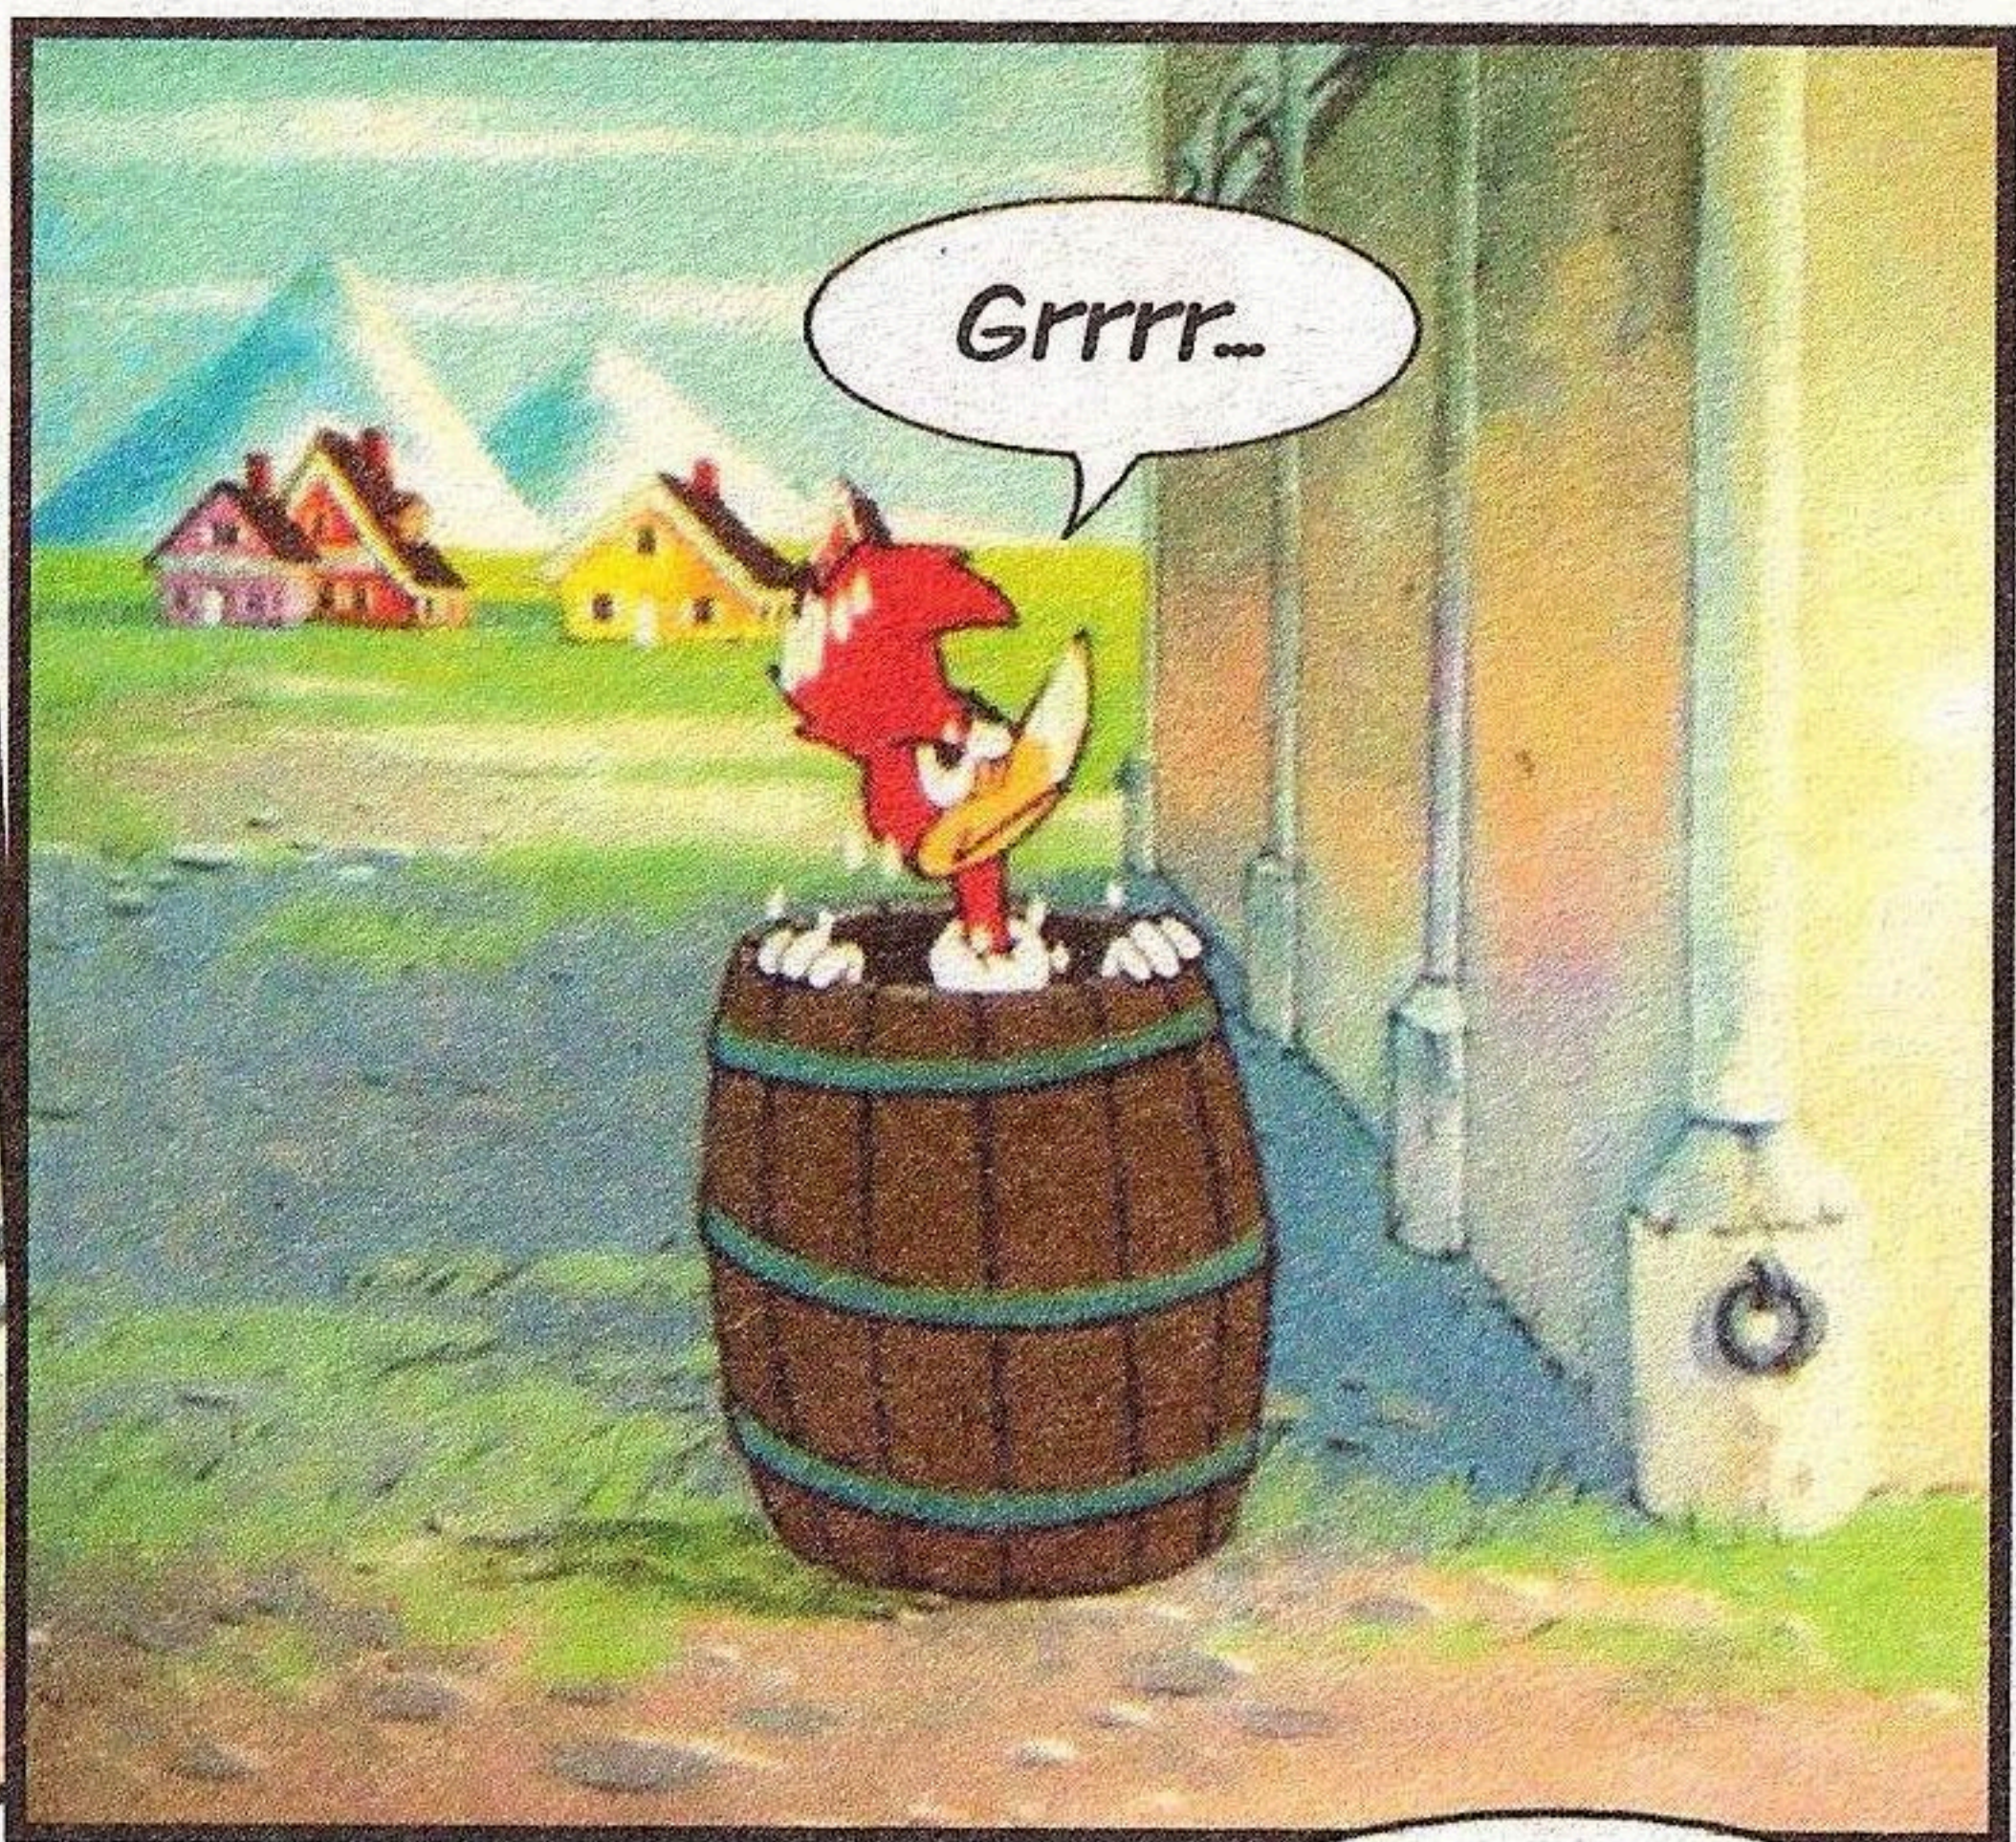

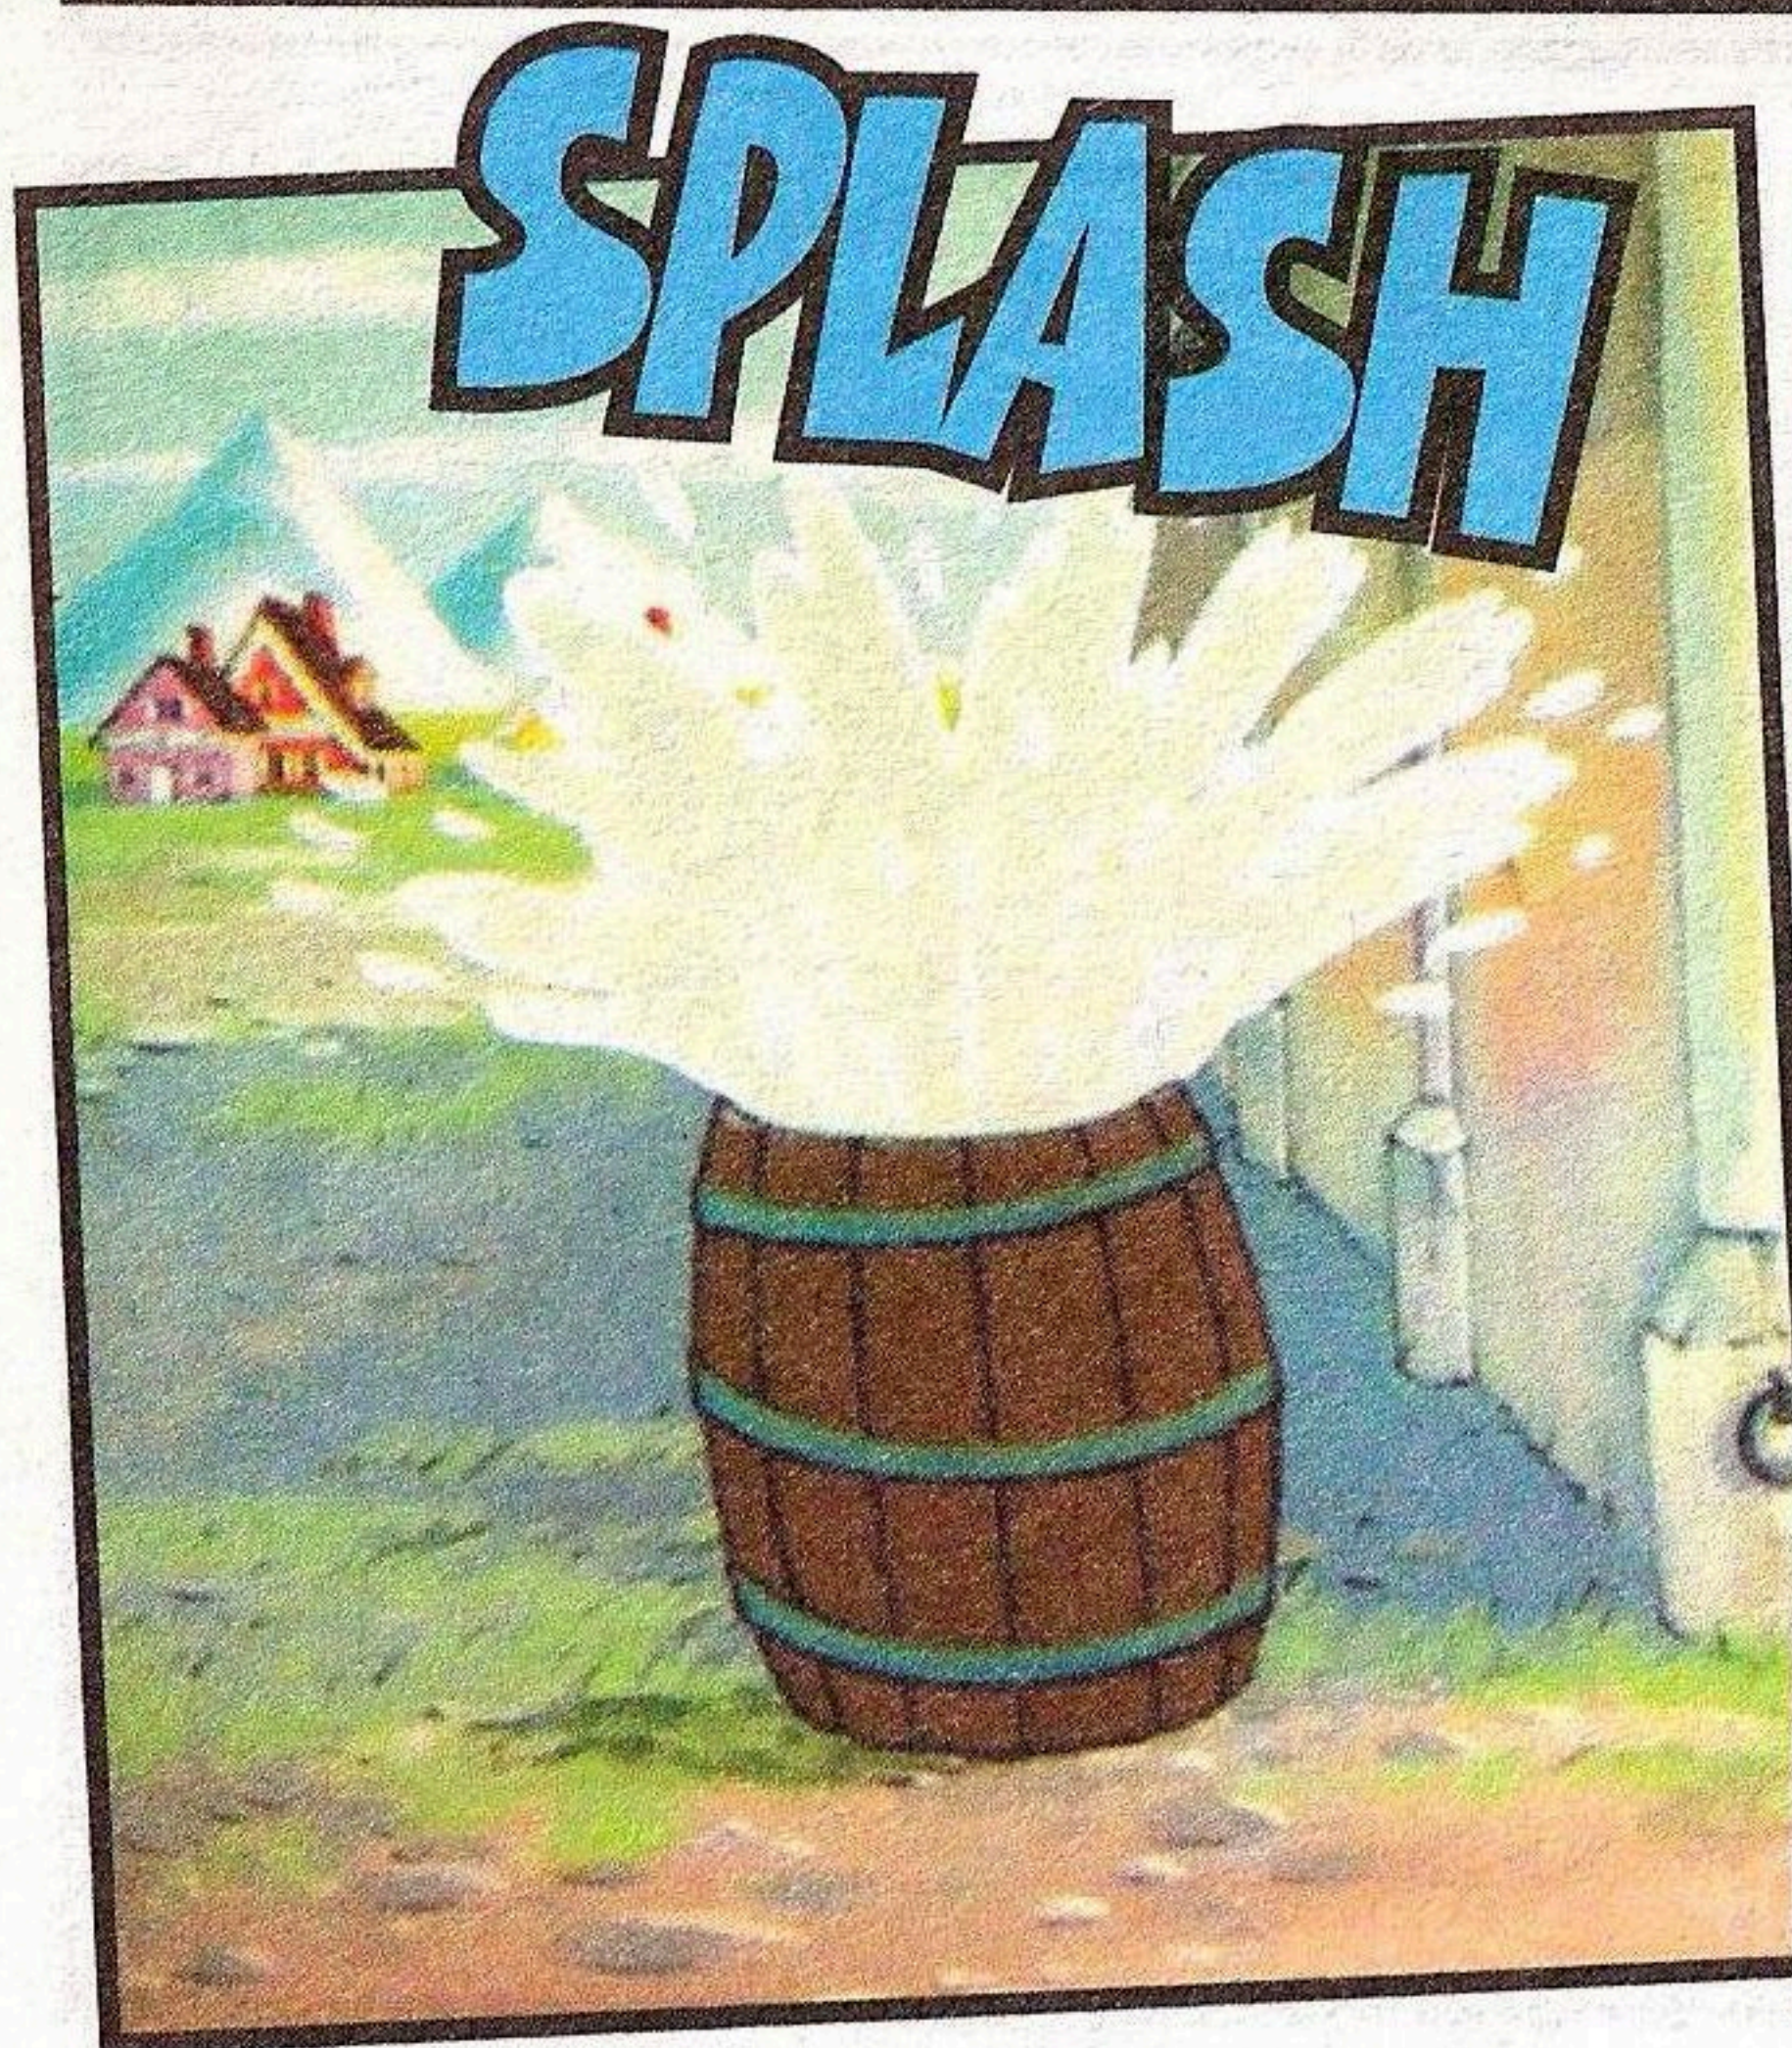

Será que a mola
arrebentou?

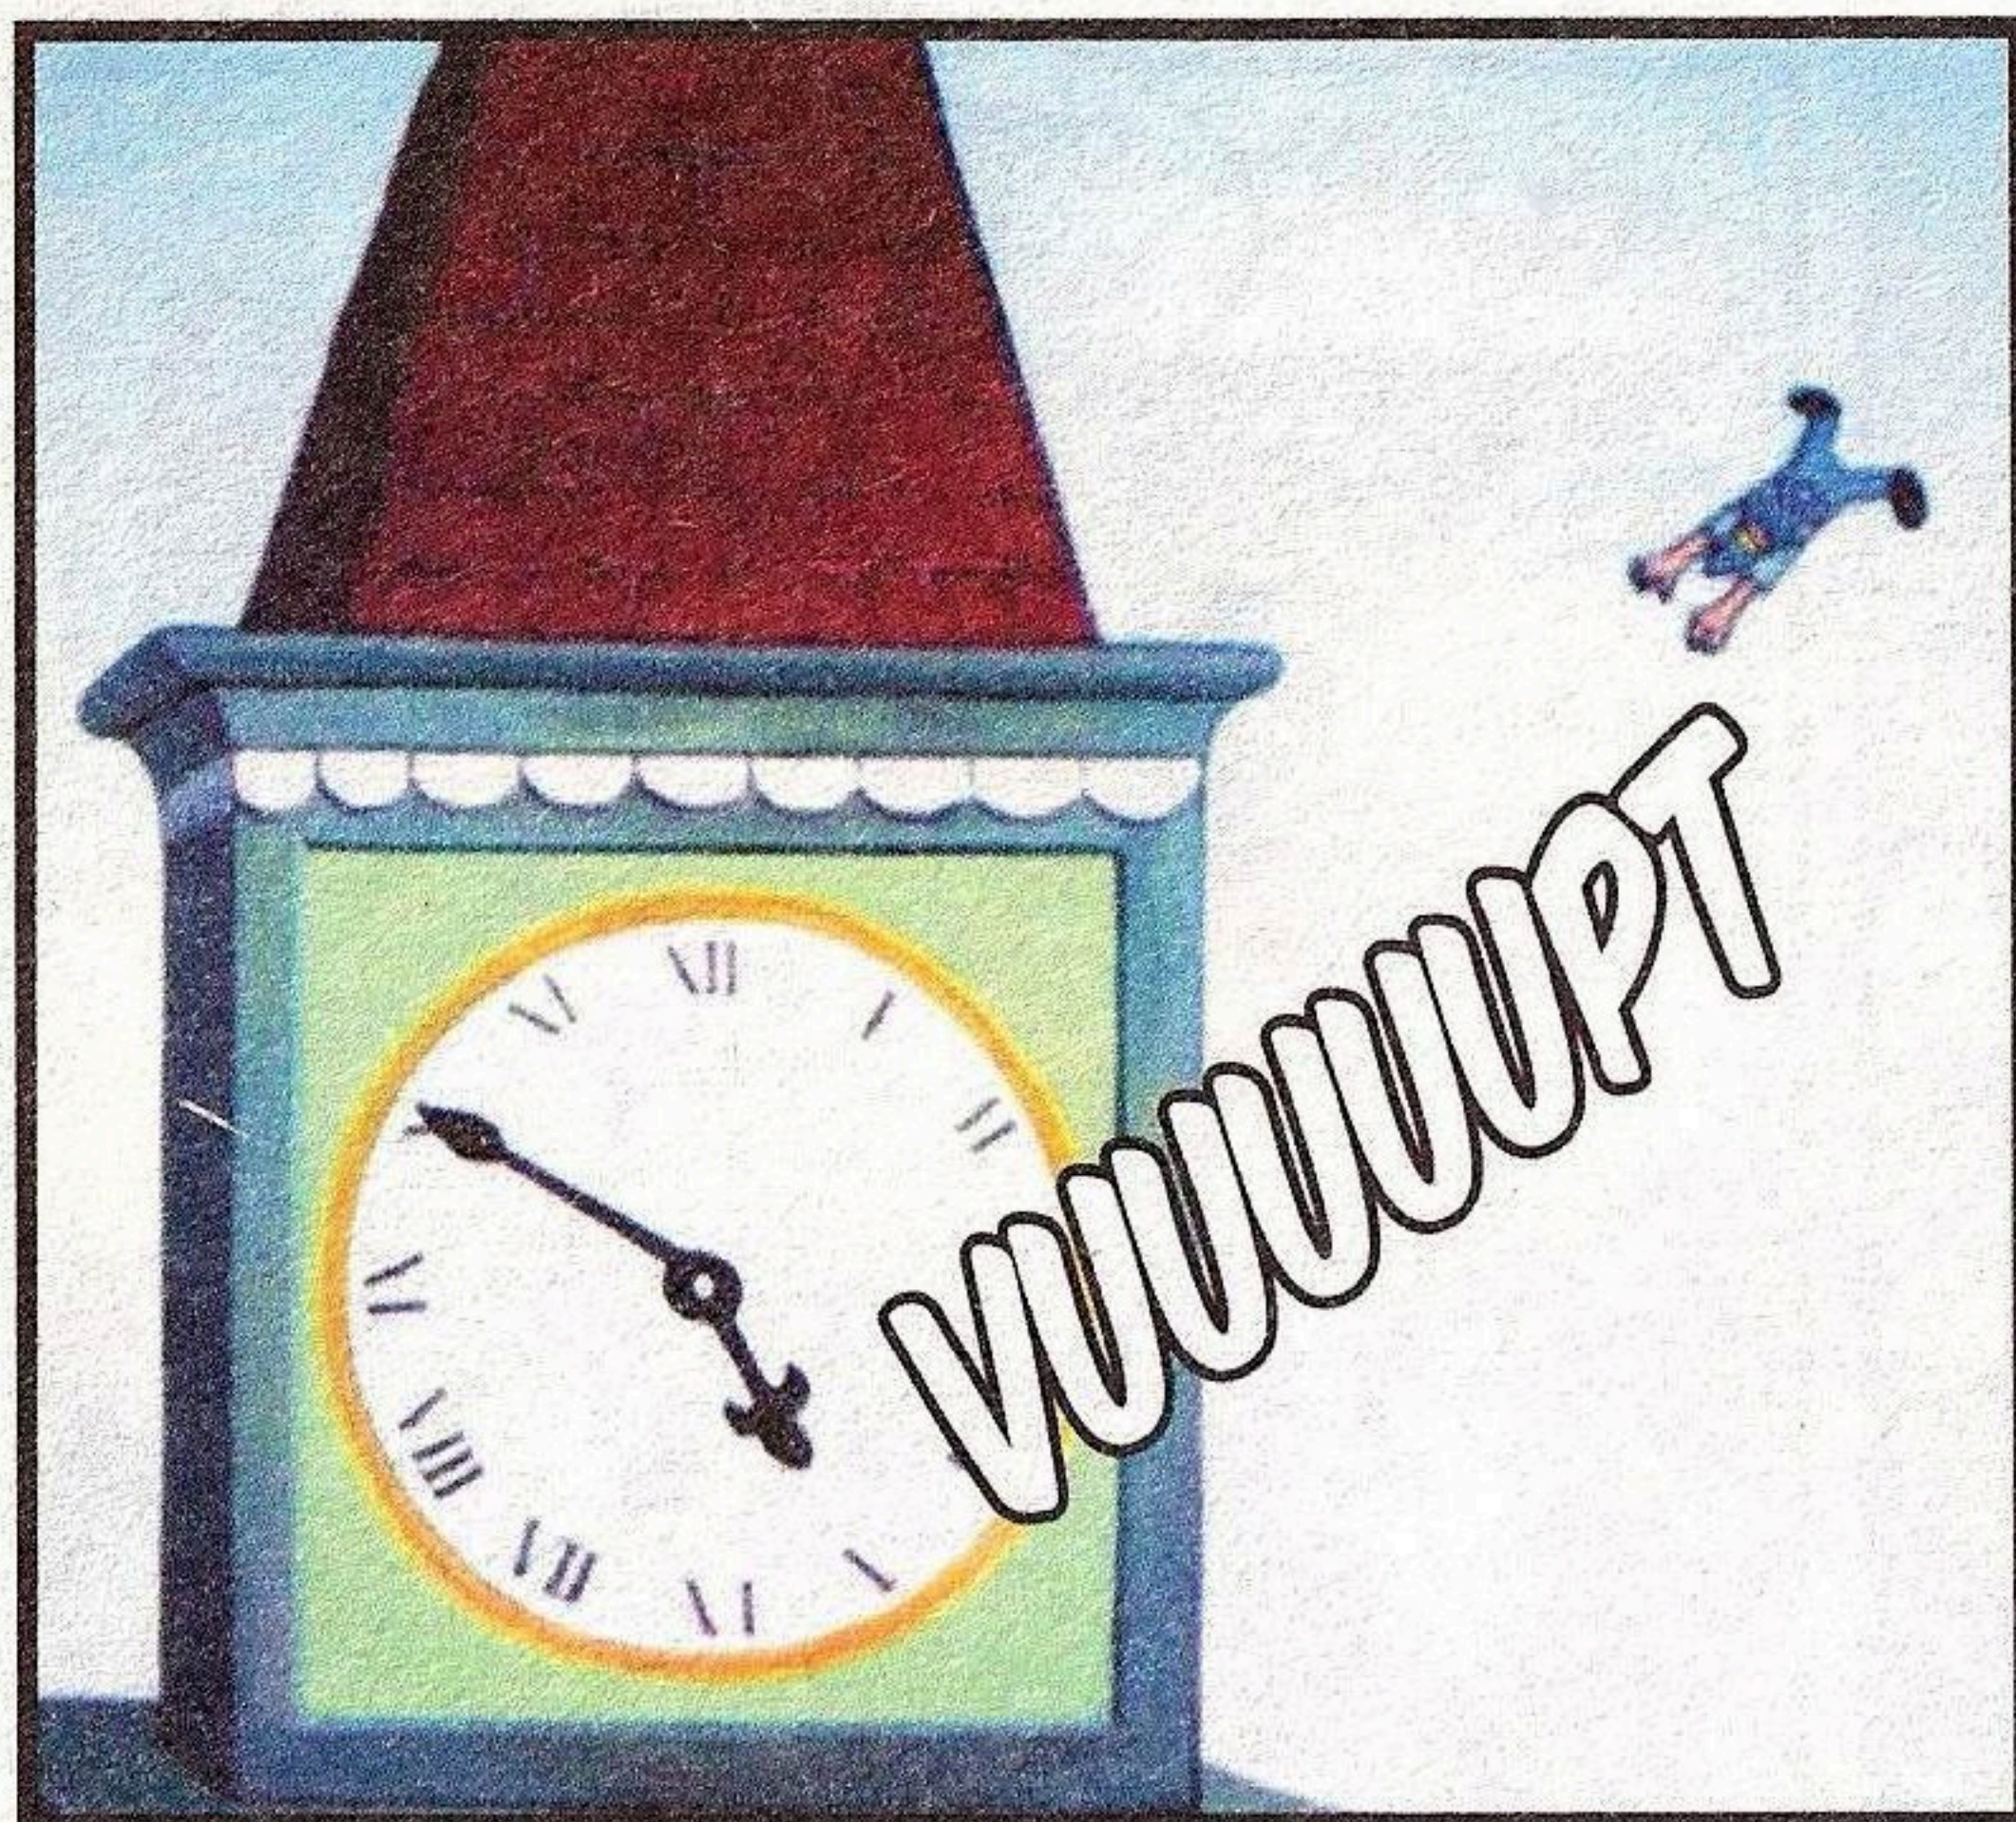

Vá embora!
Você já me
causou problemas
demais!

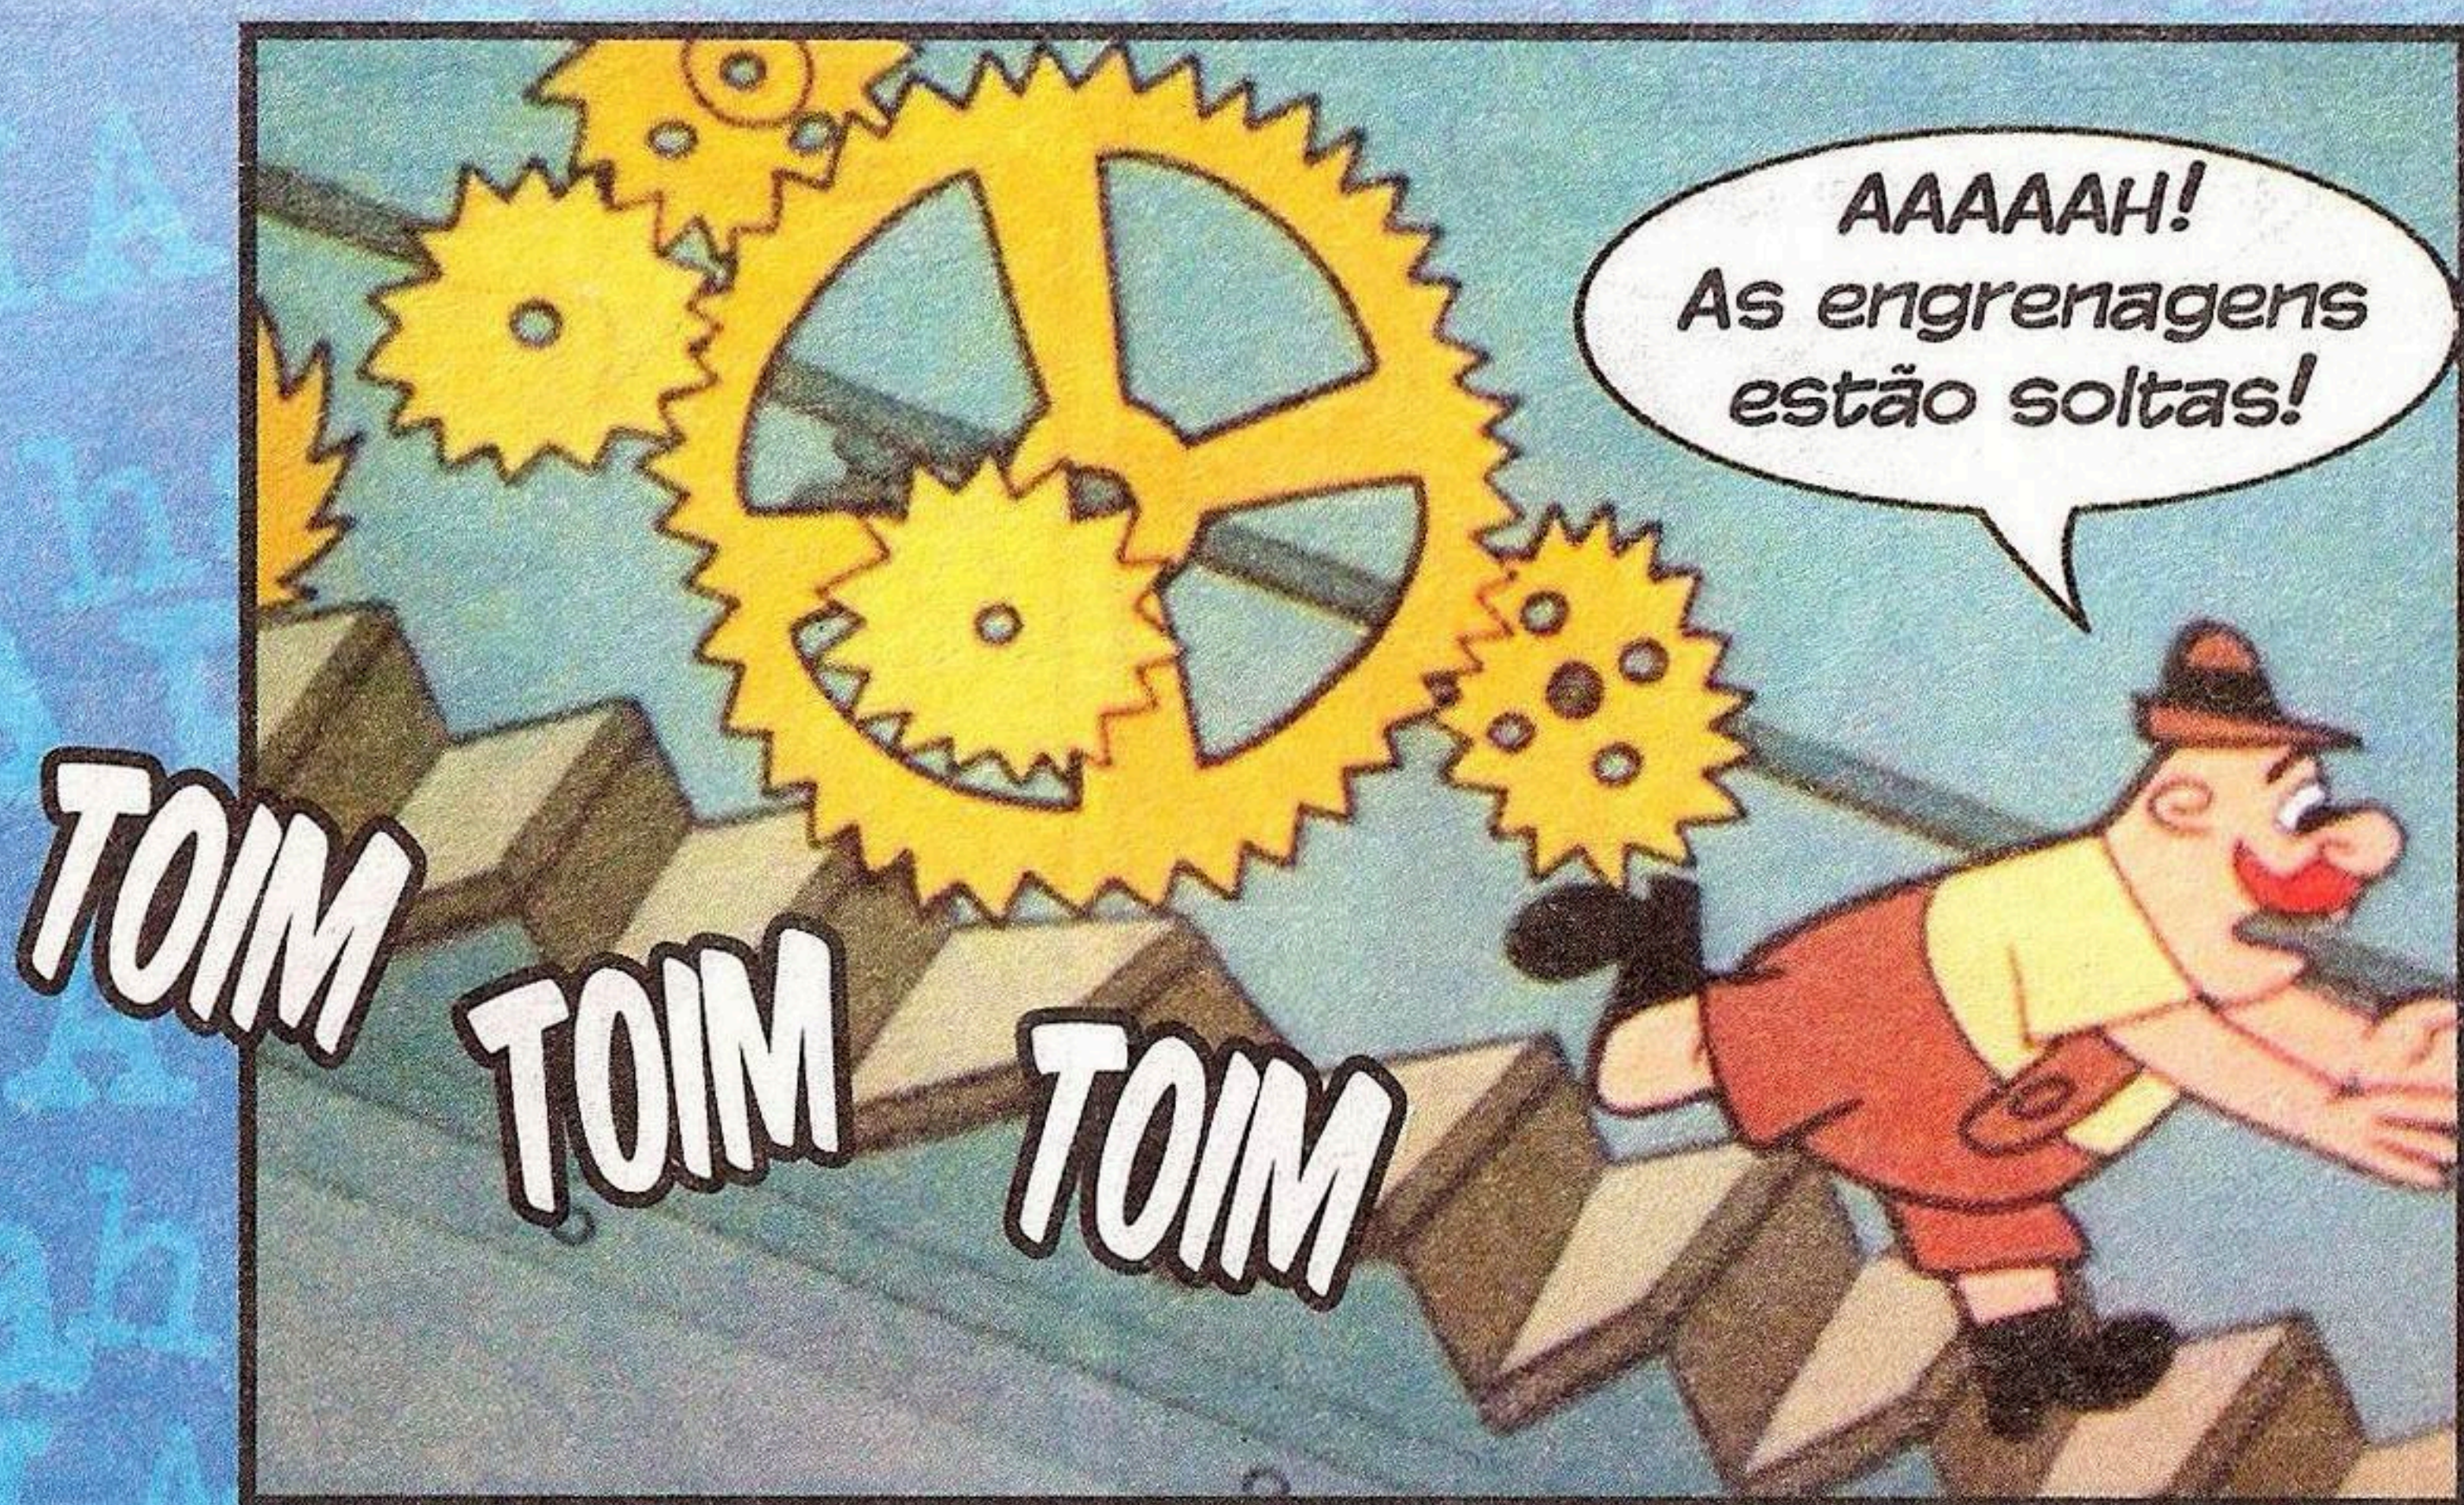

Na casa do prefeito...

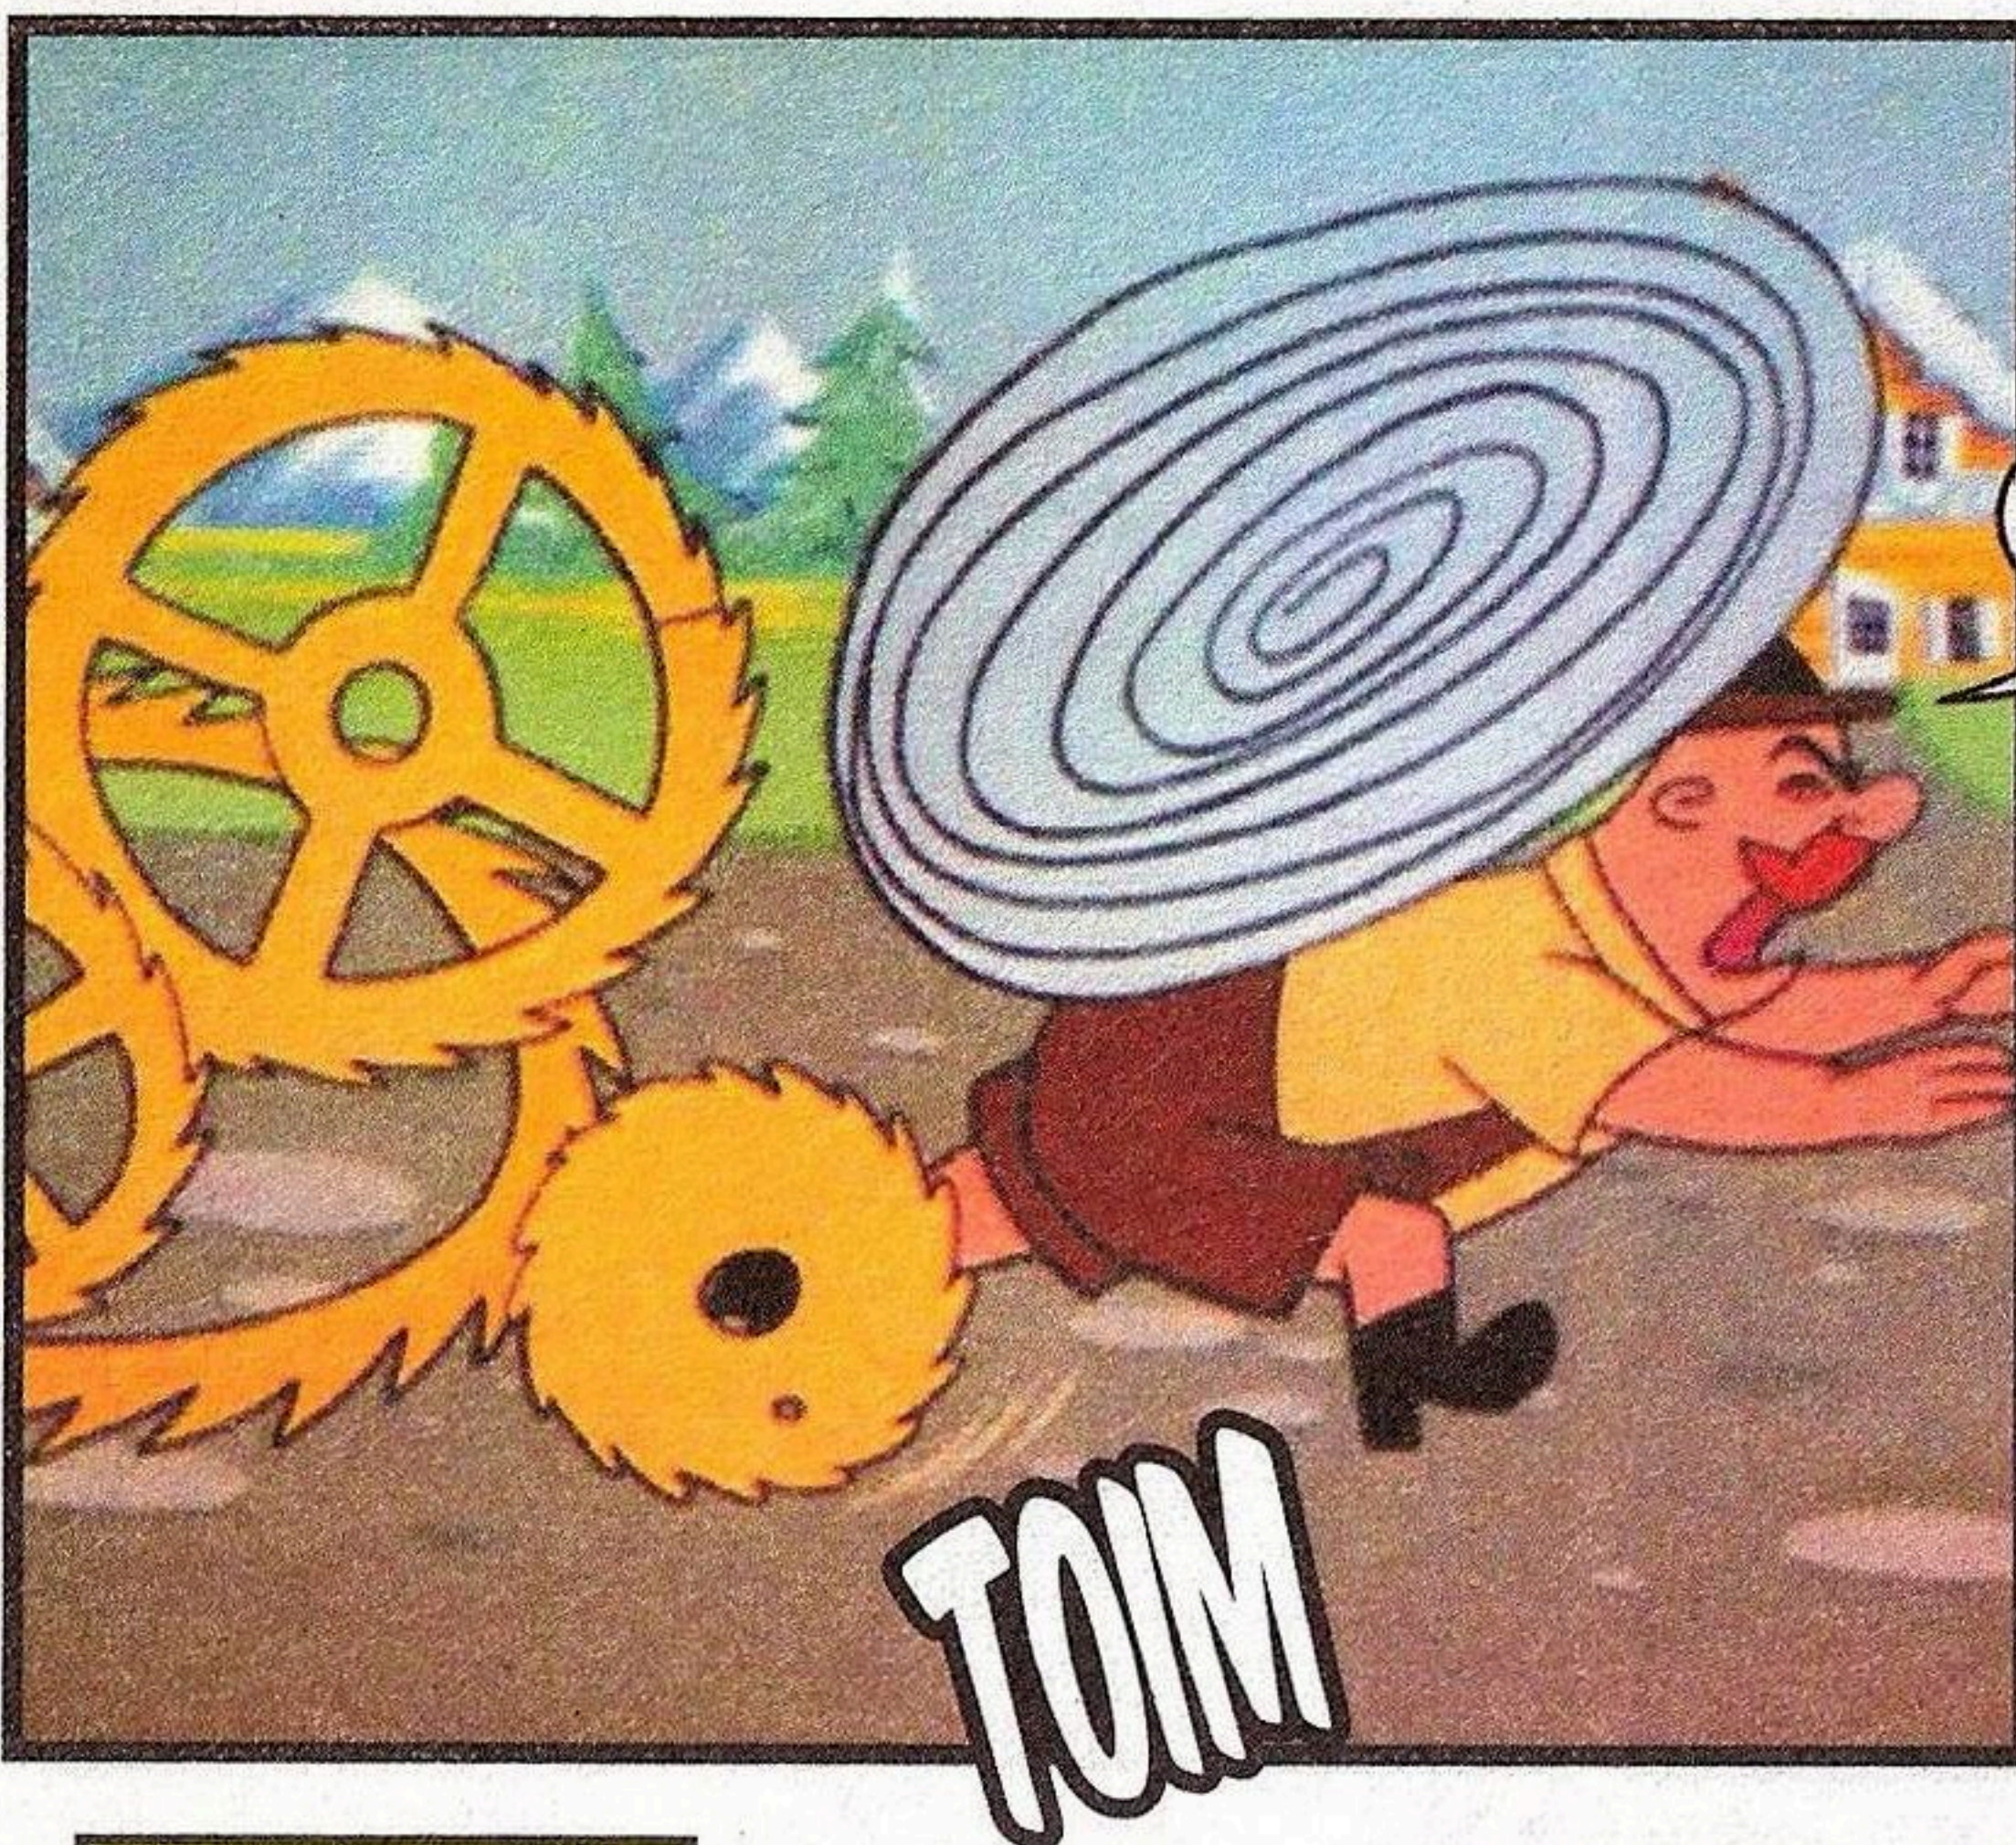

CRASH

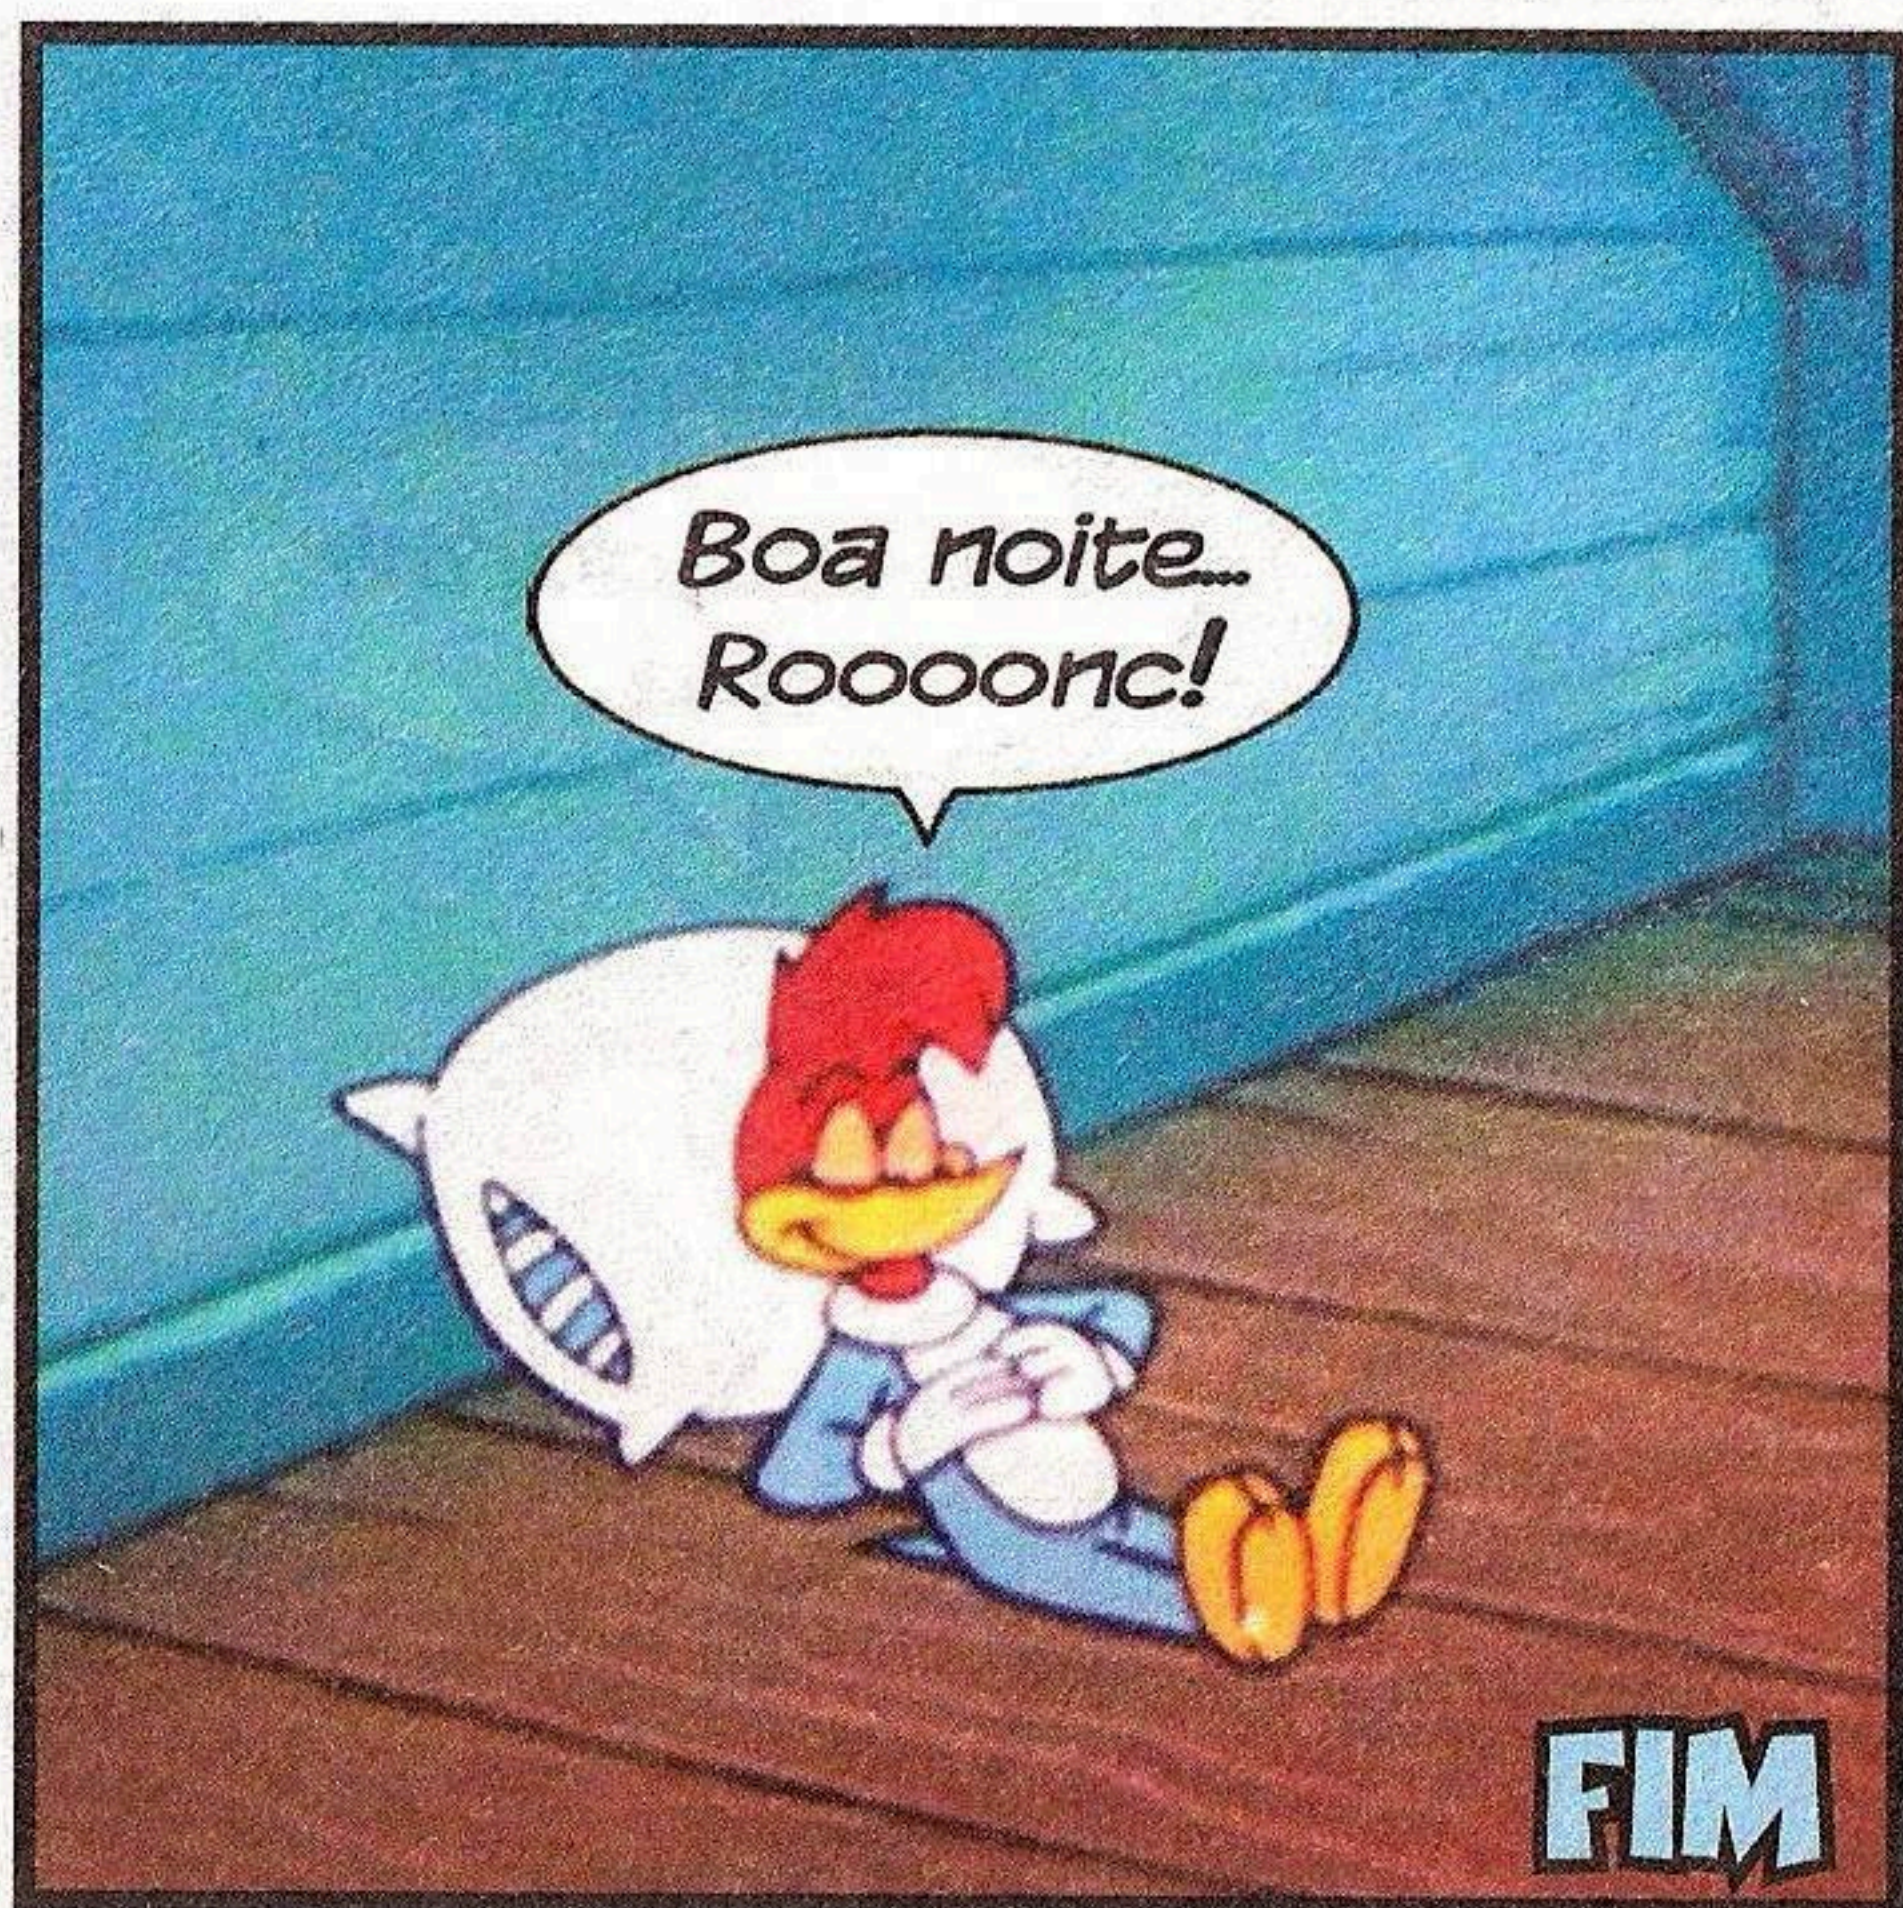

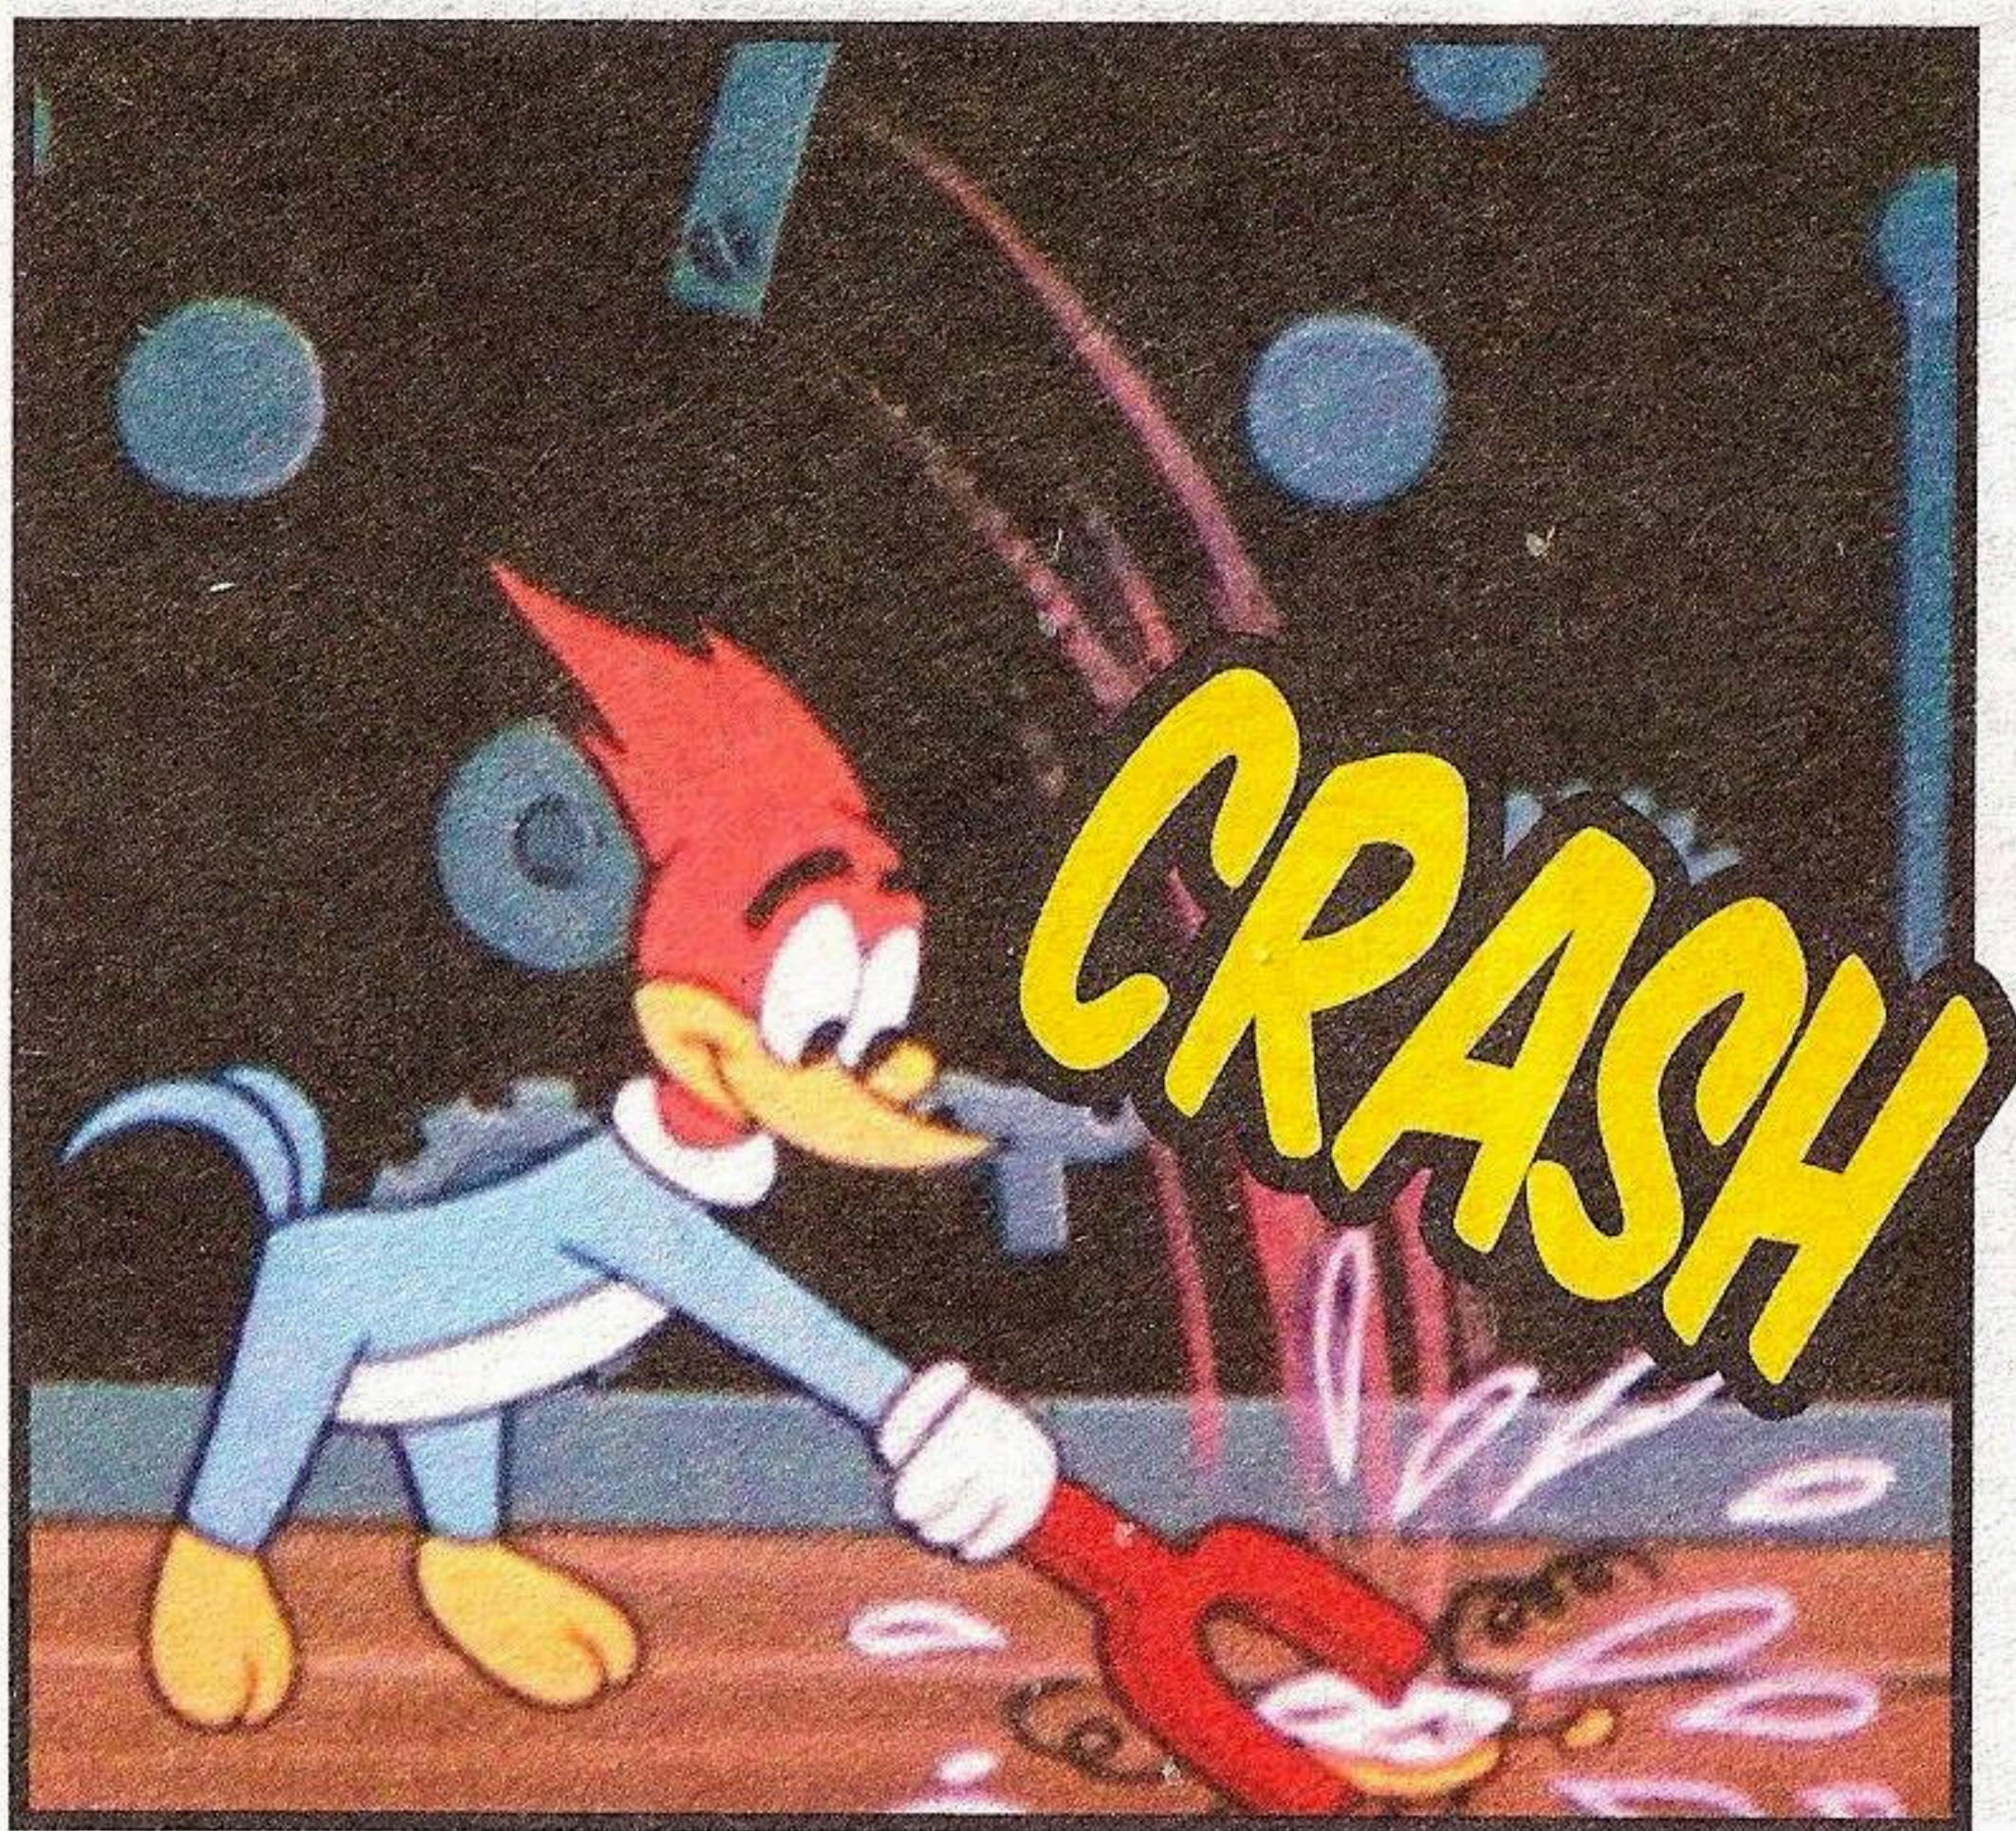

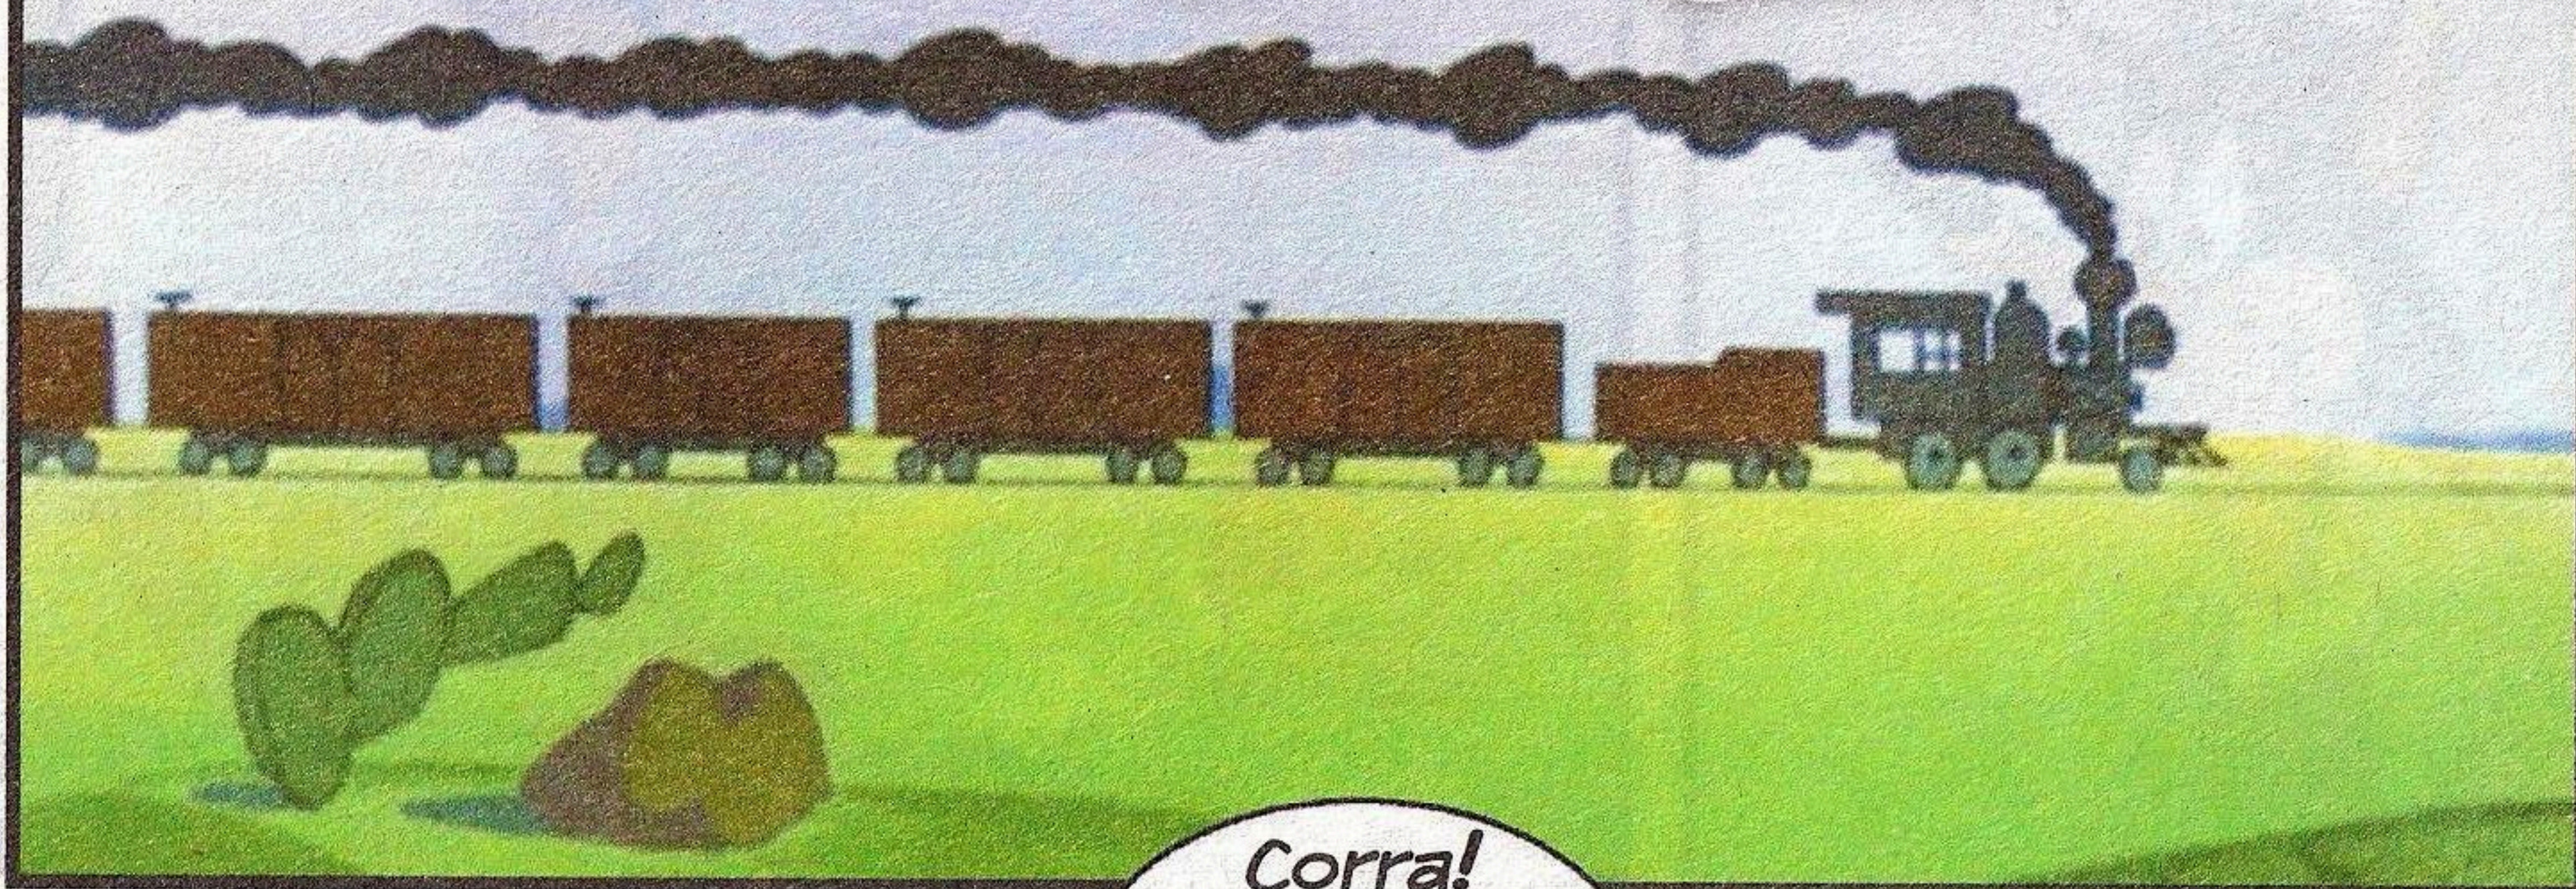

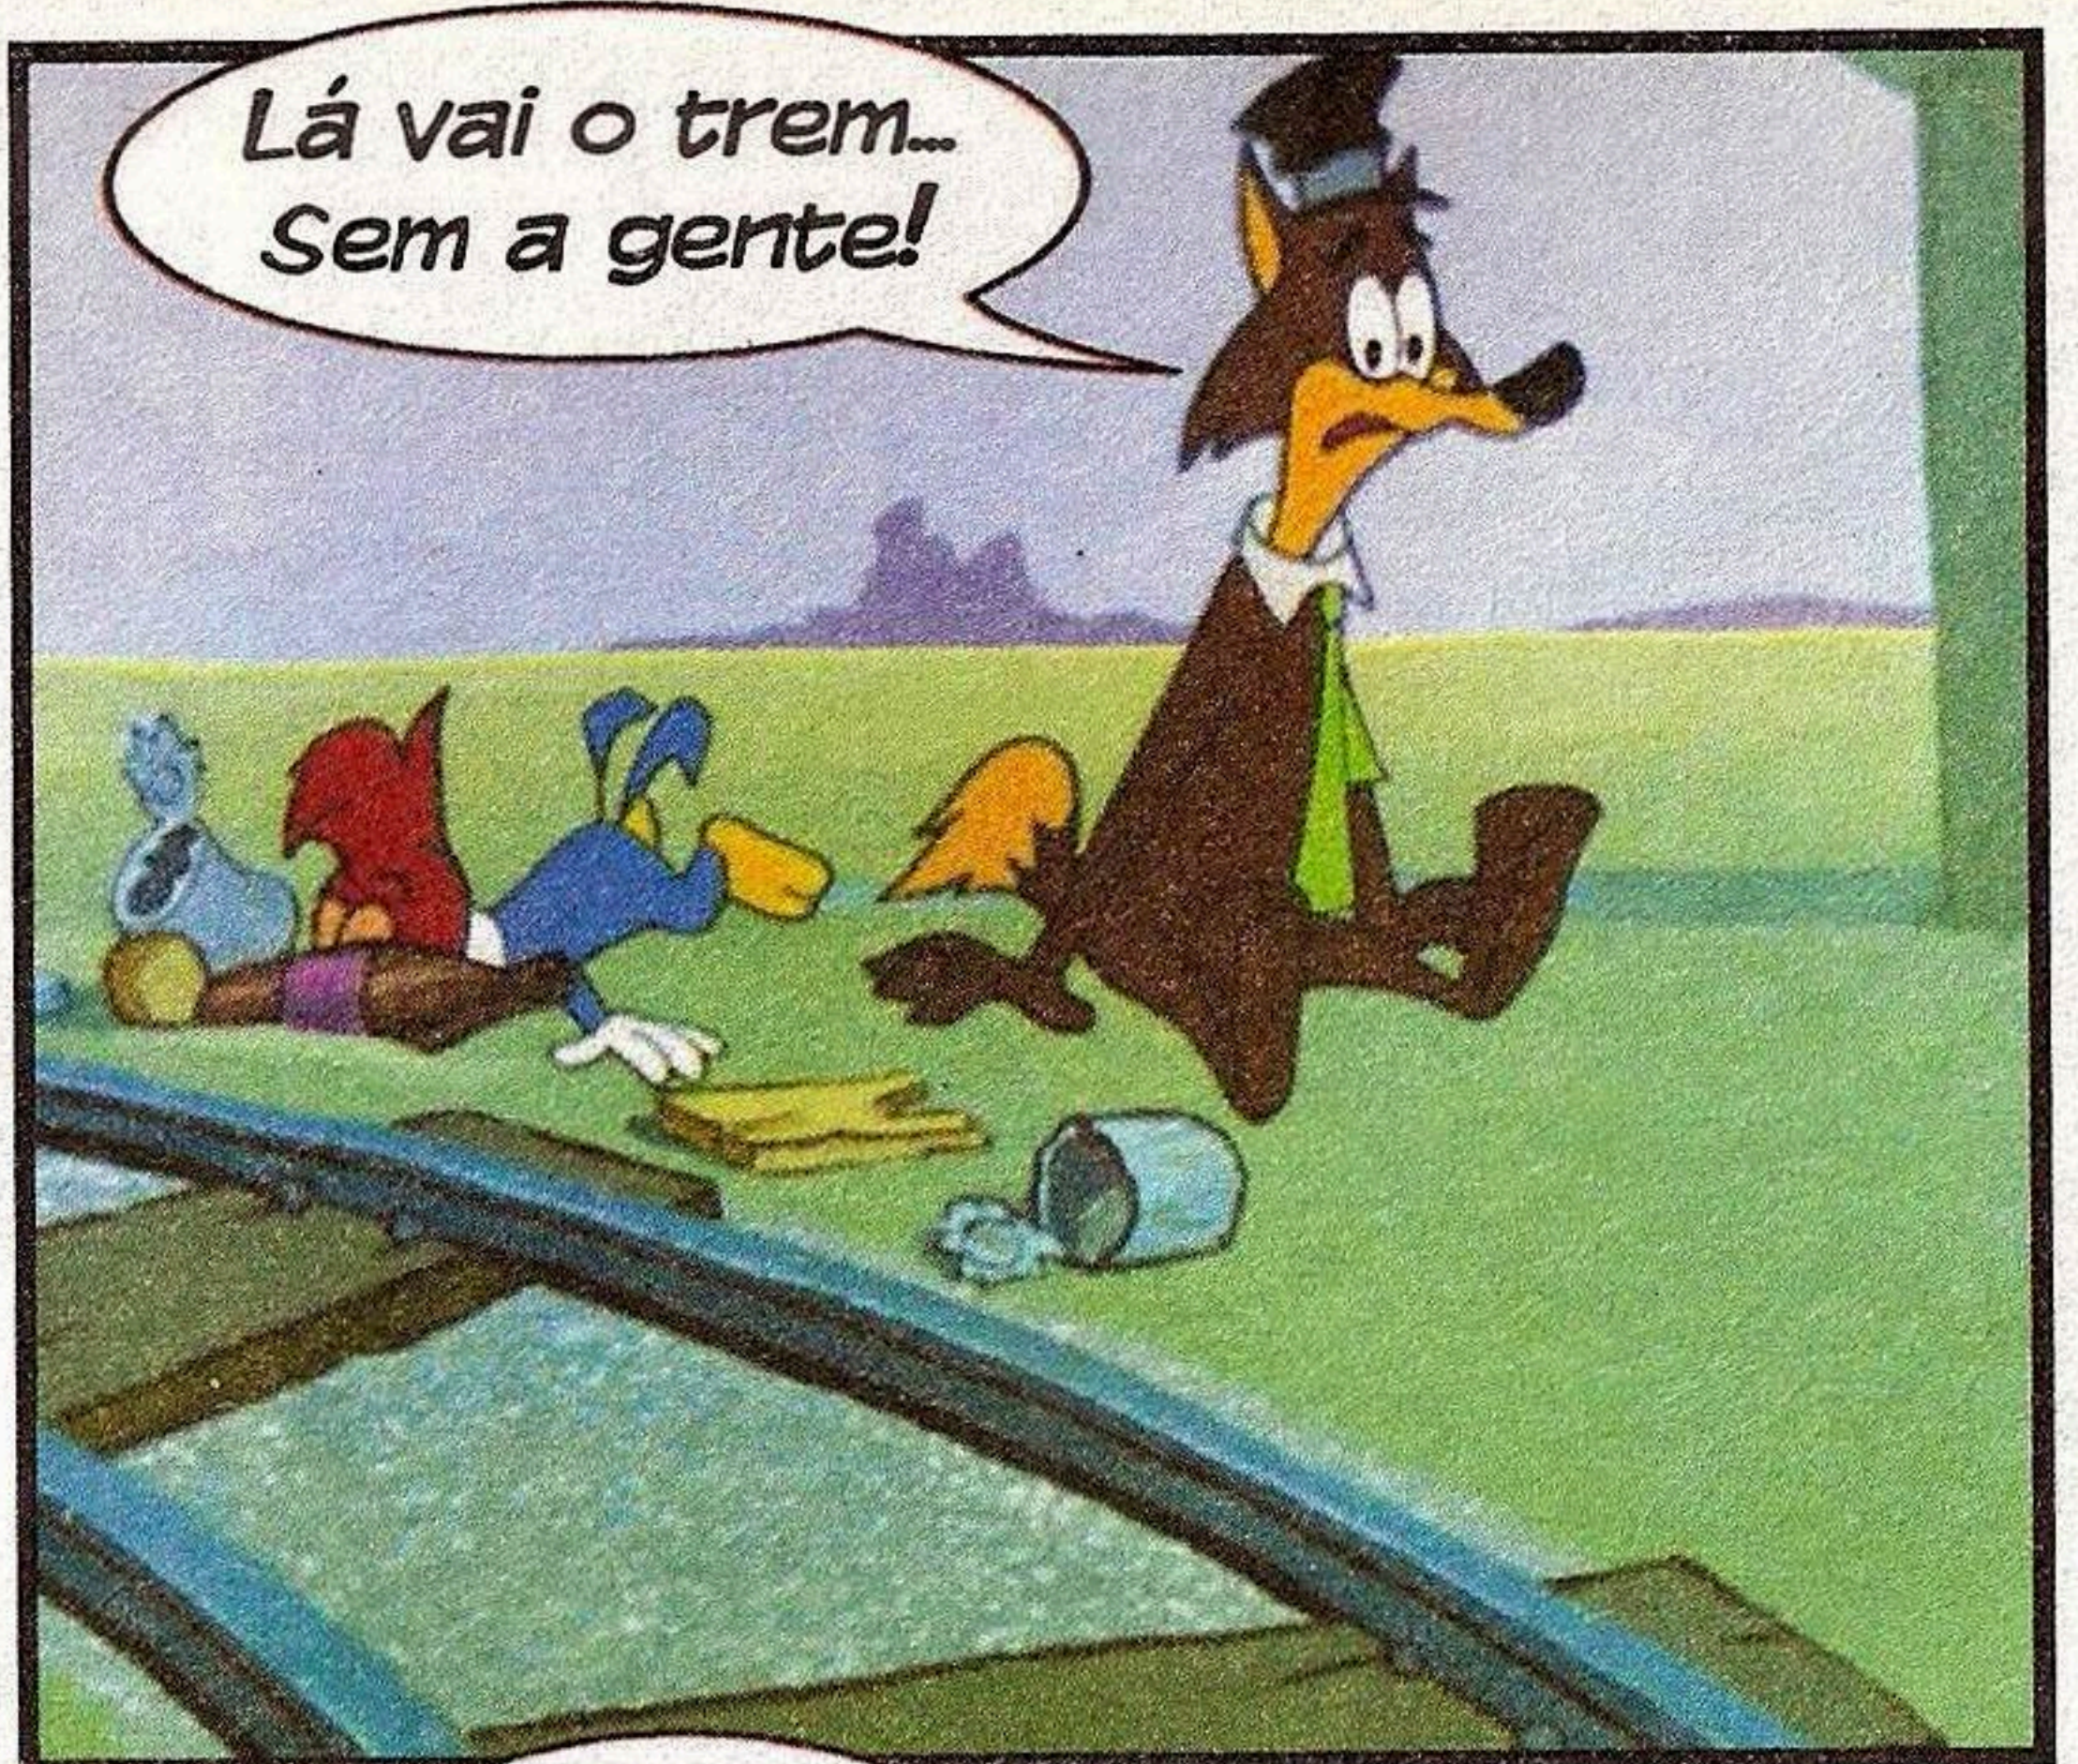

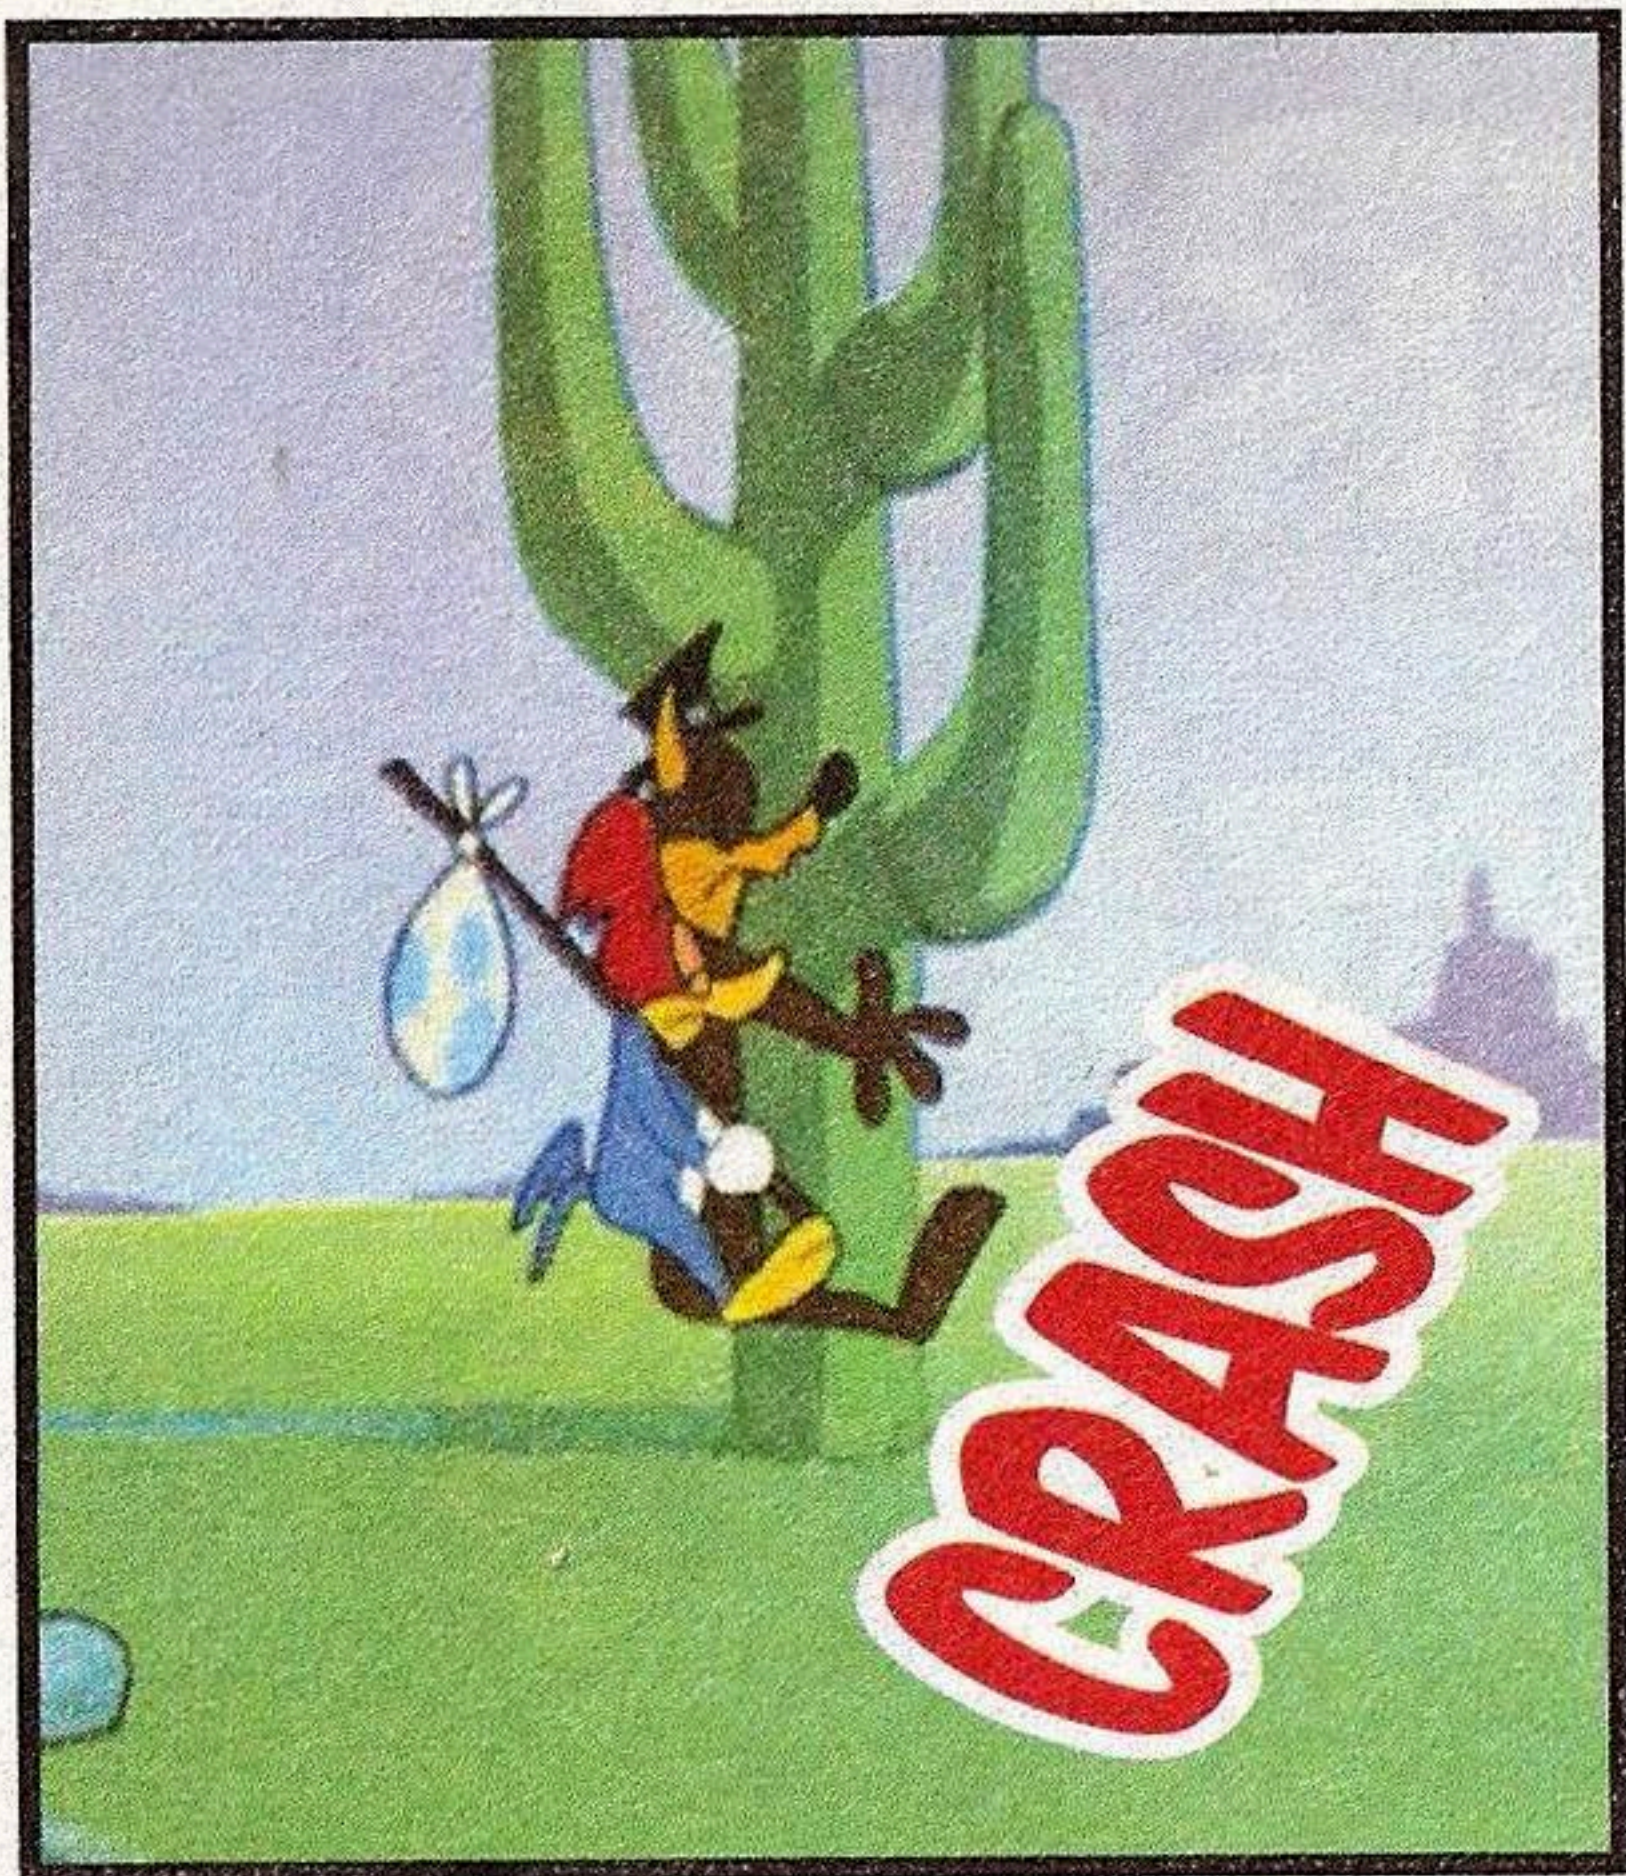

ESPERTO CONTRA SABIDO

CHUF CHUF CHUF CHUF

Corra!
Senão vamos
perder o
trem!

Lá vai o trem...
Sem a gente!

Sabe que desde que nos conhecemos...

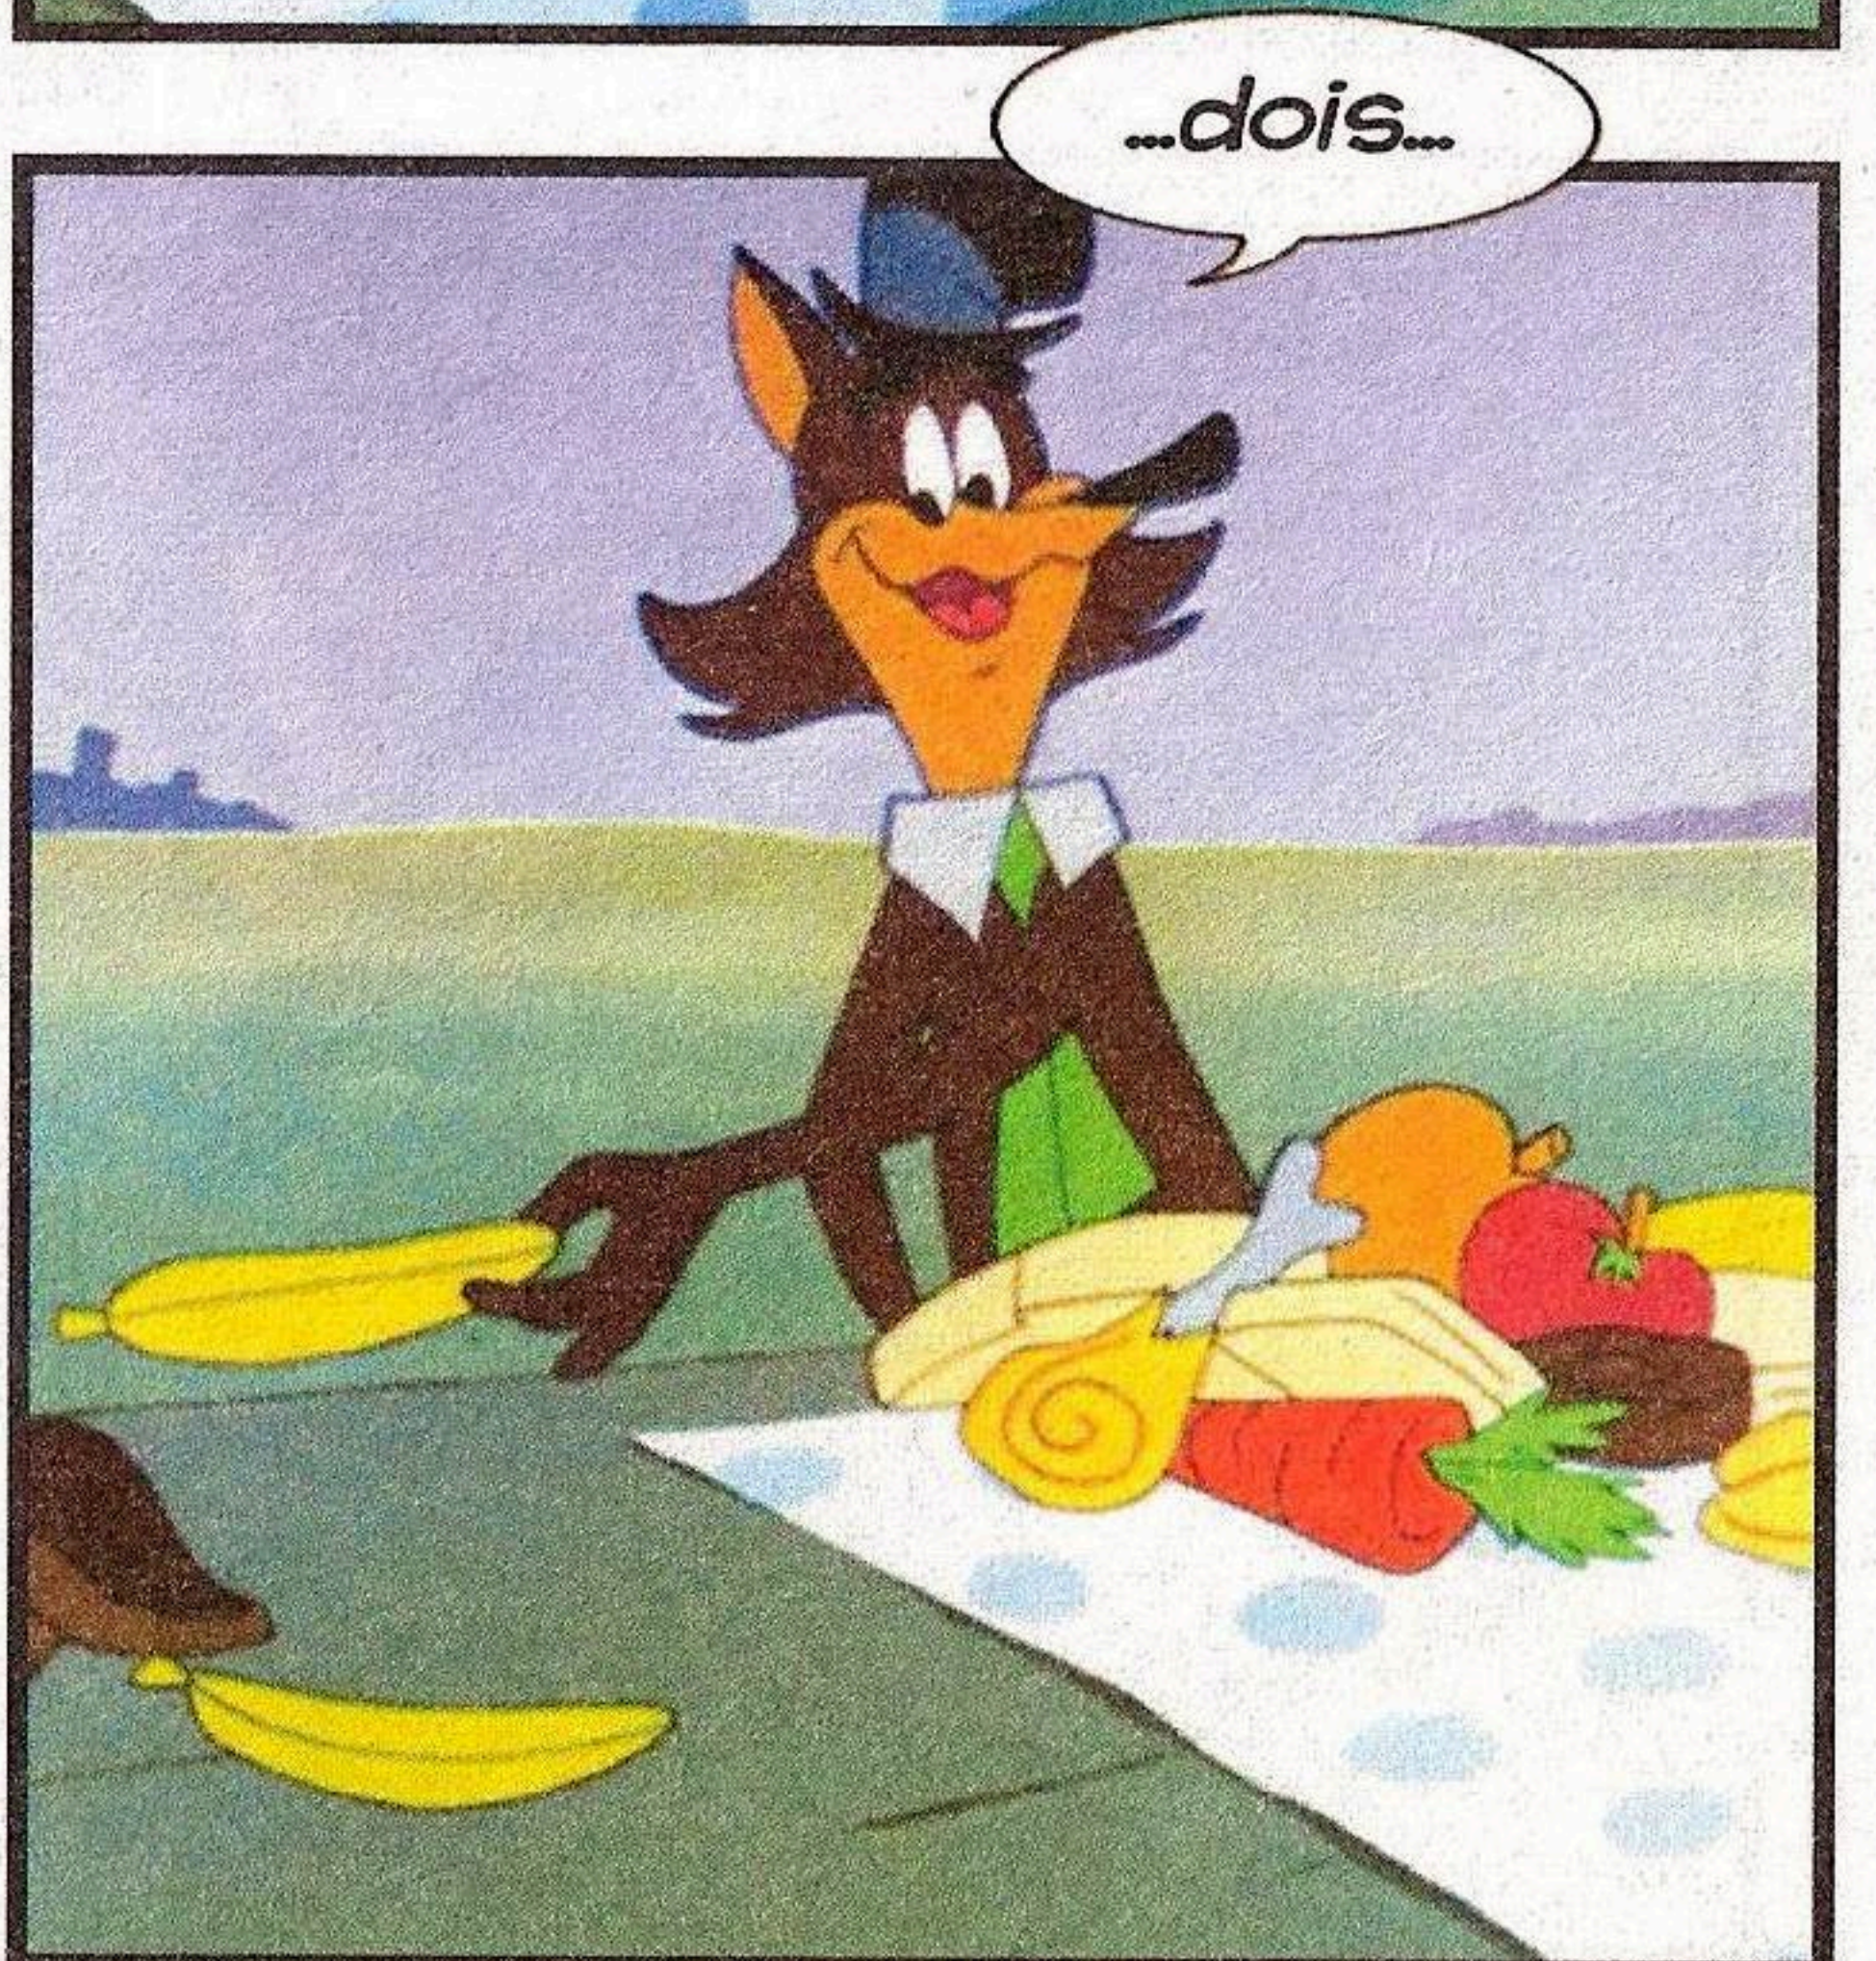

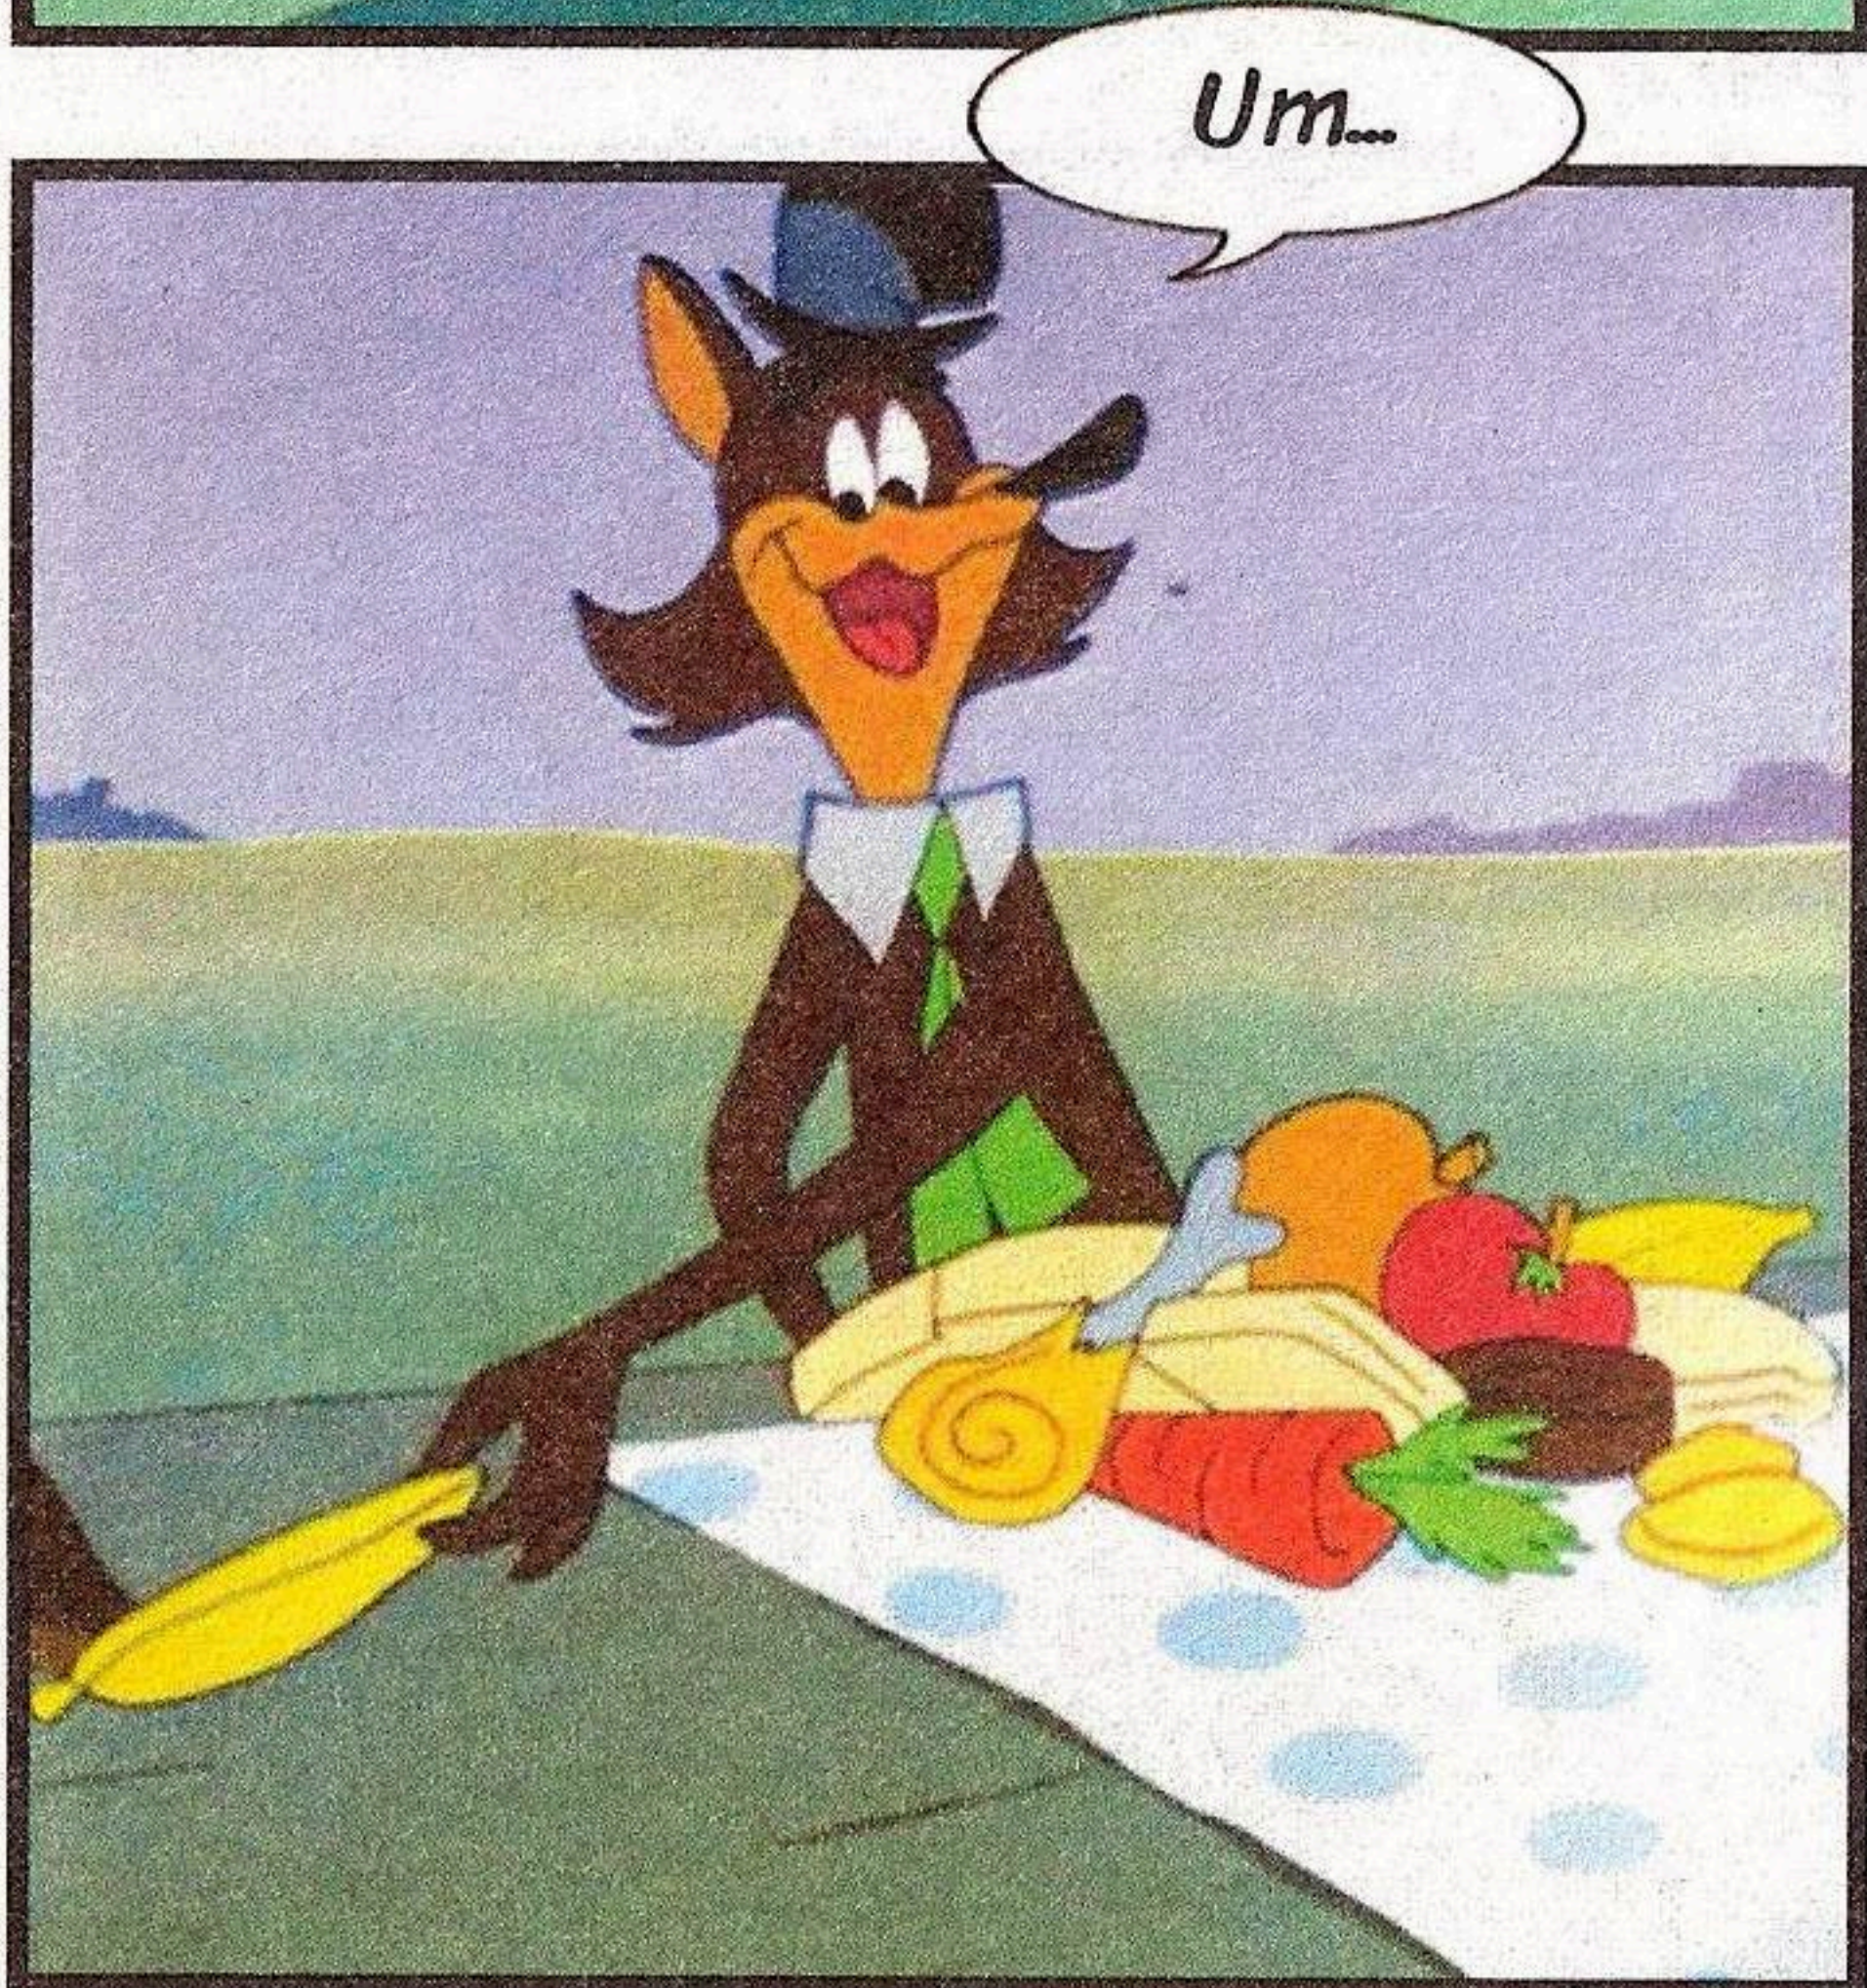

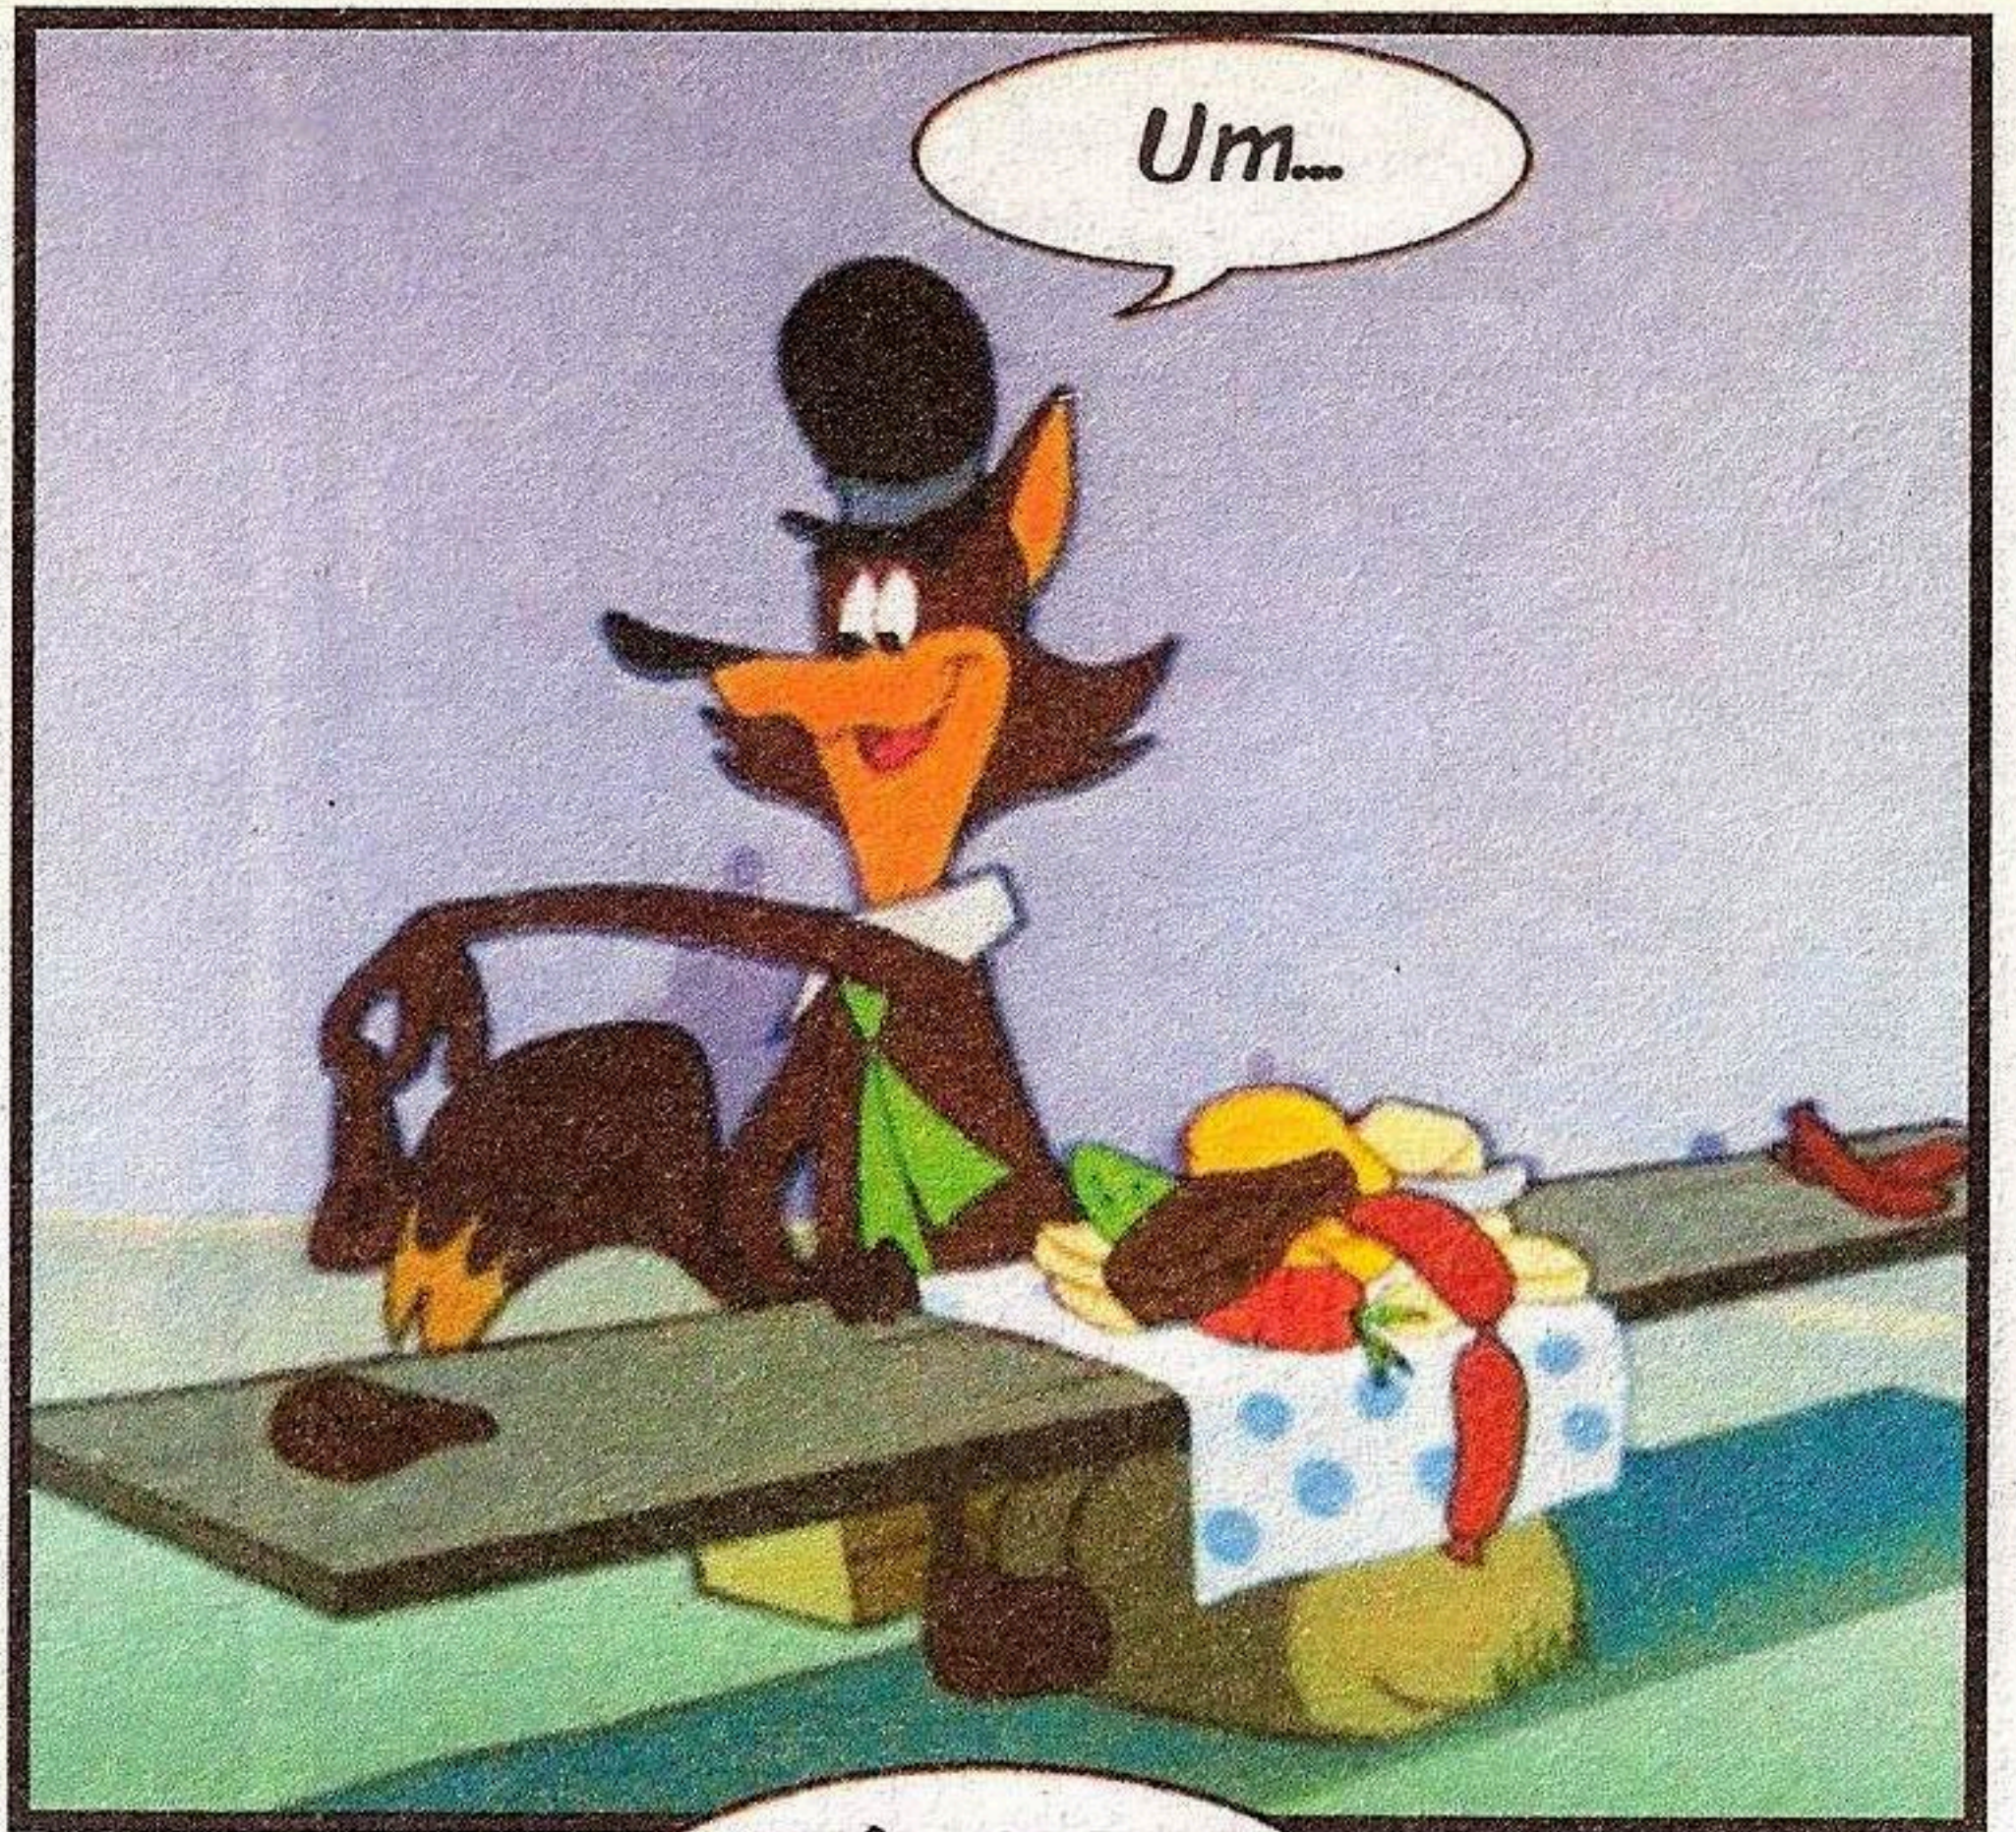

...só tenho tido azar?

A mesma coisa comigo, amigo...

Melhor nos separarmos!
Adeus!

...e três para mim!

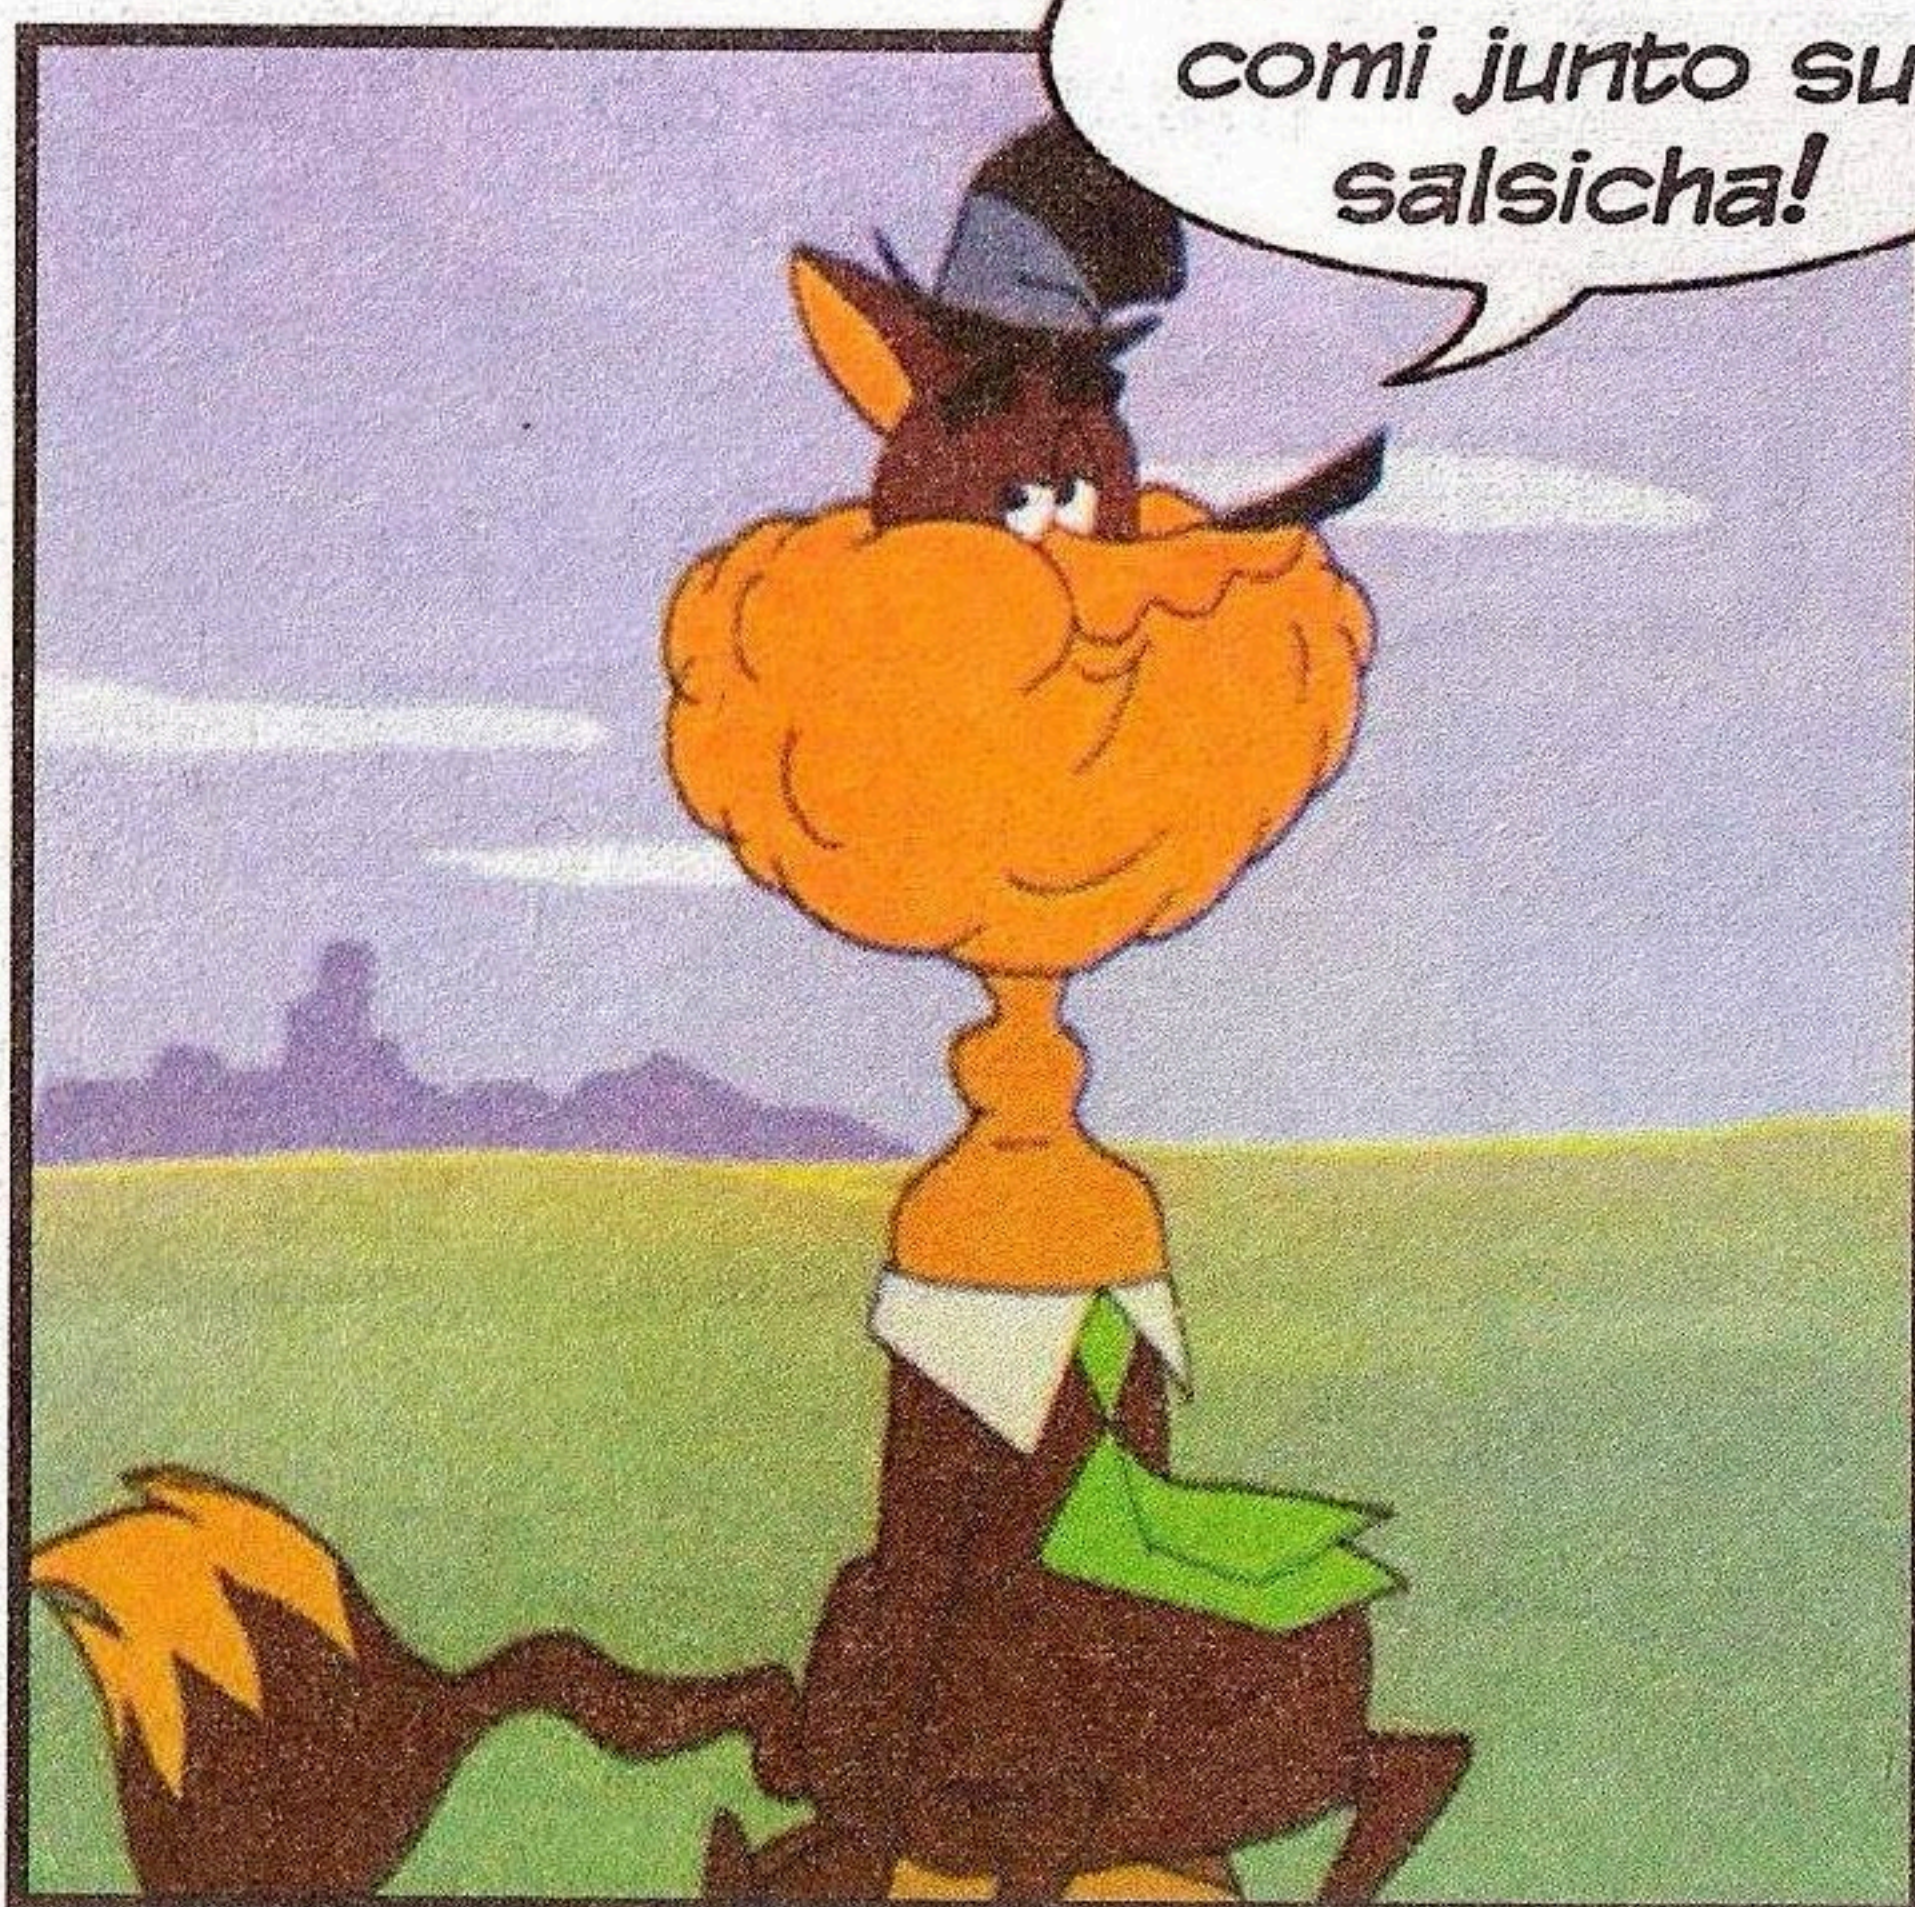

Ei, tem algo de errado com essa divisão!

No final, tudo que restou para o pobre Pica-Pau Foi uma salsicha!

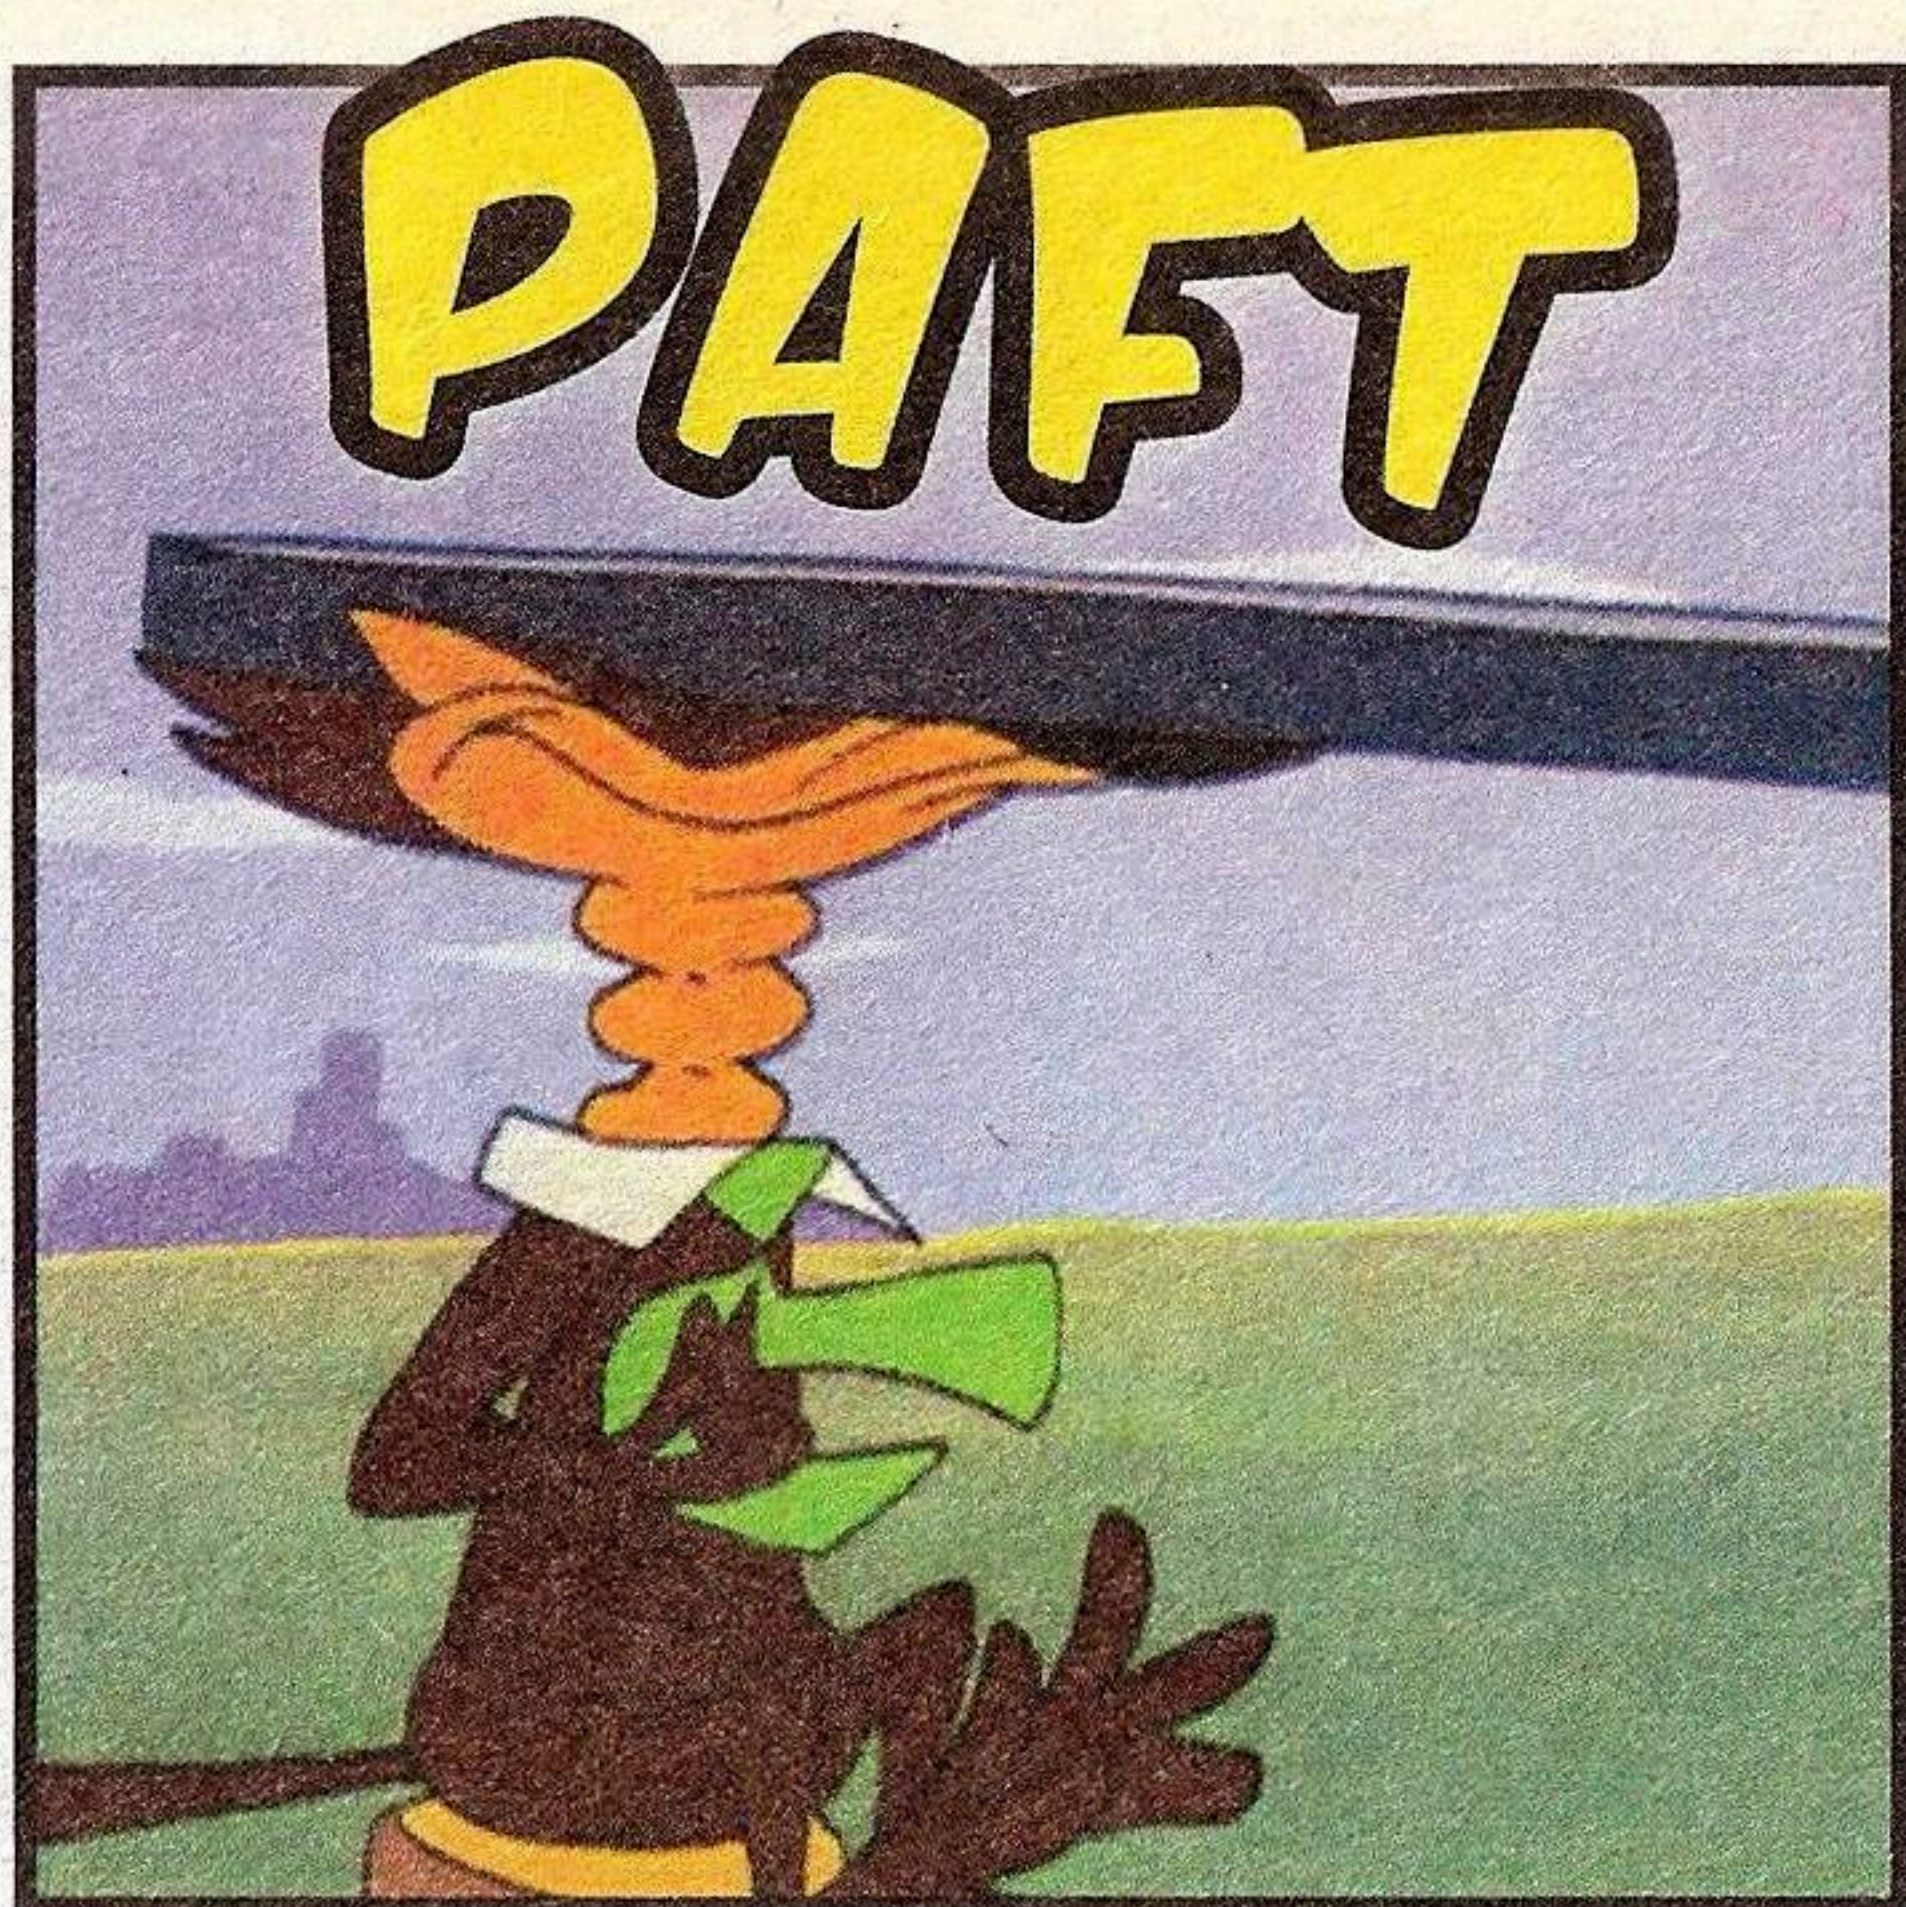

Hora de comer!

Ops, desculpe, comi junto sua salsicha!

Ora, seu espertinho!

Um campe...
O quê?

Eu não sei,
vamos descobrir!

A, B, C...
Ah, aqui está!
É um Pica-Pau...

Isso é ótimo!
Ganharemos 25 reais
se pegarmos...

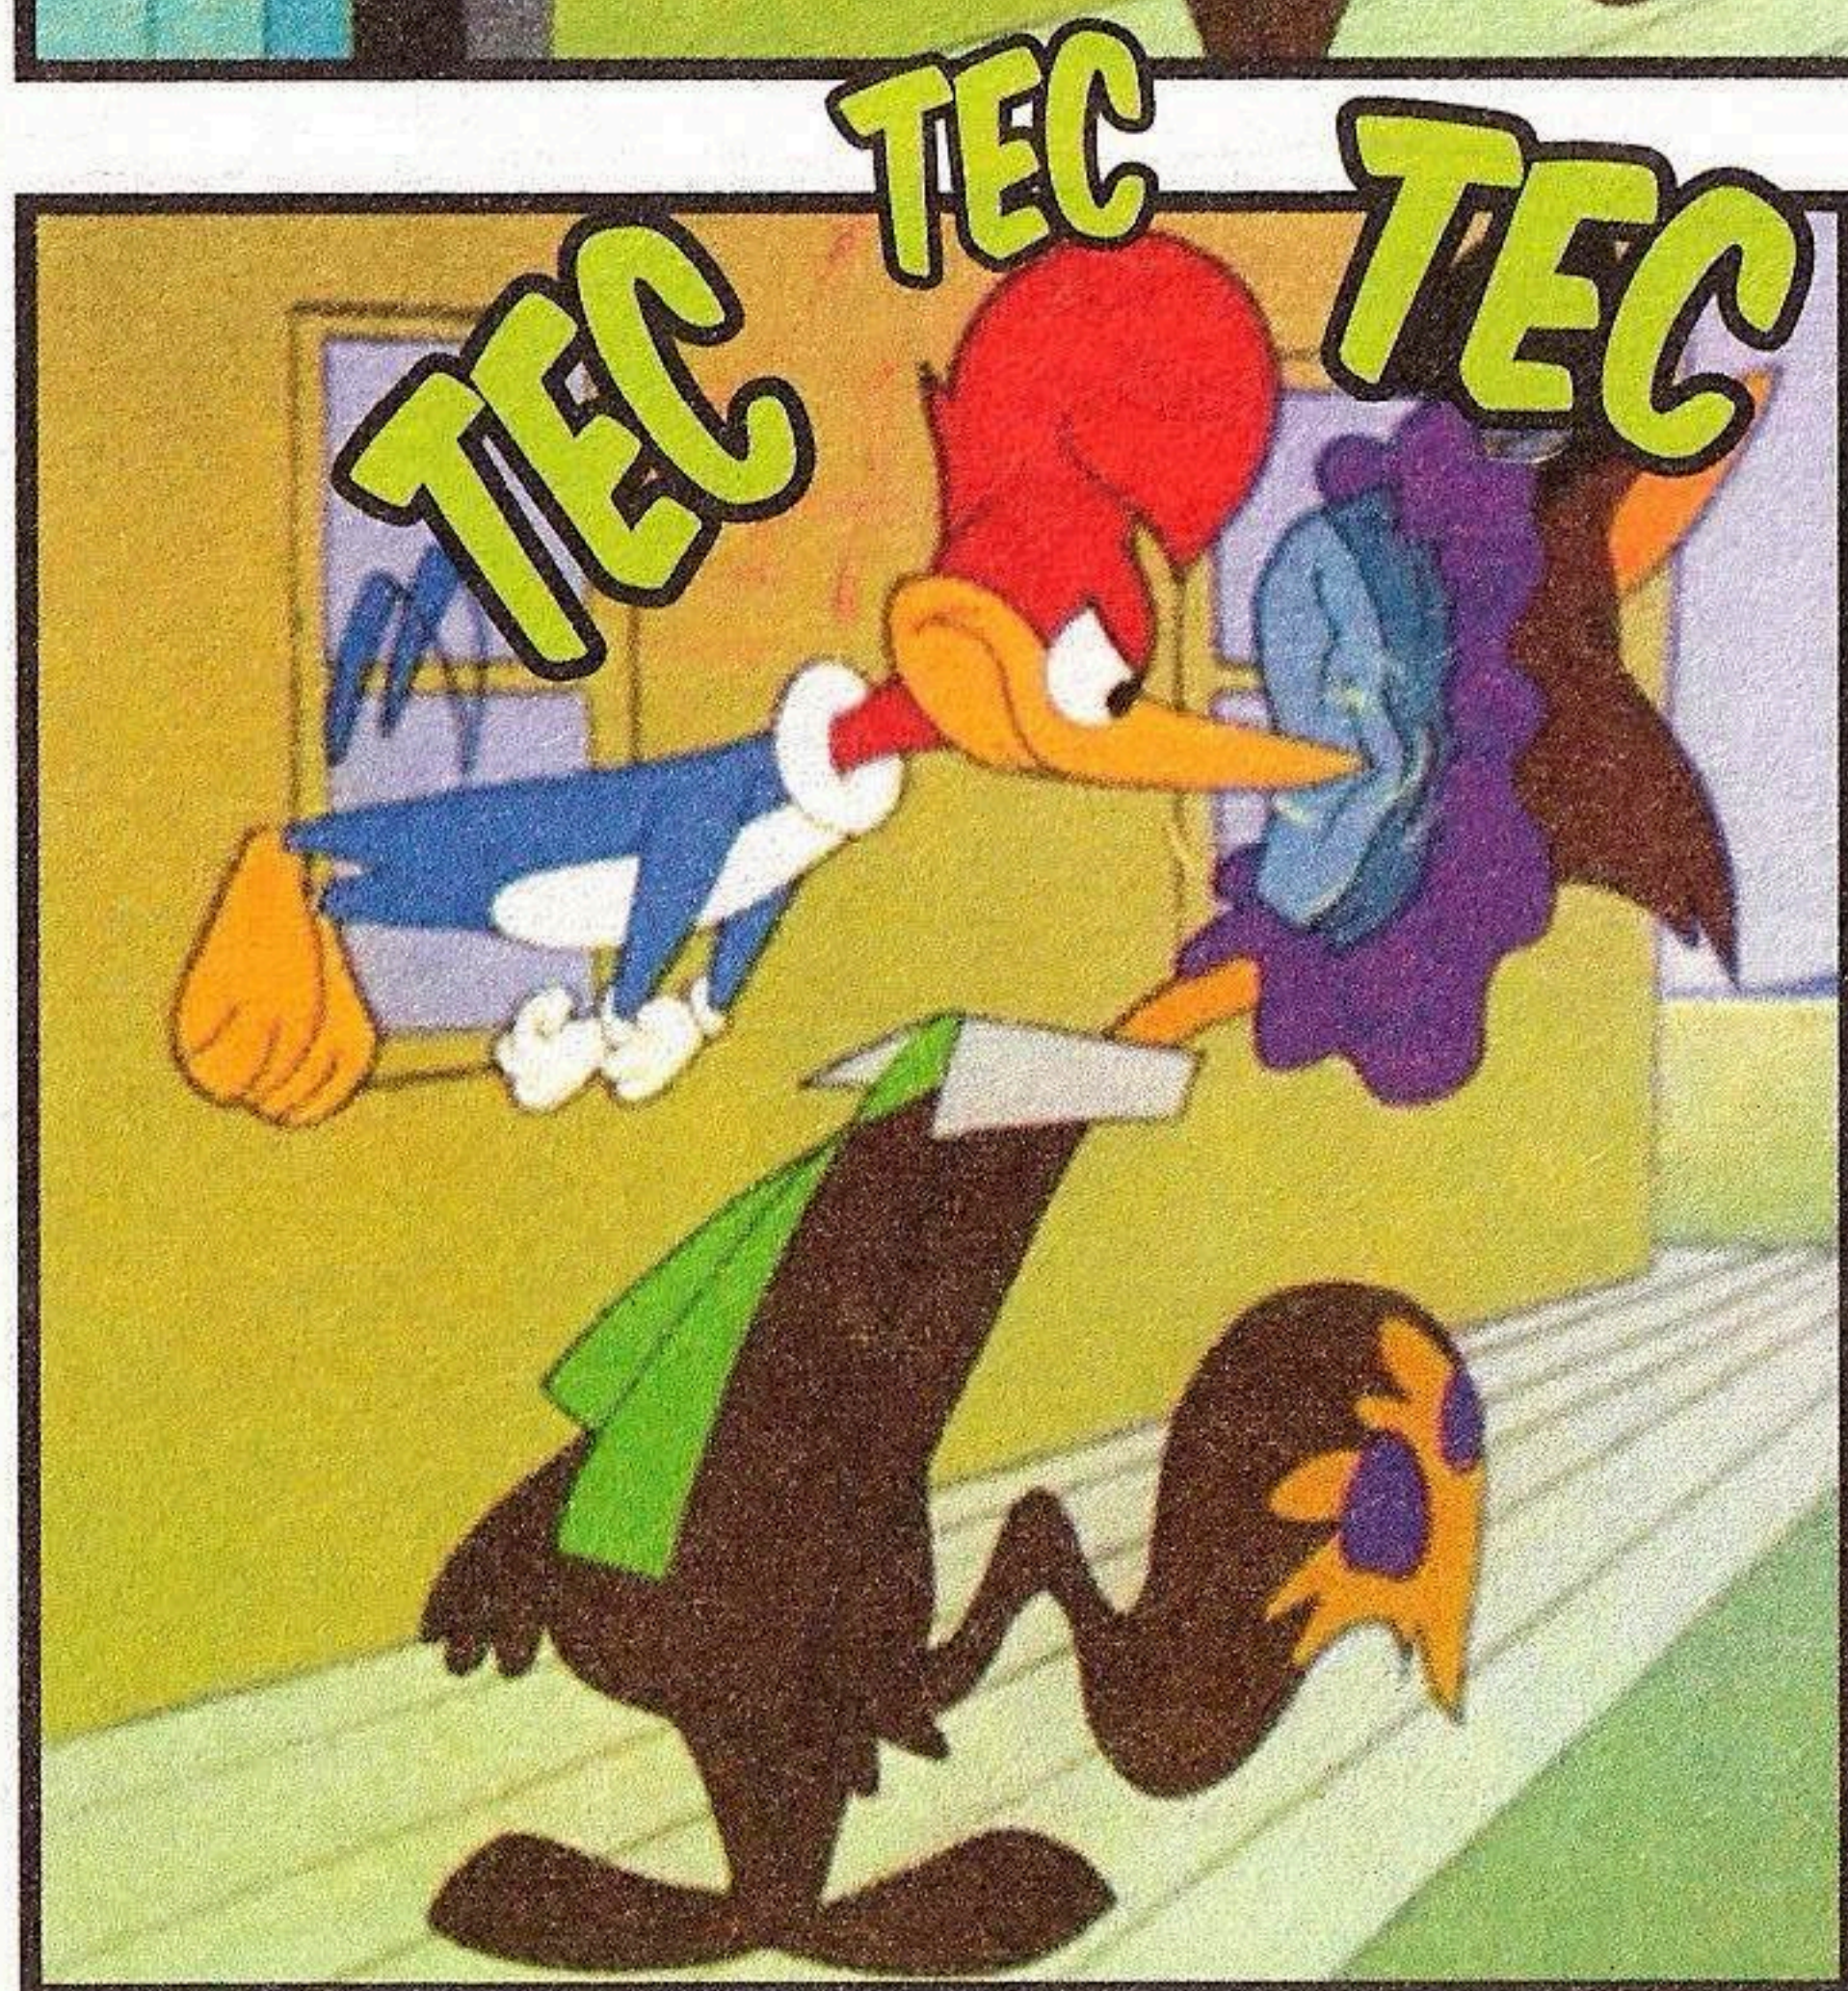

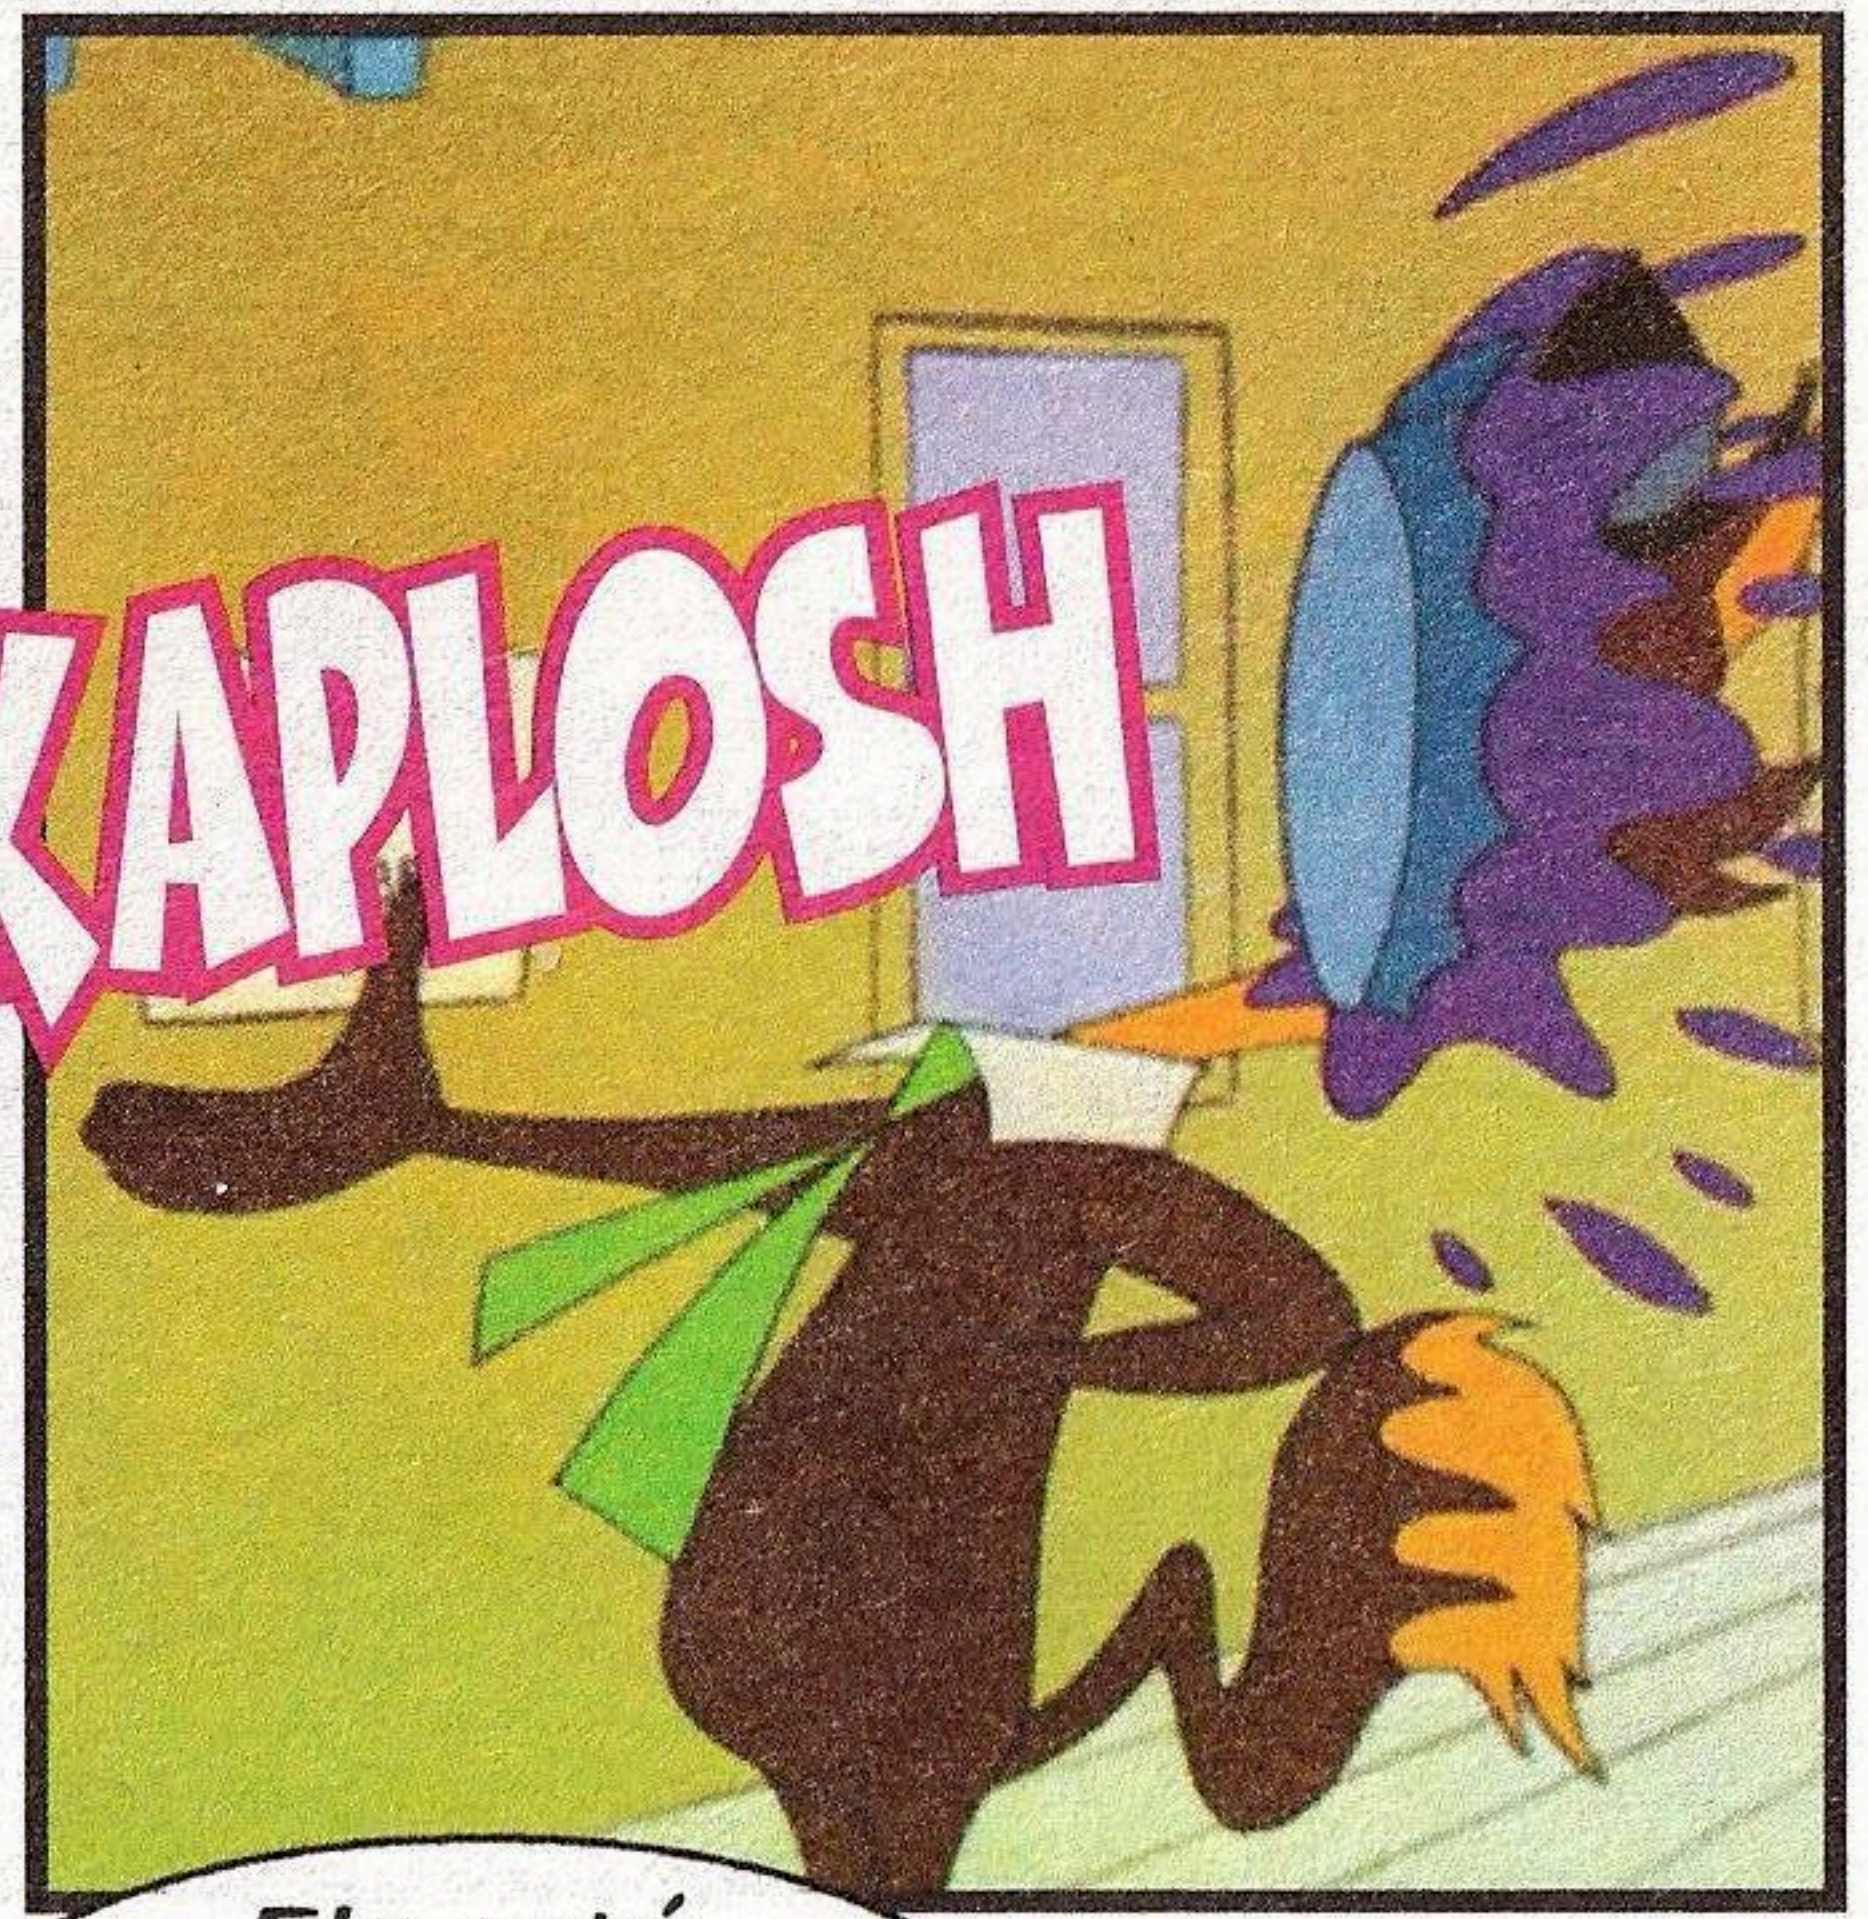

Espere um
pouco...

Sim!
É você!

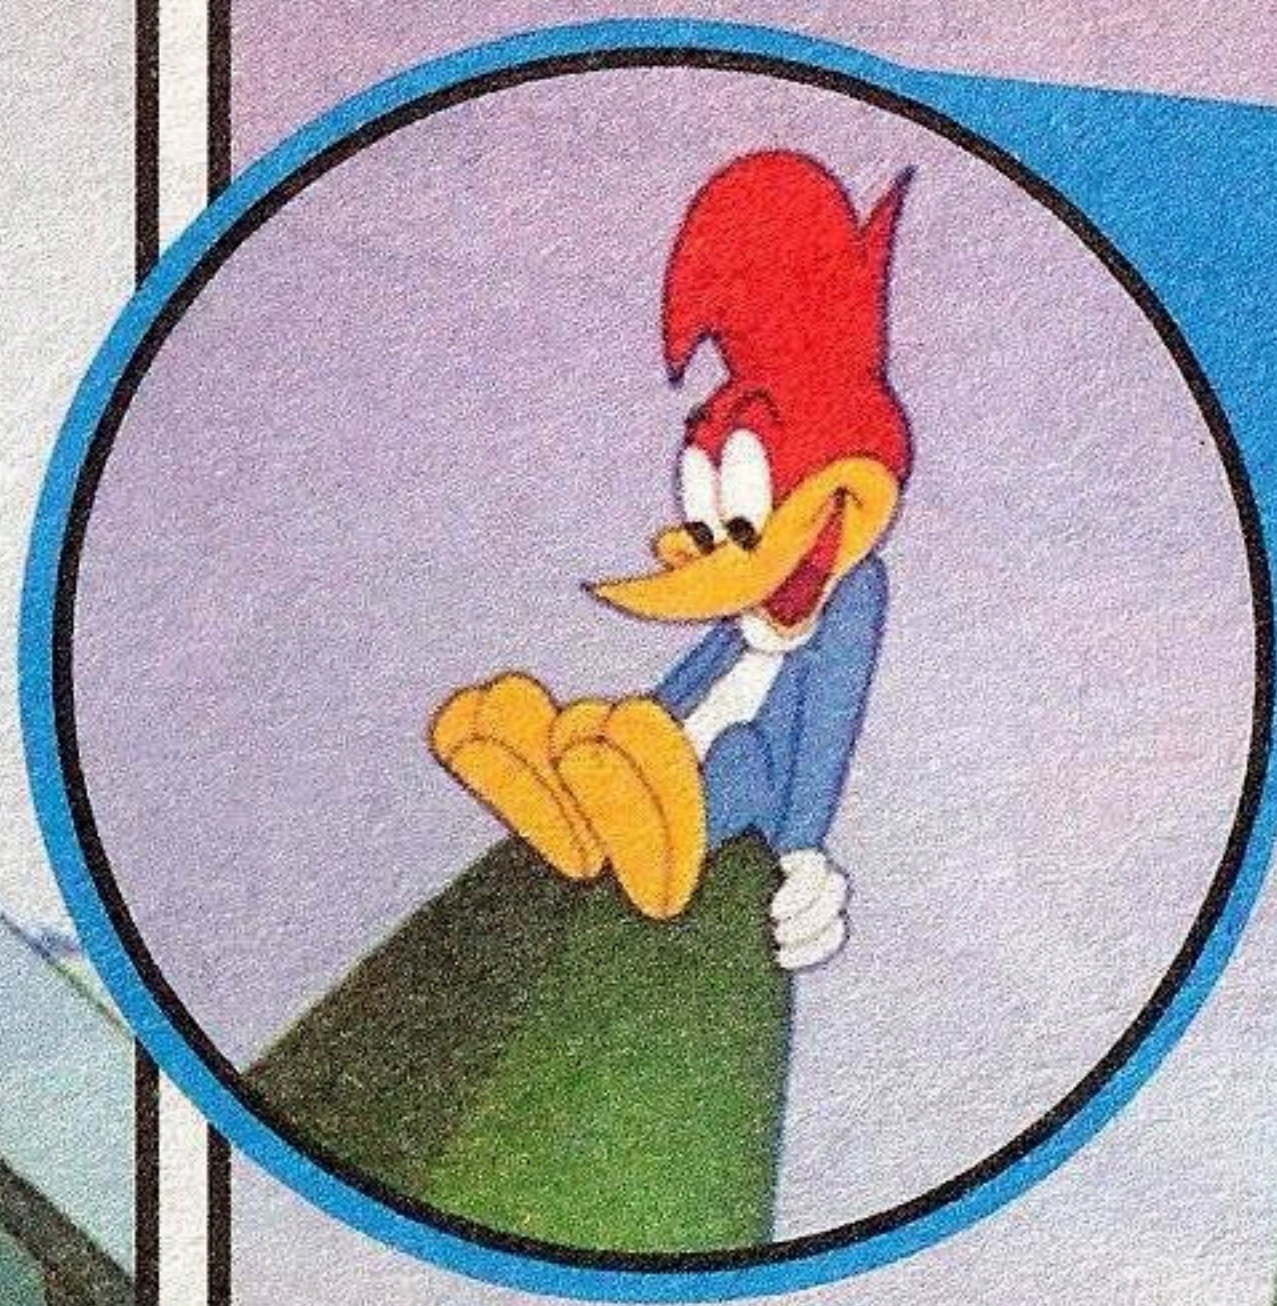

Depois...

Grr...

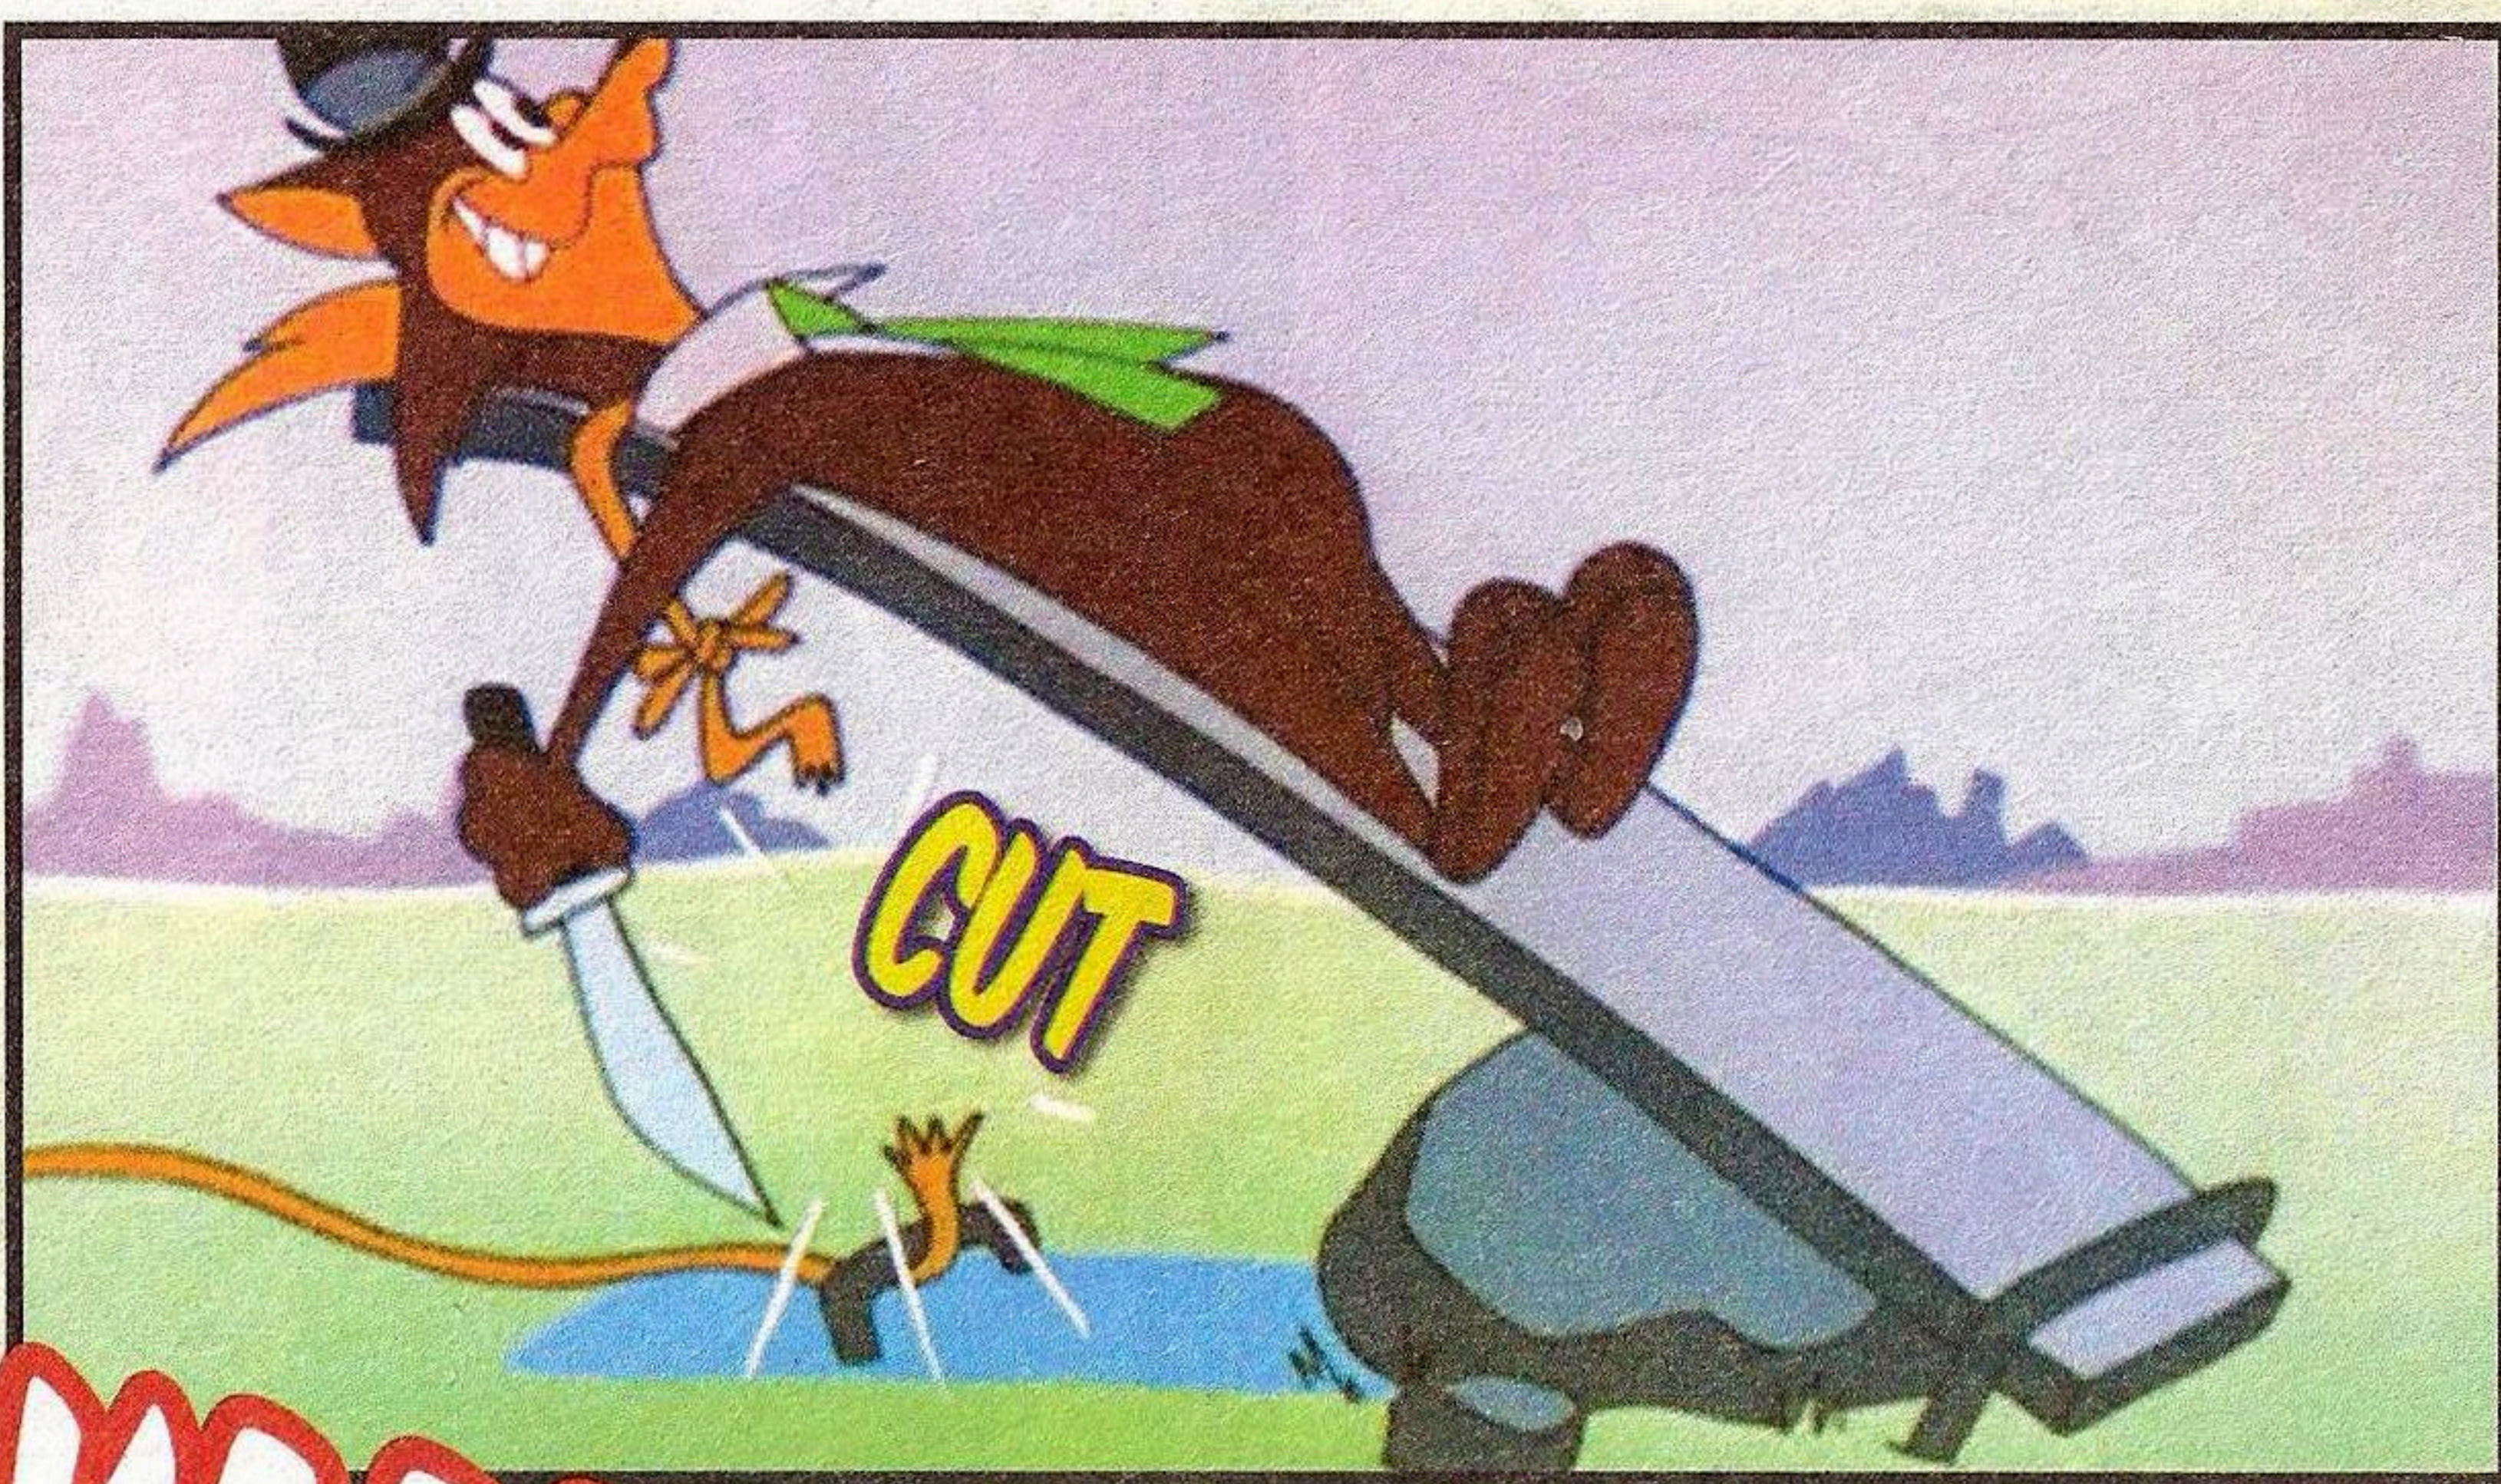

Acha que está
seguro em cima desse
cacto gigante?

Vou pegá-lo
com a minha super
catapulta!

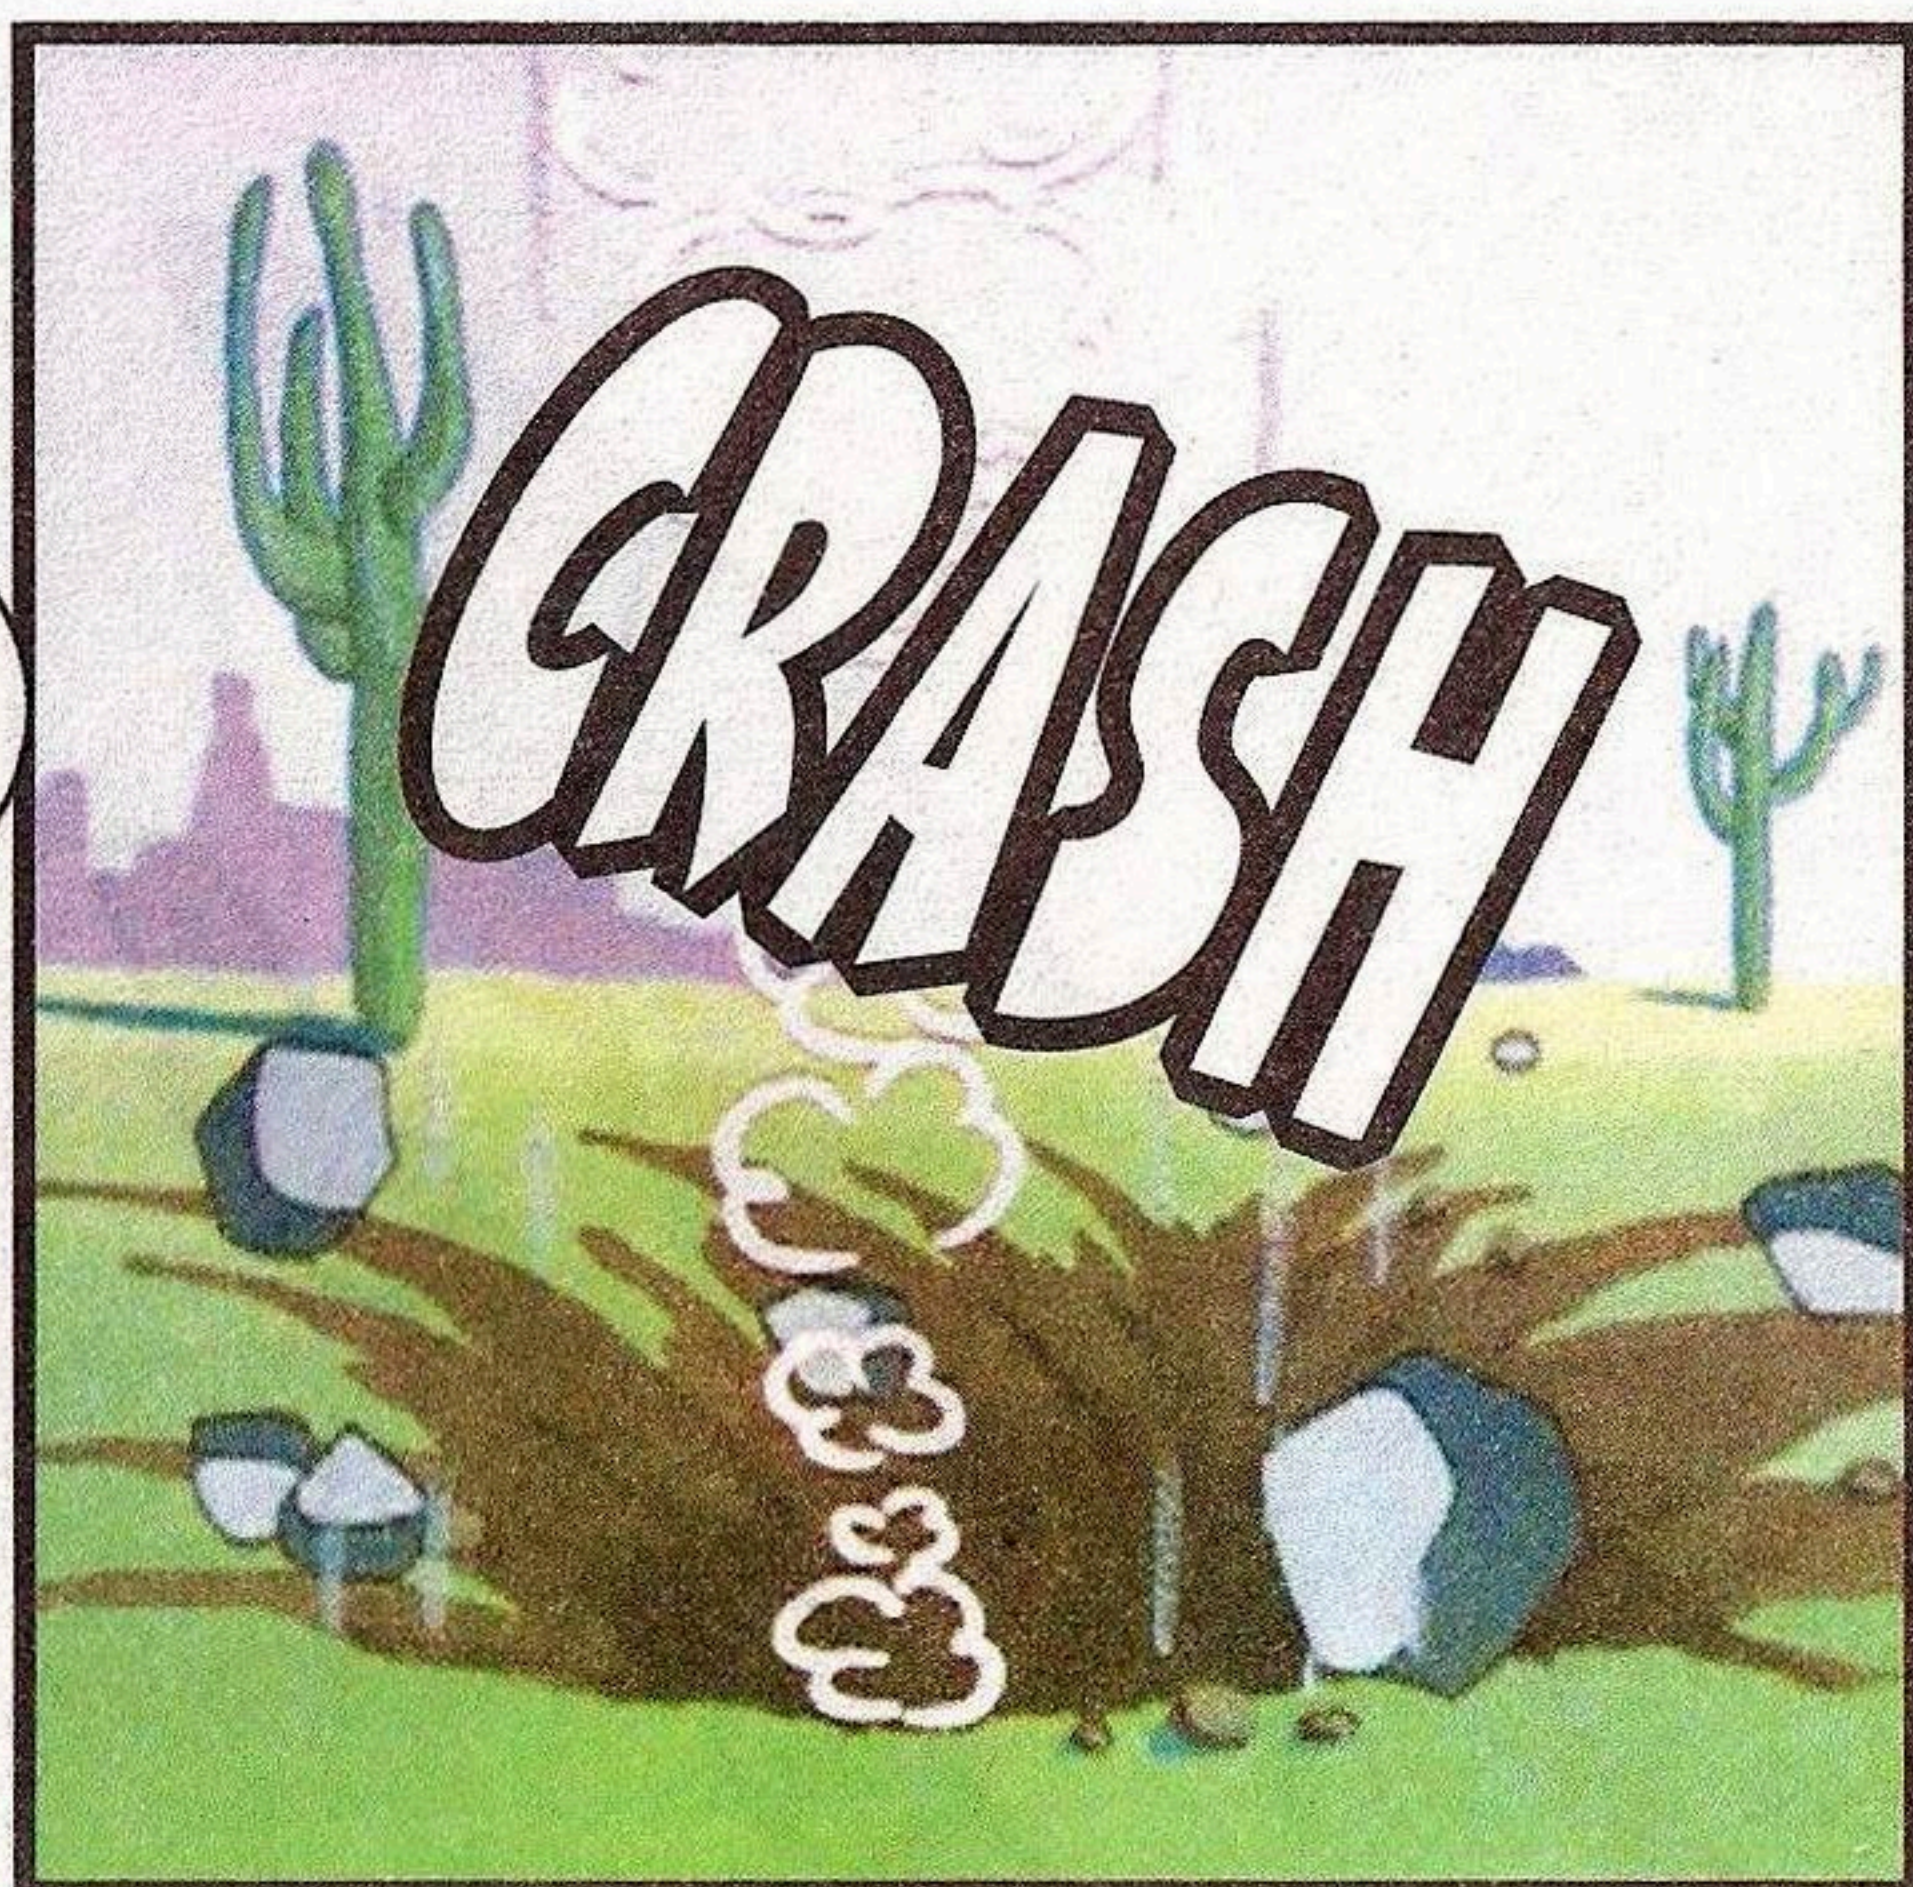

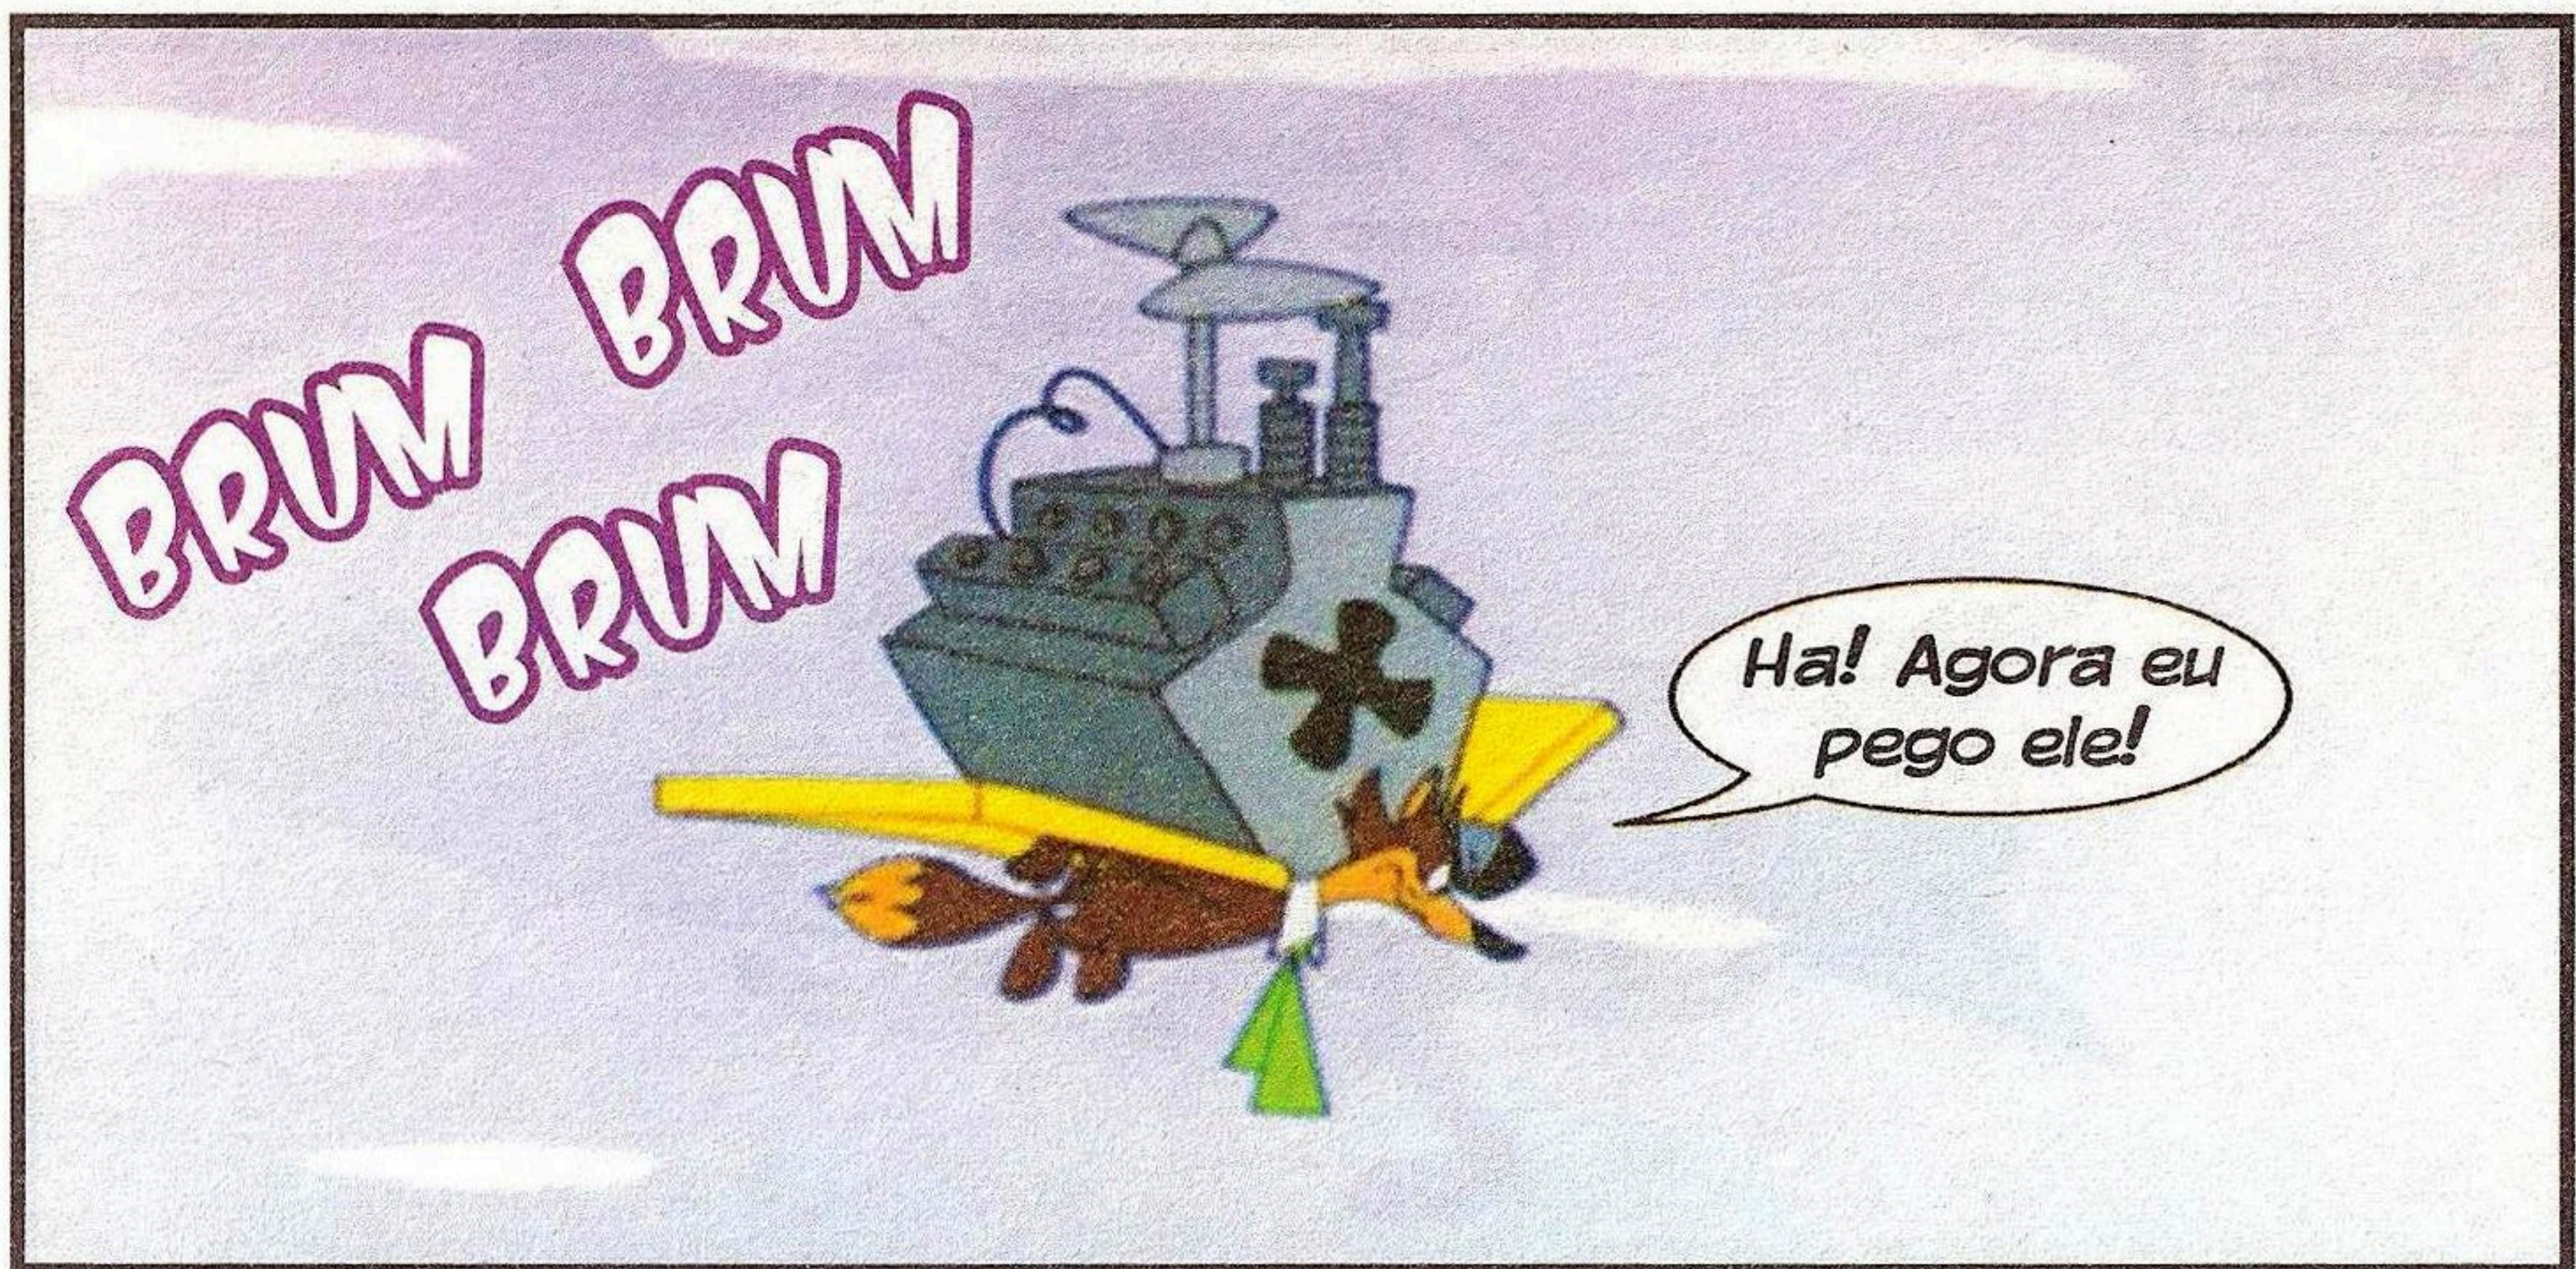

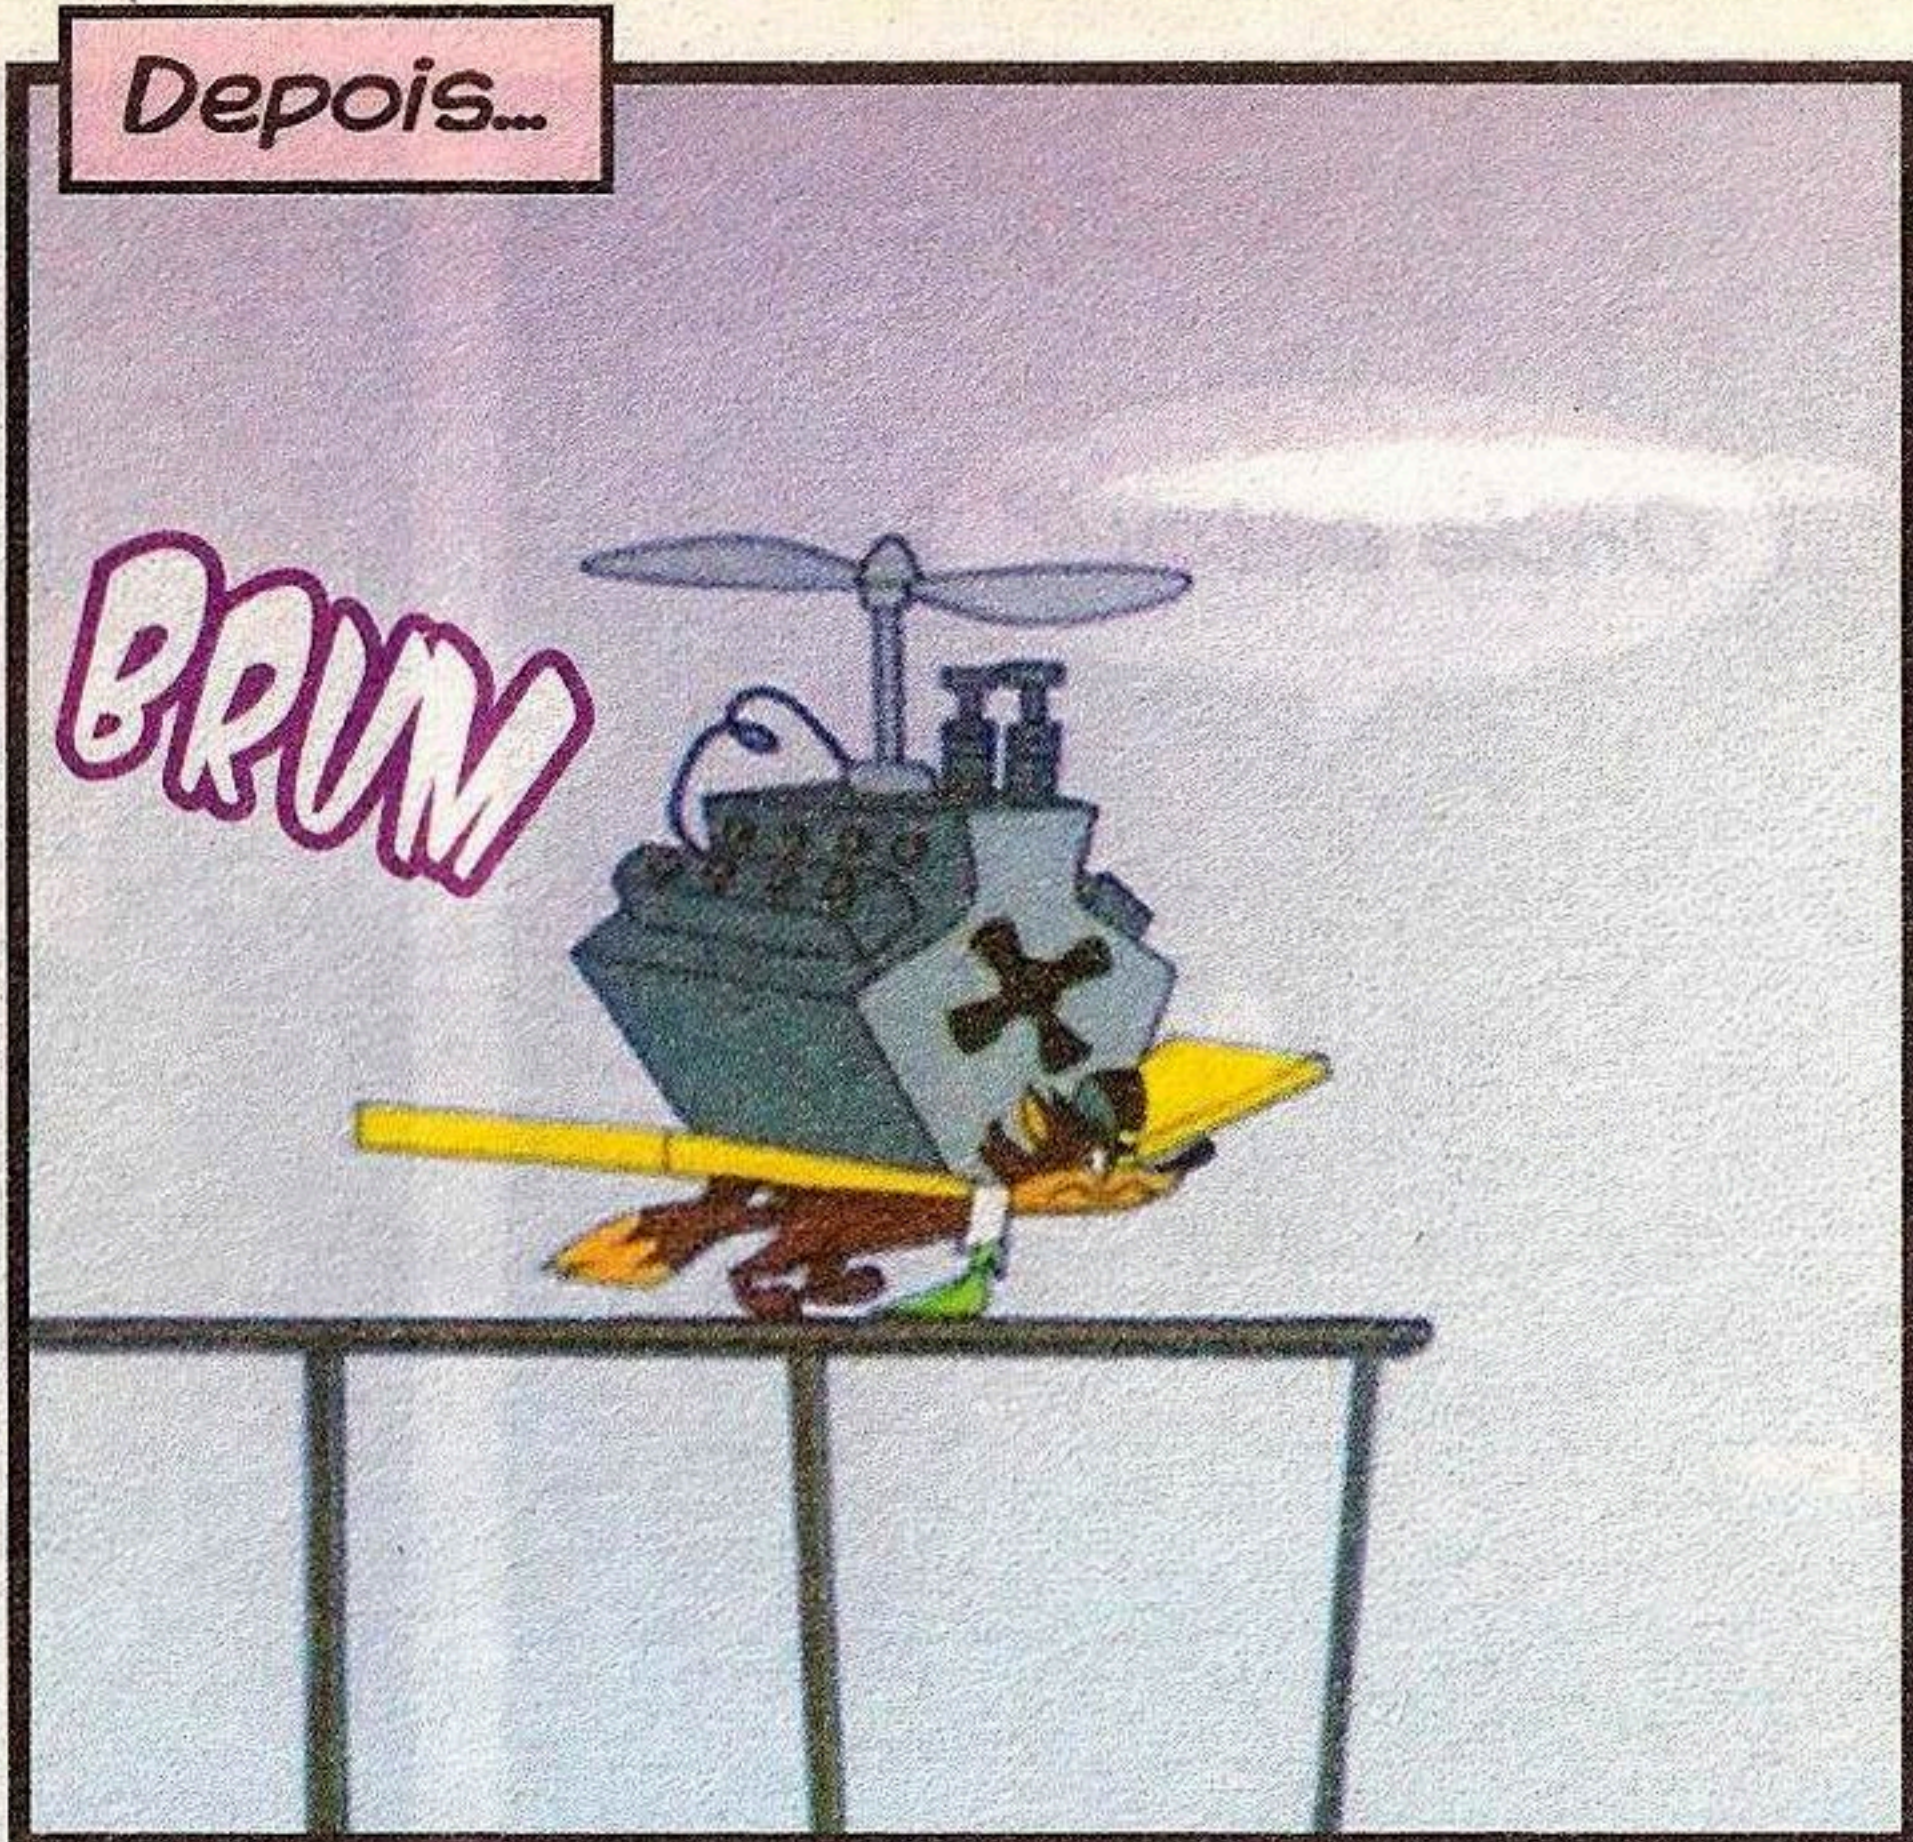

Tudo pronto!
Lá vou eu!
